**(ALL OF THE DISCORD SCREENSHOTS SEEM TO BE FROM THE OFFICIAL PIZZA TOWER DISCORD, WHICH IS NOTORIOUS FOR BEING A CESSPOOL)**

**SINCE YOU WEIRDOS CAN'T READ AND ARE SENDING EDIT REQUESTS FOR THE DOC (??? incredibly pathetic btw) MY TUMBLR IS AT THE VERY END <3 CONTACT ME THERE**

**DISCLAIMER: I'M NOT SAYING THAT YOU SHOULD OR SHOULDN'T DISAGREE W WHAT IS SAID HERE. THIS IS JUST MY OPINION <3**

Actual Dev Team:

- McPig (Lead Dev)
- Sertif (Co-Dev)
- Frostix (Composer)
- Mr.Sauceman (Composer)

(Everyone else considered irrelevant due to the nature of the callout post)

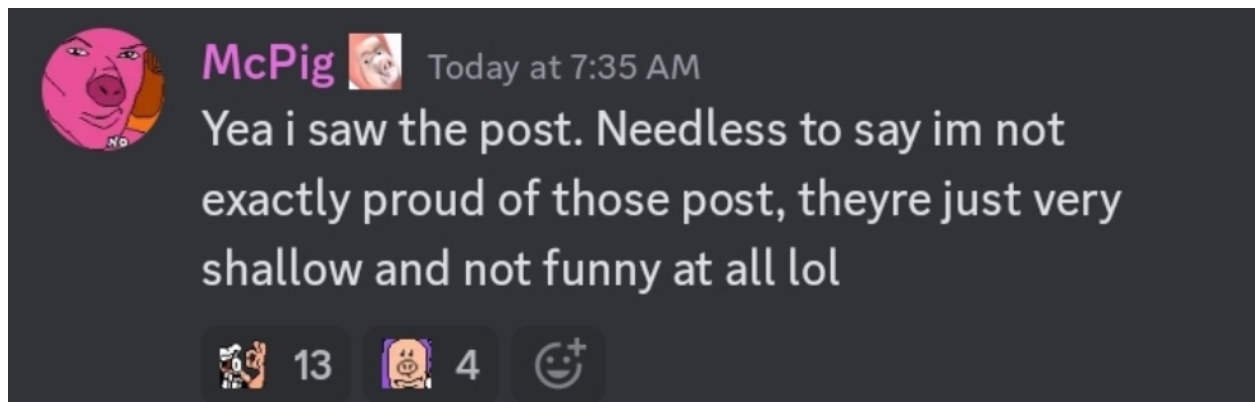

(Note: Only McPig and Sauceman are listed as contributors to the game on Wikipedia)

Pizza Tower Release Date: JAN 26, 2023

Callout Post Date: MAR 2, 2023

(A Month and 6 days [36 days] between game release and callout post)

This will be a closer look at each source listed in the [google drive](#), but before we start:

Edit: 3/5/2023

I changed my mind actually. This acknowledgment is kinda nice for like. What's in the screenshots (for the most part. Some of it is still rly fucked up.) but the game stuff (like the tribe cheese and the antisemetic enemies) is still there and as far as I know not getting removed from the game. I think Mcpig needs to actually make a proper apology for this and remove the racism (obviously). I still personally think the original callout was not great because it focused on the creator's cringe reddit humor and not the actual real racism in the game. Ok that's HOPEFULLY the last edit I make on this doc goddamn

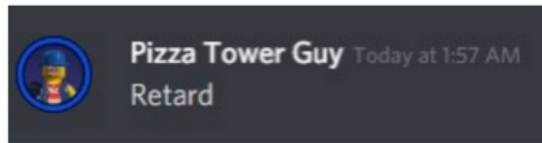

Edit: I noticed I was too lenient and put too much of my opinion here, so I'm gonna edit the doc to be more neutral. Thanks for ur patience

*Pizza Tower Guy:*

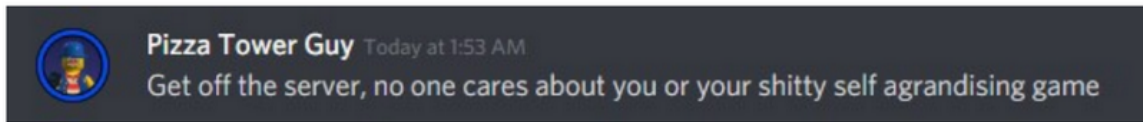

1. Copies and pastes code from other sources and Game Maker tutorials, sometimes without permission ([see Jacko's spreadsheet](#)).

(link does not work)

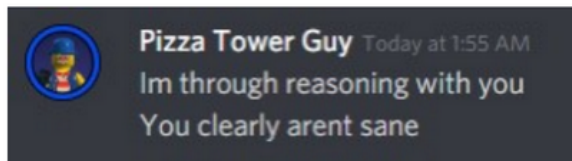

2. Called Jacko a “literal autistic” and a “retard” in DMs. (Screenshotted in February).

Retard

Pizza Tower Guy Today at 1:53 AM  
Get off the server, no one cares about you or your shitty self aggrandising game

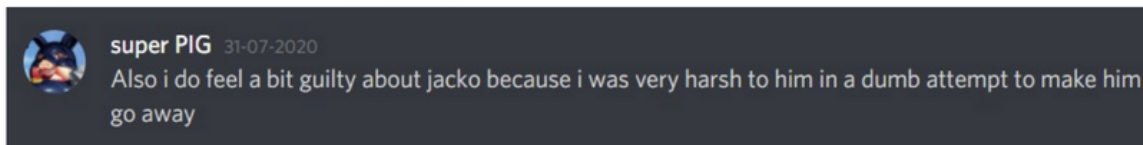

Pizza Tower Guy Today at 1:55 AM  
Im through reasoning with you  
You clearly arent sane

Pizza Tower Guy Today at 1:53 AM  
Get a life  
You literal autistic

But at the same time, does feel bad about telling Jacko in a harsh way to go away, but he never directly apologized.

super PIG 31-07-2020  
Also i do feel a bit guilty about jacko because i was very harsh to him in a dumb attempt to make him go away

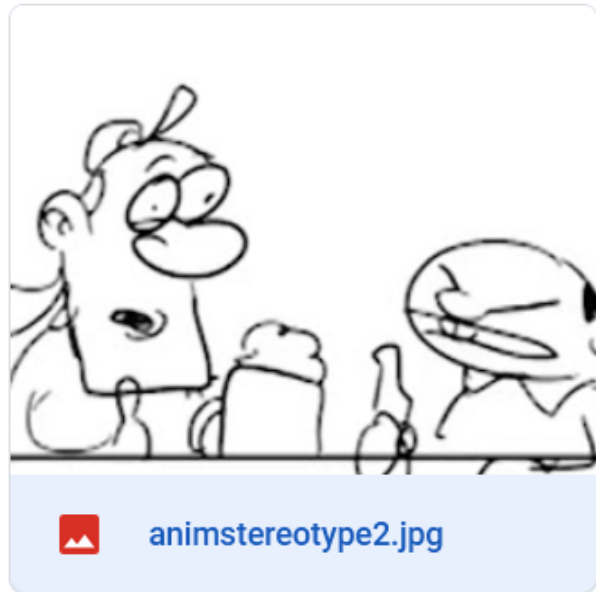

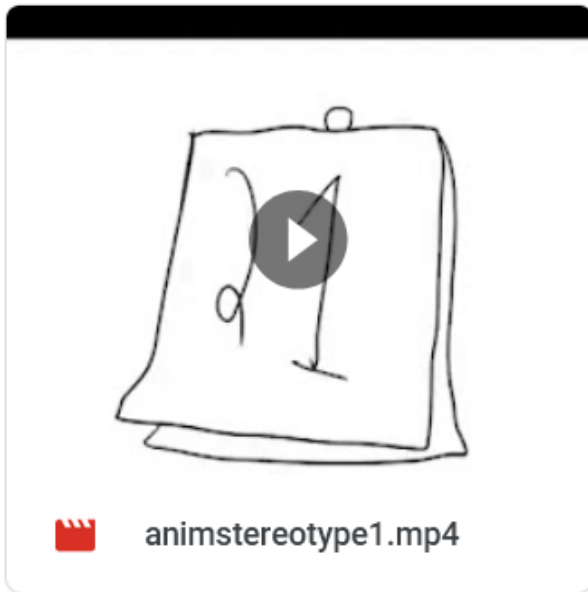

(who are these sourced from and when were they taken??)

*Sertif:*

1. Just like Pizza Tower Guy, copies and pastes code from Game Maker Youtube tutorials.

(no proof attached)

(this image & kekistan are not in game, not referenced in the game)

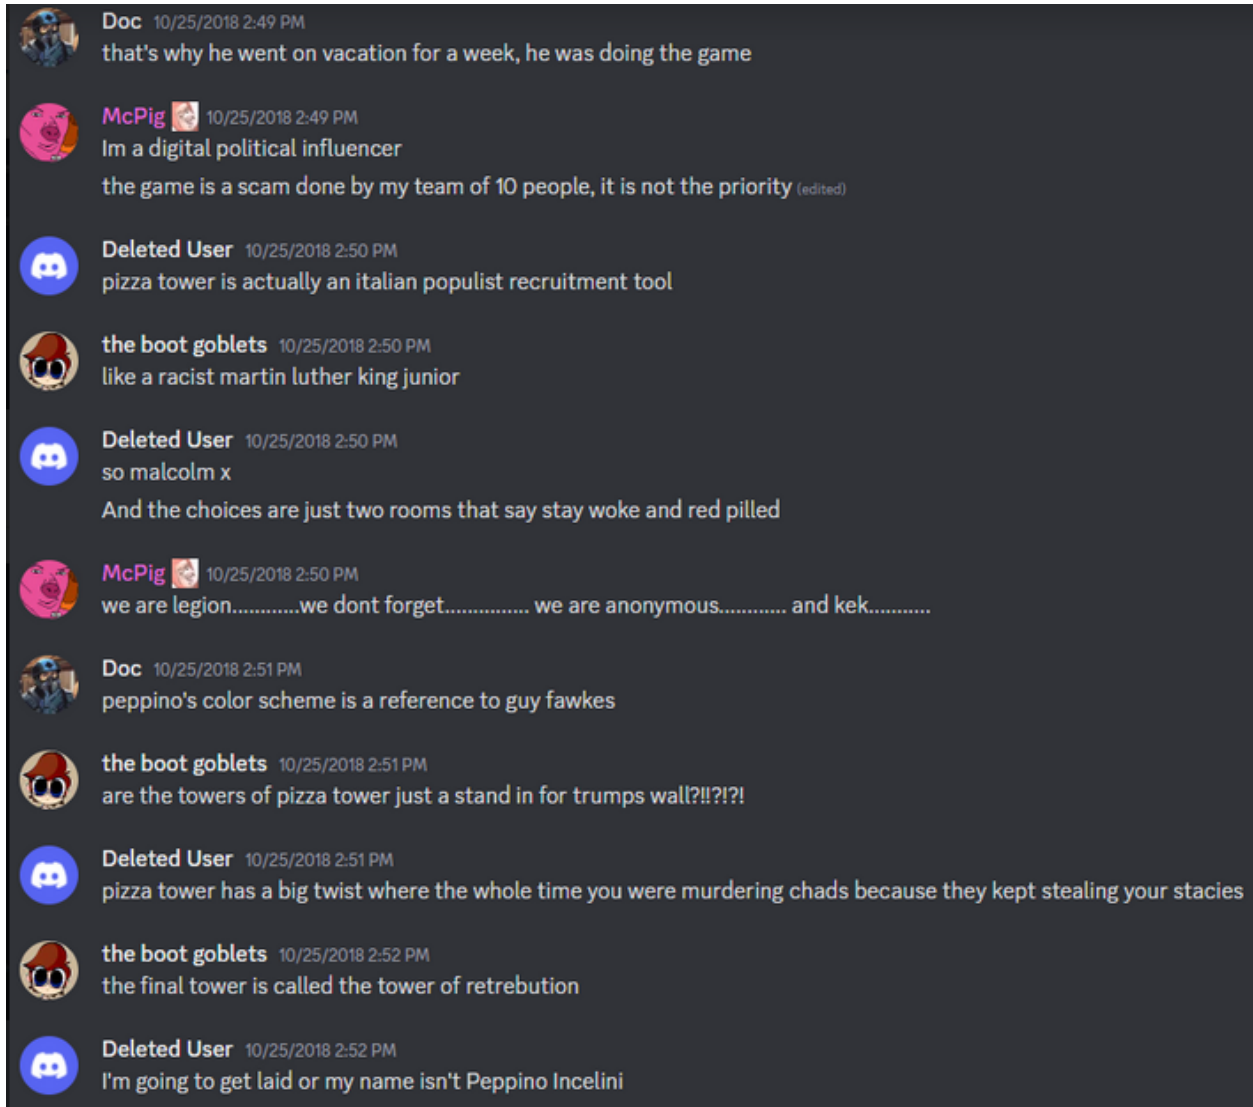

(only one part from the dev. Yet another stupid, shallow joke from the dev. Screenshot could've been edited down)

(this screenshot does not seem to hold any bigoted jokes)

(most of the weird shit not even said by the dev. The “draw peppino transitioning” joke could be taken in a transphobic light)

(a kekistan reference. The rest is the anon hackers/legion.)

 **McPig**  10/25/2018 2:52 PM

**McPig**  11/09/2018 2:30 PM

no one else talk

**Plastiware** 11/09/2018 2:30 PM

There is a serious problem with the political climate in the United States  
Using "libtard" diminishes real problems  
It's literally directly ridiculing the left, even if you use it ironically

**McPig**  11/09/2018 2:31 PM

is it bad to ridicule the left

**Plastiware** 11/09/2018 2:32 PM

It's an ad hominem attack

**Zach**  11/09/2018 2:32 PM

human nature leads man to ridicule himself, or the opposition,  
if libtard vanishes, a new word will emerge (edited)

Inherently because of what they believe in

**Zach**  11/09/2018 2:33 PM

you're going to be ridiculed

(more continuation. Dev continues to be rude here)

**Shifty** 11/09/2018 2:33 PM

Is it also not okay to ridicule the right, then?

i still dont understand why jojo character are shaped like girls (edited)

Batger 03/14/2019 11:04 AM

makes for a good silhouette

McPig 03/14/2019 11:04 AM

also jojo is the ultimate proof that sexualising men and women doesnt matter

Batger 03/14/2019 11:04 AM

pretty much

McPig 03/14/2019 11:05 AM

it reminds me of that strawman comic where the girl shows that sexualising men would be weird for men but jojo is pretty much that and the audience is still men

Batger 03/14/2019 11:05 AM

and people edit it for jojo

nurtle 03/14/2019 11:05 AM

jojo is about gays

Batger 03/14/2019 11:05 AM

btw that comic was made by a guy

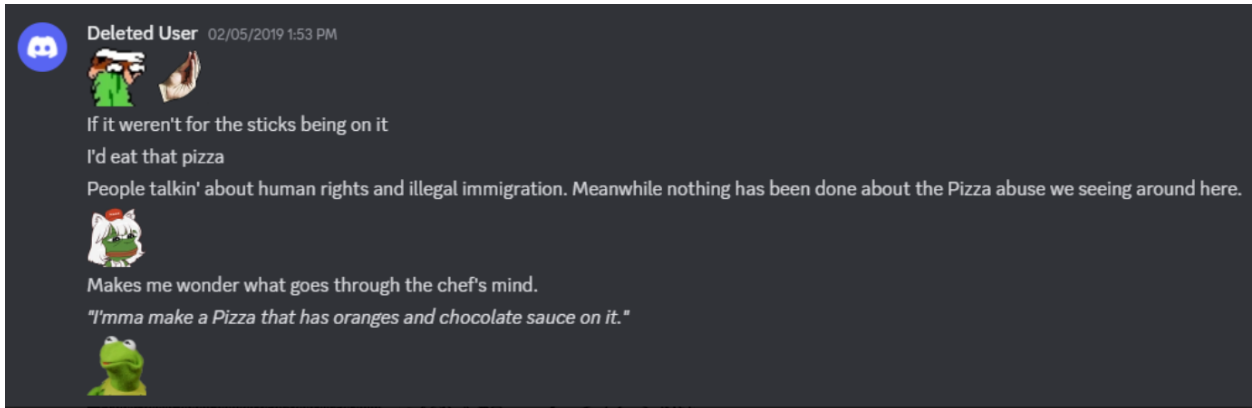

McPig 03/14/2019 11:07 AM

feminism btfo yet again 🤔

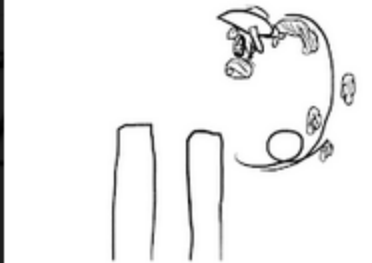

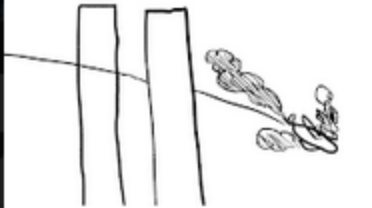

(why was this included twice)

(more screenshots of members saying offensive things while not being connected to the dev)

(yet again, not a dev. Literally not in the server anymore)

ramdragons

actually no yeah i am going to contribute this old piece of art he drew to the pile, that 4chan LOVED for obvious reasons

if i recall correctly this used to be pinned in the whatever the main 'general' channel is before it got wiped at some point probably so none of it could be dug up but he hung around 4chan so much especially back then it spread anyway

this guy is abhorrent and a complete asshole and i'm sick of seeing it go ignored

I WILL ESCAPE  
USING MY  
MEAN FLYING 

(yet another drawing with no proper source. Other than the words of another tumblr user.)

sixdearcs

...

lost anon priveleges please dont insult me in my inbox because i heard a dude was racist in 2018-2020 from someone who used to be active in the community and decided to see if it was true.

(Should also add they aren't even familiar with the game. AGAIN don't go and harass them)

Most of these screenshots are not really sufficient evidence for what op was trying to say with their original callout post. There are definitely a couple of bad jokes and screenshots that the dev should apologize for. If you want to continue playing pizza tower, i suggest you pirate the game/install mods to remove the racist caricatures featured.

This is not meant to be a harassment campaign against sixdearcs. Please do not send them any hate.
