

Photo of Mike Miske's lifelong girlfriend, "his Old-Lady (Photo)" and their son Caleb Keanu Miske?.....

Mrs Kahakai "1979s, did-not want her baby dark-brown in-color" and lives "a totally different 9-lives" at the Hawaiian-Language Church. "with another 1985s porcelain-in-color Baby-Girl"

Mike Miske Jr, a run away local-child, raised by his Stepfather, met the "wrong Old-Lady (Photo) in 1993s"?.....

She, looks like, "senior-citizen Mrs Kahakai, SWAT Team (deceased-1995)(porcelain in color) Police Officer Coach Tate Kahakai's wife", who attacked the winning-babies, the winning-families, when her 1979-newborn baby-girl "was born (scary) dark-brown in-color".....

Mrs Kahakai, jumped Jenny Lee Sarte (Tom Hanks) in the Photo, and well-loved by Father (who died in 1980) at birth Mike Miske Jr. She (Photo) suicided Mike Miske's Dad of health problems (Cancer, Curses, Spells) in 1980, because her 1979-baby was "dark-brown in-color".....

Because she's most crazy and dangerous because.....

Ekela Kaniaupio-Crozier

KUMU

Unaware - Mrs. Kahakai's vocals, "has a Double that" took-over the Audio's on the LDS, Mormon official website. She, unaware, is the #1 African-Black-Mormon "because her (Double) Vocals amongst Mormons (Blacks, Africans) is everywhere" while she fools-around with Tom, Dick, and Harry, in the Hawaiian Community.....

- Mrs Kahakai jumped "its all", of the Hawaiian-Language Church, and its very important female, her (Photo) long ago, Ekela Kaniaupio-Crozier.....
- Things calmed, "were already to messed up", when she (Photo) gave birth to a (well loved, by her) dark-brown Baby-Girl 3rd-child.....
- Mrs Kahakai did-not want, a "dark-brown" baby-girl ("a Nikki Minaj") in 1979s.....
- Mike Miske Jr "needs to end his relationship with his Old-Lady", and work at the Aiea Library

Danger

I chose “English” against all, the other-noise/choices -- “the English Language to write these notes”

Photo of Princess Anne of United Kingdom /England/Scotland/Ireland/.....

Danger

Vaiala. (Maybe the next generation, experienced why, to be very religious, to not drink, smoke, do dope, and illegal activities to survive “amongst their few good, trustworthy limited resources” or “personal talents in a moment to shine”

Virginia Siamani. Deceased-2021s, mother of 12 children. A portuguese/hawaiian. Siamani is a samoan/polynesian word for German Nazi's. Lyn Siamani's mom. Gregory Siamani's mom. Daughter of 100%-Hawaiian-Royalty Elizabeth.

Danger

Aunty Virginia makes trouble, makes loud noise, “beats up her kids”, smokes, drinks, married dope, to survive.

Aunty Virginia Siamani (Princess Anne of UK/England)(a Mother-Daughter-relationship is Bad-Luck, Bad-Fortune)(a female-female-relationship/planning is Wrong) “makes trouble, makes tons of noise, lifelong, to survive”.....

Deceased-2021s Virginia, “does-not remove herself, from area’s drinking, smoke, on dope”. Because, Aunty Virginia, raised her 12 children, homeless, tenting on the beach (or living in her relatives houses temporarily), before moving to the (Welfare) Housing/Projects.....

Deceased Aunty Virginia’s, 12 (age s40-50s) adult-kids , drinks, smokes, may be on dope, to survive. They need/needed boarding school.....

Facebook Photo of Bryant Iha. We played volleyball on the same team, growing up....

Bryant does-not understand, “someone else (his new ?friends?), began a whole new life, looking/sounding like “trustworthy” Bryant Iha (today, tomorrow, past and future)”, to complete tasks (Good or/versus Evil) without his permission, is what’s happening.....

(Im, taught to, “believe nothing” in someone else’s moment, “because everything could have been different (better or worse) at any moment in time”.....

We “were torchured in volleyball practice, under Coach Stephanie Shota” to survive, “to climb to top and fast, in everything” (to learn to run 5 miles a day with ease, without feeling any more torchure)(to outrun others) in life.....

Notes

Prince Hisahito Of Japan

The story “always changes”, where “real Lier’s” don’t understand the real/story, problem.....

Photo of, not-married. 17/18/19 years old, Japan Prince Hisahito

100%-Japanese female Maki Yoshida “was the Fairest In Hawaii, while living in Hawaii”, attending Star Of The Sea catholic school in Aina Haina.....

None, Zero, “was/is, as fair as Maki”.....

Notes

Maki is “to old” for Prince Hisahito. Maki became a Schoolteacher in Japan.....

Coach Hisanaga, 100%-Japanese, was (University Of Hawaii famous athletes) Stephanie Shota’s, Tony Yoshida’s, and Chastity Nobriga’s “winning and most-torcherous High School Volleyball Coach”....

The Japan Prince “was-not supposed to be named Hisanaga”. Stephanie Shota made a mistake. (Prince Hisahito would be “most-perfect with a decoy named Makihito”)......

Stephanie unawarely named him “Jr-Hito” “BlackCat-Hito”, is, where, a decoy Makihito needs to exist.....

Notes

Photo of who “Bryant Iha believe’s, I **dream** to be” (which has to, already have happened, in my planning, ”to be happening elsewhere” --- where I learn “who got, is getting Jealous, why and how”).....

I don’t get “all dressed up” (after torchured volleyball practices, where I have-to therefore, be elsewhere and quit volleyball) near a Bryant Iha.....

I “don’t bother her (Photo)” because “others are, or might become, beyond Deadly Jealous, if she (photo) is to Pretty”....

Bryant Iha would be “Beyond Mad” if I, left the Pack, to Stick Out individually, and (for the reason of ?) build that.....

**Chief Judge

Muslims, a Religion, “1/3rd of the World’s Population”, use bodily-limbs, to make things “appear familiar” to share “what really happened, all the factors involved” (and why Women, should not appear outdoors, without wearing a “muslim Hijab, muslim Head-Covering).....

Notes

Lori Graham (Japanese looking), 50%-Japanese, where Lori Graham's friends, were all 100%-Japanese, "was Bryant Iha's school classmate"

Lori Graham, age 47, missed her "Chime" "Moment" in 9th-grade High School, and did-not date/marry a Senior, football-captain, part-phillipino Shane Quemado, age 49/51 years old.....

Shane Quemado, took Lori Graham to one of, his School Senior Proms/Balls.....

Notes

Lori Graham went on dope in 10th-grade and "lost her mind, on Acid (illegal substances)" in 11th-grade"

Shelly

Bryant Iha “wont believe (photo) Her or Him” because they look, like, bryant-iha-s School Classmates who, would steal Bryant Iha’s life, “Bryant Iha’s hard-work growing up”.....

Bryant Iha needs the “proof” “his credible witness” that, they, “broke entrance” (and they did break entrance) and is lieing (and they are lieing).....

Bryant Iha “views them (photo) as currently-dangerous” because --- they went, or were, or are, to near “someone else’s daughter named 100%-Japanese Shelly” or ?his daughter named Shelly?.....

They (photo) were not-allowed near “someone else’s daughter named (Mike Miske Jr) Thuy Nguyen in 1998s”. Thuy and (a Shelly) Leesa, got into an argument in 1998, after graduating High School and Thuy “did not, want to, see Leesa (a Shelly) ever again” and Thuy moved to Texas and married.....

Thuy Nguyen born in 1978, was the prettiest, in her age group, and Thuy was/is one year, older than me.....

Leesa

Leesa

Leesa's "abducts people".....

Leesa's (presence) (Leesa's unaware 3/4 high school boyfriends) moved me from my Job, as an Airport Federal Security Officer (I disappeared in 2006. People were/are looking for me.), "to sit in a Library Chair in their hometown Pearl City Public Library, year s2007-2015".....

"Senior-citizen Leesa#2007" is unaware, 2007-2024s, and ALL-WRONG

"Senior-citizen Leesa#3" was the Public Library Security Officer, who sat in a Security Officer chair **"to near me"** (while I sat at the Library computers, emailing US States and more US States of Police Officers, for-example, 8-14 hours a day).....

I did-not, talk to anyone 2007-2024s in the Pearl City Public Library and "the new (2009s signed) 2010s Aiea Public Library". I did-not "wake anyone up", because I belonged, back at the Airport, as an Airport Federal Security Officer.....

Leesa

Leesa's (3/5 high school boyfriends) unaware-ly "Abducts The Bird(s)", just like stepped-stepped-stepped-child (imposter) ?Louis Kealoha?.....

The Bird(s) "should-not, will-not wake-up it's dangerous-surroundings s2007-2024s, unless Needs-Be".....

(One day, Louis Kealoha, stopped-listening to his "chirping" Little Bird named "Makihito, for example"....

Notes

Homeland Security

After September 11, the new airport Homeland Security was strict 2001-2003

I was/am the “new September 11, federal department called the Department Of Homeland Security” and I joined Homeland Security and became a- Airport Federal Security Officer (is, what, unaware Leesa’s, personal knowledge, does-not understand)....

Homeland Security “was built for Me”, before I disappeared, was abducted year-2006-2015.....

I was hired as an Aloha Airlines flight attendant on September 9, and “I know, I need, to be in an a (Government Property) establishment, to holds/endure, that much Security”.....

I “was” really pretty, super-happy.

- He “looks” already-abducted and unkept, in the photograph....
- She and he “cannot plan or pre-plan my days”.....
- Libya, (Library), Muammar Ghaddi “cannot plan my days”, is not enough. People were “already killed”.....

The “Pearl City Twin Towers, Hawaii” is against-the-New-Building-Zones, and needs to be demolished 1998s.....

4 buildings, were built, where the “old New York Twin Towers were”...

s1978, New Hampshire, Serial Killer Jeff Rasmussen, married in Hawaii and had 4 children (6 children) in Hawaii, “where Mike Mike Jr, would be his Female-Unsolved-Victim”.....

Something
“Unbelievable”?

To
Bryant Iha...

To trustworthy
People...

Who are the
trustworthy
people?

People “don’t
behave surviving
Evil, stuck amongst
Evil”?

- 2 of me and Bryant Iha’s, school classmates, were Stacey Molina “Denise Beaudin in the Internet Photo” and **Mike Miske Jr** vietnamese-immigrate Thuy Nguyen (related to Stephanie Shota’s) with beach-hair “Marie Vaughn in the Internet Photo”. Titled the - New Hampshire –Bearbrook Murders.

The Mike Miske's Court-Case has to be dropped, "because the 4 children of the s1978 Serial Killer", already learned, how to, "move individuals uncontrollably, suicide others", are/is/are strong.....

Stepped-stepped-stepped-child "Imposter" Louis Kealoha, was-not strong enough (while me a "unaware Bryant Iha" were in School, growing up, year-s1997).....

Because, "others" cant ruin Thanksgiving, Christmas (Elon Musk)(school classmate Lonny Nicholas (latino-singer Daddy Yankee) from Waiiau, Oahu).....

Because, "the 4 children" are-not my children and "better be something Normal and Appropriate, that travels to the Macys Thanksgiving Parade for Thanksgiving, or Disneyland for Christmas, for example".....

You have-to-be "more religious" than a Serial Killer, ?to make a Serial Killer behave all-by-itself?.....

An "Ashley Wong" Gigi, lives in a particular moment, where their new Adultery-Husband Andrew is starring at, a Prettier Female (their newest Innocent-Looking-Victim). A Gigi "was already, not allowed on premises or near", where-ever they are/were (flirting).....

- This all, “has to be”, employed at the Aiea Public Library “with building tunnels, already found and in clear view”

Because Obama’s “torcherous study-habits”, already ended Muammar Ghaddafi of (Library) Libya,...

Notes

“Mahea” was Ugly in Homeland Security 2001-2005. And, she, “stole a Bird (for-example Elizabeth Smart?) 2005s?”

She is “Mahea Kahale” (very jealous, where others need-to-be elsewhere). She is, more of. stepped-stepped-stepped-child “Imposter” Louis Kealoha’s unwanted-advances, that, does-not believe, “it’s caught and cannot date/marry, (not-stepped) 100%-full-breed-Hawaiian-s (Elizabeth Smart, for example),”

Notes

Homeland Security

Unfortunately against “Shelly’s and Leesa’s real-hate” -- “I already found the Department Of Homeland Security, and joined/experienced Homeland Security, and was Super Duper Happy in Homeland Security”

Thankyou,

- Sonny Salavea Jr, left the Mormon Church and married Anna, year s1985.....

The Mormons “did-not care, if dope was around, was suddenly near”. (Mike Miske Jr, is-not “stronger than a Sonny Salavea”, to pause or stop dope.) The Mormons wanted Anna “out”, and a Mormon-3rd-wife, “in-by s1985s”

“She, born in 1979” (later born as 1994 Keanu) (later born as Mike Miske’s 1994 son) was born “dark-brown in color” in 1979, and her porcelain-in-color Mom, “was beyond mad”, when she, saw her “dark-brown” newborn baby-girl’s face.....
