

Schlep Updated Report

Written by Parlo

After consulting Schlep about the situation in depth in a private Discord call on **10th April 2026**, a better understanding and timeline was reached regarding his stance and past association with AceTheNarrator.

AceTheNarrator has not helped with, contributed or worked with Schlep on his content **since November 2025**. This is due to an unrelated situation where AceTheNarrator showed his interest in voicing for NSFW / gay porn channels, this resulted in not only his exile from a Roblox YouTuber Discord server, but Schlep also distanced himself and stopped working with him.

AceTheNarrator did freelance work and was not an employee of Schlep's channel at the time, this was **miscommunicated** beforehand. There was no legal contract signed between them. They were not friends either, it was a business-like relationship.

Schlep was reliant on poor 4-5th hand testimony from the situation and an old contextless, poorly put together call-out document on AceTheNarrator beforehand in the last half of 2025. He was unable to contact any of the parties affected until recently.

Schlep has affirmed that he has cut off AceTheNarrator, and Ace **should be fully held to account** for his actions of sexually messaging and attempting to solicit an **11 year old** when **he was 14 and 15**. Requesting and receiving CSAM from other people allegedly close in age, as well as sharing CSAM of himself.

AceTheNarrator also possessed and distributed a CSAM video containing 2 minors significantly younger than himself to which he sent to a girl that he was messaging in 2020.

Ace hasn't been in any content of mine since november
Parlo knew he didn't work for me

 **Grady** 4/2/2026 10:50 PM
Was he still on your team until february tho?
Thats what hes claiming

 **Schlep** 4/2/2026 10:50 PM
No

 **Schlep** 4/2/2026 10:59 PM
All ace did was freelance work, he wasn't contracted and he want an employee like parlo is saying

 **@keenoth** ok this is new info, GAY P [REDACTED] IN VA???

 **sufflé** 4/2/2026 10:59 PM
^2
yeah i never heard about this either

 **Schlep** 4/2/2026 10:59 PM
I'd give him a sentence to voice act and i'd add it into my vid
He was removed from a roblox youtuber server over this

 **Schlep** 4/2/2026 10:58 PM
From my recollection i saw a much smaller version of the document. Everything i was getting was 3rd/4th hand testimony so i reached out to some people including commentary people like parlo and gwamgo. I couldn't find anyone and was trying to see if i could find someone who was directly shown in the doc. After seeing how ace was wanting to get into gay [REDACTED] n VA and other weird things i just distanced myself from him outright and stopped working with him

 **@Schlep** From my recollection i saw a much smaller version of the document. Everything i was getting was 3rd/4th hand testimony so i reached out to some people including commentary people like parlo and gwamgo. I could.

 **Grady** 4/2/2026 10:59 PM
Ok.

 **Schlep** 4/2/2026 11:01 PM
Calling him a friend is pretty extreme as well. All he did was voice act for my videos
I never would call with him, hangout with him

 **Grady** 4/2/2026 11:01 PM
So u never recreationally called
ah ok

For clarification, Nathorix did not contribute to this, or any documents whatsoever. They have been **blocked** and have been for months. This is a document detailing instances of Nathorix grooming, suicide baiting, being sexual to, and manipulating Parlo over the course of numerous years.

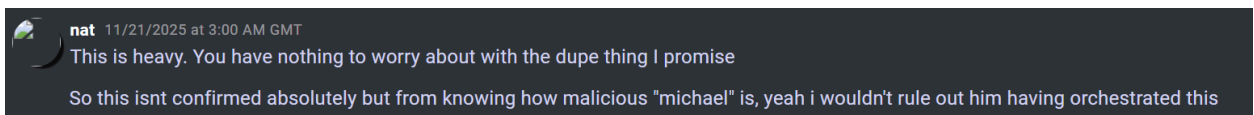

[Proof of Nathorix grooming Parlo \[screenshot dump\] - Google Docs](#)

Furthermore **I do not support** lolicons under any circumstances. I do **not** advocate or defend their behaviour whatsoever. I have always made that clear.

All drama and disputes have been settled behind the scenes, **it was absolutely wrong** for me to communicate with Nathorix and their associates and **I will not repeat this again.**

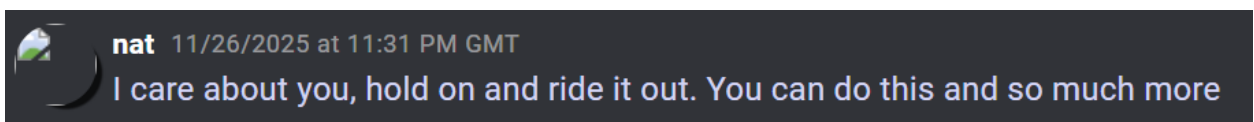

Full DM archive between me and Nathorix for full transparency.

I HAVE GIVEN YOU WAY MORE THAN SCHLEP HIGH FIVING TWO PEDOPHILES. GIVE

Nathorix manipulated me continuously over the course of months in **2025 to early 2026**, trying to pin me against users such as **Schlep and Gwamgo**. Nathorix was instilling the idea that Schlep conspired to terminate my channel, that they 'all wanted me gone' and that they actively all hate me.

Elaborate. What other situation? Me "grooming" you?
Snap.
I think you're aware I'm not that person and I have a bit more sense as to mindlessly shitposts in ALL circles due to lack of any awareness but... Excuses really. It says my fault.
Was*
Where
Don't tell me about patterns Parlo. How many times will you get catfished and then publish all details to your minor audience?
In 2019 i was 6 and a half years younger than I am now, I had gore and edgy comedy normalized to me from around 13, I did not socialize properly and had zero self awareness or ability to read the room. When I had posted gore to a server once I didn't even get why it really mattered until I talked to someone about it 2 months later and even though I was desensitized, I could then grasp why it could affect others badly even if I saw it as dickhead shock humour.
Generally led me to be careless a lot. Fyi I've just been forwarding everything alleged about me to police. I've been doing it for the past year since you alleged that I groomed you and continually refused to go to the police about it, opting instead to occasionally send waves of people who would dox and tell me to go kill myself for grooming you. I have nothing to hide and know my intent. And I know through digging up all message context I'm fairly confident this can be shown, as it has been previously.
May I ask why you never reporte me for "grooming" you? What about "transing" you? Greenlegocats said I made you trans. Are you?
What about the guy who nuked your channel who shown you gore at 16

Red arrow was where I had sent a now deleted message **directly telling Nathorix they groomed me**. To which they made excuses and deflected in response.

schleps "experiences of being groomed" being mentioned as part of a criminal supeona means criminal investigation n it gonna be wildd
nat 12/12/2025 at 2:09 AM GMT
He thinks going around saying all this stuff for months won't invite fomal investigations
He knows it's gonna backfire one day and he's fucking insane
Or he's retarded and thinks that's how drama YouTubers work <https://x.com/realschlep/status/1999192469234172163?s=46>

nat 12/11/2025 at 4:07 PM GMT
Anything you have on Schlep or is it top secret
Also explain the past year of shit toward me please

I HAVE GIVEN YOU WAY MORE THAN SCHLEP HIGH FIVING TWO PEDOPHILES. GIVE

Nathorix would **consistently ask for evidence against Schlep**, yet I would never provide it. Nathorix also actively belittled and disregarded Schlep having been groomed.

Exposing Schlep and 'Natashreo' [Nathorix] actively reused the same Twitter screenshot, on the exact same day on both accounts.

The 'Exposing Schlep' account actively engaged with the Nathorix / Natavillain account on Twitter. A known pedophile and groomer.

The initial Schlep document has been used by lolicons to deflect away from their own depravity, it was used as an ad hominem to deflect away from their own actions and that is abhorrent. Me having posted the document initially, **was NOT an advocacy of lolicons whatsoever**, it was to try and spread the claims in the most convenient and widespread way, that was spiteful, immature, impulsive and unfortunately it benefitted online degenerates while containing misinformation that could have easily been sorted out privately.

I do not and have never supported or endorsed ChibiReviews.

Furthermore; In regards to my association and collaboration on the previous Schlep document and my featuring in Himpleton's livestream, I'd like to fully retract any and all statements made in regards to RVVZ the owner of Criminality and extend my formal apology to him. This statement will remain up.
