

# Ririgaki Own Cancellation

Hi,  
It's Ririgaki, the weird french ratgirl Vtuber.  
Since every part of the internet is cancelling me and waiting for my "downfall" like they say, I'm gonna help them.

## Is Ririgaki a pedophile ?

I started Vtubing with another Vtuber model that got me banned from multiple social media and harassed by anti because the model was "a child" for them. This harassment campaign include being swatted, doxxed, having my whole family doxxed, trying to come to my house, trying to stole my cat, harassing my family, being happy when i tried to kill myself, making my mother scared of going to work, having multiple policeman pointing a gun on my family, spreading in the whole country that i'm a pedophile, trying to get me arrested, having my ex posting publicly in a discord server made to harass me my nude when i was a 15 years old (revenge porn), sending cp of myself to pedophile on the darkweb, sending me pedophile cumtribute to kids picture of me (some picture when i was 5 years old from my family picture album), selling cp of myself to pedophile.

Being a lolicon is really a crime for French people.

This period lasted 4 years, I was 18 years old at the start of it and it really ruined my life.

I am known in France for being a pedophile.

I did end up opening a case against multiple pedophiles, my ex and people harassing me but it was ignored.

## Is Ririgaki bad and nazi ?

I revealed one day in a french stream that I have used slurs since I'm a kid, especially in League of Legends.

Saying slurs are either good or bad for humans and I don't care for people saying that we should stop using them, everybody has different opinions.

Ririgaki

A chibi-style illustration of the character Ririgaki. She is a female ratgirl with long, dark, wavy hair and large, orange rat ears. She is wearing a dark blue jacket with white stripes on the sleeves, a dark blue shirt with the word "brat" written on it, and dark blue pants. She is holding a small orange object in her right hand. She is wearing black shoes with white laces.

For revealing that i said “*nigga*” in League of Legends when i was 16 years old to Ezreal, a fictional white character, I got :

Harassed again, impersonated on multiple pedophilia forum on the dark web making me received horrible email, i got impersonated in another dark website where people said to come to my house with my real address and picture of my house because i want to be raped making me unable to go outside because i got contacted from people that was going near my place to really rape me if i did go outside, almost being beat up at an anime convention, getting callout by biggest french streamers making the harassment campaign big.

I’m just an edgy girl, I tell funny edgy jokes on the internet because it makes me laugh. So laughing in France makes you the same as Hitler.

I love dark humor, nothing else, it’s just funny. But being funny while joking about minorities, racism, terrorism, death makes you a horrible person so I love being a horrible person.

Maybe I’m lying and I’m Ratler the ratzi. Who knows.

## Ririgaki was a whore ?

**Trigger Warning:** Most gross Ririgaki act.

I was a big Fansly whore who used to post soft feet pic/cute outfits pic to have money since i can’t work.

So yes, you can hate me for this and yes I’m the own responsible for this.

## Is Ririgaki racist ? (again)

I’m a rightist, I am especially against immigration from certain countries because in France we are victims of attack a lot to the point that we are in a state of “Urgence attentat”.

cared to go to Paris or in big cities because it's filled with bad immigrants  
are violent and who destroy France. It's not everybody but it's always the  
e.  
main people harassing me are immigrants or children of immigrant people.  
believe that there are good immigrant peoples and I'm good with them in  
ce.  
myself mixed race because I have Italian familia. My boyfriend is also  
d race and there is nothing wrong about that.  
people of certain countries don't really know how to behave in France  
use they want to do a "great replacement" of the French population and  
e to this country only to have free money and make France worse, it's not  
a joke. If you didn't know about the state of France, now you are aware.  
s why a lot of people call me a racist or the reincarnation of Hitler.  
ng sacred in my own country and wanting it to be safer is not racism.  
not racist and recently got my whole fanbase angry about me because my  
riend is not white.  
n did I say I was something other than an edgy joker ?  
putting labels on me and self-proclaiming that I'm a white supremacist.  
ot a loser like you.
