

The pudgy predator keeps fighting with his family behind the scenes, complains to possible love interests how his life sucks. "Fml" is his favorite phrase to use. (gayb fighting his uncle through text)

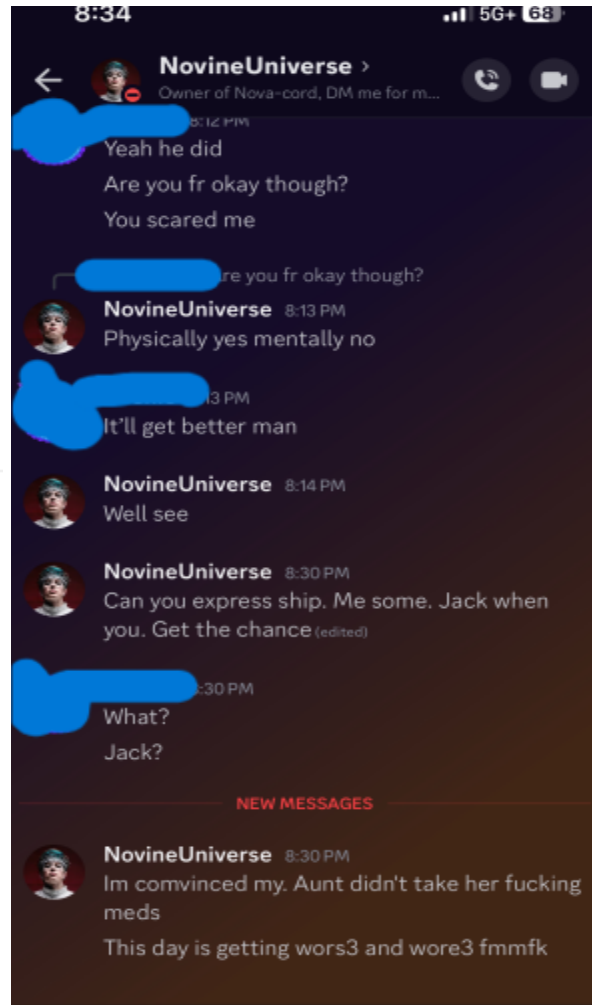

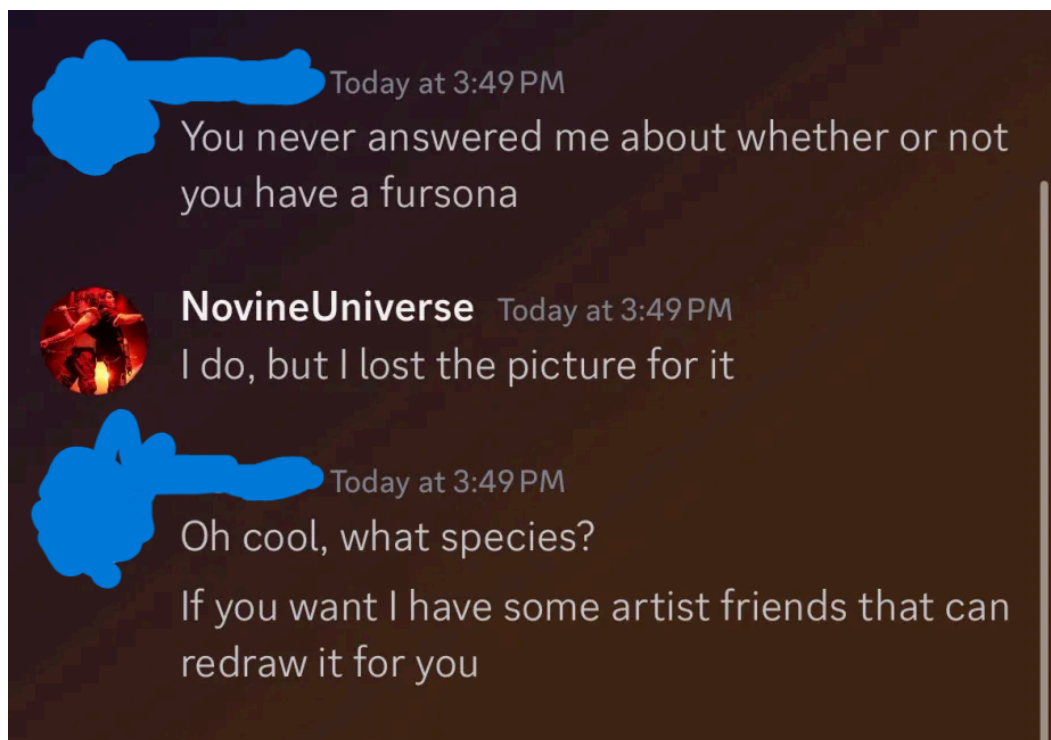

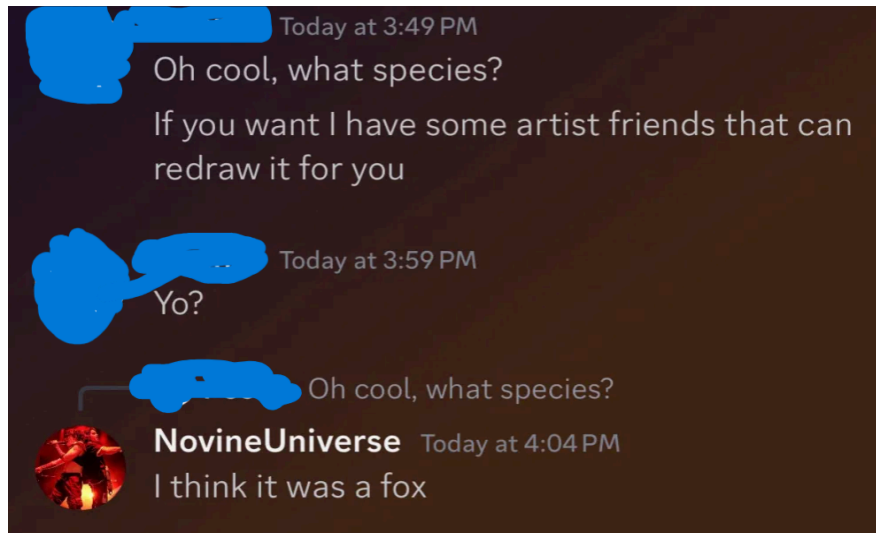

Gayb complaining to his friends and a love interest about his loser life

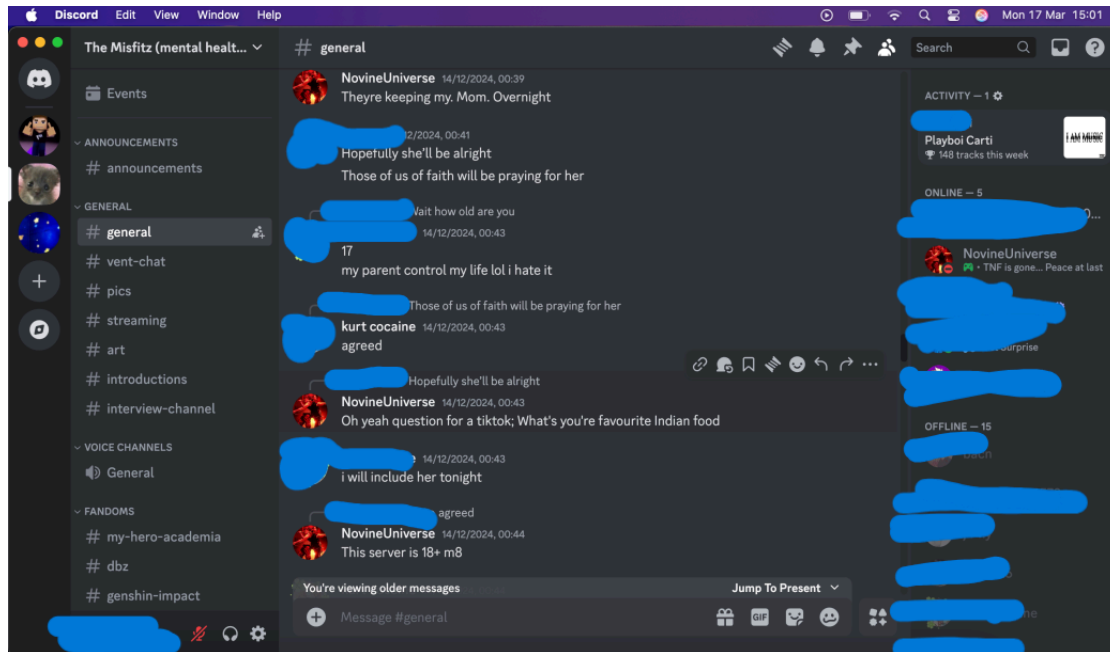

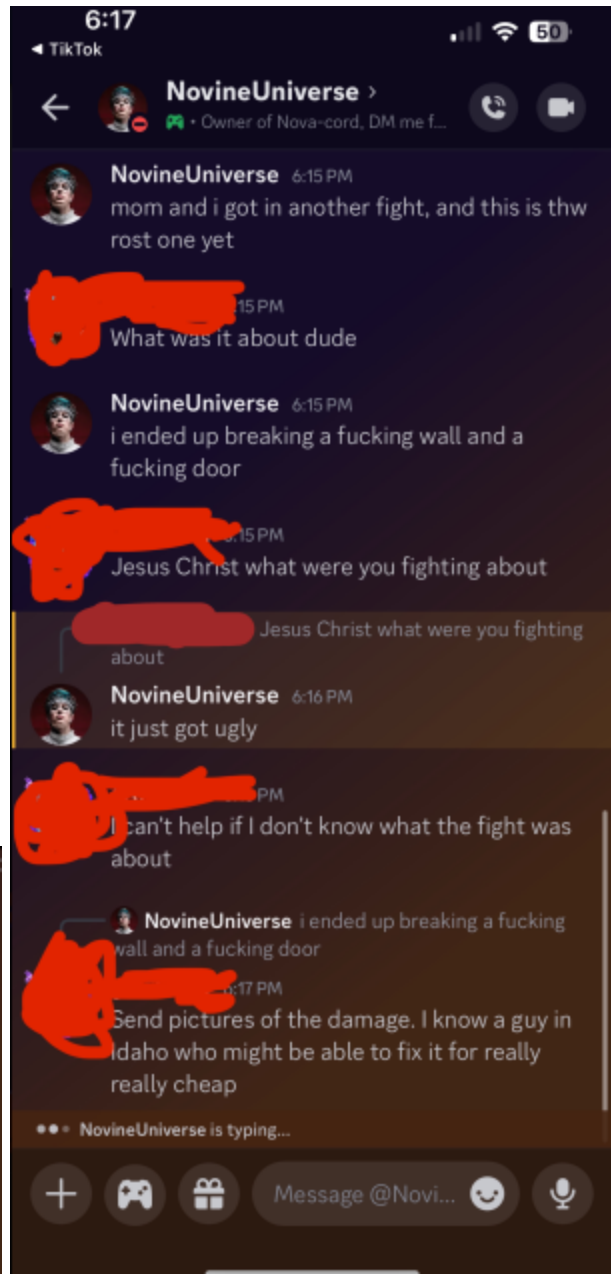

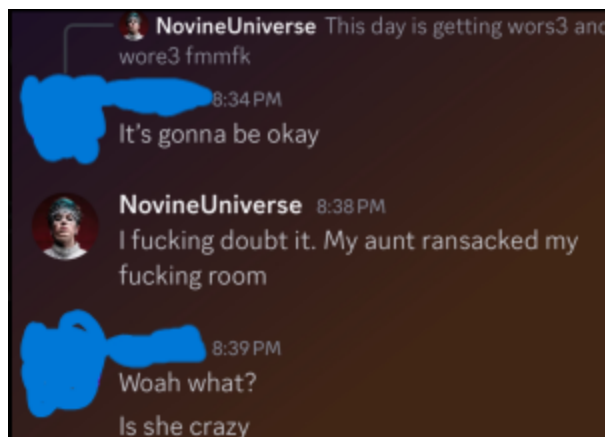

Gayb telling one of his "friends" that he's a furry.

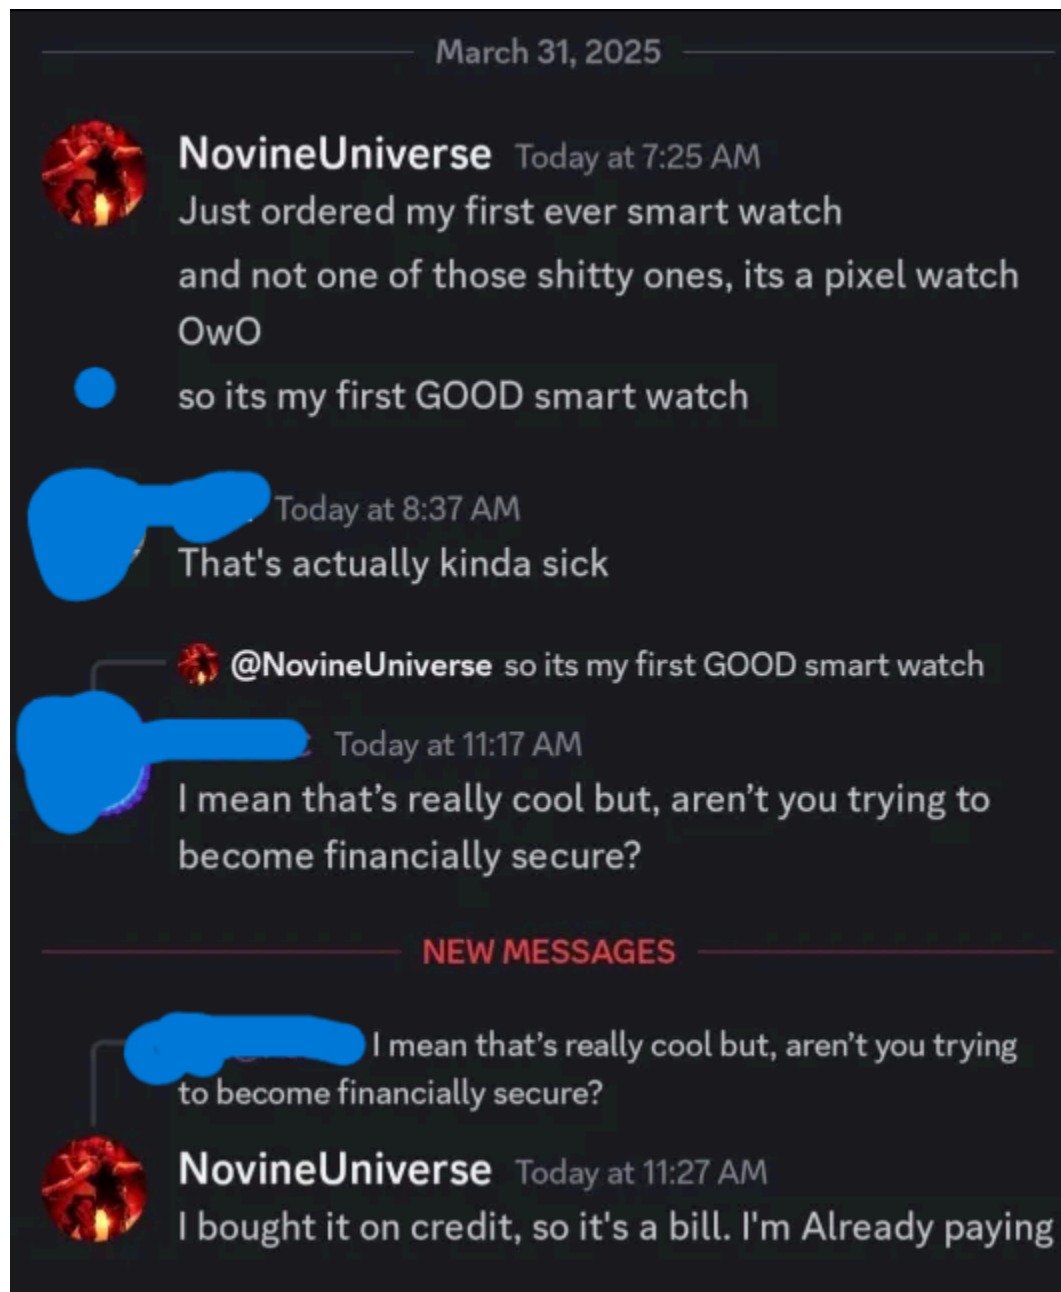

Gayb arguing with his mother and aunt, even though his mother has had a recent hospital visit.

(Also a 17 year old was in his server)

Nova admitting he bought his Pixel watch with his credit card.
