

**UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF FLORIDA  
(MIAMI DIVISION)**

**JANE DOE,**

Plaintiff,

v.

**STEVEN K. BONNELL II,**

Defendant.

CASE NO: 1:25-cv-20757-JB/Torres

**UNSWORN STATEMENT UNDER PENALTY OF PERJURY OF  
PLAINTIFF JANE DOE PURSUANT TO 28 U.S.C. § 1746**

I, Jane Doe, declare as follows:

1. I am over 18 years of age, and competent to provide testimony under oath.
2. I have personal knowledge of the matters herein and, if called to testify at the trial of this matter, I could competently testify as to the facts contained in this affidavit.
3. I am a live streamer using the screen name Pxie. In early 2020, I was communicating with Steven Bonnell, II (“Bonnell” or “Destiny”) via direct messages on the Discord platform and/or X. Our messages included some private sexual content. We discussed meeting at a hotel to get acquainted intimately and the possibility of videoing our intimate relations.
4. In or about early February 2020, prior to meeting Bonnell at the hotel, I expressed to him in a direct message my concerns for privacy: “[P]ublicly I’m okay with people knowing we’re hanging out but if anyone asks questions about having sex or anything along those lines I rather deny and keep that private between us.”
5. On or about September 12, 2020, after multiple conversations about consent and boundaries, I engaged in sexual relations with Bonnell at a hotel in Miami. During this one and

only sexual encounter, Bonnell recorded videos of our sexual relations (the “Videos”). I again discussed my privacy concerns regarding our relations and the Videos directly with Bonnell while we were at the hotel.

6. I reiterated my privacy concerns again in March of 2023, when a woman publicly alleged that I (Pxie) had sexual relations with Destiny, whereupon I messaged Destiny and asked him if he had told anyone about our relations. He denied telling anyone other than his wife. I affirmed that, “No one knows either on my end (except my ex-bf).”

7. On or about November 29, 2024, one of the sexually explicit Videos (the “Video”) that Bonnell recorded during our September 12, 2020 meeting was uploaded on to the website Kiwifarms. The Video was also shared on multiple other pornography websites including <https://notfans.com>, <https://thothub.cam>, pornbiz.com, epawg.com, and erome.com. The caption on the Video on the different platforms identify both “Destiny” and “Pxie”. My face is visible and identifiable in the Video.

8. On the evening of November 29, 2024, I sent a message to Bonnell on Discord expressing my horror that he had shared the Video. Bonnell admitted that he had shared the Video, without my knowledge or consent, with a random fan by the screen name Rose. Bonnell informed me that Rose was one of his fans with whom he had been messaging but had never met. He did not know her real name or her real age.

9. I asked Bonnell if he had shared the Videos with anyone else. He responded: “Ughhhh there shouldn’t be no, I’m so sorry there’s literally no excuse, I’d had phone convos and stuff with this person they were fairly close to me, it’s worthless to say it at this point but I’m super sorry, there’s literally no excuse.” I then asked him to delete any and all Videos that he had of me.

10. In or about January 2025, one of my followers informed me that Bonnell had sent the Video to my follower's sister about two months earlier.

11. Towards the end of January 2025, after two months of speculation and controversy, I finally decided to tell my followers the truth. I told them that Bonnell had shared the Video without my consent or knowledge and that I was devastated by it. Shortly after that, Bonnell went on the attack. He told his tens of thousands of followers that I was only interested in money, and that I was extorting him.

12. And on February 19, 2025, Destiny live-streamed to his tens of thousands of followers on his Youtube platform his "statement" about the events concerning the dissemination of the Video. *See* <https://drive.google.com/file/d/1eyDdBE1AWdSSg4ury6Bomk1Mxyrh2uhF/view> Commencing at minute 53 of the recording, Bonnell tells his followers intimate sexual details about me that I had shared with him through our private messages. He even posted screen shots of some of our private messages containing explicit sexual details. These were screen shots of messages exchanged with Bonnell before I met him in person at the hotel, many of a sexual intimate nature. I believed these messages would be kept private since they were never intended to be shared with anyone else. Instead Bonnell shared them with tens of thousands of people.

13. On February 21, 2025, Bonnell tells his entire Discord community that I was dating my supervisor at my prior job and that the supervisor was "like 25 years older." This was a deliberate untruth meant only to harass me. I had told Bonnell that I dated this man briefly but it had ended prior to his starting work at the company. There was no reason for Bonnell to believe that the man was ever my supervisor or that he was 25 years older than me, because he was not. I

believe that Bonnell said this untruth deliberately to retaliate against me for initiating this lawsuit because he knew I had a fear of people accusing me of “sleeping my way to the top.”

14. Bonnell’s unauthorized sharing of the Video and of our private messages, as well as the horrible untrue things he has been saying about me, has caused me extreme distress. The thought that tens of thousands of people, not just strangers but also people that I know, have seen the Video and the private messages and read these lies made me depressed to the point that I have been having suicidal thoughts. I felt as though I could not overcome the shame and humiliation, and it would just be easier to end my life. Despite efforts to have the Video removed from the different sites, they are still there and available to the public, so my humiliation is on-going.

15. I have had trouble concentrating and spend days unable to get out of bed and unable to stop crying. I am terrified that I will bump into someone that has seen the Video and recognize me, so I have had difficulty leaving my home. I am also terrified that Bonnell will continue to share the videos of me, or my private messages, with other people. I have had recurring nightmares about people looking at the videos. I also have extreme anxiety about the long-term impact that the publication of the Video and my private messages will have on my future, both personal and professional.

16. In or around the end of January, 2025, approximately fifteen women reached out to me and told me that they had received sexually explicit images from Bonnell of other women without the other women’s consent. Numerous women, including Bonnell’s ex-wife Melina Göransson, and Stasia (screen name), have recently come forward and publicly alleged that Bonnell has released sexually explicit videos of them without their consent. These images were then posted on different pornography websites without their consent. A woman with the screen name Chaeiry, posted on X that she recently found out that Bonnell had secretly made an

unauthorized audio recording of their sexual interaction, and then had distributed it to multiple people without her knowledge or consent.

17. As early as January 21, 2025, aware of the impending lawsuit and potential criminal investigation, Bonnell starts destroying evidence, including deleting messages between me and him. *See*, <https://imgur.com/9U81Pfg>. This is a link to a chat thread on X between me and Destiny on December 12, 2024 where it shows my messages and instead of Destiny's responses it now shows "Original message was deleted."

18. Almost all of the women who informed me in late January that they had received sexually explicit images from Bonnell of other women without the other women's consent (see above), also tell me that Bonnell deleted their chat threads after January 23, 2025.

19. A streamer by the name of Ahsoka Bun-o messaged me recently and informed me that Bonnell had deleted all messages between them regarding his non-consensual sharing of videos: "I had messaged destiny in the past and was sent videos of him with women. I didn't recognize any of the people in the videos bar one that seems to have included Melina [Destiny's ex-wife], but I assumed it was consensual. I don't know if it helps at all but some proof I did converse with him and that now there's no messages." *See* <https://imgur.com/CtBX1Oi>. In February, Bonnell also deleted all of his direct messages with a follower by the screen name of psodynamic, with whom he had shared videos of other women without their consent. *See* <https://imgur.com/lZcLl0E>.
