Dear H.D. Gailey:

I am writing this as a completion letter for the treatment recommended for Russell Greer (DOB: 03/07/1991). Mr. Greer completed an evaluation on March 1, 2022 and successfully completed 16 hours of individual counseling. Mr. Greer actively participated throughout the counseling process. He has demonstrated growth and completed the goals he set at the beginning of his intake.

If there are any questions regarding Mr. Greer's treatment, please do not hesitate to call me at (702) 670-2341 or email me at [pfohlmancounseling@gmail.com](mailto:pfohlmancounseling@gmail.com).

Warmly,

Courtney Pfohlman MS LADC LPC
