

My Confession – prepared for the Stuart, FL Police Department, the FBI, and various State and Local Law Enforcement Officials

A copy of this confession is being emailed to various parties prior to turning myself in: local media in Stuart, FL (TCPalm), local media in West Palm Beach, local media in Newton, NJ (The New Jersey Herald), local media contacts in Boulder & Denver, CO, my contacts at the Stuart PD, and a few of the folks who were copied on my “Road to Recovery” emails that I sent out while I was in rehab. Here’s the deal: I am a church-desecrating animal-abusing pedophile – a total monster and a sociopath - who has done incalculable damage to an unknown number of innocent people all over the country. I’m tired of running from my crimes and I am ready to turn myself in and face punishment. This confession is the first step in that process. I’ve done my best to remember all the locations for the church masturbation/desecration sessions. I used Google Maps to find what I believe is the exact address for each location. Also - this is not a complete list of my crimes against Christians (which are absolutely Federal Hate Crimes), children, animals, and homeless people but it represents a best attempt at listing out the worst of the worst. I’ll be surrendering with a Chromebook and Windows laptop containing 20 Child Porn movie files and other Pre-Teen Hard-Core (PTHC) pics and sexy PTHC gifs. It is in a folder called OMG on both laptops. Thumb drives and hard drives containing tens of thousands of CP images can be found in my storage locker in Topeka, Kansas. Mini-DV tapes containing many acts of blasphemous scat-play, actual shots of me masturbating inside a Cathedral in Baltimore, and hours of me masturbating next to a Lawrence, KS playground can also be found in the storage locker. This U-Haul storage locker is located at 3825 SW Topeka Blvd, Topeka, KS 66609 and the Unit # is 1252. I will have the key-card and the keys to the locker with me when I surrender for everything I’ve detailed below (which includes the lewd and lascivious crimes against children that I committed at the Stuart, FL Walmart on August 29, 2015). I will also arrive with a thumb drive containing this confession and the PTHC porn referenced above.

1979 – Masturbated on the altar of Christ Church in Newton, NJ. The church was empty. Cum was left on the carpet leading up the stairs to the High Altar. Did this again dozens of times between 1994 and 1995 when I had the keys to the church (I was a Lay Reader and also led the Youth Group).

1985 – First act of bestiality. I stuck my cock in the ass of my friend Rich Cummins’ puppy. At the same time, I played with his hard dog cock. This happened while Rich was asleep. This occurred in Ballston Spa near Saratoga Springs, Upstate NY.

1986-1987 – Masturbated during the services at Trinity Episcopal Church in Kearny, NJ. This was done mere feet away from old people and families that included small fuckable little children. Always squirted hot cum into my pants during the Lord’s Prayer. This was also the first time I shit in my pants during the service. I waited until the end of the service so the stinky odor wouldn’t give me away. I lived right around the corner from the church so I could walk there and get home very quickly. Nobody ever followed me home.

1988 – First molestation of a child. This happened in the Denver, CO area. She is now a grown woman named Brandy Koehler living in CA. She was the daughter of a dear family friend. I was left unsupervised for visits with her when she was approximately 2 years old. I masturbated in front of her (I was fully naked) and she eagerly watched the whole thing. I spread my ass cheeks for her to see up my asshole and I waved and pumped my hard cock mere feet from her adorable little face. I also laid on a hotel bed – fully clothed – and rubbed her clothed vagina on my hard cock. I also fingered her naked vagina for 5 minutes while she was sleeping in her grandmother’s home. I then pissed all over her clothes in her dresser. When she was 9, while her mother was asleep, she gave me a backrub while I was only in my underwear. I had a visible erection the entire time and I made sure she saw it. This didn’t scare her at all and she kept on giving the backrub. I started rubbing my hard cock and eventually had an intense orgasm into my underwear while her little hands did their job on my back. I then told her to stop, and stood up with my visible erection and wet cum-stained underwear right in front of her. I thanked her and then got cleaned up and dressed. The mother – Karen Koehler – never suspected a thing. I made contact with Brandy in 2020 and got caught up with her. She remembered me but we didn’t talk about anything that happened when she was a little girl, of course, and she doesn’t remember it or it’s repressed. Her number is 720-364-5033 (or at least it was).

1994-1997 – I masturbated in several different churches in the NJ/NY metro area on a regular basis. Literally dozens of times. I developed a technique where I wore pantyhose over Depends undergarments. This would allow me to shit, piss, and cum right there in the church – right next to old people, families with their sexy little children, and nuns - making a filthy shit-stink but never leaving any physical evidence except the smelly, demonic odor. The churches are as follows: Sacred Heart Church, 76 Broad St in Bloomfield; St. John the Evangelist Roman Catholic Church, 94 Ridge St in Orange, NJ; Queen of Peace Church at 10 Franklin Street in North Arlington, NJ. I worked from home and could go for weeks without bathing. The combination of the BO and the shit-stink were very powerful. In 1996, at Queen of Peace, I performed a desecration that involved lewd and lascivious behavior in front of a child. Before I entered the crowded church, I spent time in the men’s room smearing shit all over my ass, on my underarms and on my tits. When I emerged, I took a seat in the very last row. Everyone could smell the shit-stink. The old people near me were covering their faces with handkerchiefs. A woman came in the church after I had sat down and said in almost a full voice “It smells like shit in here.” I was sitting there, rubbing my erect cock, and getting off on how I was raping everyone’s nostrils with the stink of my rancid poop. A small, sexy little girl (maybe 4 years old) who was with her parents a few pews in front of me could also smell the shit-stink. She asked her mommy in a stage whisper that was totally audible “Is that me?” thinking that maybe she had pooped in her pants. While she was being held in her father’s arms, facing the back of the church, and we were all standing, I pulled my hard cock out of my sweatpants and showed it to her. The way my jacket was positioned, nobody from the side could see what I was doing. Everyone else was facing the front of the church. The little whore was staring right at my boner for at least 15 seconds. She was saying “Daddy, Daddy, please Daddy” trying to tell her father what was happening. I put my dick back my sweatpants and then jerked myself off while she looked at my crotch area. It was the most intense orgasm of my life (until that point). I was still really stinking the place up so I got out of there as quickly as possible after I came.

Random: While stinking up the Mass at Sacred Heart Church, 76 Broad St, in Bloomfield one Sunday, I was in a pew right in back of an innocent looking Hispanic family. The little boy fuck-toy kept looking back at me. Of course my cock was already rock-hard because of the wicked acts of desecration I was committing. I couldn't resist taking it out to show him his first hard cock! I was able to take it out in a way where only the little boy was able to see it (he was 5 or 6, tops). Once his eyes locked onto my boner he couldn't stop looking at it. This turned me the fuck on even more. Realizing that I was corrupting this innocent child mere feet from its parents – and in church, no less – made me feel completely demonic. This lasted the rest of the service. Each time I stood up, he went to grab my cock. I really wanted to feel those little spic hands on my hard dick but that was too risky. When we were all leaving, the kid even said "Thank you" – Ha! Thanking me for searing images of my boner and me stroking it in church right in front of him into his little 4-year-old brain, I guess?

In the same general timeframe and in the same general area, I routinely desecrated a Portuguese Catholic church in Harrison – Holy Cross Roman Catholic Church. The main tool for this church's desecration was feces. I smeared it underneath pews so there would be a permanent shit-stink but unless you got down on your hands and knees to see it, you wouldn't know there was shit smeared underneath the pew. I smeared it behind the statues so they would stink like poop too. I smeared it on door handles all over the church so the next time someone touched the handle, their hands would get very shitty and smelly. My Grand Finale for this place involved shitting out a nice smelly log of poop into my hand and then gently lowering it into the Holy Water vessel. This is the large stainless steel container where they "source" the rest of the Holy Water in the church. I then stirred the stinky log around in the water so the shit partially dissolved. The next time anyone got Holy Water, it would be brown and it would stink like shit. I visited the church several months after that final act: they had moved the Holy Water dispenser to a more secure location.

1997-2009 – I had my confessions heard by Father Matt Horvat (now deceased) at St. Mary-St. Anthony Catholic Church in Kansas City, Kansas. I always had him unlock the empty church to hear my confessions in the actual confessional. I would take 100 mg of Viagra prior to these sessions. I would follow him into the dimly lit church with my erect cock sticking out my pants. Then when I got into the confessional I would open several bags of rancid shit so that the entire area smelled of demonic poopstink. I would always cum into one of the bags of shit at some point during my lurid confessions (which always involved my sick fantasies about raping little children). He never knew what I was doing. I also masturbated in this church during morning mass. During the same period above and then again in 2013 and 2017 I also masturbated during mass inside another Catholic Church in Kansas City, Kansas called Holy Family Church right up the street from St. Mary-St. Anthony. In all cases I would enter the church smelling of BO and shit. In some cases, I would actually shit in my Depends during the masses. In other cases, I would just bring rancid bags of rotting shit into the church with me and open them up on the floor under the pew. This created a vile stink.

1996-2018 – Many acts of desecration over the span of 22 years at Sacred Heart Cathedral in Newark, NJ. Over 2 dozen times, I desecrated the upstairs men’s bathroom with shit and satanic graffiti. They kept painting over the “upside-down Fuck Jesus cock-cross positioned between two large breasts” image I drew with magic marker on the wall near the toilet stall and I kept putting it back up. The most risky act was when I smeared shit all over the walls of the men’s room during a service. I then went back into the cathedral from a different entrance. At some point during the service I saw church elders racing towards the back of the church – obviously someone had found my smelly mess. When the service was over, I realized that the entire church was surrounded by Newark Police with dogs. I stunk like poop from the wicked acts I had just committed and I walked right in front of a cop as I went back to my car. If the wind had been blowing a different way, the police dogs would have smelled my shit and started barking. It didn’t... so they didn’t. Once again, I got away with these sinful and completely illegal acts (which are absolutely Federal Hate Crimes against Christians).

2000-2006 then again in 2013-2014 – I desecrated a small Christian church in the middle of rural Kansas over 20 times. This church was left unlocked and I would go there in the middle of the night to have my devilish and demonic fun. It is called Immanuel Church and it is located in the middle of nowhere at the intersections of Emmanuel Road, Alta Vista Road, and Germany Road near Alta Vista, KS. I found it during a thunder and lightning storm one night. Last time I went, it was closed and the door was padlocked shut. But when it was open, I would park in the cemetery in back of the church, take off all my clothes and then walk down to the church while gripping my hard cock (fueled again, like most of the times I did these things, by 100 mg of Viagra). Summary of desecrations: I used magic marker to ink satanic graffiti all over the church’s walls. This included cartoons of naked asses shitting on crosses, the “upside-down Fuck Jesus cock-cross positioned between two large breasts” (which was a large set of tits surrounding an upside-down “cock-cross” with the words FUCK JESUS written down the shaft of the cock), sayings like “Fuck Baby Jesus up his ass”, “shit on the cross”, “Fuck Jesus”, and other blasphemous writings designed to shock the good Christian folks who would have to clean it up. The best desecration occurred near the end of the 2000-2006 period. I had a log of shit inside a plastic bag with the tip of the log sticking out so I could use it like a thick magic marker. I used it to paint a wall-sized version of the “upside-down Fuck Jesus cock-cross positioned between two large breasts” in shit all over the blank wall of the church. I smeared shit all over the church, including all across the piano keys. I stuck the “praying hands” statue up my shitty asshole and left it where I found it on top of the piano. I smeared shit all over the cross in the front of the church. I pressed my ass up against the heirloom bible that sat on the altar. I squeezed out a nice splat of wet shit onto its holy pages toward the back of the bible. I then jerked-off right next to the altar, taking in the satanic stink of my demon poop all over the church. I came back about a month later and the bible was still there – with my shitty mess still in there. My final desecration was mild – I stole the bible I had shit in and then pissed all over the church (in the front, in the back, on the pews, and on the plastic flowers adorning the altar area). By this time I had a collection of at least 30 bibles that I was in the process of desecrating and this oversized bible from the Alta Vista church was the crowned jewel of that collection.

2006-2007 – I moved to Sedona, AZ and began desecrating several churches on a regular basis. I lived alone and was able to go for weeks without bathing. I would bring that BO stink – along with demonic

shit-stink of course – into several churches near Sedona and down in the Phoenix Valley. I masturbated during the masses right in front of old people and families – mere feet away from sexy little children with cute fuckable asses. Each desecration ended the same: with me shitting in my pants and then rubbing my cock thru my pants until I shot a load of sticky cum into my pants. These are the churches: Sacred Heart Roman Catholic Church at 150 Fleury St in Prescott; Santa Teresita Catholic Church on 14016 N. Verbena St in El Mirage; Saint Andrews Episcopal Church, 100 Arroyo Pinon Drive in Sedona; St. Luke's Anglican Church, 2700 AZ-179 in Sedona. This was also when I started masturbating in front of homeless people down in the Valley. One example out of dozens: There was a homeless old man at a location that I cannot remember but he had all his possessions with him next to a light pole across from an abandoned church. Over the course of several weeks I would drive down from Sedona in the middle of the night and sexually abuse him. Standing right in front of him with my erection out, telling him how he should just kill himself, peeing on his belongings, spreading my ass-cheeks right in front of him and telling him to sniff my dirty unwashed ass, and finally, cumming on his body and his clothing. The last time I did this I brought a very large kitchen knife with me and poked at him with it. I told him I would come back and cut his head off if he told anyone what I was doing. It was such a turn-on. I felt so wicked.

April, 2007 – Second molestation of child. This was 2 or 3-year-old Fox Yetter, son of my friend Tara Blauvelt Yetter. She needed someone to watch him while she went to get an abortion. I volunteered and flew to Newark from Phoenix, rented a car, and drove to her home near Port Jervis, NY. During the day before the abortion, I had the opportunity to rub his little dick thru his pants several times. I masturbated less than a foot away from his face while he was in his crib. The day of the abortion, she left him with me in the rental and sent us off as she entered the facility for what would end up being hours while she was getting the abortion. I drove to a remote area where I could molest Fox without anyone seeing. I unstrapped him from his car seat and sat him on my lap in the front seat of the car. I positioned my rock-hard boner right between his little legs and guided his tiny little hands so they would be able to grip it. I pressed his face down onto my cock and rubbed my cock-head on his lips, coating them with pre-cum. I then French-kissed him and licked it all off. Tara fastened his diaper very tightly so I couldn't get it off without her knowing. I think she suspected I was a pedophile and she knew I suspected that she was one too. Trust me, actually, I *knew* she was. I spent hours playing with my dick in front of him and telling him the most perverse things I could think of. Tara called during the middle of my wicked molestation session with Fox. "Where have you taken my son?" she said. I told her we were at the airport (LVI) and could get back quickly whenever she was done with the abortion. We were actually at a local cemetery. She said a couple of hours so I went back to my demonic fun with her son. Eventually I came very hard, with my cock still between his legs, into a tissue that I left in the cemetery when it was time to go back to Tara. I don't have a number for her but I do have a business number for her husband: 570-352-6416. His business is called Pike County Stone Works. His name is Eric Yetter.

2009-2011 – Third molestation of a child. The cleaning ladies (Mother/Daughter) that came to clean our house in Greenwich, NJ every other week always brought their Granddaughter/Daughter Kourtney. She was less than 2 when it started and nearly 3 when it ended. They would let me watch the little girl while they were cleaning. The house was huge and I was always left completely unattended with her for most

of the time they were there (at least 3 hours each time). Here is a high-level summary of the things I did to this naughty little girl:

- First act: I rubbed her ass-cheeks while she was playing with toys on the coffee table. She eventually wet her pants. The Grandmother came in and cleaned it up. Never suspecting that it was my sensual rubbing of this little whore's sexy ass-cheeks that caused her to loosen her bladder and pee all over the floor.
- I started pulling down my shorts and showing her my ass on a regular basis. She loved it.
- Eventually, I realized I could show her my cock too. Once I realized that, I took every opportunity to show her my rock-hard boner.
- I spread my naked ass cheeks a foot from her face. Stuck my middle finger into my stinky poop-shoot, turned around, smelled it, then stuck it under her nose for her to smell the shit-stink too. She actually seemed to like it.
- I took her out to our chicken coop and pulled out my dick and rubbed it on the back of her neck. Told her how much I wanted to fuck her. Her Mom came out to the coop and luckily I was able to put my dick away in time.
- I got her to touch the head of my hard cock with her tiny little finger. This was the first of many times that she touched my boner.
- Final act: she went up to my room to see my cat, Mika. When we got in the room she actually locked the door and squatted at the end of my futon mattress on the floor to look at the kitty. I dropped my shorts and kneeled in back of her. I took out my hard cock and rubbed it all over her neck and her adorable curly blonde hair. She turned her head partially around and I said to her "lick it" --- her little tongue came out and she licked the head of my rock-hard boner. This was one hot and horny little child porn star in the making! I almost came. Good thing I didn't because a minute later there was a knock on the door and her Mom yelled "What's going on in there? Why is this door locked?" I quickly got my shorts on. Strapped in my boner so it was pointing straight up in my shorts and not visible to her Mom. I told her that Kourtney must have locked it because she didn't want the cat to get out. This was the last time I molested her. I moved to FL a few weeks later.

The Grandmother's name is Mary Newmaster and her cell is 856-455-2404 (or it used to be). The daughter is Marla Newmaster. Marla is a real estate agent with Legacy Real Estate and her work number is 856-279-9208.

2008-2009 and then again from 2012-2013 – I lived in a duplex on Ranch Way in Lawrence, Kansas. My back yard was about 20 feet from the playground at the Raintree Montessori School. I routinely masturbated in front of the back windows of the duplex while looking at the sexy little fuckable children on the playground. I filmed these sessions. The tapes (Mini-DV format), along with a functioning camera, are in my storage locker in Topeka, Kansas. When I moved back to Lawrence at the end of 2012, I intentionally chose to rent another duplex on Ranch Way so I could masturbate in front of the children again. Of course, no one from the school ever saw me doing this.

2009-2011 – Masturbated while shitting in my pants during Mass at Sacred Heart Catholic Church and St. Isidore's Church in Vineland, NJ. Sacred Heart had the added bonus of Catholic School children filing in for the morning mass. It added an extra layer of excitement to be performing these blasphemous acts so close to the children. I also had a confession heard by the priest at Sacred Heart. I placed several open Ziploc bags filled with rancid shit on the floor of the confessional so the booth smelled like poop while I masturbated to a climax while giving the priest a lurid confession that talked about having sex encounters with small children.

2009-2012 – 3 cat killings. 1) Halo – my roommate Rich Cummins' cat. I tortured it with a screwdriver and a hammer. I squirted cum all over it several times. I pissed into its eyes. I locked it in an ice chest overnight. In the morning, it was dead. I took it to a remote area and disposed of the smelly carcass. 2) A stray cat that Rich had come to adore. I trapped it in a burlap bag and smashed the bag several times with a big rock to knock out the cat. I then took it to a deserted area and ran over the bag several times with my car. I dumped out the bloody contents of the bag and masturbated onto the carcass. I then left it there on the side of the road. 3) My cat Mika – who was nearly 15. During a drive from FL to KS, I threw him off a bridge into a river in Tennessee. Over the years, I had sexually abused him many times with my hard cock. Never penetrating him but rubbing my hard dick all over him and cumming on him. I didn't want him with me after I moved from FL and getting rid of him in this manner was the easiest way to make that happen. I told people that once I got back to KS he developed chronic renal failure and had to be put to sleep. Of course everyone believed me.

Spring into Summer (2015) – I stunk up and masturbated half a dozen times at Our Lady Queen of Peace Catholic Church on Atlantic Ave. west of Delray Beach. It was always packed with Hispanics. I was always one of the few Caucasians there. During my last session there, I was able to show my cock to two (!!!) little girls. One who was sitting with her Mommy. Mom got distracted and out came my boner which the little 2-year-old immediately locked her gaze onto. It only lasted a few seconds but she totally got an unobstructed view of my hard pedo cock. The other was a little girl (6 months old?) crawling back along the floor to my seat in the back right-hand corner of the church – my cock was out in a way where only the little crawling baby could see it. When I got back into the car after finishing my wicked desecration session, I sang a little victory song called "I showed my dick to two little spic chicks!" Ha! In 2016, a kid was arrested for desecrating that very church where I flashed my dick to little children and forced church-goers to smell my demonic shit-stink. I lived in Stuart, FL at the time and I routinely stunk up and desecrated St. George's Episcopal Church and Saint Francis of Assisi Catholic Church both in Riviera Beach (a shithole filled with pathetic niggers). Some Sundays I would time it so I could "do" all three churches. 100 milligrams of Viagra kept my cock hard for those Triple Headers (yes, I would stunk up and cum in all three churches). I loved forcing the niggers at St. George's to smell my shit. Before the service I would smear poop all over my ass cheeks for an extra raunchy demon-stink. One Sunday, this very tall nigger woman came in and of course she immediately smelled my poop and glared over at me! My cock was already hard but knowing this nigger's big flared nostrils were being raped by my shit-stink made my dick even harder.

Saturday, August 29th, 2015 (morning) – I spent at least 45 minutes walking around the Walmart in Stuart, FL with a visible erection, smelling like BO and shit. I played with my erect cock right next to three distinct groups of children. The first group was a Hispanic brother and sister and their mom. I exposed my cock to the boy and played with my dick thru my khaki shorts while standing a few feet from the children and their mom. I was wearing a red shirt that reeked of BO and shit. The next was a group of boys with their father in the toy section. I stood right in back of them with my erect cock fully outside my pants and played with myself for several minutes less than a few feet from these little boys. The next was in front of a little girl and her mom. The little girl had unusually long blond hair and the sexiest little ass I had seen in quite some time. I pretended to be looking at a wind-up clock (it was in the clock section) while pressing my erect cock up against the shopping cart. That lasted for about 3-5 minutes. I then proceeded to do my food shopping. I noticed that there were several store personnel looking at me in an odd way. I heard a female employee say “he’s over here” on her walkie-talkie. Once I realized that I had been seen by the in-store cameras doing what I just did, I rushed with my full cart towards the door. I left the cart sitting there near the front of the store (it contained a lot of Boca and Morningstar products). I rushed out the door to my car and as I was pulling out several employees came out of the store and I knew they were taking notes about the wicked pedophile who was getting away. I quickly got back to my parent’s condo at Conquistador and, luckily, I wasn’t followed. The first thing I did was to remove every sticker from the back of my car. This would have been an easy thing for someone to have made notes about so I needed to get them off. I waited until Monday to see if my crime had been reported. It had. Lewd and Lascivious acts – which were committed in front of children under 7 (under 3 or 4, actually) – was what got reported. It had a description of me, what I was wearing, and my car (which they thought was white – which it wasn’t – and they got the model wrong too). The very next morning, I left the state and drove non-stop to Aurora, Colorado where I booked a room in an extended stay. I then moved into my own place in Aurora a few weeks later. I kept checking the TCPALM website every day to see if there was any follow-up. Eventually, I stopped checking. I had escaped without getting caught (or so it seemed).

2015-2016 and then again in 2021 – On a regular basis, I masturbated inside Denver’s Cathedral of the Immaculate Conception during mass. I use my technique of wearing pantyhose over Depends undergarments. This allowed me to shit, piss, and cum right there in the church – right next to old people, families with small fuckable children, and nuns. Making a filthy demonic shit-stink but never leaving any physical evidence except the odor.

2016-2019 – I lived with my friend Renee Aun at her place (82 Creek Road in Tranquility, NJ) off and on over a period of 3+ years. She had three dogs, a chinchilla, and a parrot. There were many occasions throughout this period when I was left alone to care for the animals (her “critters” as she called them). I gradually became bolder with my abuse of these animals. For the chinchilla and the parrot it merely consisted of torturing them with a long straightened-out wire hanger. I would stick the hanger in their cages and chase them around with it. They were terrified and it made my cock hard. Eventually, I would masturbate while doing this. I had some really intense orgasms while torturing them with the hanger. That was tame compared to what I did to the dogs. The largest of the three dogs, a male, couldn’t hear very well. The second male, much smaller, was usually totally out of control. The third dog, a female,

was usually just an observer. I didn't bath much at all while staying at Renee's and when I knew I was going to be alone with the dogs, I made sure my ass was really stinky (because dogs love smelly ass). At first, I just slipped my rock-hard cock into their cramped dirty cage and let the big dog lick it. The second male usually just looked on. The female was off in the corner of the cage. I found that I could press my putrid-smelling ass against the cage and the big dog could lick my shithole through the grating. I would stand there letting him lick my ass while I jerked off into a sock. Having the dog licking my ass while I came was a totally intense sensation. When I would take the dogs out of the cramped filthy cage to go "wee-wee" outside, I would have them all on leashes. Then I would take them off the leashes and let them do their "business" in the outdoor pen constructed for that purpose. The big dog always stayed back because he wanted to lick my cock and my smelly ass. While taking them back in, I would always stick my naked ass out and let him lick that shitty butt. This would always make my cock hard right away and I would usually jerk off to completion into my shorts right there outside the house (which sat isolated on 20 acres of deep woods). I gradually got more daring with my abuse of the older dog if I knew Renee was going to be away for a long period of time. Laying totally naked on the floor on my back with my legs spread and lifted up, the dog would lick my ass, my balls, and my rock-hard cock. This was one horny dog! Many times I would start to cum from this wicked sensation and the dog would lap up the semen right as it came out of my cock. The most erotic session involved the big dog and the little one. I was in the kitchen on the tile floor. Just like before, I was on my back with legs up and spread with their snouts buried in my ass. This time, as they both licked my dick and my balls and my smelly asshole, I unleashed a steady stream of piss right into their faces. They loved it and drank my piss gleefully. Then I took it to the next level: I pushed a log of smelly wet shit out of my ass right into their faces. They were licking the shit-log as it came out and the shit was smearing all over my ass cheeks, my balls, my rock-hard cock and their snouts courtesy of their shit-covered tongues. They were actually eating the shit! This gave me one of the most powerful orgasms of my life! Of course, they lapped up my hot cum as it drained from my pulsing cock. It was quite a cleanup session (me, the dogs, and the floor) but Renee was out of the country so I had plenty of time. Her phone number is 973-529-3215.

February, 2019 (Unknown Catholic Church, somewhere near Neptune Beach, FL) - I entered the enclosed room in the back of the church where people with coughs or colds or with kids that scream go to worship during the service. The sound gets piped in. I stunk of BO and shit and my sneakers were absolutely ripe. When I entered there were two mommies and 3 kids. Perfect setting to play with my filthy boner and stink up the space with my shitty asshole and nasty body odor. I don't think I had bathed in 3 weeks. Slipping a sneaker off a bit released a powerful stench that made my cock tingle. Right before the service started a mommy, daddy, and 5 adorable little kids came into the space. The littlest girl smelled me right away and exclaimed "What's that smell?!" Her daddy told her to be quiet. This was the quintessential demonic playground. I was surrounded by 8 fuckable little children, forcing my satanic stink into their innocent little nostrils. My cock was rock hard and I was sitting in a way that I could play with it but not be seen. I know one of the mothers suspected me of being a sick pedophile and she took her kid out of the room. Not knowing what was next I decided I better cum soon! I felt so wicked playing with myself mere feet away from all these sexy little kids! This was definitely a record breaker for me. To cum in church right next to 7 little children (1 left with mommy) was exquisite. What an amazing orgasm! And just think: it could have been 8! I decided I better leave because I still wasn't sure where the other mommy went. And I really did stink like the devil. Someone was going to say

something soon. So I left. Another successful Kiddie Nostril Rape and Massive Orgasm in Church was in the books!

1997-present – created an extensive collection of tens of thousands of images, gifs, and movies of Pre-Teen Hard-Core (PTHC) and other forms of Child Pornography. Some featuring infants. See intro for location of these files.

1997-present – Masturbated in front of children and old people inside dozens of Dollar General and Family Dollar stores in CO, NJ, PA, MD, FL, AZ, KS, and MO.

2021-2022 – Masturbated inside St. Margaret of Scotland Roman Catholic Church in Morristown, NJ. This didn't involve any poop but I didn't wash my ass for several days before going and I always wore red sweatpants for easy access to my cock during the service. I could also stick a finger up my ass and put it up to my nose for the smell of fresh shit while I jerked off. I always went to the poorly-attended 7:30AM Sunday service and was able to sit in the back right-hand corner of the church where nobody could see what I was doing.

June 3-13, 2022 – Fourth molestation of a child. I reconnected with a woman, Heather, who I met 3 years ago when she was a hot-as-fuck really stinky homeless meth addict in Aurora, Colorado. Her direct number is 970-657-9257. In May of 2022, we instantly bonded over a lot of things including our sobriety. She had an adorable 9-month old named Ella who I instantly felt attracted to. Heather ended up inviting me to stay with her for 10 days at her place in Fort Collins, Colorado. I flew in, took the bus to Fort Collins, and began my stay. Heather had turned into a disgusting fat cow and I was instantly no longer sexually attracted to her. That was disappointing but the real focus was now on Ella. Since the moment I laid eyes on her, I knew I wanted to do incredibly nasty things to her. Heather left me alone with Ella literally dozens of times while I was there. Of course this reminded me of the things I did with Little Miss K (see above) but this was even better because Ella was only 9 months old. Here's a high-level summary of what I was able to do with this dirty little 9-month-old sexpot:

- First Act: I began very timidly, of course, by showing her my naked smelly asshole less than a foot from her face. I then graduated to pulling out my cock and letting her stare at it as long as I was able to do so without Heather finding out.
- I found that while I was sitting on the couch with Ella she would love to stand directly on my cock with her two tiny little feet. I really wanted to let my cock get fully erect but held off because most of the time when this was happening, Heather was right there. There were a few "safe" times when I was able to get fully erect and got to really rub those little feet all over my boner – my clothed boner and my naked boner!
- I was able to French kiss her dozens of times. It started out with sticking my tongue out at her while her face was 2 inches away from my face. Then it graduated to full-blown tongue-in-mouth. She loved it! I could swear she was turned on because she would close her eyes and

make this look of ecstasy on her face while my tongue fucked her mouth. I would always get hard while French kissing her.

- She shit her pants on a very regular basis. Of course holding that little stinky butt on my lap while taking in the pungent aroma of baby poop always got me hard. I would always have to watch how hard I got, though, because I didn't want Heather to see me holding the kid with a big bulging boner in my pants.
- About midway thru the visit I was getting more daring with my abuse and was finally able to get her little hands touching my dick. To look down and see this cute little sexpot touching my hard cock was amazing. While sitting on the couch, I also was able to stand her up on the floor between my legs positioning her face right in line with my groin. At least half a dozen times I was able to slap my dick across her tiny little face. Unfortunately, I was only able to have her tiny little baby tongue on the tip of my dick twice. She seemed to really enjoy it, though! I didn't want to go any further into her mouth because she had a very sharp set of teeth coming in and I was afraid she would actually draw blood!
- One of the most perverted things I did with her happened in the kitchen while Heather was in the shower. She was standing up by holding onto my leg (something she did quite often). I pulled my shorts down and positioned her face right up into my ass. I guided her little head right up into my smelly crack. Amazingly enough, she didn't even cry. I think she liked it! She stayed standing by putting her two chubby little hands on each of my ass-cheeks for almost a minute. She had shit in her pants so Mommy wouldn't notice the extra poop stink on Ella's hot little face. And the stink of her shit made my cock very hard! And since I could hear Heather in the shower, I knew the coast was clear. After I was done having her face in my asshole, I turned around – making sure she was still standing by holding onto my leg and gently slapped her little sexpot face with my super-hard boner. For the grand finale, I positioned her tiny hands around my cock and then brushed the head of it up against those little baby lips. Her tongue came out and I swear she got a taste of my pre-cum. Once that was done I lifted her up so her face was level with mine. I could smell my nasty ass stink on her face. What a turn-on! I then proceeded to lick her whole face off finishing up with a nice long and nasty French kiss inside her tiny mouth. This was one dirty kid! I wiped her face off but it still smelled a little like my butt. Heather never suspected a thing, of course. Two weeks to the day after I arrived, I called things off with Heather citing the fact that I needed to take a breather while she explored a "relationship" with some ugly retarded nigger from Fort Collins. Trust me, I would have loved to have done more to Ella during subsequent trips but I was grateful for every nasty thing I was able to squeeze in during my 10-day stay.

2022 – Masturbated inside Sacred Heart of Jesus Catholic Church in Boulder, CO on a weekly basis. This didn't involve any poop but I wouldn't wash my ass for several days before going and I always wore loose fitting shorts for easy access to my cock during the service. I could also stick a finger up my ass and put it up to my nose for the smell of fresh shit while I jerked off. I always went to the 8am Sunday service and was able to sit in the back right-hand corner of the front bank of seats that are perpendicular to the altar where nobody could see what I was doing.

July, 2023 – Spent an entire night in the courtyard of St. Mary’s Episcopal Church in Stuart, FL watching Satanic porn from Sister Christfuck, listening to Extreme Age audio porn from JaxAudio and MsBeatrix, and having three intense orgasms during the night. I stunk like BO and dirty ass. Also - a few days before that incident, I took my stinky ass and dirty balls into Sacred Heart Catholic Church in Lake Worth. Spent the whole service with my left hand gripping my hard dick. Even when standing. Got to stare at two hot and fuckable little spic girls’ asses the whole time (3 yrs. and 9 yrs. tops). I came while everyone was going up for communion. It was very hot. A few days after that incident, I squirted cum in the St. Mary’s courtyard again. And for the first time in a long time I was able to abuse a homeless nigger! This worthless piece of shit was sleeping in one of the hallways off the courtyard. I kept walking past him playing with my boner which was on full display asking him “So nigger, is there anything I can do for you?” I then pulled down my shorts exposing my naked stinky ass to it. I stuck my finger up my ass and pulled it out. “Wanna sniff my shit, nigger?” It said: “You know they be havin’ cameras here.” I said, “I don’t care – just let me suck that filthy nigger cock of yours!” It (the nigger) was starting to get agitated so I backed off. Then I played some of the most satanic porn I could find and directed the sound down the hallway to torture this poor soul even more. Later on that morning, I actually went to the services. In-between the services, I was allowed to sit in the church and “pray” which actually meant having my very first orgasms – two of them – inside Saint Mary’s while watching Satanic porn on my phone right there in the pew. My ass hadn’t been washed in a week so it had to be noticeably smelly!

APPENDIX:

MY REAL-LIFE ADVENTURES (a mash-up of actual IRL events)

It's time. I love this place. It helps to fuel me to do the evil things that I do. Which reminds me of last weekend. I was all set. I had stirred the vile mixture of shit, piss, vomit, blood, and CUM in my toilet and had gently applied dabs of the STINK JUICE under my arms, around my balls, on my tits. I had slapped a bit on my ass cheeks, and smeared some around the rim of my already smelly (9-days unwashed) ASSHOLE. I had my Depends on underneath my pantyhose. It would catch all the nasty stuff that came out. I stunk like the devil. I was ripe. I had smoked my joint and eaten my apple. My breath was really BAD and I was sooooo high and my dick tingled. I had already staked out the church. I went in several weeks ago at night (I got the key from one of my demonic partners). I had already stood naked on the altar, boner in hand. I had already masturbated as I walked around the empty dark church and finally, after rubbing my dick on nearly everything in the church including the big cross on the altar, I squirted cum right into the holy water (and left it floating there!). I had also smeared shit on the lips of the Virgin Mary statue and into the eyes of her baby Jesus. Now I was ready for Sunday morning. I entered the church, sat in my special spot right in back of the two old people. Safely hidden from those to the rear. I could stick my hands down my pants, rub my cock, take out my porn and look at it, and put my shit-smeared dildo out on the pew next to me. I was ready. To be this high and this smelly in the house of God already had my cock at half-mast. I looked around and saw all the little holy Christians - moms, dads, little girls, and little boys. HA! Little did they know but I was polluting their little holy space. Just the way I liked it. The service began and I got to stand up with my big bulge for the first time. I just loved rubbing that big bulge against the pew in front of me. The service goes on and on and I just sit there, taking in the stink, big throbbing boner in my pants, looking at the asses and the tits of all the women around me. There's that hot teen in her hot red dress. She's always got my attention. I brought my shitty cum-stained bible with me. It has shitty smears along the sides - I hope no one notices. They won't. I get prepared for my final act of blasphemy by adjusting my dick so that it points upwards in my pants. The congregation stands, pew by pew, and approaches the front of the church to get their holy communion. I prepare to get my unholy communion. As I walk toward the nun in the front I do the unthinkable. I begin to push a big log of smelly shit out my hole into my Depends. Each step toward the altar brings the shit a little further out my hole. My legs walking are smearing it inside my pants. I get up to the nun - look her square in the eyes and push out the full demonic shitlog into my pants. YES. I cup the wafer into my hand as I pretend to swallow it. There I am - in the front of the church, stinking like shit, with the smell of the devil on my lips, warm shit in my pants. FUCK JESUS CHRIST I think to myself. HAIL SATAN! GODDAMMIT! I walk back to the pew. When I sit down (kneel down) I press my ass against the pew --- smearing that warm, smelly shit inside my pants. Now is the time to reposition my cock in my pants and start rubbing. As I do that, I drop the wafer into my pants. The holy wafer mixes with the hard unholy cock. As the priest does his after communion clean-up I head into the home stretch. My dick is so hard and I am so turned on I am almost ready to faint. The stink of the shit rises up around my body. I look at that hot teen's tight hot ass and firm perky tits and I think to myself GODDAMMIT I am so fucking ready to squirt. I continue to rub my dick until it happens --- I shoot gobs of hot cum into my pants! The church around me is finishing its holy communion -- as I squirt my unholy cum feverishly into my pants! I am so high I nearly black out as I cum. After the service I hid out in the bathroom in what's called the Undercroft (where they have Sunday School). It is directly under the church and the bathroom area happens to be directly under the altar. I hid in the boys' bathroom. I should tell you that the hot little bitch in the red dress is actually a senior in HS named Nancy - I tutor her in Calculus sometimes up to three nights a week. We get high and do math. Anyway, she knew what I was going to do (you know, SHIT AND CUM IN MY PANTS DURING THE MASS) and was worried that I would be

caught. If I didn't get caught, we set up a plan to meet each other after the service in the Undercroft to talk about what happened. I heard someone coming. They spoke out in a loud whisper "I smell your fucking shit you demon fucker!" It was Nancy. She said - "well, how was it?" I told her how fucking demonic and hot I felt during the whole act. How I was so high and so fucking turned on that I nearly passed out. "Well I hope you still have some energy left - look what I brought you" - she pulled out a new King James from K-Mart (they only cost 6.99). "What do you want to do with that?" I asked my demon friend knowing full well what she wanted to do with it. "I want to wipe off your shitty ass with the words of Christ, you devil fucker - you know the pages with red writing on them. Pull down your shitty pants and bend over, cuz after I clean off your smelly little shitty ass, we're gonna fuck our brains out right here in the middle of the Sunday School". This was Nancy. My totally hot little demon bitch. I bent over and pulled down my smelly panty hose and my shitty depends. With a wicked grin on her hot little devil face, she began ripping out the pages with the red writing on them. She wasn't just wiping my ass, she was wiping my ass and sticking the ripped out pages of the bible UP my ass as she wiped. She too, knew that the STINK OF SHIT was the sweet perfume of the demons that now encircled our post-Sunday School Blasphemy session. It was around Christmas time and there was a manger scene set up nearby. "OK, you're clean. CleanER at least. But hold on a minute". She went over to the manger and pulled the little baby Jesus figurine out of his crib - "Can I stick his little head up your ass?" Could she? HA! Of course. Nancy sodomized my ass with the baby Jesus figurine for about 15 minutes. He was about 4 inches long. Sometimes she went in head first, sometimes feet first. One time baby Jesus went in so far, I thought she wouldn't be able to get him out! Imagine having to go to the hospital with a baby Jesus figurine stuck up your smelly ass! She pumped that baby in and out of my shit-slippery hole. All the while she had her other hand reached around to my rock-hard demon cock and was jerking like mad - stopping only periodically to put spit on her hand for a smooth slide up and down my stiff dick. "OK, enough. Now put my ass up on the children's altar and fuck my wet cunt until I tell you to stop goddammit!" No problem, I thought. I hoisted her hot, tight little ass up onto the children's altar and stood up on a metal folding chair so that my dick and her cunt were at the same level. As I started fucking her she took the wooden kiddy cross that sat on the altar into her hands and started rubbing it all over her tits. OMG - did this make my dick even harder! She then put the tip of the cross in her hot little demonic mouth and made that "scrunch" demon look with her eyes and forehead. SCRUNCH, GODDAMMIT. "Do you like fucking my hot little cunt while I'm rubbing this cross all over my hard nipples?" -- did she have to ask? She would get spit on the tip of the cross and then bring it down ever so slowly across her hard nipples. She would lick her nipple and then rub the cross against it. She just kept going back and forth from tit to tit. Licking the cross. Rubbing it. Licking it. Rubbing it. THIS WAS WAY TOO MUCH TO BEAR. I knew she hadn't cum yet but I couldn't hold it in. Knowing I was ready to explode, she said "pull out - cum on this" -- she wrapped my squirting cock in the remnants of the KJ bible like a hot dog in a bun. I squirted onto the pages and out the other end onto her tits! "Sorry - I couldn't hold it in". "Don't worry - I'll finish up". She then did something that is SUCH A TURN ON for me. She took the cross and gently started rubbing it against her clit. The rubbing became harder and harder. I was smacking her tits with the bible while she had both her hands on the cross and had the tip of the cross in her wet cunt. We were locked in this for what seemed to be a half an hour. I was starting to get afraid that people might hear us but she told me not to worry - it was Sunday afternoon and everyone had left the church. Except us demonic demon fuckers downstairs in the Sunday school! I love fucking Nancy. She fucking rocks. Finally she let out loud "FUCK JESUS CHRIST GODDAMMIT" as she jammed the cross into her cunt. Wet creamy ooze oozed out all over the fair linen on the little altar. We did our best to clean ourselves off and made plans for next Sunday. Later on that night, we smoked some pot and then started in on the Directional Derivatives and Gradients problems from the next chapter.

FAMILY OF FOUR (a short story I wrote in the form of a chat log)

Janet (10/21/2005 12:59:43 PM): I fucking love the idea of having slaves in my basement to torture and abuse for Father Satan's pleasure

Jack (10/21/2005 1:00:05 PM): But they have to be people who won't be missed. You know?

Janet (10/21/2005 1:00:25 PM): Burning... raping... torturing them and their whole families... children... adults... no matter

Janet (10/21/2005 1:00:38 PM): Yes, I know

Jack (10/21/2005 1:00:52 PM): You've got my COCK rock fucking hard bitch!

Janet (10/21/2005 1:00:57 PM): Ha!

Jack (10/21/2005 1:01:15 PM): Ass raping the little ones in front of the parents.

Janet (10/21/2005 1:01:22 PM): Skinning them... slow acid drips on their balls

Janet (10/21/2005 1:01:35 PM): Dogs fucking their tiny asses

Jack (10/21/2005 1:01:40 PM): YES!

Jack (10/21/2005 1:01:42 PM): OMG

Jack (10/21/2005 1:02:29 PM): How about dogs biting into mommy's tits? And then pushing the face of the little one right up into the wound.

Jack (10/21/2005 1:02:52 PM): Or better yet, the little one would probably be shitting it its diapers.

Janet (10/21/2005 1:03:06 PM): I came so hard to the image yesterday of someone holding 3-year old still while a big black dog fucked her ass and my servant burned a cigar into her face... I came to the image of her screaming and crying... the dog humping her.

Jack (10/21/2005 1:03:24 PM): Rub the shitty ass of the infant all over that open gash on her tits while I shit down mommy's throat.

Janet (10/21/2005 1:03:30 PM): Mmmmmm!

Jack (10/21/2005 1:03:54 PM): Let the dog fuck her while I pull her hair out.

Jack (10/21/2005 1:03:59 PM): In big clumps!

Janet (10/21/2005 1:04:00 PM): Yummy!

Janet (10/21/2005 1:04:22 PM): See her eyes full of horror

Janet (10/21/2005 1:04:28 PM): Tears falling

Jack (10/21/2005 1:04:33 PM): HA!

Janet (10/21/2005 1:04:46 PM): Her screams of terror urging us on!

Jack (10/21/2005 1:04:49 PM): While I suck on your tits.

Janet (10/21/2005 1:05:22 PM): Mmmmmmm... we'll make out while the dog fucks her small, bloodied asshole

Jack (10/21/2005 1:05:42 PM): I want to lick that bloody, shitty asshole.

Jack (10/21/2005 1:05:49 PM): Then put salt in the wound.

Janet (10/21/2005 1:05:53 PM): Mmmmmmm!

Janet (10/21/2005 1:06:19 PM): We'll cut off her tiny baby nipples and keep them in a jar for a collection!

Jack (10/21/2005 1:06:20 PM): I'm totally jerking off right now thinking about this.

Jack (10/21/2005 1:06:25 PM): YES!

Jack (10/21/2005 1:06:36 PM): A little nipple collection.

Janet (10/21/2005 1:06:48 PM): We'll start a nipple collection of all our victims

Janet (10/21/2005 1:06:53 PM): Ha!

Jack (10/21/2005 1:06:57 PM): Of course the parents are screaming in horror.

Jack (10/21/2005 1:07:13 PM): "Stop! How could you??!!!"

Janet (10/21/2005 1:07:21 PM): Her parents are wearing ball gags and watching the show

Janet (10/21/2005 1:07:36 PM): Bound and tied waiting their turn

Jack (10/21/2005 1:07:50 PM): Is there a little brother somewhere?

Janet (10/21/2005 1:07:53 PM): Which one should we torture first?

Janet (10/21/2005 1:08:17 PM): Yes... little Danny is squatting in a fetal position behind mommy

Jack (10/21/2005 1:08:28 PM): Scared shitless.

Janet (10/21/2005 1:08:35 PM): You want him first lover?

Jack (10/21/2005 1:08:39 PM): Pull him out.

Janet (10/21/2005 1:08:42 PM): Heh.

Jack (10/21/2005 1:08:48 PM): Bend him over.

Janet (10/21/2005 1:08:54 PM): I'll drag him out by his hair

Jack (10/21/2005 1:09:03 PM): I'm going to fuck his ass.

Janet (10/21/2005 1:09:08 PM): I'll rip his pants down and bend him over for you

Jack (10/21/2005 1:09:26 PM): Can you get to his little cock?

Janet (10/21/2005 1:09:32 PM): His daddy looks so pissed.

Jack (10/21/2005 1:09:45 PM): We'll deal with daddy later.

Janet (10/21/2005 1:09:59 PM): Maybe we should make daddy lick Danny's tiny asshole before you enter him?

Jack (10/21/2005 1:10:34 PM): Actually yes. Bring him over her. I will press his face up against Danny's tiny hole.

Janet (10/21/2005 1:10:42 PM): Mmmmmmmmm yes!

Jack (10/21/2005 1:10:57 PM): "Lick your son's little shithole, fucker!!!!!!!"

Janet (10/21/2005 1:11:12 PM): [daddy laps furiously at his son's shitty asshole while I point the gun at mommy's head]

Jack (10/21/2005 1:11:18 PM): "Lick that tiny ass!!! OR WE WILL SHOOT YOU!!!"

Jack (10/21/2005 1:11:46 PM): "Get it good and moist for my cock to slide into. NOW, MOTHERFUCKER!!!!!"

Janet (10/21/2005 1:11:50 PM): I'll pistol whip mommy dearest while you get ready to fuck her son's tiny hole

Jack (10/21/2005 1:12:02 PM): Can you get to Danny's micro-cock after you pistol whip her?

Janet (10/21/2005 1:12:11 PM): "Stupid blonde bible-loving cunt!"

Janet (10/21/2005 1:12:22 PM): Danny's dick is so tiny, baby!

Janet (10/21/2005 1:12:50 PM): Looks like a baby's dick... he must have gotten that from his daddy!

Jack (10/21/2005 1:13:04 PM): Yes. Here's the plan. I will start fucking Danny's ass. LONG AND HARD. At some point, start playing with his cock. See if it gets hard. Tiny little cock.

Janet (10/21/2005 1:13:15 PM): Mmmmmmm gladly!

Janet (10/21/2005 1:13:33 PM): [Gets out her scissors]

Jack (10/21/2005 1:13:44 PM): YES! I was going to tell you to bite it off.

Janet (10/21/2005 1:13:58 PM): Fuck that ass, baby!

Jack (10/21/2005 1:14:11 PM): [Danny screams in pain!]

Janet (10/21/2005 1:14:22 PM): Awww, he's ripping.

Jack (10/21/2005 1:14:26 PM): It's so tight around my cock. Fucking awesome!

Jack (10/21/2005 1:14:37 PM): Here, give me the scissors.

Jack (10/21/2005 1:14:40 PM): I have an idea.

Janet (10/21/2005 1:14:48 PM): Damn! Your beautiful huge manmeat looks great plowing his tiny little ass!

Janet (10/21/2005 1:15:02 PM): [Hands Jack the scissors]

Jack (10/21/2005 1:15:38 PM): I'll pull out my cock and PLUNGE the scissors into the hole! [stabbing his tiny little asshole over and over and over]

Janet (10/21/2005 1:16:06 PM): Oh fuck! That's awesome baby! He's bleeding like a stuck pig!

Jack (10/21/2005 1:16:14 PM): Now you take them and snip off his cock! Quickly!

Jack (10/21/2005 1:16:30 PM): FEED IT TO MOMMY!

Janet (10/21/2005 1:16:33 PM): Snip! Mmmmmm... look at the blood squirt!

Janet (10/21/2005 1:16:44 PM): Open wide, mommy dearest!

Jack (10/21/2005 1:16:55 PM): OPEN FUCKING WIDE BITCH!

Janet (10/21/2005 1:17:29 PM): Mmmmmmm... I love it when you get all forceful with the dumbasses baby!

Jack (10/21/2005 1:17:42 PM): She's choking on it!

Jack (10/21/2005 1:17:44 PM): HA!

Janet (10/21/2005 1:17:56 PM): Stupid bitch! Chew it!

Jack (10/21/2005 1:18:10 PM): Wait - I have to piss again - she can wash it down with my pee!!!

Janet (10/21/2005 1:18:19 PM): Mmmmmm yes... me too

Janet (10/21/2005 1:18:39 PM): I'll squat over her face and -oops! I guess I had to shit too... lol...

Jack (10/21/2005 1:18:54 PM): SMEAR IT INTO HER MOUTH!

Janet (10/21/2005 1:19:18 PM): Mmmmmm yes... swallow it bitch... or I'll fucking kill you and your baby Danny

Jack (10/21/2005 1:19:30 PM): She's swallowing your piss and shit.

Jack (10/21/2005 1:19:33 PM): HA!

Jack (10/21/2005 1:19:55 PM): Amazing what we can do with our little playtoys!

Janet (10/21/2005 1:20:02 PM): Her son is turning white from losing all that blood too bad

Jack (10/21/2005 1:20:13 PM): He's a goner.

Jack (10/21/2005 1:20:27 PM): What about the whimpering little girl and pops?

Janet (10/21/2005 1:20:27 PM): What should we do to daddy?

The Coda –

8/12/2023, 5:42am – It's very hard to decide where to turn myself in! The FBI offices in West Palm Beach or the Stuart PD in Stuart. I've got two weeks to figure it out. In the meantime, I am dropping little hints everywhere! Wow, this is so much fun!

So... why am I not jumping off a bridge right now? Because I met someone from Stuart, Florida (where my parents lived for 25 years), she's a really great new friend, and I've moved to Stuart to, once again, restart my life. And I'm very excited! Who knows what will happen next? Well, to be perfectly honest? I do. I totally do. But I can't tell you. Not just yet.

8/24/2023, 7:23pm – I definitely decided to turn myself in at the Stuart, FL Walmart after I have my "Last Meal" at a nearby Burger King.

8/25/2023, 5:23am – Dropping hints left and right! Amanda Ruth Harkness – THE MUSE – has been activated! OMG, this is so much fun! For my private Facebook Network, she died in a head-on car crash. For Elisa Jordana and KAF, she got pulled in this morning explaining how she knows me. She made a

TikTok video dancing to "Fuck You, I'm fine!" (a tune by Elisa Jordana) and WOW her tits are way bigger than I remember them being! It was a sexy video and made me want fuck the shit out of her!

Shattered. Devastated. Shell-shocked.

I'm in a state of disbelief right now. I had a friend who was flying into WPB to livestream with Elisa and me tomorrow and thru the weekend into next week. This is someone I've mentioned many times over the last 10+ years. I called her my M... See more

Dear @ElisaJordana,

Because of your inability to maintain a truly professional working environment and because you haven't a clue what it really means to be an "adult professional" (your term) we want nothing to do with your toxic world. Who would?

Jimmy & Ruthie
