 first syn fucks up my friendship with shortie  
 then syth  
 then my relationship with ori  
 now dave?

**hen** 8/28/2022, 11:46:07 AM

Reason: Because Dady has heard from Dave that Syn has been talking and flirting with other girls privately without her knowing and that Dave has been shaming Syn because of him using Dave to plug in his twitch as a mod in different streamers

I'm trying to be nice to my boys

Since I wasn't so nice to them before

Because of well...

The server...

I wanna try to make it up to them and make things cool again

The question is just

How

**yuna 96** Today at 1:21 AM

okay

I really don't think I'm ready for a relationship at all, I love Syn but he sometimes scares me.. I have really bad history with him and have trust issues with him and no I'm stuck because I made a small mistake... I don't regret being with Syn it's just.. I wanna make things slow and I feel like that's a little too late... I feel like I'm not myself and a bit comfortable with myself since he wants me to be a certain way or he just gets sensitive about anything really it makes me upset and most of the time I'm more sad than happy...

Idk what to do :(

**yuna 96** 8/28/2022, 1:18:38 AM

Hey henrock, are you free to talk?

**yuna 96** 8/28/2022, 1:20:24 AM

Is it fine if I vent? I don't really trust anyone besides you, maxy, and 2 other friends

yuna 06 8/19/2022, 9:43:32 PM

He's trying his best to make it up to you guys and you don't notice that.... He worries about you too... It's sad that you guys only see him as someone who has a big ego when it's preference.. a lot of shit went down and just because people got jealous of him they're turning against him... especially how people are making him sound its just...

Selfish...

Like ??

@yuna 06

8/19/2022, 9:44:51 PM

A. What the fuck has he done for us

B. Who is getting jealous of him in anyway

yuna 06 8/19/2022, 9:46:30 PM

1. He bought a server for you guys to be in.. and helped keenoth around in the server and has done plenty of other shit.

2. Ayoif and Ezzie.

They're trying to make us fall apart..

It ALMOST happened

But ayoif mentioned how she was jealous and stuff

And kept calling me names just because she saw me and him happy which is pretty fucked up..

ayoif Today at 1:30 AM

but! if you're trying to get me to be friends with dolly again its not really working babes, fr though when you first came into my life I thought you were just gonna be some stupid guy who was just gonna bully me but the more we got closer the happier I was l'm sorry to ruin our friendship like this it's just whenever you started talking to that dipshit of a girlfriend of yours you like changed but you were so happy and it made me smile I know this isn't a straight apology but l'll tell the truth, I was jealous of your relationship I wanted to get closer with you so I didn't have to worry about my real life, I know you won't forgive me but i just wanted to get this out I loved you being my friend you made my life so much better and I didn't wanna kill myself anymore you completed my life but you're probably gonna make fun of me for saying this but l'd just like to say, l'm sorry

**ayoif** Today at 1:05 AM

what do you think?

**Syn** Today at 1:06 AM

She fucked up by sending that photo but that shouldn't be the cause of the end of a friendship

And now my girlfriend doesn't even want to talk to me

Is this what you wanted?

**ayoif** Today at 1:06 AM

what if i said

maybe

**Syn** Today at 1:07 AM

Fucking monster

I'm trying to make things right

I don't even have my girlfriend with me anymore

**ayoif** Today at 1:07 AM

should this be the time that i apologize

**Syn** Today at 1:08 AM

For what

What could you possibly do to fix any of this

**@yuna 88** Fucked up how you guys see ayoif as somewhat a good person and she does this..

**hen** 8/19/2022, 9:49:46 PM

NONE of us said anything about her, positive or negative.

**yuna 88** 8/19/2022, 9:50:16 PM

Yet you say bad stuff about Syn...

How ironic.

**ActionFigureAsian** 🇲🇵 Today at 1:49 PM

I should join in!!

Yayyy!!

But until thennnn

I wanna see your big beautiful boobs :c

And everything else you'll let me seeee

Pleaaaaaaase?

Oh.

You betrayed me...

This...

Why...

You tell me!!

I rather be with someone who hasn't asked for nudes and I'd be the first. This is kinda disgusting.

You betrayed me...

You deserve it

You promised...

So basically before I got with Syn or even dated Syn.. Will liked me right? But during October he liked someone else and I liked him and felt like we weren't gonna work out because yeah... and now that I found out he likes me and I'm with Syn it kinda made him... sad...  
I vented to Will about what Syn has done to me and I still went after Syn..

**NHyper** Today at 3:15 PM  
ohhh shit

Hey, so I wanted to tell you this in the nicest way possible but... I think we should just end things officially... I'm so stressed in this relationship and it's not fair how I'm lying to my friends when they've been there longer... it feels right and we should just call it a day.. I'm so sorry it has to come to this... no more take backs...

**Syn** Today at 8:36 PM  
But baby...  
No...  
Please....  
  
I need you...

Bro so  
We were playing mm2 right and this guy starts talking and when I talked to him he got jealous I believe he got jealous cuz he had a really deep voice and sang songs  
Pathetic .  
Then he used exploits to kick him out of the game

bro has a kink

I have dated Syn for ~9 months, throughout this relationship I have been manipulated, used and quite literally ignored. From what I know, he does not take a genuine relationship seriously, and will test your boundaries first if anything. During this relationship I was 14 and he was 15.

Comments like this were extremely common especially throughout the start of this relationship. We began dating on the 4th of January. The messages you are seeing are formatted as dd/mm/yy

Anyways, story of Syn, You may know syn as having a big ego on things such as feeling superior than others and wanting to be a bigger person than others. After a while his exes has confessed he asked for nudes, mainly boob pics since he's a big boob guy. Some of his ex including me thought it was strange because when Syn asked me we barely knew each other and occasionally got in calls and played games together. Out of nowhere he'd just ask for pics. I'm not the only one who has experienced this, other people here have witnessed it and declined syn for it. I'm sure some girls have sent him pictures and that's okay, I'm one of those people and it's not our fault because of course we were together. But everyone just told people because during that time people were just getting tired of Syn

someone add arc cuz he didn't accept my friend req 🤔  
but anyways  
would yall be down / okay with me using syn for info, as he said he wanted to file a court case of what henrock did  
and if I get info off of him I can open a court case for child predator — and asking for child pornography  
He can go to jail for that 🗡️  
and no I don't have feelings for him, I've completely lost it all, I just want him to get what he deserves for being a selfish bottom bitch

@ ace ☆  
Hey babe would you feel if I...  
Handcuffed you to the bed and began to degrade you?  
And you could do nothing about it?  
As I would forcefully fuck you and make you my little fuck toy.  
<3  
Or how about you take full control and not let me cum until you let me?  
As you would take the top position and ride my cock all night.  
But always stop before I finish.  
Or how about I use my big nice hands you love so much and wrap them around your neck?  
One on your neck and another on your pussy...  
With my big hands I'm sure I could reach deeper than you with ease. <333  
And I begin to choke you harder and harder and I kiss you deeper and deeper.  
As I call you a slut for enjoying this so much.
