12:20pm **Destiny** >me on my way to Mar-a-Lago

02:21pm **Destiny** >2025, David Lynch dies, film releases on January 20th, 2025: "Destiny's Most Ambitious Manifesto Yet..."

02:21pm **Destiny** SWEATSTINY

02:51pm **Destiny** WHAT HAPPENED

04:18pm **Destiny** posting soon SWEATSTINY

04:17pm **CalvinSoul** "(i)an individual may recover the actual damages sustained by the individual or liquidated damages in the amount of \$150,000, and the cost of the action, including reasonable attorney's fees and other litigation costs reasonably incurred; and"^This is why Destiny may be fucked, any statute that gives full attorneys fees for a successful suit makes them far far more attractive to attorneys

04:18pm **Destiny** !ipban CalvinSoul retarded

04:18pm **xdot35** half of yall are so retarded trying to pretend like this isnt awful and doesnt prove that destiny is a loser OMEGALUL "wow this is stale drama" ItsFine

04:18pm **Destiny** !ipban xdot35 also retarded

04:18pm **timewarp angel** <https://x.com/itmefairyqueen/status/1881440272451846247> this chick was right all along (apart from the retarded religion shit)

04:18pm **Destiny** !ipban timewarpangel also retarded

04:41pm **balddog22** Incinerated_Kids no,no, and no. You're retarded. Sexual shit is significantly more impactful if it leaks, especially for public figures, if at any point pxie applies to a law school/job, that shit will be linked to her employers specifically to humiliate her. Her family could see it. It's fucked, you don't ever share shit like that without consent, fucking ever. 0 exceptions

04:42pm **Destiny** !ipban balddog22 retard

Monday, January 20

05:00pm **Destiny** lol moobies away if you want, idk who is conducting tonight, but unlikely that I'll stream

06:23pm **shillingspree** >doesn't dispute spreading nudes, this is just character assassination: the post

06:23pm **jeepers** >am i missing something MMMM how does any of this absolve tiny MMMM

06:23pm **Asukissa** jeepers threatening suicide is the #1 sin in dgg for some reason so now they'll turn on her

06:43pm **The Antagonist Jonahh** > Destiny only acknowledges the hack, not the fact the nudes got there in the first place LOL

06:43pm **LeanRaccoon** diminishedswag the main point of pxie's post was that tiny shared her nudes (or something like that) with a random person without her consent. this is a fact that is true and goes unaddressed

06:44pm **Thereal yeniflaH** fyi, destiny has been leaking nudes of his partners to his inside circles for like 10 years. first time i noticed was with tigerlily, back in sc2 days

06:46pm **oozetube** ONE SENTENCE ADDRESSING THE MEAT OF THE SUBJECT OMEGALUL

06:46pm **pepewins23** this PR statement is dogshit and the exact opposite of why people like destiny

06:48pm **Destiny** !lipban shillingspree, Asukissa, jeepers, TheAntagonistJonahh, LeanRaccoon, therealyeniflaH, oozetube, pepewins23 PEPE

07:14pm **cabinet** Destiny leaked [BLONDE_ORBITER]'s "pics" to try and get pussy from some ewhore and desperately offered to pay [BLONDE_ORBITER] off to stay quiet. Actual weinstein activies LULW [REDACTED] VINDICATED LULW

- 06:22am **Destiny** BINGQILIN
- 06:25am **Destiny** !ipban jstlk, chaeiry, pxie BINGQILIN
- 11:49am **Destiny** probably on content break until feb 1st
- 11:49am **Destiny** not sure if I'll come out as trans or get a dog, still deciding between the two
- 11:49am **CumElementall** Destiny why not take your own advice and stream through it?
PepoThink
- 11:50am **Destiny** CumElementall I've been "streaming through it" for like 2 months I think I've psychologically pushed my limits here LULW
- 11:53am **S0lidSloth** xNuddel pixie said she was suicidal and shit and president Sunday went against her wishes and leaked shit. Then read pixies statement its just actually got straight up lies in it. 🤔
- 11:54am **Destiny** S0lidSloth I don't think anyone went against her wishes, if I had to guess, based on the timing of the videos + her statement, it was probably all coordinated
- 11:55am **Destiny** is it in bad taste if I post this on twitter?
https://cdn.discordapp.com/attachments/581412870042943488/1331305740614238218/IMG_4608.png?ex=67912297&is=678fd117&hm=68e8ff0fd8f06203f69c0b101908afa30c674cfcfd818a4ebdff6481b7eaa5ee0&_
- 11:55am **CreamOnMushroom** Destiny (only if you feel comfortable answering) has she actually already taken any legal actions? What are the chances you think this actually ends up in court?
- 11:55am **Destiny** CreamOnMushroom I'm 99% sure there's basically 0 recourse available to her, which is why I wanted to work it out independently, but I've always told her she's free to do what she wants

Tuesday, January 21

- 11:58am **EGO** Destiny there doesnt seem to be any criminal punishment since it doesnt fit the definition of revenge porn but are you not worried about having to pay out punitive damages and the reputational damage?
- 11:59am **Destiny** EGO no lol, but none of this really matters as far as legal stuff goes, it's all reputation damage and all that
- 02:15pm **Sweden** Destiny this controversy is legitimately indefensible. Unless he
destinyo7 takes care of his sex addiction i'm leaving this fucking community hol shit
- 02:15pm **Destiny** !ipban Swedendestinyo7 let me help, also i fucked your mom lil bro

- 12:01am **Destiny** !Ipban Ixnay
- 11:48am **SourCap** Ratatouille bro pxie still didn't want to go public. if you dont want to go public the only option is to get paid off. she only went public now because sunday "outed" her
- 11:48am **Destiny** SourCap nah, I bet it was all coordinated
- 11:49am **Destiny** also okay, time to move onto the next thing, we're gucci on this topic
- 11:49am **FDRs Wheelchair** Destiny no the fuck we aint lil gup lmao
- 11:49am **Destiny** !ipban FDRsWheelchair ok
- 11:49am **Prying Sighed** ferreday I think she wouldn't have done all of this if he displayed more remorse or just faked it, his logs were super autistic OMEGALUL
- 11:49am **Destiny** !ipban PryingSighed from dec 11th onwards Lauren D was working her hard, we were always going to come to this place
- 11:50am **LeoLeo** Destiny are you streaming earlier or still febr 1st? PepOk
- 11:50am **Destiny** LeoLeo we'll see, probably not today, probably before the 1st
- 11:50am **Mercatone** Destiny she orchestrated that she felt betrayed by Erin too? cmon, what are the chances?
- 11:50am **Destiny** Mercatone I don't trust any of these people LULW there's a reason why in 2024 I was largely separated from basically all of them, way too much backroom log sharing/dumping/coordinating/weird shit

Thursday, January 23

- 11:51am **yarsk** Destiny are you going to make any further response or just stream like normal?
- 11:51am **Destiny** yarsk I can't really say anything specific, I mean I fucked up in some regards, all I can do is try and change behavior and move forward, if people don't want to watch because of past stuff then I understand that, if you want to watch for political stuff or think I can do better than I have, then there's that.
- 11:53am **D4V1B34R** When could we anticipate a more fleshed out response? Destiny no rush but just curious if you had an idea in mind
- 11:54am **Destiny** D4V1B34R literally never, I stopped talking about my personal life over the past year basically, and everything involved requires huge divulgements of TONS of personal stuff, which just opens the can up for a billion other personal things to be involved, and I have 0 interest in litigating my entire personal life over the internet to a ton of vultures who are just looking for their pound of flesh. 👍
- 11:54am **Frozen Broccoli_** Destiny I think a lot of people will forgive you if you admit that you fucked up and are fixing your sex problems or w/e. The vast majority of people don't think this should be the end of you. Rehabilitation should be the focus imo
- 11:55am **Destiny** FrozenBroccoli_ all of this stuff is from 2023 and earlier LULW, the only reason anyone is even talking about all of this is because of the guy who gained access to that one account and dumped every from a few years ago, but no one cares about him because they don't think they can milk as much money out of that target
- 11:56am **Destiny** anyway, I'll probably be back before the 1st, just chillin' until then
- 12:00pm **Destiny** bro if I need to go on the sex offender list I'm taking like 20 other streamers with me okay LULW

Thursday, January 23

- 12:00pm **Stukatump** Destiny the issue indeed is is that the narratives being pushed right now are the ones that paint you literally chaotic evil scumbag, but it is understandable that you can't also push back due to legal counsel advise, hope you can still associate with the DNC after all this to fight against MAGA FeelsOkayMan
- 12:01pm **Destiny** Stukatump I have never done anything "maliciously" or as any of the fucking insane lav/mrrapist/jewstalker allegations say, that's fucking retarded, my only crime is being too much of a gooner in 2023 and earlier 100% sure, though again I can't say anything specifically because everyone wants to come at me in court now I guess
- 12:01pm **Destiny** there is a huge "revenge porn" angle for sure, but that's from the guy who dumped everything publicly, anyone saying anything different is actually fucking retarded
- 12:01pm **hackerbot** Destiny Admitting you know shit but aren't revealing it for leverage? Okay buddy!
- 12:01pm **Destiny** !ipban hackerbot bye
- 12:02pm **Destiny** Anyway I dumped all of the Israel vids to August so those can finally get uploaded again PEPE
- 12:02pm **Aufheben** Destiny wouldnt it make more sense for you and pxie to go after the hacker and leaker. you barely did anything in comparison to the fucking hacker LULW
- 12:02pm **Destiny** Aufheben pxie and the people behind her just want money, so there's no point in going after the hacker, he's probably some broke loser anyway, so they aren't even mentioning him
- 12:03pm **Aufheben** Destiny True but it just feels shitty considering you are a party who has been hurt and damaged significantly, also. but when most of the commentators already hate you ig that does not matter Aware
- 12:04pm **Destiny** Aufheben no that's not true, men are never damaged by any of this stuff

Thursday, January 23

- 12:04pm **Destiny** in fact it's actually super epic and hilarious when vids of guys get leaked or when you tweet out random sexual details like 15:2 to epically own them publicly
- 12:04pm **Psychlone** Destiny are you going to downplay what you did by lumping in anyone who criticize you for recklessly disregarding multiple people's consent in with the likes of Mr Girl?
- 12:04pm **Destiny** !lipban Psychlone yep
- 12:05pm **Destiny** anyway, like I said before, I've definitely made mistakes and fucked up, all I can do is promise to do better and change behavior going forward, I'll figure out and settle what needs to be settled in the background, if it's too much then leave, if not then welcome to 2025
- 12:05pm **Gorm** Destiny how can you in good conscience sell a message of the importance of consent to young men, and then non consensually share a video of pxie blowing you with a random discord regard?
- 12:05pm **Destiny** !lipban Gorm
- 12:06pm **trumbus** Destiny def not beating the Epstein allegations with these replie holy
- 12:07pm **Destiny** !lipban trumbus
- 12:07pm **Frozen Broccoli_** Destiny saying you're going to sex therapy would be really good, please strongly consider it Blesstiny
- 12:10pm **Destiny** FrozenBroccoli_ "sex therapy" LULW like I said if I need "sex therapy" then so do like 100 other streamers, the reality is ever since I've started my Vyvanse my desire for any of these types of interactions has fallen off a cliff, that's why all of this shit is pre 2024
- 12:10pm **QuietMusic28** @destiny killyourself fucking retard
- 12:10pm **Destiny** !lipban QuietMusic28 ok
- 12:11pm **Molly** Destiny you think responding with "other streamers are degens as well" is a good way of going about this lil bro?

Thursday, January 23

- 12:11pm **Destiny** !ipban Molly yes
- 12:11pm **Nabonides** secretly recording people during sex, then sending it to other people = "too much of a gooner", Destiny there will be more allegations and it will become common knowledge that you have done this shit for over a decade. I'll take my ban now and you can keep coping about moving on from this
- 12:11pm **Destiny** !ipban Nabonides coolio
- 12:11pm **HughChungus** Destiny how do you want people to describe the situation?
- 12:12pm **Destiny** HughChungus idc, people can describe things however they want, like we did in 2024 my only real area of interest is politics and stuff going forward, I've been out of the drama/interpersonal game for a long time, they can all do that on jewstalker's streams
- 12:12pm **PryingADHD** Destiny all the kf people watch jstlk religiously OMEGALUL
- 12:13pm **Destiny** PryingADHD I mean it's not associated with me anymore, the embed is banned here and all that
- 12:13pm **Nocturne Records** @Destiny "I've been out of the drama/interpersonal game for a long time" - its probably b/c you seen this one coming. That break didnt come out of nothing and now we know what was the reason for it.
- 12:13pm **Destiny** !ipban NocturneRecords LULW
- 02:04pm **SenorKong** Destiny Same way you got catfished by someone called "Kitten" OMEGALUL
- 02:04pm **Destiny** !ipban SenorKong idk anyone named that nice try tho

- 06:01pm **Destiny** Kuki no it's just funny when it's about guys

- 08:02pm **Destiny** ALSO regardless of anyone simping for me or attacking me or whatever in here, if any of you are ever defending sending material to people without their explicit consent or anything like that I'm banning you, don't end up defending retarded shit just because you're defending your streamer fan or anything like that
- 08:04pm **typez** Destiny really really stupid question but do you think you will be taken serious politcally again after this?
- 08:04pm **Destiny** typez who knows, the president is a rapist tho so there's always hope (unless I rape someone too)

- 03:30am **pajeeppers** >i would unironically have had more respect for him if he did the fucking ukelele strat LULW
- 03:30am **Destiny** !lipban pajeeppers
- 12:19pm **lune** Xuciroair my argument is that sharing compromising material with people that you barely know is grossly negligent, and leaving that material available for them to do whatever they want with shows that he at the very least does not care what happens with the material. this is not the same as showing a nude on your phone to a friend, this is the equivalent of mailing out the US nuclear codes to a couple foreign powers and hoping it leads to nothing.
- 12:20pm **Destiny** !lipban lune retard
- 12:20pm **Watchin yoback** Xuciroair 19 year old e-girl = safe?
- 12:20pm **Destiny** !lipban Watchinyoback also retard

- 12:20pm **Destiny** !lipban Toastmaster also retard
- 12:21pm **Hojack** Destiny is it true that you knew her boyfriend (fuentes fan) also had access to the acc that you sent all the porn to PepoG when did you start believing it was a hack and not just him?
- 12:21pm **Destiny** Hojack I never knew anyone else ever had access to that account, ever, like 99% of what people are saying about this is wrong/retarded

Friday, January 24

12:22pm **Destiny** also actually, I don't think anyone had access to that account

12:22pm **Destiny** pretty sure he gained access later

12:25pm **lanxiee** fish its just pure obfuscation even talking about the leak, hasan tier deflection really

12:25pm **Destiny** !ipban lanxiee retard

04:33pm **Destiny** CreamOnMushroom the only underage stuff has been all of the people spamming my vids are my minor child 🤔

04:34pm **Husseinonlinee** Destiny JSTLK was leading Kimi to say you force her to say stuff OMEGALUL dude is fishing but why if you are guilty why does he need to try to hard?

04:35pm **Destiny** Husseinonlinee yeah he's just in clout vulture mode

04:35pm **Destiny** basically every message I've ever sent to anyone has told them that they're always free to say/do what they want, just look at my message to Pxie

04:35pm **Destiny** but there always has to be some insane crazy underlying conspiracy to everything for these people

04:36pm **OMFGhespro** Destiny its fucked that JSTLK just waited for the pefect time stab you in the back

04:37pm **Destiny** OMFGhespro such is the nature in the online content world

Friday, January 24

- 04:38pm **SigmaPanda** Destiny jstlk said that you sent that stuff wanting for it to be leaked MMMM probably the wildest shit he said last night
- 04:38pm **Destiny** SigmaPanda yeah, that definitely sounds like something I would do
- 04:38pm **Destiny** my whole plan is coming to fruition years after the fact
- 04:38pm **Destiny** actual death note tier
- 08:09pm **Killualoves Israel** Destiny are you not gonna acknowledge destiny also secretly recording audio for sex acts?
- 08:09pm **Destiny** !lpban KillualovesIsrael
- 08:09pm **Destiny** meHuman : How would Destiny talk about this if it wasn't him and if it was someone else
- 08:09pm **Destiny** why do people say stuff like this I am like the most charitable person online when it comes to this stuff ever WHAAAAT
- 08:10pm **Destiny** also just a heads up, jewstalker gets a ton of money per viewer on his Kick channel, so when you watch on that channel you are enriching him greatly

- 08:25pm **Destiny** >mfw I have secret recordings of threesomes with Dan and his wife so he will never out me Blesstiny AngelThump
- 08:32pm **Frozen Broccoli_** Destiny thats an interesting thing dan said, "its not like he didn't this to happen so he can change". if you make a statement, then you should include how the backlash didn't change your behavior, you changed it yourself in the past 2 years. This is so people don't think you're only "changing" because you got caught

Friday, January 24

08:33pm **Destiny** FrozenBroccoli_ I can't make any statements about anything because everyone wants to go to court now LULW also fuck "making statements", no one cares about any of the affected people here, it's all just vultures coming in for their pound of flesh.

08:33pm **Unreal Phonkdev** Destiny HmmStiny if pisco is separating from you, you could if you want you can give omni Studios brand to pisco and fund him. Hmmm I think that's an idea. HmmStiny I think you could make a company and not be the face of it. NODDERS

08:34pm **Destiny** UnrealPhonkdev if I'm too toxic to associate with, then my money is too toxic to touch. :)

08:46pm **Destiny** time to tweet edgy shit just to spite Dan

09:12pm **Mercatone** if it wasn't true, Destiny would've denied that, so its likely true

09:13pm **Destiny** !ipban Mercatone needs to be studied immediately to see how someone with such low IQ can remember to simultaneously breathe and not choke on their own tongue at the same time

10:07pm **Destiny** is amumu banned in here?

10:08pm **Destiny** kk

10:08pm **Destiny** and what is jakob or whatever's name?

11:47pm (Jan 22) **Jakobokaj** > Destiny you scumfuck bitch I hope you're suicidal watching all you worked for turn to dust in front of your eyes because you care more about illegally recording yourself sucking cock and 19 year old pussy than any of the ethical claims you brow beat, your career or even your child that you spend less time with than the women you fly to fuck before violating their privacy and content. Rope you gutter scum bitch

10:08pm **Destiny** !ipban jakobokaj never seen a man turn into such a pathetic loser for pussy in my entire life. Amumu won

10:09pm **Destiny** o I didn't even know Lycan was still in here LULW

Friday, January 24

- 10:14pm **Destiny** > Destiny you skinnyfat DYEL I hope you're suicidal watching all you gains turn to dust in front of your eyes because you care more about "lifting with perfect form" and 1g/lbs or protein than super-dosing creatine, RPE 10 lifts or even going to the gym that you spend less time in than the r/fitness posts read before never following through on any of your routines. Rope you gutter scum bitch
- 10:15pm **Demontime** Destiny was that Jakob
- 10:15pm **Destiny** Demontime no I just made a meme off of his message

- 10:55pm **ChemLord** **TheGreat** Destiny did lycan say something behind the scenes to get banned?
- 10:55pm **Destiny** ChemLordTheGreat no, but I have to pick my battles, and I just don't want to keep anyone around me who is friendly with people are who voraciously looking to devour my career and shit
- 10:56pm **Destiny** neither him nor Erin have necessarily ever done anything wrong to me directly, I'd vouch for them as far as that goes, I don't think Erin was even trying to be snakey or anything in this situation, but I just can't keep surrounding myself with people who are in league with crazy dunders anymore
- 10:56pm **Destiny** I've escaped like 70% of it over 2024 and this was just the last 30%
- 10:57pm **Destiny** Darius
- 10:57pm **Mad_Cultist** Destiny why would erin have sent all that stuff to sunday if not for malicious reasons? She's not an idiot, so it's hard to believe she didn't expect him to weaponize it MMMM

Friday, January 24

10:58pm **Destiny** Mad_Cultist honestly I think she's just friends with him, which is retarded/stupid all on its own, but Erin and Lycan are probably two of the few people I've met that I would say would never do any backstabby/snakey/weird shit ever, I just think bad judgment when it comes to friends/Sunday LULW

10:58pm **Destiny** but oh well
