THE UNITED STATES DISTRICT COURT  
DISTRICT OF UTAH

---

RUSSELL GREER,

Plaintiff,

v.

JOSHUA MOON, *et al.*

Defendants.

**NOTICE OF PLAINTIFF'S RECENT  
CORRESPONDENCE**

Case No. 2:24-cv-00421-DBB

District Judge David Barlow  
Magistrate Judge Jared C. Bennett

---

NOW COME the Defendants, by and through undersigned counsel, and hereby give NOTICE that the Plaintiff sent the attached Exhibit A to counsel for the Defendants on the evening of December 19, 2024.

Defendants respectfully submit that the attached email demonstrates that the Plaintiff believes he is justified in encouraging his own witnesses to disregard subpoenas, and in calling undersigned counsel "unethical" and a "crazy man" in correspondence with subpoenaed witnesses. ECF No. 197-4, 197-5.

Further, the attached correspondence supports the Declaration of Matthew Hardin at ECF 196-5, insofar as it illustrates Mr. Greer's tenor and why DUCivR 37-1 conferences with Mr. Greer have not taken place and are not feasible.

DATED December 19, 2024

Sir,

I have a right to tell my family to fight your frivolous filings. You claim to be a lawyer right? You should know people fight subpoenas all the time.

You are one of the rudest, cruelest, narcissistic person I've ever come across.
