## Kuz's possible acquisition of 4chan

- 1 : **Anonymous** : 2022/12/02(Fri) 18:52:15 ID:MgA9TBVn  
What does world2ch think about Kuz possibly acquiring 4chan?
- 2 : **Anonymous** : 2022/12/03(Sat) 00:55:27 ID:mZN1w5jM  
Nishimura probably won't let him since the site makes a ton of money, but if he does then he'll most likely restore /qa/ and delete /lgbt/
- 3 : **Anonymous** : 2022/12/03(Sat) 23:48:58 ID:vKTR63U4  
i hope he will apply heyuris rule 8 on the whole site
- 4 : **Anonymous** : 2022/12/04(Sun) 00:19:14 ID:y4XwEmhd  
Kuz is one of the biggest soyjak spammers there's ever been and he literally owns the soyjak imageboard, so that's never happening

fun factz with world2ch:  
kuz made rule 8  
AND  
kuz was head admin for the better chunk of heyuris life
- 6 : **Anonymous** : 2022/12/04(Sun) 10:44:43 ID:aeITBAhl  
It's real <https://t.me/kuztalk/55>
- 7 : **Anonymous** : 2022/12/04(Sun) 12:59:35 ID:JPYrcSvi  
[>>5](#)  
Here's some more fun factz: kuz argued in favor of weakening Rule 8 on multiple occasions after becoming Heyuri's sole admin, and has performed occasional soyjak drive-bys on Heyuri ever since passing it on to kaguya (and has had the gall to get mad and complain about getting banned to kaguya afterwards)

kuz was young and dumb back then!!! (today hes only dumb)

TLLDR FUCK JEWS

Kuz is a shady person, and everything he says about himself should be taken with a grain of salt. Nothing he's ever said can be verified and I do not trust him with any imageboard he buys up and operates. The guy's legit trying to create a monopoly on chans.

I used to think the same as you, but I later realized that Kuz is actually a good person.

[>>11](#)

Why?

13 : **Anonymous** : 2022/12/06(Tue) 07:53:46 ID:QfO/VSwE

[>>12](#)

Kuz honestly cares about all of his projects, his company, and his employees, and wants to make sure they all succeed. Also, most chans out there are not owned by Kuz.

14 : **Anonymous** : 2022/12/06(Tue) 11:10:14 ID:Xru2PvvB

Kuz just want to be the Elon of Anonymous BBSes. Why you gotta crap on his style?

>>I will do a 2nd livestreamed (Youtube) Q&A; on December 17th (Saturday) at 3:00PM EST, its been a long time since the last one and alot has transpired, I will also talk some on the 4chan deal and other things. Links will be posted here and on other relevant sites.

It seems to be happening.
