Charge Description: That the defendant, Aaron Michael Imholte, then and there being, did wrongfully, unlawfully, feloniously, and intentionally disseminates an image of another person who is depicted in a sexual act or whose intimate parts are exposed when the person is identifiable and without the person's consent.

The Complainant states that the following facts establish probable cause:

On July 17, 2024, law enforcement took a report of an unauthorized dissemination of sexual images complaint. K.R., fully identified in police reports, called in to report Aaron Michael Imholte, D.O.B. 12/24/1986, sent another individual a nude photo of her without her consent. On July 19, 2024, K.R., N.R., and A.I., all fully identified in police reports, met with law enforcement.

K.R. reported over the course of several months her, N.R., A.I. and defendant communicated via an app called "Signal." The purpose of the app was to keep things private among each other, and all agreed nothing would be shared to others. K.R. sent nude photographs via Signal. In April there was a breakdown and defendant started talking negatively about N.R. and A.I. on an online talk show. In May he started talking negatively about K.R. as well. At the end of April or beginning of May, defendant started sharing details of the relationship on the talk show. On May 27, 2024, defendant had G.B., fully identified in police reports, on his talk show. During the show, defendant sent G.B. a text, which was a nude photo of K.R. She did not consent to this.

N.R. reported there were pictures shared via the Signal app. In May defendant started to talk about the relationship online. On May 27, 2024, defendant sent G.B. a nude photo.

A.I. reported there were pictures shared via the Signal app. The relationship ended in April. She found out on July 12 that defendant sent a photograph to G.B. on May 27, 2024. A.I. texted both G.B. and K.T., fully identified in police reports, who both confirmed G.B. received a nude photo of K.R. on May 27, 2024. A.I. looked at defendant's phone records, which confirmed he sent a "picture/video" to G.B. on May 27 at 9:23 a.m., which would have been during his talk show that day.

A review of defendant's talk show from May 27, 2024, it shows defendant and G.B. participating. The two of them talk about K.R. and about her tattoos. Then defendant is seen scrolling through his phone and it looks like he is taking a screenshot and then tells G.B. to look at his phone. G.B. looks at his phone and says "I like tattoos more than I thought." Defendant then responds, "your boy didn't do too bad did he." K.R. is then talked about in an explicit manner.

G.B. confirmed he received a nude photograph of K.R. from defendant on May 27, 2024 during the show. He described K.R. as standing completely nude with her breasts fully exposed. He further described a tattoo under K.R.'s left breast in the photograph. Later, law enforcement was able to confirm with K.R. that she did have that tattoo under her left breast. G.B. said he deleted the photograph after.

K.T. stated she saw the photograph on G.B.'s phone. G.B. received a text from defendant, which was a photograph of K.R. nude. K.T. described K.R. as standing completely nude with both breasts fully exposed. K.T. said K.R. was identifiable by the photograph, and she knew it was K.R. based on the photograph. K.T. confirmed G.B. deleted the photograph.

Law enforcement spoke to defendant. He acknowledged the relationship and using the Signal app. However, defendant stated he did not recall ever receiving or sending a nude photograph of K.R. He later said he did not want to "definitively" say he never received a nude photograph, but cannot recall being sent one. Defendant acknowledged using Signal.

Defendant resides in Stearns County. Additionally, defendant's studio is in Stearns County and he was in

his studio when he sent the photograph.

Defendant has an online talk show where he live streams multiple times a day. Leading up to this offense, and since this incident occurred, defendant often times talks about K.R. and/or things between himself, K.R., N.R. and A.I. Comments made during these live streams are concerning, especially in light of this incident. The State believes defendant will not stop and will continue to harass K.R. unless and until conditions are set. Given that, the State is requesting a body only bench warrant to be issued.

Complainant has reason to believe and does believe that all of the above information is true and correct.

The above facts constitute your complainant's basis for believing that the above-named defendant, on or about the 27th day of May, 2024, in the County of Stearns, State of Minnesota, committed the offense(s) described herein.
