Bai Nari: I'm kidding, I just have good intuition.

Bai: Welcome to our home *she said as she opened the door for Elliot* Please remove your shoes before entering please.

Panel 15

Elliot removed his shoes and walked into the Bai family home

(It's considered rude in countries of Asia to walk into a home without removing your shoes first as they bring on the floor and they're close to the floor for how they sit and sleep on it so they really don't want to get it dirty while they do allow you to wear slippers but only in the house)

Panel 16

The next scene sees Elliot shown his room in the Bai family house

Bai Nari: This is where you will be staying!

Panel 17

As Elliot is seen putting down his bags he sees the Bai family daughters

(They're wearing casual clothing so you can feel free to design them however you see fit)

Bai Nari: I see you found our daughters Ara and Ma-Ri.

Panel 18

The two girls shyly wave hi to Elliot

Bai Nari: Don't worry about them, they're just shy. We don't really have male guests often around here.

Elliot: Oh I see.

Panel 19

Bai Nari: Anyway make yourself home and dinner will be ready momentarily!

Bai Nari left exited the room

Panel 20

As Elliot was unpacking his stuff the Bai sisters snuck in his room behind him

Panel 21

Panel 22

Bai Ara: You must be the American exchange student we've been expecting! What's your name!

Elliot: Elliot Gomez ma'am

Panel 23

Bai Ma-Ri: You don't plan on hogging the guest all to yourself do you sister~

Bai Ara was not amused and Elliot turned around to see Bai Ma-Ri

Panel 24

Bai Ma-Ri: And what's your name~

Elliot: I'm Elliot Gomez I come from Maple Grove, Minnesota nice to meet you two

Elliot said as he made a hand shake gesture

Panel 25

Bai Ma-Ri squeezes his hand tightly

Bai Ma-Ri: So what sports do you Americans do back in Minnesota!

Elliot: Well there's a lot actually soccer, football, baseball, basketball but I don't really do sports.

The two stopped shaking hands

Panel 26

Bai Ma-Ri: Well, do you work out often?

Elliot: I mean well from time to time I'm more of a writer. I'm thinking of writing a book but I don't know what it should be about.

Panel 27

Bai Ara: A writer. Can I see your writings?!

Bai Ara said as she hugged Elliot from behind and he blushed a bit

Panel 28

The father Bai Dong-suk walked into the room

Bai Dong-suk: Ara, Ma-Ri! Get off of that black boy you'll catch it's germs!

Panel 29

Panel 35

Elliot: Elliot Gomez sir *He said doing a handshake gesture* nice to-

Panel 36

Bai Dong-suk: I'm not touching your filthy hands boy.

Elliot: Excuse me?

Panel 37

Bai Dong-suk: You're just like all the rest of those dirty Americans.

Bai Dong-suk: Lazy, hotheaded, laidback, hotshot, obese whales.

Elliot stood looking at him sweating as he was feel uncomfortable and unwelcomed by the father

Panel 38

Bai Dong-suk: My daughters deserve to be with a lawyer, not an American dog, especially a BLACK American dog.

Panel 39

Elliot: I mean I am a writer sir.

Panel 40

Bai Dong-suk: Listen and listen well boy, I don't want you touching, talking, looking or even thinking about making a move on my daughters.

Bai Dong-suk: If I catch you with them you'll be sleeping outside like a dog due to how I'm stuck with you for three weeks.

Panel 41

Bai Dong-suk: But if I had it my way you'd already be back on that plane back to your ghetto home.

Bai Dong-suk: So as long as you're here you will stay away from my daughters and refer to me as sir, understand boy!?

Panel 42

Elliot: Yes sir!

Elliot was sweating still

Panel 43

Bai Dong-suk: Good. Now you stay out of my way and I stay out of yours I believe we'll be good.

Panel 44

Elliot said as he went back to unpacking his stuff

Panel 47

Panel 49

But all the sudden he heard a knock on his room door

Panel 50

Elliot went to open it and he was greeted by Bai Ara who was holding a cup of Plum tea

Panel 51

Bai Ara: Gomez I was wondering if you were thirsty so I came to bring you some plum tea.

Elliot: Oh thanks but I'm actually not thirsty but I appreciate the offer.

Panel 52

Bai Ara: Oh ok. *She said as he walked into his room*

Elliot: You can go now.

Panel 53

Bai Ara just stood looking at Elliot

Elliot: Goodnight?

Panel 54

Just as Elliot said that Bai Ara hugged him

Elliot blushed in surprise

Panel 55

Bai Ara: I had a nightmare Gomez.

Elliot: What was in this nightmare?

Panel 56

Bai Ara: It was from this movie I watched.

Elliot: What did this dream have?

Panel 57

Bai Ara: I was hanging with my friends at school but then all the sudden the school was attacked by zombies.

Panel 58

Elliot: Zombies?

Panel 59

Bai Ara: Yeah the school was attacked by a horde of them and they ate everyone except for my friends and Cho.

Elliot: That sounds like one bad dream

Panel 60

Bai Ara: But there was still good

Elliot: Oh what happened

Panel 61

Bai Ara: A knight rode into the sMa-Riol by a unicorn weilding a powerful sword and he saved me and my friends from death

Panel 62

Bai Ara: It was you, you were the heroic knight of my dream!

Panel 63

Elliot covered Bai Ara's mouth to keep her quiet

Panel 64

Elliot: Sshh! You can't be that loud. I'm not even supposed to be talking to you right now.

Panel 65

Bai Ara was moving herself and Elliot closer to his bed

she pushed him on the bed

Panel 67

Elliot: Ara what are you doing?

Bai Ara: Back off I was in here first!

She said as she held Elliot's head tightly

Panel 70

Elliot: Guys!

Panel 71

Dong-suk loudly knocked on Elliot's door

Panel 72

Bai Dong-suk: Stop making that racket boy and go to sleep!

Meanwhile Ara and Ma-Ri were playing tug of war using Elliot's arms as ropes and his shirt was off completely

Panel 73

Bai Ma-Ri: Go find your own!

Bai Ara: He's my knight! He would want no interest in a filthy pig like you!

Panel 74

Ma-Ri and Ara started fighting

Panel 75

Dong-suk got up from the couch

Dong-suk: I swear to Christ if that boy is messing with my girls he's gonna regret the day he met me!

Panel 76

Elliot: Quick you two your father is coming! Hide somewhere!

Panel 77

Bai Dong-suk came into the room

Bai Dong-suk: What the hell is all this racket about boy!

Elliot: I was sleepwalking.

Panel 78

Bai Dong-suk: Then tell me why the hell were you awake when I came in here and why is your shirt off!

Elliot: It got hot in here.

Panel 79

Bai Dong-suk: It is literally 32 degrees and you're literally shivering in front of me right now.

Elliot: Looks like it got colder.

Panel 80

Bai Dong-suk pointed a finger at Elliot

Bai Dong-suk: Listen boy I swear if you try to pull one move on my daughters you'll regret the day you've ever met Bai Dong-suk! Now go back to sleep and I better not hear a sound from you for the rest of the night or you'll be spending the night outside!

Panel 81

Elliot: Yes sir.

Panel 82

Bai Dong-suk left the room Bai Dong-suk: Damn black boys, they're always the craziest of men.

Panel 83

Elliot: You guys see what I mean. Your father hates me and if he sees me even talking to you two he'll send me back to Minnesota.

Panel 84

Bai Ara hugs Elliot from behind

Bai Ara: Don't worry about daddy let us handle that.

Bai Ma-Ri: Now where did we leave off.

Panel 85

Elliot sighed

Iggy: Alright we need to take them out.

Iggy grabs the shotgun

Panel 514

Iggy gives Mun Joon his pistol

Panel 515

Iggy checked the shotgun's ammunition chamber

Iggy: Alright you two I'm gonna do a diversion and you guys help me take them out.

Panel 516

In Hyun-ki: Get from behind there Thompson!

In Hyun-ki: Don't make me lose my patience!

Panel 517

Mun Joon raised his hands in the air to trick In Hyun-ki that Iggy was surrendering

Panel 518

In Hyun-ki: Hm?

In Hyun-ki: Is he actually surrendering?

Member 3: I think so.

Member 4: Let's add him with the rest of the hostages.

Panel 519

In Hyun-ki: You two go check.

Panel 520

Members 3 and 4 walk over to the desk that Iggy, Elliot, and Joon were hiding behind

Panel 529

Girl: Bastard!

She hit Member 6 in the head

Panel 530

While Member 6 was on the ground she hit him in the head with the bat again to kill him

Panel 531

Hyun-ki: Dammit!

Elliot got close to Hyun-ki and aimed his gun

Panel 532

A shot shows Elliot pulling the trigger

Panel 532

But nothing fired as he was out of ammo making a click sound

Elliot's mind: W-what the hell... Am I out of bullets!?

Click click click click

Panel 533

Hyun-ki punched Elliot to the ground

Panel 534

Hyun-ki got on top of Elliot with a knife

Panel 535

Hyun-ki: Wait a minute?

Hyun-ki: I remember you, you're that new exchange student Elliot Gomez.

Elliot: That's me all right.

Panel 536

Hyun-ki grabbed Elliot by the neck and raised his butterfly knife

Hyun-ki: Alright shitface where is she!?

Elliot: Where's who!?

Panel 537

Hyun-ki: DON'T PLAY DUMBASS WHERE IS-

Panel 538

Iggy and Mun Joon pointed their guns at Hyun-ki surrounding him

Panel 539

Iggy: It's over Hyun-ki, we have you surrounded by both sides!

Panel 540

Hyun-ki: Dammit!

Hyun-ki lets go of Elliot's neck

Panel 541

Hyun-ki: We're not done yet.

Panel 542

Hyun-ki threw a smoke bomb and covered the room in smoke

Panel 543

* As the smoke cleared Hyun-ki bursted out the door*

Panel 544

Elliot got slowly stood up holding his head in his right hand

Elliot: Who was that?

Iggy: In Hyun-ki, a high ranking member of the student council and one of the most popular boys in the school's social ladder.

Panel 545

Elliot: Where do you think he's going?

Iggy: I don't know, my concern in this situation was more saving these hostages than putting him down.

Panel 546

Girl: Hey thanks for helping us out back there!

The girl brought her hand out to shake Elliot and Iggy's hand which was covered in motor oil

Girl: My name is Jee Hwan, captain of the girls baseball team.

Panel 547

Elliot shook her hand and his hand also got a bit of motor oil on them

Elliot: Elliot Gomez.

Panel 548

After shaking hands with Jee Hwan, Elliot looked at his hand and saw it got motor oil from her hand

Jee Hwan: Oh sorry for the motor oil, I had an auto shop before I came to help out people in danger.

Jee Hwan: I also discovered that the zombies can take a dozen blows but still survive but I found out that brute force to their heads can kill them instantly.

Panel 549

Iggy: Interesting, Mun Joon.

Mun Joon: Yes?

Iggy: Escort her and the other girls to the library.

Panel 550

Mun Joon: Alright.

Mun Joon and the girls walked out the room

Iggy: Anyway thank you, if you two didn't come in this situation would've ended in disaster.

Elliot: Yeah about that.

Panel 551

Iggy: Hm?

Panel 552

Elliot: You really seemed to know what you were doing for the first time.

Elliot: Like you literally killed five guys and didn't even flinch.

Panel 553

Iggy: Beginners luck I guess, anyway let's get back to the library.

Iggy and Elliot started walking

Panel 554

A shot showed Elliot's foot has he stepped on a wallet

Panel 555

Elliot looked down and picked it up

Panel 556

Elliot then looked inside the wallet

Elliot: You're hiding something aren't you.

Iggy: What do you mean?

Panel 557

Elliot: You're Iggy Thompson right?

Iggy: The one and only that I know of.

Iggy said with a concerning look

Panel 558

Elliot: Yes Iggy Thompson.

Panel 559

Elliot shows Iggy the wallet revealing his ID and an icon of the American flag with F.C.A.U.S.A written on it

Elliot: You're a member of the F.C.A.U.S.A.!

Panel 560

Iggy: How did you?

Iggy walked over to grab back the wallet

Panel 561

When Iggy reached to grab it Elliot backed away from him

Elliot: What is going on, what in the hell is this so called F.C.A.U.S.A.

Iggy: Give me the wallet now.

Panel 562

Elliot: If you don't tell me then I'll tell the survivors in the library about you and Makoto.

Panel 563

A shot shows Iggy with annoyed expression

Iggy: Alright fine dammit I'll talk, god damn why can't you people mind your own business and not poke around others personal belongings!

Panel 564

Elliot: Good now talk.

Panel 565

Iggy: You better not tell them because I really would hate to kill another fellow survivor in this situation like you.

Panel 566

Elliot: Talk.

Panel 567

Iggy: Me and Mak are agents part of the Federal Confidential Agency of the United States of America or for short the F.C.A.U.S.A. It's a secret branch of the U.S. Military.

Panel 568

Elliot: So you two are from the U.S. Military.

Iggy: Precisely, we were sent here on a mission to recover and dispose of a dangerous substance that could lead to disastrous results if it gets in the hands of terrorists.

Panel 569

Elliot: What are you doing here then?

Iggy: To avoid suspicion we were sent to pose as exchange students during the day and at night go out and search for the substance but only to be brought with failure each night.

Panel 570

Elliot: You think whatever that substance is had anything to do with what caused this whole zombie outbreak to happen?

Iggy: That could be a possibility, anyway now you know.

Panel 571

Elliot hands Iggy back his wallet

Panel 572

Iggy grabs it back

Iggy: Our mission changed now we must help aid all the fellow students in the school until hopefully help comes around.

Iggy: Also if you tell anyone about what I told you we will be forced to kill you and everyone you told.

Elliot: I promise, but can I help you?

Panel 573

Iggy: What?

Elliot: I wanna help you guys out with this.

Panel 574

Iggy: Absolutely not, you're a civilian you have no training and it's also against F.C.A.U.S.A. regulations.

Panel 575

Elliot: Honestly I don't think the U.S. really had zombie outbreaks in mind when they were writing those regulations.

Elliot: Not to mention you also probably broke one of their regulations already by telling me why you guys are here in the first place.

Panel 576

Iggy: This is way too dangerous for a civilian like yourself Gomez, you'll only slow us down.

Elliot: I can help, I won't be a burden I swear! Like you guys I am willing to risk my life to save these people as I also have others I need to find

Panel 577

Iggy sighed

Iggy: You really are that serious that you'll actually risk dying.

Panel 578

Elliot: Yes.

Panel 579

Iggy: Well by the sound of that sincere tone it seems I can't convince you otherwise.

Elliot: So that means.

Panel 580

Iggy: Yes you can help us, but you better not slow us down we have literal lives on the line.

Elliot: Deal.

Panel 581

Elliot and Iggy walked out the classroom

Iggy: Also, quick question.

Elliot: What?

Panel 582

Iggy: What did Hyun-ki say to you before he spared you because he could've killed you right there and right then.

Panel 583

Elliot: Well he said asked me where is “she”

Panel 584

Iggy: Do you know who that “she” he’s referring to is.

Panel 585

Elliot: Honestly I don’t know there’s over a dozen girls here so it could be anyone.

Panel 586

Lockers are shown in the background surrounded by zombies

Panel 587

*Hyun-ki is shown to be hiding in one

Panel 588

Hyun-ki: I will find her... even if it’s the last thing I do...
