THE FUTURE HANGS IN THE BALANCE!

LET'S REWIND AN HOUR ...

FRIDAY JULY 3RD, 2015.

FOOD AND COY SMILES AT
DOROTHY DIAMOND'S APARTMENT
LEADS TO WATCHING YOUTUBE
ON THE COUCH WITH KOBRA
OLYMPUS.

UNLESS YOU ARE ...
WAIT FOR IT ...
THE MONGOLS.

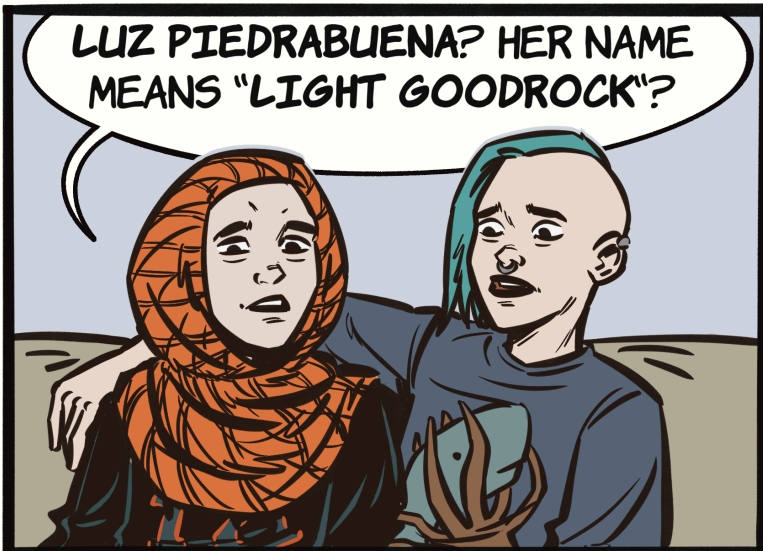

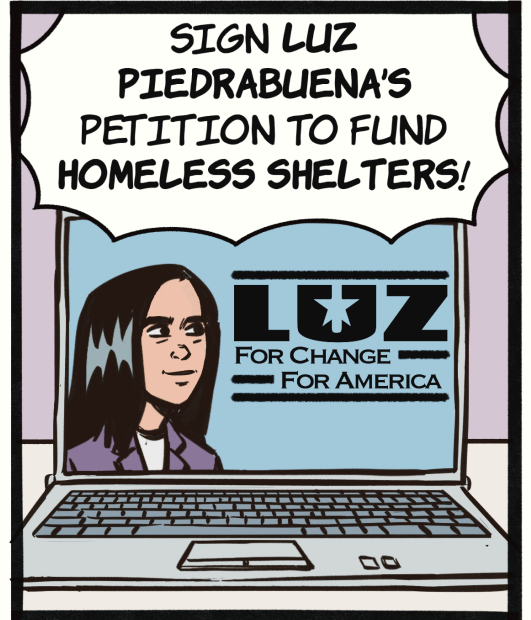

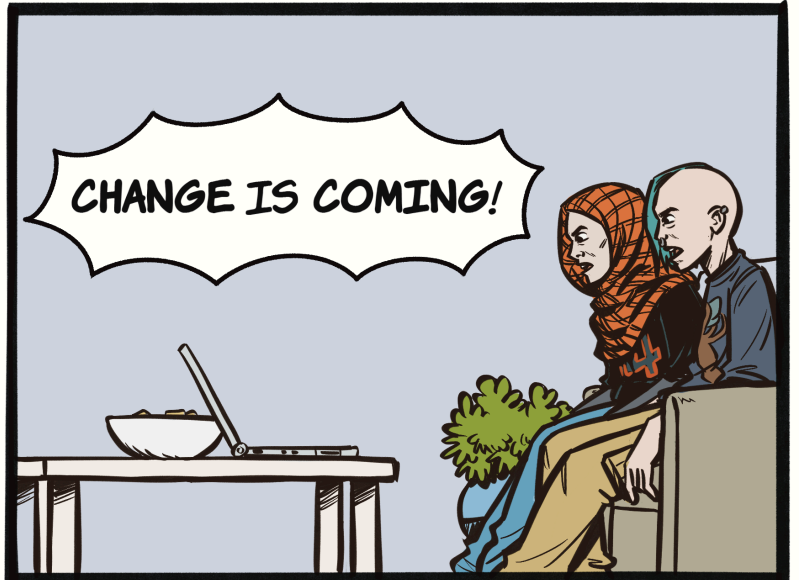

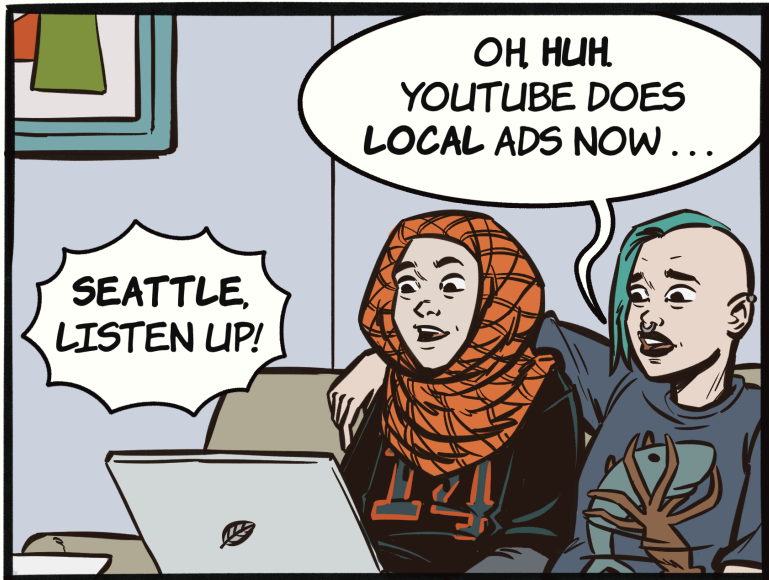

I LOVE THAT YOU'RE
AS NERDY AS I AM

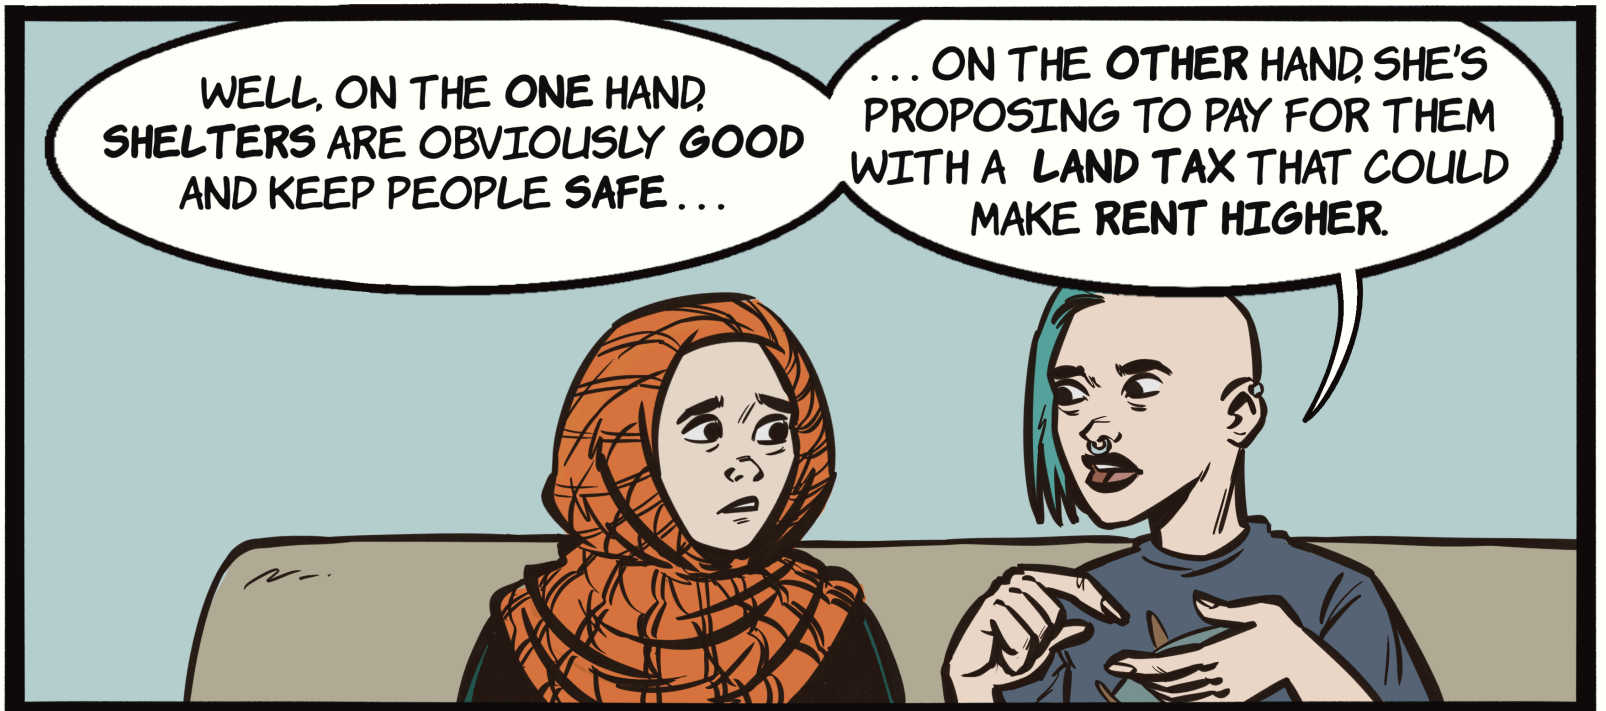

I LOVE THAT YOU'RE
USING THE
"LOVE" WORD.

WELL ... NOT
LIKE THAT ...

I MEAN ...
NOT NOT LIKE THAT ...

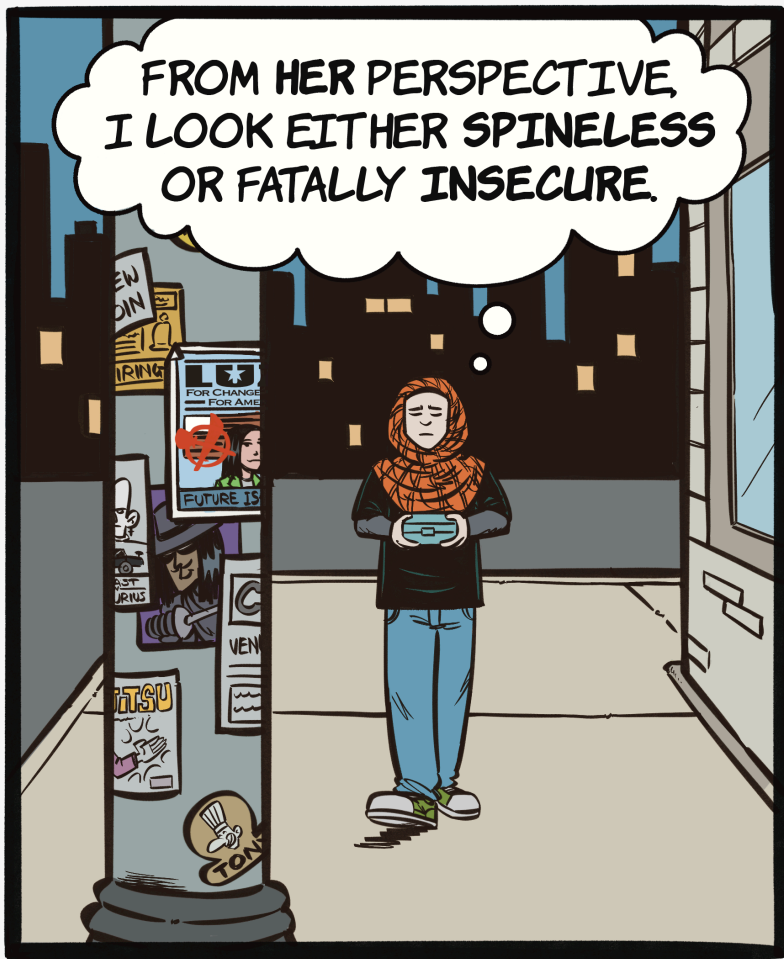

I'M MESSING WITH YOU,

THIS IS A MESSAGE FROM THE FUTURE!

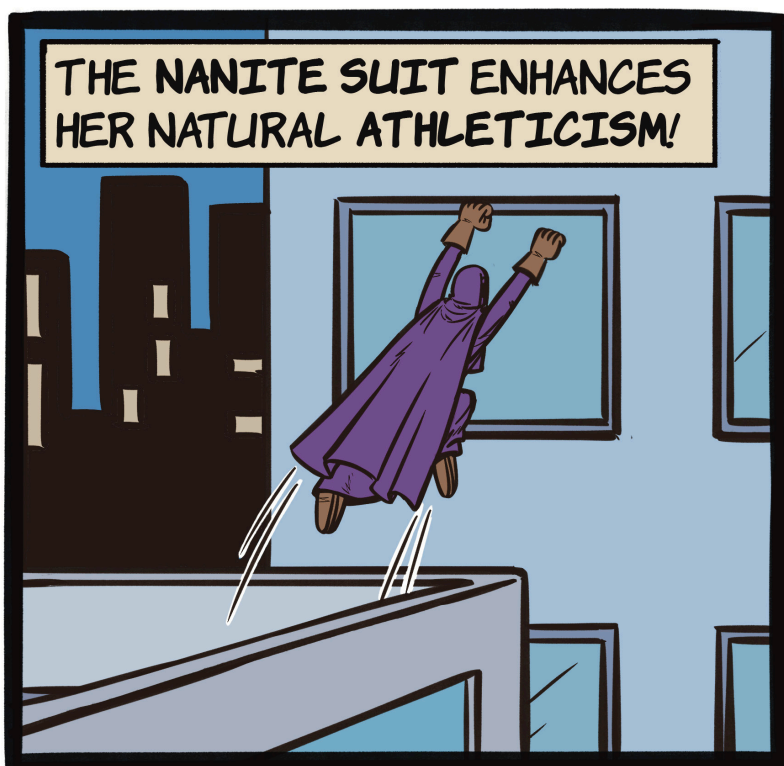

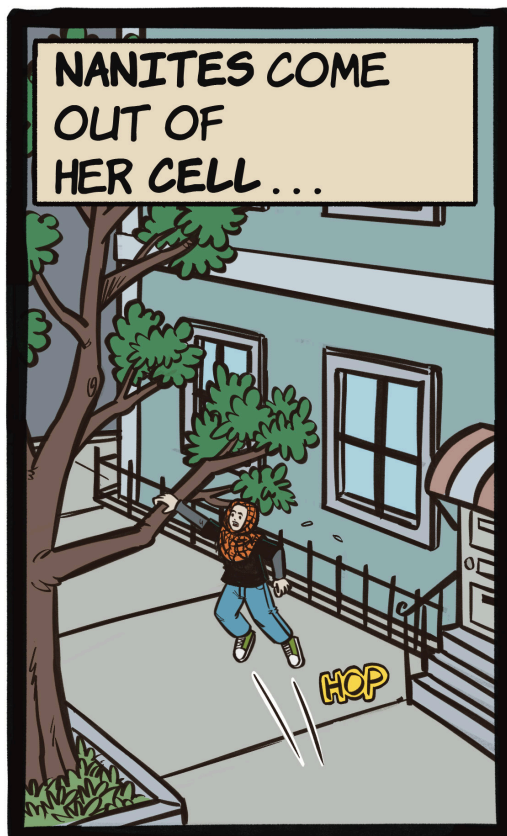

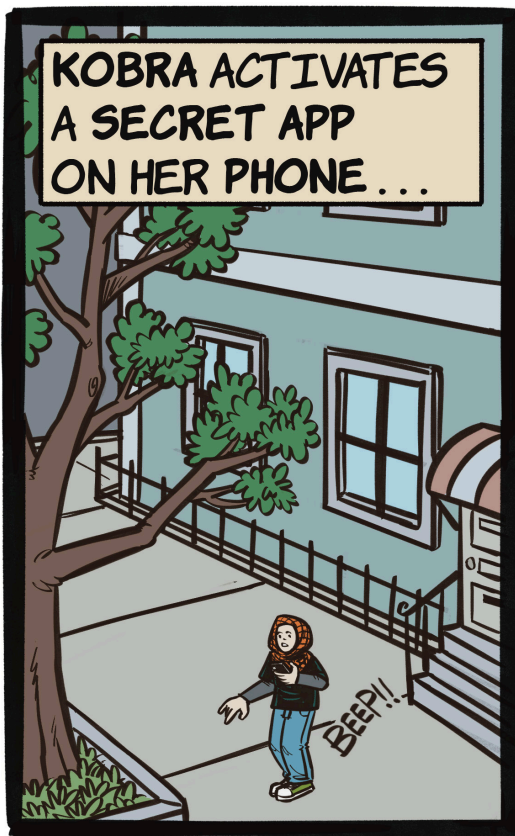

THE ONLY CLUE IS
LUZ PIEDRABUENA
HERSELF. SO, SHE'S IN
SOME KIND OF DANGER.

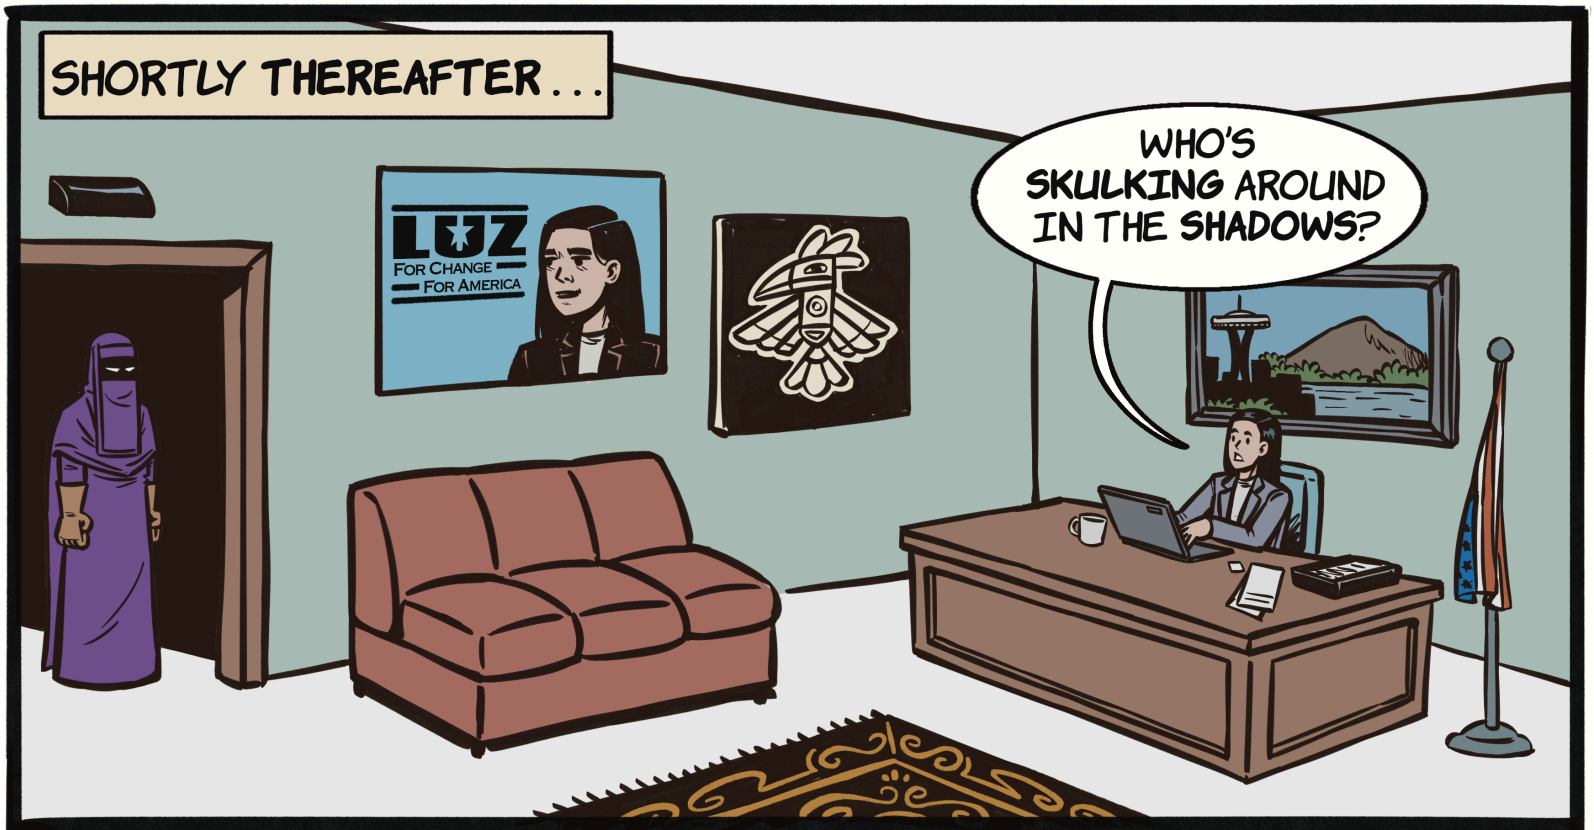

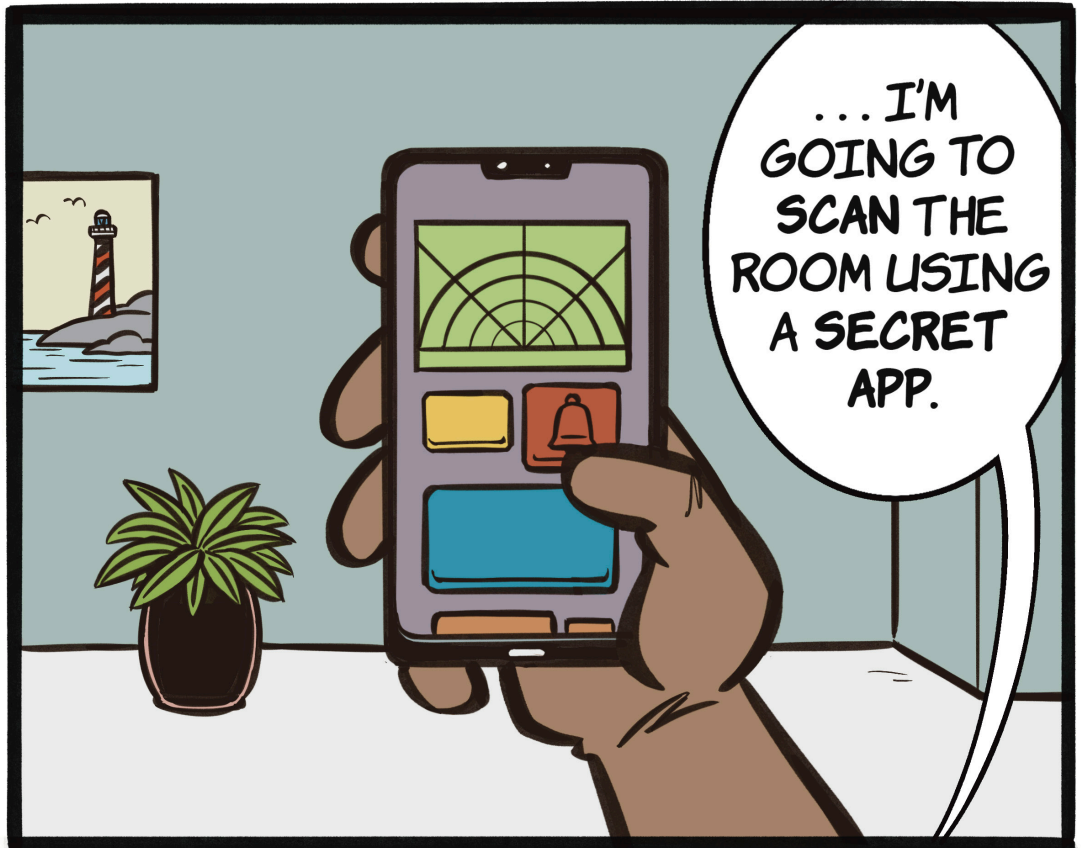

HARD WORKING
CITIZEN LIKE HER?
PROBABLY IN HER

... I SHOULD DO
SOMETHING WITH
THESE LEFTOVERS.

WHAT WILL KOBRA DO?

WHAT WILL LUZ DO?

ASSASSIN DO?**

JAMSHEED STUDIOS

In a modern comic book studio, all the characters and story concepts created by the author or artist are ultimately owned by the studio.

The creators of some of the most important comics characters of all time died penniless and unappreciated.

It doesn't have to be this way.

At Jamsheed Studios, we take funds from donors, and use them to fund media, like comics, video games, music, and more.

Then, when that media is finished, the creator owns all of that media themselves.

That means that when you pledge to Jamsheed Studios, you're supporting an alternative to the studio system, empowering creators to forge a new future.

A lot of our creators were left out in the cold by studios. We're queer, brown, and weird.

But you can help us make the cool things we see in our imaginations, and bring them to life.

So join our growing community and sign up for Jamsheed Studio's Patreon today!
