I apologize for the random message. But that is a bareback chat. XD not many people there, to my knowledge, would like that content/gif(with the dog) in the group. Even if it isn't full on stuff, it is rather 'suggestive' if that makes sense. :P
- I don't mind it personally though. :p if yeh don't mind me being honest.
- Also, its good to meet'cha. 03:36
-  Sephius Rivendare 03:36
Oh ok sorry
-  SnakeThing™ 03:37
No need to apologize. :3 I'm not a mod. Just a person helpin' out is all.
- I'm quite an avid fan of that kind of stuff, 'specially when it 03:37
involves suiters as well. So it was/is quite a nice surprise to see more of it.

- I have a lil small collection of zoosuit material, always on the 03:38
lookout for more. :3

Hehe intresting
-  SnakeThing™ 03:42
Mhm. Its quite nice. C: Met some very nice people in that regard.
- I take it from that GIF, if I may ask such a personal question, you've had 03:42
funsies in that way before? If I may ask. I don't wanna make yeh uncomfortable or anything.
-  Sephius Rivendare 03:45

-  I'm not really a zoo furry. I'm more into beasty 03:46
-  SnakeThing™ 03:46
Beasty? Gonna have to explain, heh. To my knowledge, zoo is love in that regard. Beast is in it just for the sex.
- Is that what you mean, or? : p
Apologies, I get confused easily sometimes <3 03:46
