

Episode 11 - ANIMALS

*Act 1: Hot on the heels of Simbal's big Cell victory, production fans Simbal's ego. Alex learns about "Wild Randy" and must rely on Binx to soothe him. When the fish are thrown into **Drunk Piece of Shit**, it escalates immediately into massive property damage and weaponized biohazards. Simbal lashes out at the end of the challenge due to his clothes being destroyed by Jobe, and slaps Jobe across the face.*

*Act 2: The next day, in response, Jobe (as Simbal, due to Impersonations) walks out of the house, "eliminating" simbal, and then pees in his suitcase. Alex, who has been increasingly reactive to provocation about "Wild Randy," complains to production that the jokes are going too far, and **Goldstriker quits on the spot due to shame**. In his absence, Simbal attempts to murder Jobe with a chair.*

Act 1

Simbal records himself bragging about winning the cell.⁵⁸⁶³ Alex jokes with other fish that they have no dignity anymore, and that today's challenge will be to get into a trash can and be covered in poop and pee.⁵⁸⁵⁸ He gives a tour of B2 and the mess the sharks made last night. He films himself destroying the dollhouse in a rage about losing, and Binx sits with him and flirtily scolds him for it.⁵⁸⁶⁴ Jet appoints Simbal "Director for the day,"⁵⁸⁷¹ and Alex and Binx shoot a betrayal scene for him... which for some reason requires Alex to pretend to bite her feet and cuddle her on the floor.⁵⁸⁸⁰

Confessional: "even after they think we're mad at each other, gamers stick together."⁵⁸⁹²

The Insult Death Race is initiated - TTS determines who will lose health and the challenge by insulting or complimenting the fish. It serves to show how the cell has worsened the audience's views of everyone after the cell: Burt is shocked that TTS now calls him "retarded" and a sodomite. Payton is called transgender several times. Binx is accused of manipulating Burt. Alex is becoming more annoying and the TTS knocks him and Simbal for having bad personalities. Payton acknowledges after Jobe wins that they didn't send many TTS about her, period, and that this means she is boring. Burt complains that he has taken many tests and has a 1% highest IQ and doesn't deserve to be called retarded.

Jet announces the start of Drunk Piece of Shit.⁵⁹⁷⁶ Burt, Binx, and Payton opt-out of drinking. There's a lot of footage of smashing things to start things out.^{5979, 5980} Simbal shoots his "romantic scene" when Jobe gives Binx a foot massage.⁵⁹⁹³

As the fish continue to drink, TTS makes fun of Alex's dead friend in the kitchen and he yanks the faucet out of the sink.⁵⁹⁹⁵ Simbal's "fight scene" was not meant to include Alex, but he forces himself into it, and that becomes the fight scene.⁶⁰¹⁰ Alex continues to fight Connor until Connor throws a mention of Alex's dead friend in his face again.^{6012, 6015, 6016} Simbal convinces Alex to go to the loft and dump trash in Connor's bed.⁶⁰³⁴ Simbal tells Connor what Alex did,⁶⁰³⁵ so Connor

pees on Alex's bed.⁶⁰³⁶ In response, Alex pees on Connor's.⁶⁰³⁷ The girls tell them to get after Simbal.⁶⁰⁴⁰ Connor pees on Simbal's bed, Simbal throws Connor's belongings in the trash, and the fight ends with Connor and Alex agreeing that Simbal was to blame for everything.⁶⁰⁴² Jobe enters while they are making up and collapses on the floor. While the group goofs around resuscitating Jobe,^{6044, 6046} Simbal drinks alone at the bar, justifying his actions and talking about curry smell.⁶⁰⁴⁷

Simbal comes upstairs and discovers someone has poured beer and tootsie rolls on his bag.^{6055, 6059, 6063} They group defends each other from his accusations, and Burt starts freaking out at how loud everyone is being, blowing his whistle over everyone.⁶⁰⁶⁵ While the fish continue to debate, the freeloaders flip all the bunkbeds.⁶⁰⁸⁰ Simbal wanders around knocking things over because the rubric for the game seems to be entirely based around destruction. Jobe and Connor destroy the dining room and living room.⁶¹²⁹

Confessional: Jobe has a date with the stuffed deer

Simbal and Jobe have a scripted argument about who is the "lion."⁶¹⁵⁸ Jobe wins the drunk piece of shit,⁶¹⁵³ and he and Connor argue over who deserved to win the money.⁶¹⁷¹ Jobe shows off the fishbucks he earned to Simbal, who slaps him across the face.

*Confessional: Simbal addresses his SO, says the show is not what he expected but he's come too far to quit.*⁶²⁵⁷

Act 2

Burt celebrates his birthday in the Yard, answering TTS and dancing. He says his birthday wish is people treat Simbal better today.⁶²⁰⁸ The fish dry out and tidy the house- Simbal approaches Jobe and does not apologize for slapping him but establishes that it was a "stage slap" that didn't hurt.⁶²³⁵ Burt questions if the point of the show is to allow conditions to worsen until people walk out.⁶²³⁷ Alex sings happy birthday with him and says he wants to hear as soon as Burt has any more revelations, and calls Burt "a scientist in his own world."

*Confessional: Binx shows Burt a birthday card with a drawing of Burts' puffy ass*⁶²⁵¹

Goldstriker calls the fish to do paintings.⁶²⁶¹ The segment is sponsored by Stickermule. TTS lays into Alex again while the fish prepare to paint, and Goldstriker talks to him about Wild Randy, warning him about the possibility that Wild Randy may come to the house.⁶²⁶³ Alex says Wild Randy joked about rape and he will fight him and be eliminated for violence if he comes to the house.⁶²⁶⁶ Burt begs him not to leave that way. Payton's drawing of Burt wins out.

Impressions comes immediately after, in pairs.⁶²⁷² Burt and Payton play each other. Mizzy & Binx, Jobe & Simbal, Alex & Connor are the other pairs. Payton refuses to do the transgressive things Burt does when TTS asks her to Burt Off.

Confessional: Goldstriker reads the Alpha Black Male cheat sheet for Payton. Vance does a Burt impression and Goldstriker admits he did a better job.^{6280, 6283}

*Confessional: Burt gives Goldstriker advice for Payton on how to imitate him better, including various clearly schizo things.*⁶³⁰²

Connor begs the girls to cook for him.⁶²⁹⁵ Binx begins to hoard food while Connor and Alex fight. *Confessional: Connor says he will give up his anal virginity (as Alex) for Burt's birthday. Jet asks him how he feels about his wife deleting the family TikTok. ("What, babe?")*⁶³¹⁴

Mizzy, Binx, and Burt have "girl talk" in Bedroom 3.⁶³¹²

*Confessional: Alex as Connor says he can't wait until 2 AM because that's when Mizzy starts grubbin' and eatin'.*⁶²⁹⁶

Jobe gives himself Simbal's immunity and claims he doesn't know what cutlery is.⁶²⁸⁴ Simbal gets tired of Jobe and asks Payton to put whiteface on him, while they complain that Jobe is being too racist.⁶²⁸⁶ In response, Jobe "quits," as Simbal, and walks out the front door.⁶²⁹³

*Confessional: The fish celebrate that Simbal has "quit."*⁶²⁹⁴

Goldstriker tells Alex that if Wild Randy enters the house, Alex has his permission to kill him and he will help beat his ass.⁶²⁹⁹ Goldstriker stands by Alex and waits for Wild Randy to walk in.⁶³⁰³

Obviously, it's just Jobe at the door when it opens. Goldstriker gets furious on Alex's behalf and warns Ben that the insensitive prank was his responsibility.

*Confessional: Ben apologizes to Alex. Goldstriker leaves the set, saying he needs to go decide whether he is remaining on the production. Ben has a meltdown, saying he may have lost his job (TTS tells Ben he's going back to McDonald's: put the fries in the bag, Ben.) Alex tries to encourage Ben.*⁶³⁰⁷

Simbal discovers Jobe has peed in his suitcase.⁶³¹⁷

Confessional: Burt as Payton says people are being too mean to Simbal.

Simbal declares he will quit on the spot if Jobe doesn't leave. Simbal makes demands of production, insisting that Jobe be kicked out, and Jet reminds him he is not the director. They agree to fine Jobe a fairly large amount of fishbucks for what he did.⁶³²⁵

Confessional (Day 19): Simbal lists off the items he wants production to replace.

While horsing around, the boys put Jobe inside a bean bag. They start off practicing wrestling moves with the bag, but it escalates until Simbal throws an armchair at it, causing Connor to quickly pull Jobe out to check if he is okay.⁶³⁵⁴ Simbal takes more fishbucks than he was owed from Jobe and is caught by the other fish, who interrogate him.^{6355, 6359}

*Confessional: TTS asks Jobe what he's thinking about. ("What's going on in that bigass dome of yours?" "My forehead or the firmament?") Jobe says he would feel bad about voting Simbal or anyone off because as soon as someone leaves the house feels emptier.*⁶³⁸⁸

Simbal and Connor talk about being villains in the den, saying they have noble goals and family they are fighting for by appearing on the show, and that the audience does not see them as human.⁶³⁷⁴

*Confessional: Ben gets Goldstriker on the phone and Alex tells him it's all cool between himself and Ben. Goldstriker says the situation put him in "gorilla mode," and Alex tells him he's his hero. Goldstriker offers to make Alex his protege but says they will talk tomorrow. Alex agrees to take the "lie" for Ben to the grave. As Alex leaves confessional, with his back turned, Ben pumps his fist for the Fx3.*⁶³⁰⁹
