

## **Full response in regards to the pedophilia accusations against my fiancé and I.**

I would like to apologise for this document being so long, I wanted to include as much detail and evidence as possible in order to prove to you that I was either framed or stuff was taken out of context in order to make myself and my fiancé look bad. There are always two sides and a truth to everything.

I made this doc using original screenshots on my Samsung A70 phone however I understand sometimes the quality can change so if the screenshots in the doc are appearing too blurry and you would like to see them in higher resolution please contact me and I can send you the original screenshots this also applies if you would like to discuss more about anything mentioned in the doc.

It was brought to my attention that a twitter thread from 2021 has been in circulation. I would like to discuss this thread and explain my side of the situation.

Firstly, my pronouns are no longer She/Her, I am trans female to male and identifying as Genderqueer with They/Them pronouns.

The first part of the thread is about my EX who I'm still best friends with, CULT CRAZY Studios. They now go by a new name with He/Him pronouns. My EX and I were both over the age of consent, the age of consent where we lived was 16, the screenshots shown is the post, my EX did not give any consent for them to be posted online. He was going through a hard time full of mixed emotions and never consented for the private vent messages to be put online.

My best friend/EX who is now 20 has kindly asked me to ask that people don't contact him in regards to this situation so I politely ask for you to respect his request and leave him be. I won't tolerate anyone who disobey.

[https://x.com/ithinkwegotaspy/status/1463014092696797188?t=nMhVAWAqZgfipnF5K\\_H5FQ&s=19](https://x.com/ithinkwegotaspy/status/1463014092696797188?t=nMhVAWAqZgfipnF5K_H5FQ&s=19)

The second part of this thread is untrue. I have never sent nudes to minors. I have only ever sent nudes to my fiancé Jason. In this part of the thread this is about Jason/Darling. I honestly don't know why Jason leaked a screenshot of a nude I sent to him when we were dating, this was during a period of time when we weren't dating. I spoke to Jason about this and he said he was blackmailed into sending it to him and was threatened about having his IP leaked if he did not cooperate.

Again there was nothing wrong or illegal with me being in a relationship with Jason. The age of consent where we live is 16, which we were both well above at the time. I first started dating Jason when he was 16 and I was 19. We then broke up and got back together in 2022 after a long break and have been engaged since January 20th 2023.

[https://x.com/ithinkwegotaspy/status/1463014511216971777?t=nMhVAWAqZgfipnF5K\\_H5FQ&s=19](https://x.com/ithinkwegotaspy/status/1463014511216971777?t=nMhVAWAqZgfipnF5K_H5FQ&s=19)

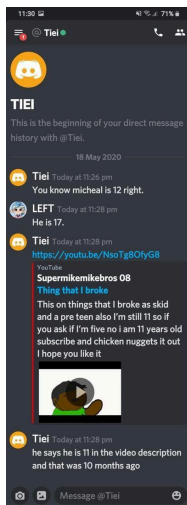

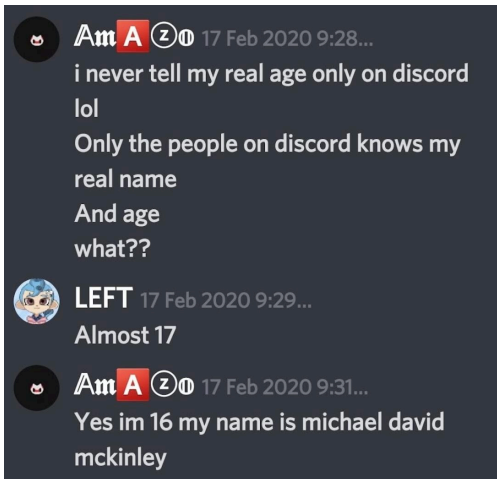

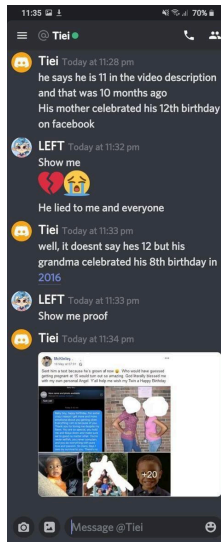

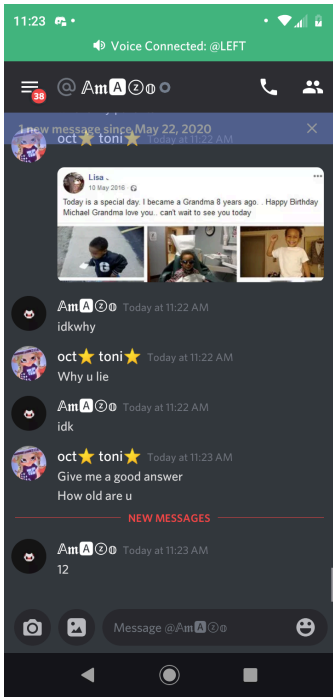

This next part is concerning, that is not my hand in the photo, my hands are not as chubby or small and I have never threatened to take my life to anyone, yes, during covid I was feeling suicidal but that was due to being isolated from both my dad and mum as I live alone. As far as I know, I have never sent photos of knives to people with the intention of committing harm to myself. I have however sent photos of my cosplay Michael Myers knife which I would like to add looks nothing like the photo in this post and is not even capable of injury as it's made of resin plastic.

[https://x.com/ithinkwegotaspy/status/1463014816268754946?t=nMhVAWAqZgfipnF5K\\_H5FQ&s=19](https://x.com/ithinkwegotaspy/status/1463014816268754946?t=nMhVAWAqZgfipnF5K_H5FQ&s=19)

The next part about my rape, yes I was sexual assaulted and raped in 2019 but again I never gave permission for the user to share these private emails publicly. They later go on in the thread to say I posted these in a server; I never did such a thing.

[https://x.com/ithinkwegotaspy/status/1463016380404432907?t=nMhVAWAqZgfipnF5K\\_H5FQ&s=19](https://x.com/ithinkwegotaspy/status/1463016380404432907?t=nMhVAWAqZgfipnF5K_H5FQ&s=19)

When I was younger in late 2019 I made the stupid mistake of allowing myself to get catfished on Tinder by a guy who convinced me he was 16 which later turned out he was 12, I immediately broke up with him but this sparked pedophile accusations against me. We never did anything sexual, I wasn't into that kind of stuff at the time and I decided to get my local police involved because it was deeply upsetting me as I was receiving a lot of harassment online which later led to me deciding to quit college out of depression.

Hello,

Thank you for contacting me.

I have read through the messages.

Again, I want to reaffirm to you that you did the right thing in contacting the **Police** regarding the messages you and your friends had received. Absolutely the right thing. So as you well know, you do not have to worry about this.

My advice is to cease all contact with any of these persons regarding this recent matter. Block them from making any contact with you. You deserve to live your life without unnecessary negativity.

So, to recap: stop talking to all persons causing you issues. Block them from making any contact with you.

If there are further issues or concerns contact the Guernsey **Police** Station, on a '999' call if necessary or let me know.

Please be aware though that I might not see any email or call log sent to me for many days.

Respectfully,

## Harassment over a resolved matter Inbox ☆

 **Left Joe Garnham** 18 Sep

Hiya,

I am still getting harassed about an already resolved matter and they are now "threatening" to report me to the **police** even thou its already been resolved and to make my life "hell" over shit that happened almost 2 years ago now.

They are also acusing me of dating my 16 year old boyfriend last year of being "illegal" even thou I was 19/20 years old and I had asked Liberate beforehand and they reassured me that it was 100% legal for us to be in a sexual relationship.

Again, this is all about past drama from almost 2 years ago now and it had already been resolved.

I am unsure what to do in this situation, I'm trying to move on with my life the best I can, I need to focus on my own health and well-being and I have enough mental health issues to deal with as is especially since coming out at transgender MtF.

I've already privatised my Twitter account and turn of DMs from unknown people as suggested to do by an officer, which has worked however now I'm being harassed primarily on Discord.

That's not all, I was also accused of being a pédophilie when I was dating my EX who has Down Syndrome (a condition that makes you look childlike). This was especially hurtful. Someone was harassing me using an impersonation account on Discord.

Recently during my 3 month break from Twitter a user named Jake Brakes had been sending around a AI made porn photo of myself from an account he was using to impersonate me. I have included a censored version of this photo, you can clearly tell that my face doesn't match the body. I believe he used deepfake in order to make it realistic.

**HELP I THINK THERE IS SOME KIND OF PORN ACCOUNT IMPERSONATE ME !!**

There is a vagina photo and nude photo of me going around that I apparently sent to a 14 y/o whilst my fiancé was asleep last night. This is not true. The photo also looks AI and they used my face on it.

Not only did Jake Brakes send AI nudes to people pretending to be me during my 3 month break but he also spread rumours that I had committed suicide when I had never ever told him this. Unfortunately some people ended up believing these lies.

This topic is further explained in my call-out thread about Jake Brakes but I just wanted to also mention it here as he was trying to trick one of my best friends into trusting the lie and then even went as far as offering hugs.

Some of the harassment I have received where people have been either trying to trick me or being forced to hate me.

When I was being accused of dating my best friend because our OCs were shipped together.

### **Addressing the allegations against Jason:**

In my recent call-out thread about Jake Brakes I explained about a document he made about my fiancé Jason.

In addition to his own reprehensible behavior, Darkling Gamer has been known to protect and defend other pedophiles such as Ashie Octo and Shelia. This is a deeply concerning pattern that raises serious questions about his true motives and intentions.

This photo featuring the Darkling Gamer Splatoon oc and Ashie Octo, who is known as a pedo, with a deleted tweet referring to Ashie Octo as the Darkling Gamer's "bestie".

@CheesyLeft

On Sunday a doc about my fiancé @DarklingGaymer surfaced accusing Jason of pedophilia.

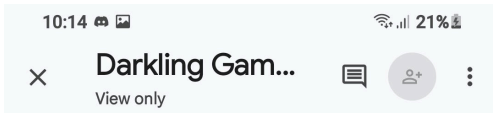

He isn't capable of this as his openly expressed feelings for me; we've been engaged for 1 year making these claims highly unlikely.

Pls read to form ur own opinion. 🙏

This call-out document reveals that the user Darkling Gamer, who presents himself as a reputable online figure, is actually a pedophile and groomer who preys on young children. He has a history of manipulating vulnerable minors into compromising situations. Additionally, Darkling Gamer has also been known to defend other pedophiles such as Ashie Octo and Shelia.

Attention Splatoon community, we are issuing a call-out document to expose the true nature of the user Darkling Gamer. Contrary to his online persona, Darkling Gamer is a pedophile and groomer who preys on young children online. He has a history of targeting vulnerable minors and manipulating them into compromising situations.

This photo shared on Darkling Gamer's account features his OC alongside Cheesy's oc, with the claim that they are in a relationship. Multiple tweets regarding this relationship can be found by searching "@DarklingGaymer @CheesyLeft" on Twitter.

It is important to approach the situation with an open mind and refrain from attacking Cheesy, as his innocence in the matter is still unclear, and it is uncertain whether Darkling Gamer's love for him is genuine or fictional.

We urge all community members to be cautious of Darkling Gamer's presence online and to report any suspicious behavior to the appropriate authorities.

It is our duty to protect our children and hold accountable those who would harm them. Let us stand together against pedophilia and grooming in all its forms.

In this tweet, Darkling Gamer can be seen protecting a well-known pedo called Shelia, while referring to them as his dear friend.

<https://twitter.com/DarklingGaymer/status/1522852354369986562?t=QyYtehDNoRM-GfPhkw9ofQ&s=19>

It is deeply concerning and unacceptable that Darkling Gamer engaged in inappropriate behavior by sending explicit content to an underage girl and subsequently threatening her when she refused to comply with his demands. Such actions are a breach of trust and demonstrate a complete lack of respect for boundaries and consent.

The accusations of grooming minors against Darkling Gamer have sparked speculation that his public display of affection towards a partner named Cheesy Left may be a deliberate attempt to conceal his true intentions, as many believe that those close to him assume his relationship with Cheesy is genuine, thereby diverting attention away from the possibility that he is actually using the relationship as a cover-up for his alleged predatory behavior towards minors.

<https://x.com/DarklingGaymer>  
<https://x.com/DarklingsB>  
<https://x.com/DarklingsV>

The behavior exhibited by Darkling Gamer, where he contradicts his own statement in his pinned tweet by engaging and communicating with individuals under 15 years old and making inappropriate comments towards minors, raises concerns about his actions and adherence to ethical standards of conduct.

<https://twitter.com/DarklingGaymer/status/1442249594541260803?t=CP6dMLMmz5rxABTAee7zQ&s=19>

Moreover, Darkling Gamer has a disturbing tendency to take the higher ground in online disputes, making it seem as though he is always in the right. However, this is simply a tactic he uses to avoid being held accountable for his actions.

Jason recently came out as Asexual which is something I am learning to accept myself but this means that he is not interested in sexual stuff so hearing about these lies accusing him of sending nudes to a young girl especially as he is gay is very much impossible.

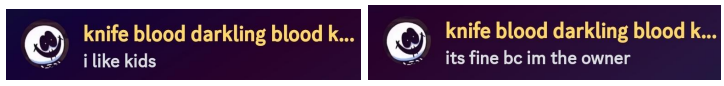

In a recent call-out post about Jason it made no sense as he was accused of sending a nude to a girl and for some reason they used my selfie in the post.

More lies about my fiancé cause as far as I am aware he has never dated anyone underage.

Someone who joined our Discord server and was impersonating my fiancé.

The call-out doc also shows a gmod photo that my fiancé made during his friendship with Ashie which felt forced upon and Ashie kept begging Jason to make him gmod posters which he later found out that Ashie was still a bad guy and ended the friendship.

<https://x.com/DarklingGaymer/status/1735341989359390854?t=oq6HSItDS9AWaNuPC0CY8w&s=19>

In relation to Ashie, he had recently been trying to guilt trip and suicide bait me via text messages. Idk why but he was trying so desperately for me to break up with Jason so that he could try and get together with him.

Just wanted to apologise for what I did to you and Jason in the past 4:42 pm

Are you Jack? 4:46 pm

I'm not familiar with Jack and I apologize for repeatedly calling you. I'm feeling quite anxious about speaking with you, especially knowing that you and Jason still have negative feelings toward me due to my actions last year. It's probably best if I leave. 5:05 pm

Oh so your Jason's EX? 5:16 pm

I've never dated Jason because I know he's gay and cares deeply about you so that scenario wouldn't happen unless he identifies as bisexual/nonmonogamy now? 5:25 pm

Anyway, I realize I've overstayed my welcome, so if it's alright with you, Skye, I'm going to dip out now. Please pass my apologies to Jason, although he probably doesn't care since he's got me blocked on Discord and Twitter. 5:33 pm

Apologies for interrupting again, but I'm a bit tipsy at the moment. However, I do have a sincere question: Does Jason possess a large phallus? If so, what are the reasons behind it and how does it contrast with his behavior, which, if I recall correctly, tends to be rather feminine, often engaging

## Summary:

I, Skye Amelia, suffer from a lot of multiple and complex learning difficulties and disabilities so communication is one of my biggest struggles. I find it hard to understand how others feel and how my actions can sometimes hurt others but my close friends and my Discord server know how kind, caring and loyal I am. I've dedicated 4+ years to giving away and supporting my community server.

## My official diagnoses:

Dear Dr Wilson,

RE: [REDACTED] Garnham | | DOB: 01.08.2000

Address: [REDACTED]

Diagnoses: Traits of borderline personality disorder  
Gender Dysphoria  
Autism Spectrum Disorder  
Borderline Learning Disability  
History of mixed depression and anxiety  
History of ADHD

I find it very frustrating and upsetting how people immediately believe everything they see on the Internet without checking and as I have many and multiple complex conditions I feel that people have been taking easy advantage of myself. I hope that by sharing this with you all that you will have some contact behind the stuff being spread around about my fiancé and I.

In closing, I want to thank you for taking the time to read this whole document and express my gratitude to those who have recently supported me—it means a lot. I also want to apologise to anyone I may have unintentionally hurt or stressed out because of this situation, and I hope we can find a resolution.

Skye Amelia / Cheesy Left
