

It is often cited that the creator of the Jeff the Killer creepypasta (therefore referred to as JTK later on) is an individual who goes by the online handle “Sesseur” or “killerjeff”, real name Jeffrey Dale Case.

It is important to address the allegations regarding Sesseur's role in grooming underage fans by guiding them to meet his brother Brandon who is believed to be a very unstable and dangerous individual.

After her experience, the victim tried to spread a document with her detailed experience with Brandon, written in her own words:

<https://web.archive.org/web/20250407020156/https://docs.google.com/document/d/10X876RfGsPpORYTzvwKuR9F-p5xvi6c2FEt095LQLpg/mobilebasic>

Initially, an investigation came across Brandon on Reddit, displaying a very concerning behaviour that led to further search upon his profile, which led to his Youtube account, which was connected to Sesseur. From then, after a brief search, the document for the victim was found, and that document led to email communication with her.

Court records were found, verifying the 1st victim's testimony. There is indeed a case where both brothers were asked to stay away from a girl's room at night on school nights. This turned out in Brandon grabbing her by the neck, shoved her into a wall, and grabbed her hair. When grabbed by the neck she couldn't breathe. This is an incident that Sesseur is aware of, his name appears as a witness on the court record.

I made contact with [REDACTED] who advised she was lying in bed when [REDACTED] came in to wake her up. She asked [REDACTED] to keep the boys out of her room at night on school nights. Twenty minutes later [REDACTED] came back in and Brandon was in the doorway. She tried to walk out of the door, past Brandon and brushed into him with her arm. Brandon grabbed her by the neck, shoved her into a wall, and grabbed her hair. She hit him to get him off of her. She didn't want him to grab her and when he grabbed her around the neck she could breathe.

All of Brandon's family is fully aware of his behaviour. Proof of accounts ownership will be provided at the end.

My family tells me they are afraid of what I'll do to someone when we have people that are doing wrong against us and I offer to take care of it. However, I think they think I'm a violent person if given the chance.

There is an instance of Brandon even admitting to being in love with a 17 year old "woman". There, he describes in full detail this "woman", which completely matches the victim. Diabetes, bad eyesight (wearing type 6 glasses), about 139 lbs at 5'2" inches tall, from Brazil. Except for one detail—when he posted this message, the victim, Carol, was actually around 15 years old.

Discussion A woman I love today told me she is Diabetic... (self.diabetes)
submitted 6 years ago by VandalizedMan

I am so worried for her. She is worried about going blind, she was crying about it... She lives in Brazil and wears a type 6 glasses, which is apparently a very strong type of glasses because her vision is getting worse.

She is 17, a LITTLE bit pudgy, soft, curvy. Weighs about 139 lbs at 5'2 inches tall.

Rummy00 is an account that both brothers seem to share, since it has old Reddit posts of Sesseur's drawings and selfies of Brandon. On this account, Brandon confessed to being in a LDR (long distance relationship). By the time he said this, he was dating Carol. Since the account is proven to be shared, Sesseur had to know.

<https://archive.is/kXuLj>

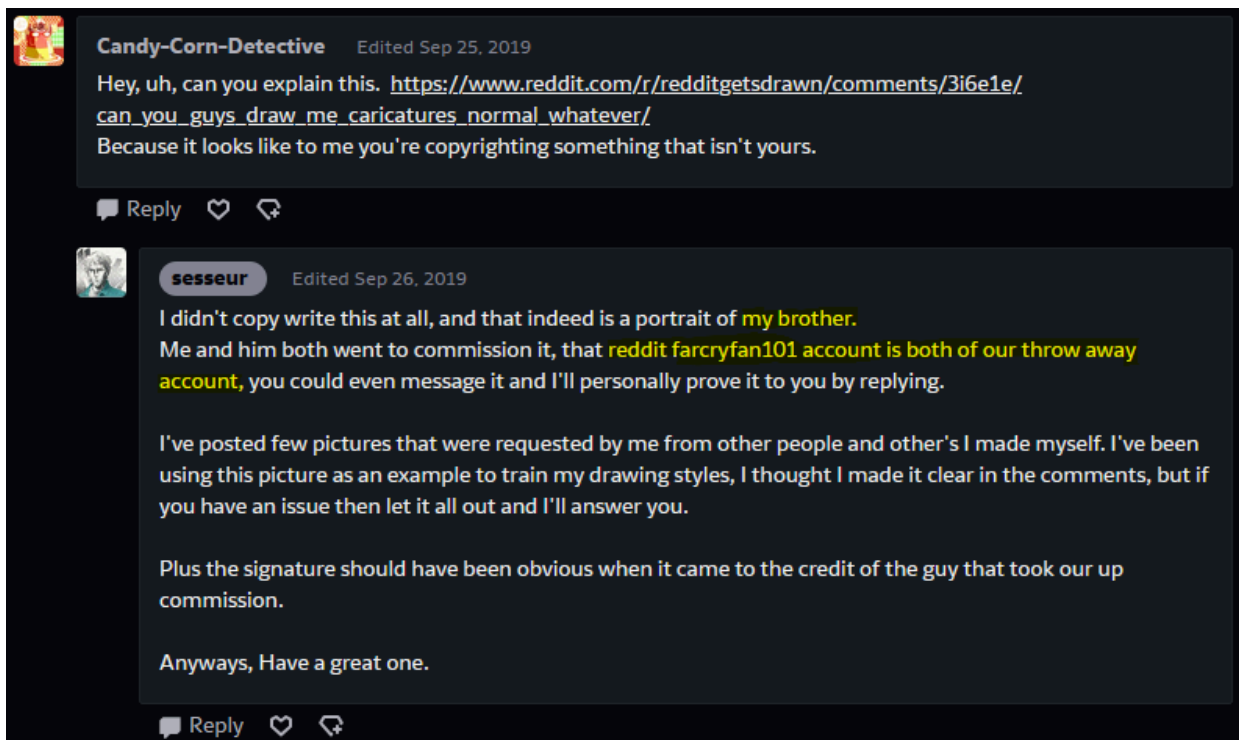

This is early proof of the Rummy00 account belonging to both brothers:

- Rummy00 linking to Sesseur: <https://archive.is/UUtNc> it contains a sketch: <https://archive.is/WvISd> of Sesseur's final Deviantart drawing: <https://archive.is/IWKJc>.
- Rummy00 linking to Brandon: <https://archive.is/wip/uKAqw> which contains two selfies. <https://archive.is/H7wnz> and <https://archive.is/hrwXw>.

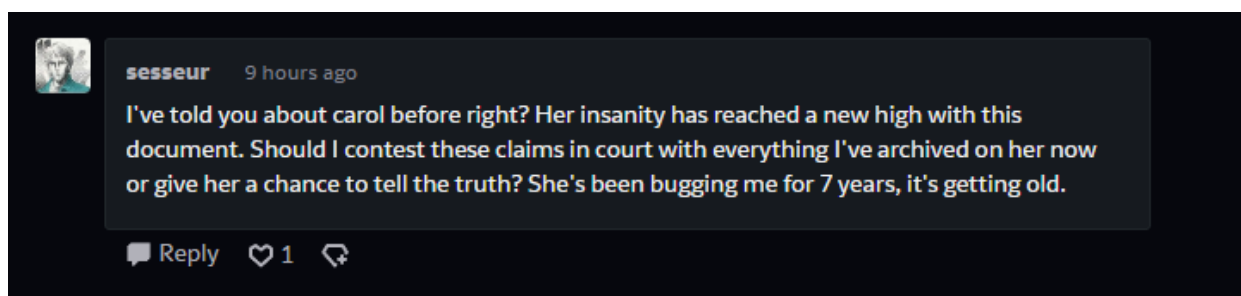

The selfies match with Brandon's, as you can see on a different Reddit account, Farcryfan101, that Sesseur himself admitted to co-own with his brother.

Sesseur had to know that Brandon was in a long distance relationship. Sesseur seems to have acknowledged the victim by her name. Sesseur admits that "she has been bugging him for 7 years." Carol is 21 now, 7 years ago she was around 14 years old. He also admits to having her interaction saved.

<https://archive.is/JRQ8X>

Both brothers having a common account that acknowledged Brandon's long distance relationship is especially concerning when you realize that Brandon has even confessed to sharing everything with his brother, including "women". By the time he admitted this, he was dating Carol.

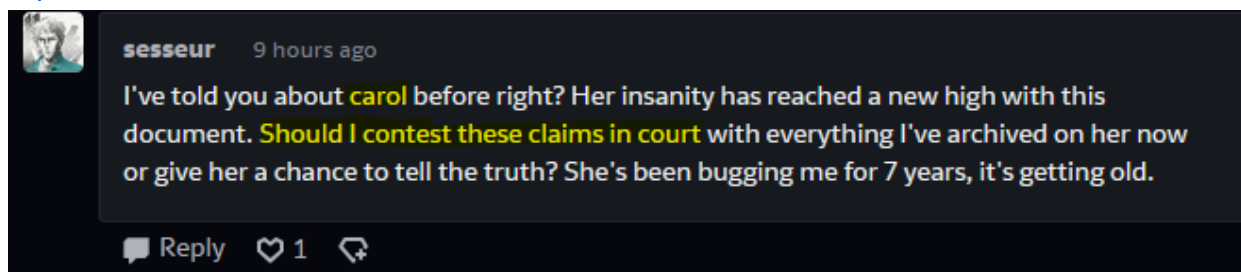

<https://archive.is/Mr7Pg>

My brother sold a movie deal to a studio in 90210, he and I live together and we are waiting on it to come out. He and I share everything from money, to women, to a room.

VandalizedMan is an account that belongs to Brandon. There is evidence of account ownership at the end.

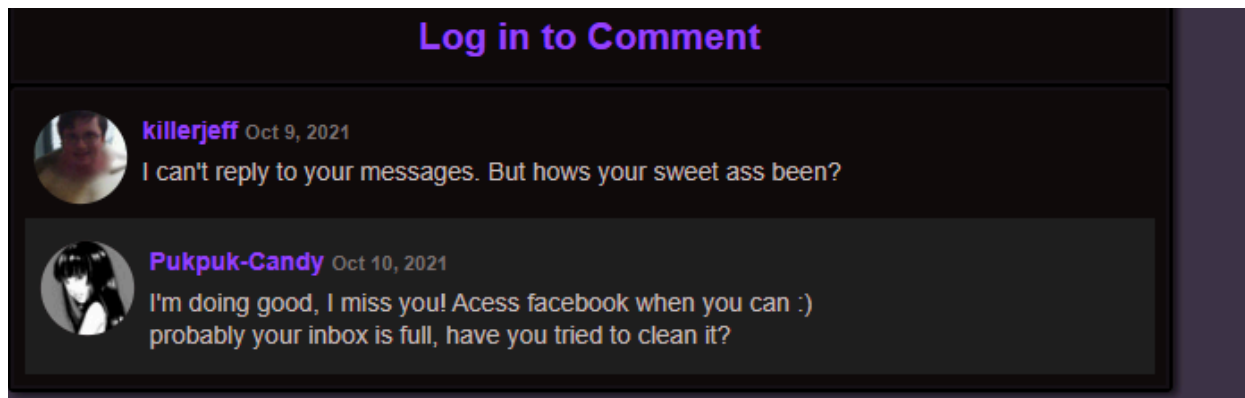

The possible implications of this statement and seeing the repeated account sharing is extremely alarming. Sesseur has recently acknowledged Carol on Deviantart and even publicly threatened her with court if she "doesn't tell the truth". It is apparent that this is an attempt to silence her after her story became more widely known.

<https://archive.is/JRQ8X>

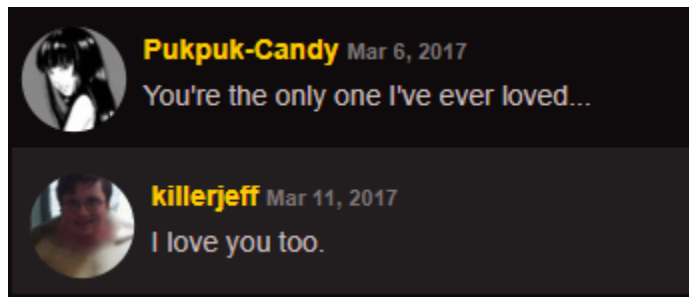

Now that it is proven that Sesseur had to know about Brandon's long distance relationship with someone underage from Brazil and how he acknowledged Carol, there are more interactions to be presented for further context.

By 2021 Carol was around 17, which would be around the end of her association with the brothers. <https://archive.is/tLPsf>

This is how Sesseur was interacting with Carol in 2017, when she was 13/14 years old. Keep in mind that killerjeff is an account that specifically belongs to Jeff/Sesseur. He is a decade older than Carol—currently, he is 31.

This is Carol showing clear distress during one of Brandon's streamings in 2020, when she was 16 years old.

Now that Sesseur's and Brandon's involvement with Carol has been established, it is unfortunate to report that there is much more that has remained hidden for what appears to be many years, largely on throwaway Reddit accounts. Brandon is a dangerous individual who should not be in contact with Sesseur's fans online, which he currently still is.

Brandon is not only a dangerous individual due to what happened with Carol; it extends to real life, with Brandon's arrest, and online, further into the incredibly disturbing content you can find on his several Reddit accounts, which sometimes may seem harmless in isolation. Still, putting them all together, every piece makes a very concerning bigger picture. There is a lot to unfold. Brandon has a fixation with guns and violence; he has expressed wishes to indoctrinate people into his own cult, not as a joke, writing a very extensive serious manifesto on how he would do so. He shows off extremist inclinations, such as sympathising with Hermann Göring (the architect of the Holocaust). And so on, which his family seem to be very aware about.
