

⚠ TW:// Grooming, Catfishing, OC Thief ⚠

This user known as Six AKA: LumineF1 is an individual who was caught doing questionable acts. He's been involved in grooming a 14 year old, while he's 17. Despite being a minor at the time, it doesn't justify the fact that he did it regardless. He also has an alt account called "Jewelwoomy" to catfish people in servers and GC's. While Six did claim that Jewel is "real", there was multiple evidence backing up that these images were linked to a user called "summer". Lastly, Six/Jewel has stolen tons of OC's from other users, even went as far as making posters of these OC's involving suggestive themes like giantess as an example.
