RUSSELL GREER

Appellant,

v.

MICHAEL SCHAEFER,

Respondent,

Supreme Court No. 92350

District Court No. A-24-941323-A

**SUPPLEMENTAL AFFIDAVIT IN
SUPPORT OF MOTION TO PROCEED IN
FORMA PAUPERIS**

I, Russell Greer, declare under penalty of perjury under the laws of the State of Nevada as follows:

1. I previously submitted an Affidavit in Support of Motion to Proceed In Forma Pauperis in this matter.
2. I submit this Supplemental Affidavit to clarify my present financial condition and address the \$250 bond referenced in these proceedings.
3. The District Court issued a refund in the amount of \$250 in bond proceeds. However, I have not received those funds. The District Court's order did not specify how the refund would be remitted, and no payment has been received.
4. I sought a stay of eviction so that I could continue working, stabilize my financial situation, and pay my obligations, including the required filing fee and rent.
5. The present situation is the result of a "perfect storm" of circumstances. I was awaiting receipt of the \$250 bond refund and had requested settlement discussions in separate litigation (Greer v. Viatron), with a hearing on a motion to dismiss scheduled for April 6, 2026. At the same time, I was preparing to work six consecutive days to generate income.
6. On March 26, 2026, at approximately 9:00 AM, constables executed a lockout without the mandatory 24-hour notice, while I was in the process of pursuing appellate relief. This prevented me from working as planned and from accessing funds needed to pay the filing fee.
7. I am currently displaced and must spend time securing basic necessities such as food, hygiene, and access to electricity to maintain communication and work.
8. I have been informed that no action will be taken on my emergency motion unless the \$250 filing fee is paid.

9. I can pay the filing fee within a short period of time upon resuming work. However, I am presently unable to do so because I have not received the refunded \$250 and am dealing with the sudden logistics of being displaced.
10. The landlord has indicated an intent to re-let the premises on or about April 1, 2026, which creates a risk that I will permanently lose possession before I have a meaningful opportunity to comply.
11. Under these circumstances, I am presently unable to pay the filing fee, even though I will be able to do so shortly.

I declare under penalty of perjury under the laws of the State of Nevada that the foregoing is true and correct.

Truthfully submitted.

Russell Greer
