Google
(James
Kira,
Sebastian
Burns &
Atif
rafay to
uncover
the full
story)

(James Kira is 48 by the way)

Who is James Miyoshi Kira?

James Miyoshi Kira was born in Vancouver Canada to Japanese parents

James Kira was convicted of 1st degree murder alongside his 2 other friends (Sebastian Burns & Atif rafay) when the Canadian Government asked James to testify, James escaped to Japan to flee persecution

Now James sits on Telegram servers amongst white nationalists & spreads false & non-sensical theories about Haplogroups & he convicts random individuals of being members of ISIS,

To all National Socialists/Fascists who allow James to be a part of your groups, take into consideration that James is not white or European, he is an intruder who pushes his false & illogical agenda to everyone around him.

Forwarded from James Kira
