Based on that review, the following information may have been redacted from the copy of the document you received:

- Personal identifying information¹ as defined by the Driver's Privacy Protection Act (DPPA), including:
 - Social Security Number (SSN)
 - Driver's license (DL) number
 - Defendant address (except ZIP code, which is disclosable)
 - Defendant telephone number
- Defendant day of birth (not month/year of birth, which is disclosable)
- Medical/disability information
- Witness/victim information

Should you have any questions, concerns or need additional explanation as to the type of information that has been redacted and/or the legal basis for the redaction, please contact the Milwaukee Municipal Court Records Custodian.

MC-202 Rev. 6-2024

¹Please note that the DPPA identifies certain exceptions for specific permitted uses of personal identifying information. If you believe your request may qualify as one of the specific permitted uses, please request a Public Records Request – DPPA Exemption Form.
