The remains of Elijah Vue were found last week, months after he disappeared in February, according to authorities

People Magazine, Wisconsin news article.....

because hawaii Mike Miske Jr , in Hawaii, was “lifelong on the run”, like, “Publicly-Connecting, Wisconsin February disappearance of 3-year-old Elijah Vue”

What, “the Public” does, to Elijah’s killer or killers, “is-not Elijah Vue’s (Mike Miske Jr’s) fault”

Elijah Vue needs to survive, like, or better than, Mike Miske Jr....

I have to stop, so, the, real Authorities “are Hired”, to “re-raise (Parent)” the/a “born-again (Elijah Vue) (are Cop-Kids)”. (Elijah left this world, to be born, born-again, to a Cop?.....

We understand, “everybody understood, Mike Miske Jr’s personal-problem (which is titled Self Defense)”, when Mike Miske Jr “was 3-years-old”, today.....

The mother of 3-year-old Elijah Vue is reacting from jail after the child's remains were found several months after the boy's disappearance.

Elijah's mother, Katrina Baur, was arrested alongside her boyfriend on child neglect charges after the child went missing, PEOPLE reported at the time, citing a statement from the Two Rivers Police Department in Wisconsin.

On Sep. 7, police in Two Rivers found human remains only miles from where the child went missing, the department said at a press briefing on Sep. 10. The remains were positively identified to be of Elijah's, the department said.

Days after the missing boy's skull and bones were found, Baur, 31, who according to prosecutors' assertions in court sent the boy to her boyfriend as punishment right before his disappearance, reacted through her lawyer.

"Katrina Baur is devastated by the most recent news, identifying the remains found as Elijah," Baur's attorney, Amber Gratz, said in a statement to WFRV Local 5, FOX 11 and NBC 26.

"She had continued to have hope that her little boy would be found alive," Gratz said in the statement. "At this time, she is mourning the loss of her son."

People Magazine, Wisconsin news article, currently happening in Wisconsin, where Mike Miske's Grandpa, is from.....

(He's going to be, "re-raised, born-again to a Cop", to heal himself and Wisconsin, because "(not-me) Hawaii hates White-Folks, White-People"

Notes 10/14/2024

Tutz Honeychurch, Thankyou

- When I had time.....
- When my email address, was working properly.....
- Angela Aloha Aika, psycho-stalked me (s1997s, s2006s threatens),
- like Gigi, as I wrote these Notes, and is “nothing I ever wanted,
- in my Whole Life”.....
- Because “the size of Aloha Airlines” and the “security of Aloha Airlines” was “really-Bad”, is what I observed (after I graduated High School) in 2001s.....
- Because “the size of Aloha Airlines” ?against Me? was-wrong, is-wrong, were “the best of their Ugliness” and “needs to Stop”

She knows the difference, between Right and Wrong (and Family Owned Business’s). While Angela and Gigi “lieing (Crazy People), Stalking for Fix” still don’t, at all.....

Because “the photo of Diane Masaki behaved s2024”, and her whereabouts were clearly “an Aiea Public Librarian”, therefore, is why, “the John B.Stancil Court-Case should be dropped”...

He was “Defending Himself” against Gigi and Angela “clearly threatening others s1997s, 2007s, while non-stop Crowing (not Chirping) the Aiea Forest loud”.....

- The (Photo) of (aka Dee) Diane Masaki “a Hawaiian Queen Lydia Liliuokalani” is John B. Stancil’s “ideal Wife”
- Diane Masaki “a form of my school classmate Debbie Suzuki”, works at the Aiea Public Library s2006-2024s.....
- Police Officer Hunter (a possible Identity Theft “by over-talking s2006-2024s, crowing, not-chirping s2006-2024s, the Aiea Forest loud), SHOULD NOT \$\$ Court-Case Subtract \$\$, Diane Masaki’s “(Elvis Presley) Blue Suede Shoes” (Marriage By a Judge in Court) funds.....

Drop the John B. Stancil Court-Case, because he should head-home for dinner, at her house....

She didn’t Talk/Say, to touch ?his? (Her) stuff, or differ from ?his? (Her) plans, daily “routine”

John B. Stancil “was clearly Defending Himself” lifelong, is Innocent.

Why should, my life change, shop on-sale, because Aloha Airlines ended in 2008s?

A place, where, 100%-japanese, school classmate Megan Ashitomi, would feel shame, with a non-100%-japanese “illegitimate-daughter”

100%-Japanese Megan was “ugly”, compared to other employees, at the Hawaii-Airport, and “deported” others, to other sectors of the airport on-impact, or fired for no-apparent-reason.....

100%-Japanese Megan, age 45 years old, also psycho-stalks others, until they are “ugly”
