3 Nelson E. Hunt, Deputy Prosecuting Attorney being first duly sworn on oath  
4 deposes and says:

5 That he is a deputy prosecuting attorney in and for Lewis County, Washington;  
6 that he is familiar with the records and files herein;

7 On June 28, 1985 officers of the Centralia Police Department were informed  
8 that a three (3) year old girl was reporting an incident of sexual abuse. Detective  
9 Ed Teitzel of Centralia Police Department interviewed the girl, she told him that  
10 on the day that a friend of hers moved, she was visiting the defendant. Detective  
11 Teitzel asked what happened and attempted to use anatomically correct dolls  
12 which he had been provided to aid in such investigations. The girl promptly got  
13 up, went into the kitchen, got a butter knife and returned, showing the detective  
14 that the butter knife had been inserted into her rectum and into her vagina.

15 Detective Teitzel contacted Dr. Wilcox who had performed an examination on  
16 the girl at the time the incident. Dr. Wilcox stated that his examination disclosed  
17 that the three year olds hymen had been broken.

18 In addition to the above-referenced case, Detective Teitzel interviewed  
19 four other males and females under the age of five, who all indicated they had  
20 various types of sexual contact with defendant.

21 Most of not all the victims of the defendant live in the same apartment  
22 complex as victim does. The Centralia Police Department has received information  
23 that would indicate the defendant is in danger of physical harm if she is released.

24 Based on the foregoing, your affiant respectfully requests the court grants  
25 the State's motion for a warrant and set bail in the sum of \$50,000 cash.
