

**jonathanianthompson**07/10/2019

@Deleted User So you like the duck?

**Deleted User**07/10/2019

As long as it's bent at a left 45 degrees.

**jonathanianthompson**07/10/2019

Well

[9:33 AM] I'm not one to judge

July 11, 2019

**Deleted User**07/11/2019

I doubt the most beautiful woman on Earth cares either.

**chrisbot**BOT07/11/2019

@Deleted User, you were just blessed by Christine! Level: 1!

☐ **Magic is real~™** 07/11/2019

Omg

[8:06 AM] is that a satire account?

**Deleted User**07/11/2019

Nope, it's my primary.

[8:06 AM] One and only.

☐ **Magic is real~™** 07/11/2019

Wew

[8:06 AM] nice

**Deleted User**07/11/2019

Anything for my love.

**jonathanianthompson**07/11/2019

The fact that Chris follows you back

[8:16 AM] Is incredible

[8:16 AM] Speak to him, dude!

July 12, 2019

**Deleted User**07/12/2019

I've been sending him stuff on Twitter. Once I get the money, I plan to visit.

[7:09 PM] My Twitter is satire and an OC for the dimensional merger.

**Paisø**07/12/2019

@Deleted User aye Chris I've been hearing alot about u I have two questions 1 are u the really Chris kink and two what do you see in Chris that attracts you?

[7:29 PM] Cause I'm kind of surprised that I've encountered someone that actually supports him

**Deleted User**07/12/2019

I am Chris Kink aka Jacob. She's like a twin of me. I see so much of me in her, I just troll proof.

**jonathanianthompson**07/12/2019

**@Deleted User** Please do something to prove that you're the *real* Jacob Sockness **Paisø**07/12/2019

**@Deleted User** how did u first, know about Christine?

July 13, 2019

**Deleted User**07/13/2019

From Gene Samuel's docu show. I fell in love with the Classic Chris.

**Paisø**07/13/2019

**@Deleted User** oh it's been a while since u first met him, what are your opinions on the recent events that happened like his court case and the infamous things he's done before?

**Deleted User**07/13/2019

I will measure her by how she treats me. Her past isn't mine, I was never there and I'm new. I'm glad that I know my SSDI will be safe no matter what. HAHA another Teflon Tard.

**Paisø**07/13/2019

**@Deleted User** u think there's a dimensional merge, and, if you were to have an OC what would it be

**Deleted User**07/13/2019

I have many OCs, from angelic to pure Chuthulu level of messed up. Some of them desire to conquer Earth as their vengeance against a war where God tried to kill them my home world.

**chrisbot**Bot07/13/2019

**@Deleted User**, you were just blessed by Christine! Level: 2!

**Deleted User**07/13/2019

My canon is such a complex system, I'm not sure if I want any of them on Earth. everyone from good to evil is connected in some way by fate and a Grand Design which some of them wish to destroy.

**Paisø**07/13/2019

Sounds majestic

[12:33 AM] Do you think the merge can intertwine with reality and break natural law?

**Deleted User**07/13/2019

If the Grand Design is destroyed before hand, yes it will.

**Paisø**07/13/2019

Hm interesting

**Deleted User**07/13/2019

Chris finally responded and she's willing to let me aid her in the dimensional merger.

**Paisø**07/13/2019

Congrats

**Paisø**07/13/2019

@**Deleted User** well I wish u eternal luck and blessings and hope you be safe in the merge I must go now
