

Hello everyone, this is 1nfinity here. This is a talk about a user I've been dealing with for many years, by the name of BoySplatty

For those of you unaware, BoySplatty is a self proclaimed “drama investigator” who claims to be exposing individuals. However, this is false! What he really is, in reality, is a relentless drama hungry pedo defending stalker who has gone after MULTIPLE accounts and tried to ruin their lives. Including me! But let me take you back to where it all began

A few years ago there was drama involving me and a few others, which I won't mention because I'm trying to put it behind me. In comes BoySplatty, a guy who thinks he has every right to people's lives. When 2022 began, I cast off my old username of WunderSchnell and became 1nfinity, in hopes of starting a new leaf. I even tried to fix things with the people I wronged, but BoySplatty would have none of that. He would mention their accounts, bring up my past, say who I was and would show no remorse for doing this. Even going to personally talk to them about who I was. He actively ruined what I was trying to do because he had the ability to do so.

I don't do drama. But you won't let it go. So fine.

Read: [tl.gd/n_1srs0sd](https://t.me/n_1srs0sd)

It wasn't just with me, it was with other people too. I don't have a lot of evidence regarding his interactions with other individuals but from what I can recall, he once blocked an individual for asking for proof of ID before they began a commission from him. The reason why they wanted proof of ID was because they wanted to ensure that they weren't making NSFW for a minor. Here is the evidence I was sent regarding that whole situation

We're exposing him because of his hypocrisy, as he refers to people who like loli/shota content as pedophiles, and he doesn't care if the characters are aged up.

what mathew is saying is that splatty was asked for verification as proof he's 30. im like 99% sure splatty understands the reason for why he's asking in the quoted retweet but didnt go with it and started to insult white for it. which is why i question if he's even in his 30s

and lore and behold. he started to make non sensical drama for something so petty. and not only that he started to make false accusations without any proof. how sad really.

Regarding other individuals, there was this one friend of mine that Splatty would stalk and harass nonstop. Not just in TheInvertedShadow's discord server, but also on other sites to the point my friend just completely went radio silent.

Maxwell, the guy who my friend was speaking to in regards to this, even made a video himself showing what BoySplatty has done and is capable of. (timestamp is 1:45:48 and there are chapters too, as he is also exposing others)

📺 Chaos Has Just Begun 4: The Final Chapter

It also did not help that Shadow's own community were defending his actions like what MissStormWarden and Darkwraith Turk did.

He misunderstood that I simply wanted to share my work with friends I care about. He has been distorting my original intentions, and has been targeting and attacking me. He also does the same to others, sow discords, and tells the truth. It makes us feel very much invasive and annoying! <https://twitter.com/BoySplatty/status/1388966518373896195>

Turk then had the audacity to try and bring my name up purely because of who I have as friends.

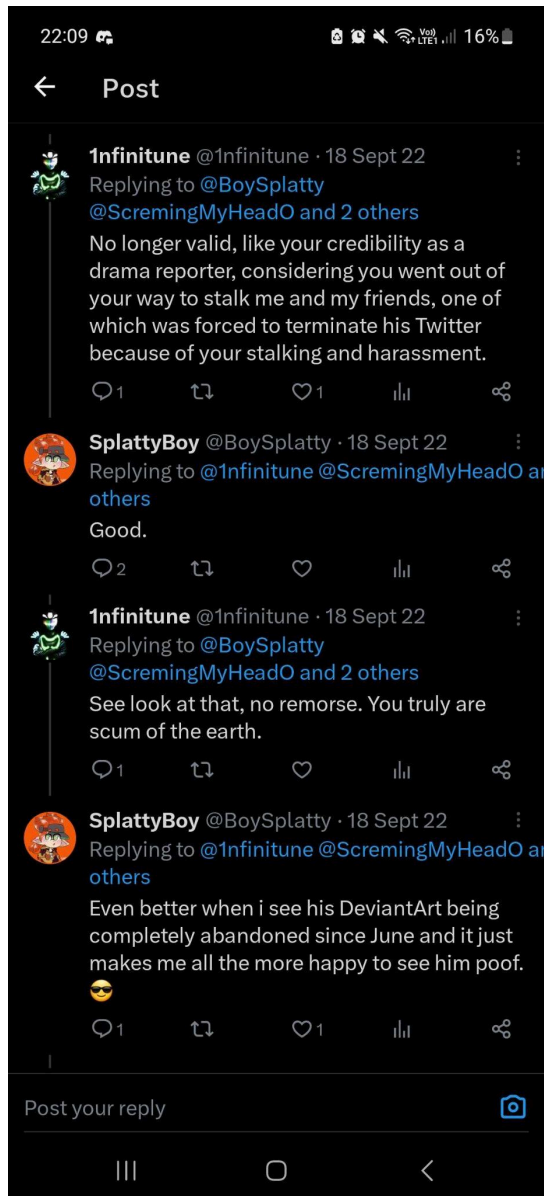

He also completely went bullshit here. If Shadow treated Splatty the same way he treated me, then why is it that Shadow blocked me and banned me from his channels, but keeps Splatty around like he's ignoring all this shit? I'll tell you why. Because Shadow refuses to see people in any light than what he WANTS to see them in! He'll happily defend his friends who are kissing up to him but the second someone so much as has a different opinion from him, it's block and ban!

Let me just say this right here and right now. I am fully aware of what people I know have done. And a few of them have been cut off after even more info came out about them. I believe in second chances and some of them have blown their second chance, so I cut them off instantly.

When i confronted Splatty on this, this is what he said:

He was actually PROUD of himself for causing someone so much distress they actually went completely inactive FOR ALMOST TWO YEARS!!!

And speaking of the whole Demented Six discord thing, this is where it really got juicy! After a while of disagreements in the Demented Six discord server, this sort of thing came out, courtesy of a mutual friend of mine in another discord server:

Officer Tracy tänään klo 15.06

The community is creepy as hell

And there are retards who look at characters from different franchises in the game and go "Yo that's Pico from Friday Night Funkin!!!" Instead of what he's actually from

Geshtro tänään klo 15.08

Admittedly that's where my fascination with Tricky and Madness Combat comes from.

SplattyBoy tänään klo 15.08

alot of these people were not even born when newgrounds characters were made

Geshtro tänään klo 15.09

I dislike it because i cannot think of a community that goes through so much drama nearly as much as that one does

not even FNAF or UT combined were this bad

Officer Tracy tänään klo 15.09

Uhhhhhhh

No UnderTale was pretty fucking bad lmao

Geshtro tänään klo 15.09

okay perhaps that's an exaggeration with them combined

Officer Tracy tänään klo 15.10

UT literally makes porn of the brothers fucking each other

SplattyBoy tänään klo 15.10

undertale is a matter of opinion for different people

i think the game is nice but the fandom can be very questionable

Officer Tracy tänään klo 15.11

Not questionable

Disgusting

SplattyBoy tänään klo 15.11

or that lol

Officer Tracy tänään klo 15.11

And the FNAF community isn't much better

Geshtro tänään klo 15.11

i think fnf still wins in that category

Officer Tracy tänään klo 15.11

Not

Really

I'd take drama over incest and animatronic dicks

SplattyBoy tänään klo 15.13
only kind of criminal activity would be copyright

Geshtro tänään klo 15.14
the majority of the biggest mod makers in the community were outed for a ton of grooming shit like every goddamn month

Officer Tracy tänään klo 15.14
Okay like every community's had pedos

 **@Geshtro** the majority of the biggest mod makers in the community were outed for a ton of grooming shit

SplattyBoy tänään klo 15.14
so every other community that exist?

Officer Tracy tänään klo 15.14
Especially recently
Splatoon and MLP are crawling with them as well

Geshtro tänään klo 15.15
hence I'm not in those communities anymore either

Officer Tracy tänään klo 15.15
Communities are filled with them, they just haven't been exposed yet.

 **@Geshtro** hence I'm not in those communities anymore either

SplattyBoy tänään klo 15.15
dont really matter cause no matter what community you are part of there will always be child groomers

Officer Tracy tänään klo 15.15
Some are a lot better at hiding it than the FNF community

Barnoutowski tänään klo 15.16
Ye

Officer Tracy tänään klo 15.16
I'd much rather them all be exposed now than learn the hard way later.

Geshtro tänään klo 15.16
super crazy idea, maybe just leave kids alone

Officer Tracy tänään klo 15.16
That isn't how that works unfortunately

SplattyBoy tänään klo 15.17
kids are not that helpful on that either cause there are alot of kids that goes out their way ti interact with grown adults

Officer Tracy tänään klo 15.17
Um
That's not a fucking excuse
They are the adult

Geshtro tänään klo 15.18

They are not GUILTY.

Officer Tracy tänään klo 15.18

They don't know any fucking better

Geshtro tänään klo 15.18

But it is a fact that children being gullible and innocent is part of the issue

SplattyBoy tänään klo 15.18

or they do but simply dont care

Geshtro tänään klo 15.18

gives creeps with no morals easier picks

Officer Tracy tänään klo 15.18

Literally pedo defender type talk

The children can't fucking control that

They aren't born mature on right and wrongs especially on the internet when their parents very likely don't even know what to do about it

Are you actually fucking retarded?

Children don't want to get fucking groomed

But the adult

The adult knows what he/she is doing is wrong

And they do it regardless

They go for children because they know that kids don't know any better

But that in no way is the child's fault

Geshtro tänään klo 15.21

Tracy i don't think you're stating anything brand new here

Geshtro tänään klo 15.17

No it isn't
But it's true

Officer Tracy tänään klo 15.17

It's their responsibility to stop what's going on

SplattyBoy tänään klo 15.17

didnt say it was a excuse just saying that kids are equally guilty

Geshtro tänään klo 15.17

No
No no no
Not Guilty

Officer Tracy tänään klo 15.17

THEY LITERALLY ARENT???
Their children Splatty

Officer Tracy tänään klo 15.35

Yes, but more importantly makes you look like a pedo defender
So stop talking.

SplattyBoy tänään klo 15.35

i dont try to justify child groomers

Geshtro tänään klo 15.35

... dude

Officer Tracy tänään klo 15.35

Stop.
Talking.

Geshtro tänään klo 15.30

and second you literally said "kids are equally guilty" (muokattu)

Officer Tracy tänään klo 15.30

Oh my god shut the fuck up
If that was the case you would've said that from the beginning
But it wasn't

Geshtro tänään klo 15.30

What are you even trying to bring up right now? ProJared?
The fuck?

Officer Tracy tänään klo 15.31

That didn't cross you mind once until I exposed your ass.

Geshtro tänään klo 15.24

That's... not even the same fucking subject?!

SplattyBoy tänään klo 15.24

it was what i was gonna get to

Officer Tracy tänään klo 15.24

No it wasn't.

Geshtro tänään klo 15.25

That's a completely unrelated issue dude

Officer Tracy tänään klo 15.25

Don't try to save your ass

Geshtro tänään klo 15.25

Maybe if you were being legit you would've STARTED with that but even then the best thing to do was to *NOT*

Officer Tracy tänään klo 15.26

Splatty this isn't the first time you've been exposed on a subject like this, I know the kind of excuse you make

I've seen you do it before

Don't try to lie to me

SplattyBoy tänään klo 15.27

k

Geshtro tänään klo 15.27

No. Don't just "k" this you screwed up.

Own it

Officer Tracy tänään klo 15.27

Fucking pedo defender

Istg

Geshtro tänään klo 15.28

At least have the decency to apologize for christ's sake

SplattyBoy tänään klo 15.28

how me thinking kids are trouble online when it comes to NSFW and such?

Geshtro tänään klo 15.32

Splatty i'll give you the benefit of the doubt that you aren't the sharpest tool in the box but come on man re-read what you're saying before you type another response realize what you said, how you said it, and when you said it

SplattyBoy tänään klo 15.32

yeah sure i say things that easily gets taken the wrong way

Geshtro tänään klo 15.33

well you aren't doing yourself any favors instead of apologizing for it, you keep trying to justify it

SplattyBoy tänään klo 15.33

or explain what i actually meant with what i said

Officer Tracy tänään klo 15.21

No I'm not.

But Splatty here said otherwise

So I'm making fucking crystal clear for his stupid ass

Geshtro tänään klo 15.22

his ignorance isn't your problem

Officer Tracy tänään klo 15.22

I don't care, he looks like a pedo defender right now

Geshtro tänään klo 15.22

let him dig his own grave then

Officer Tracy tänään klo 15.22

If that's the case get him the fuck out of here

Geshtro tänään klo 15.22

play stupid games win stupid prizes

anyway im aware the internet as a whole is filled with creeps

it makes things difficult because they have different tactics that are exposed and I'm constantly altering my personality to be whatever the complete opposite of them is from insecurity (muokattu)

SplattyBoy tänään klo 15.24

i mostly point towards those kids that tries to interact with anything NSFW on the internet and try to lie about their ages just to get access to it and get other people in trouble for it

Officer Tracy tänään klo 15.24

Oh my fucking god shut the fuck up

That's not at all what you were saying

Geshtro tänään klo 15.29

... You just can't do it can you?

Officer Tracy tänään klo 15.29

Because that wasn't at all what you were talking about

That's your excuse to cover your skin

Geshtro tänään klo 15.29

Look even when I screwed up I came back and apologized for it

Officer Tracy tänään klo 15.29

I'm not fucking stupid Splatty.

Geshtro tänään klo 15.30

Which is an entirely separate issue

Officer Tracy tänään klo 15.30

Yes.

SplattyBoy tänään klo 15.30

yeah NSFW accounts managed by adults

Geshtro tänään klo 15.34

An explanation nobody wants to hear

Officer Tracy tänään klo 15.34

It's not getting taken the wrong way, you're actively trying to defend an already suspicious comment, which only makes you look more sketchy

Geshtro tänään klo 15.34

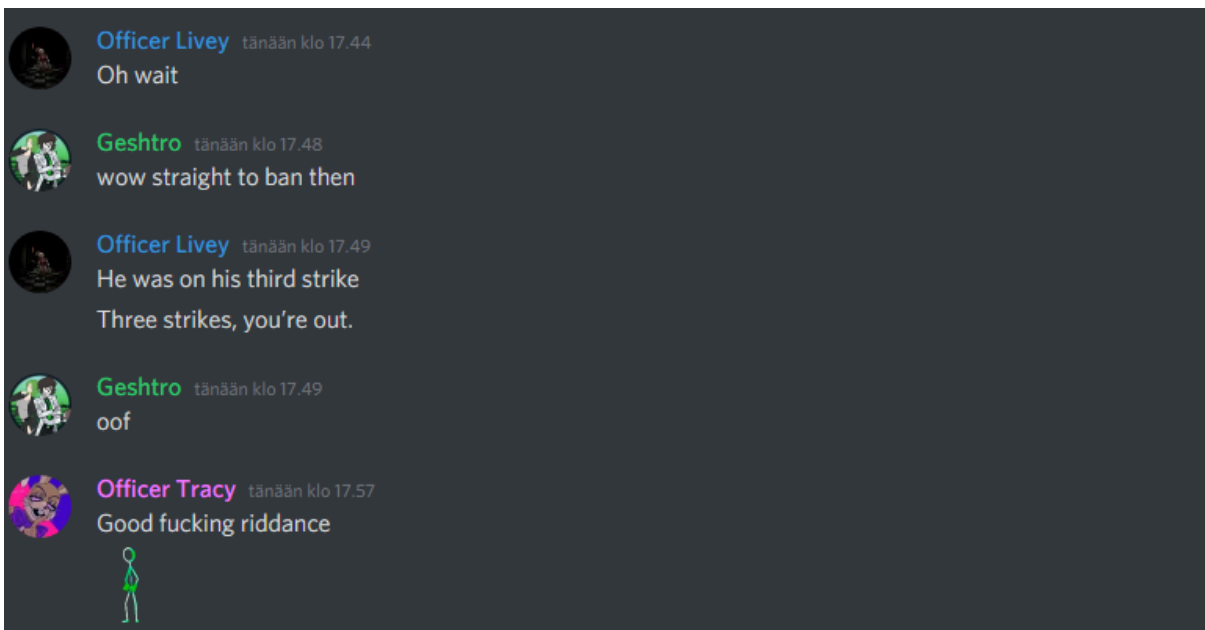

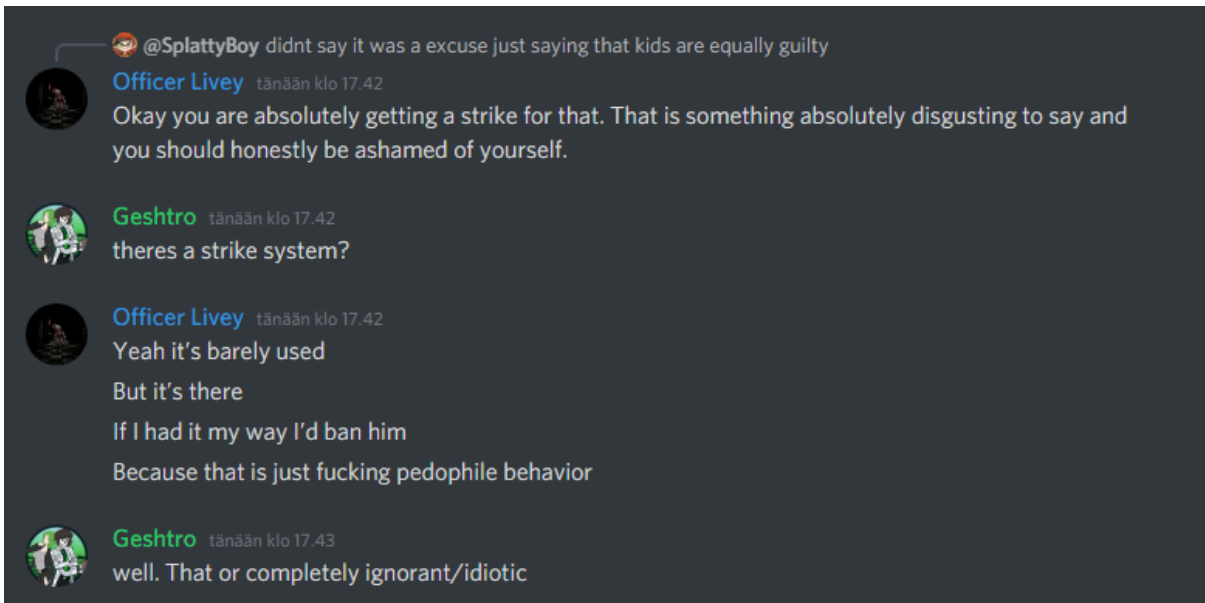

which renders it futile

 **@Officer Tracy** It's not getting taken the wrong way, you're actively trying to defend an already suspicious com...

SplattyBoy tänään klo 15.34

it mostly just makes me sound dumber

What you see here, ladies and gentlemen, is Splatty being a pedo defender, and possibly even being a pedo himself. His comments about minors being equally guilty as adults caused quite a bit of controversy, which caused him to get banned from TheInvertedShadow's discord server. It also didn't help that Tracy and Livey were minors at the time of these screenshots and when this conversation happened. Oh but it doesn't stop there! There were even screenshots of DMs between Livey and Splatty uploaded to Twitter by Livey herself!

SplattyBoy 01/13/2022 12:56 AM
forgot i even did that

LaLivey 01/13/2022 12:56 AM
Okay still

You did that

You support a artist who *used* to do shota porn and is a pretty horrid person and like questionable stuff on Twitter

I've also seen you harass people a LOT and actively tried to start things with other people

I am no longer comfortable with this

I will work on getting a refund to you when I can

Do you have a PayPal.

SplattyBoy 01/13/2022 12:58 AM
no

LaLivey 01/13/2022 12:59 AM
Well what do you have so I can get the money to you

SplattyBoy 01/13/2022 12:59 AM
and again i dont support shota or loli content since i told him to stop making it
and people that i mention in most tweets have either been underaged kids looking at porn or people retweeting and following child porn artists or accounts

LaLivey 01/13/2022 1:02 AM
That is justified, what isn't justified is constantly harassing people which I've seen you do and other people tell me you have done.
Considering how you've act in some places I believe it, esp considering what other friends have said.
So again what do you have so I can refund the money to you

LaLivey 02/10/2022 2:21 PM
Yeah you seem to yell at minors on Twitter a lot

SplattyBoy 02/10/2022 2:21 PM
but i have never intentionally sent them NSFW
the one time i sent NSFW by mistake was that one time to ellieroll when it was drama related to a guy in the server that sent porn to other minors
and this thing i made a tweet about was something someone asked me to do in order to call this person out
and i simply wanted to inform a mod about it but me as the dumbass i am and forgetful i didnt ask first if ellieroll that was a mod was legal age or not
and even if she said her age at some point can you really expect me to remember it if she only said it once?

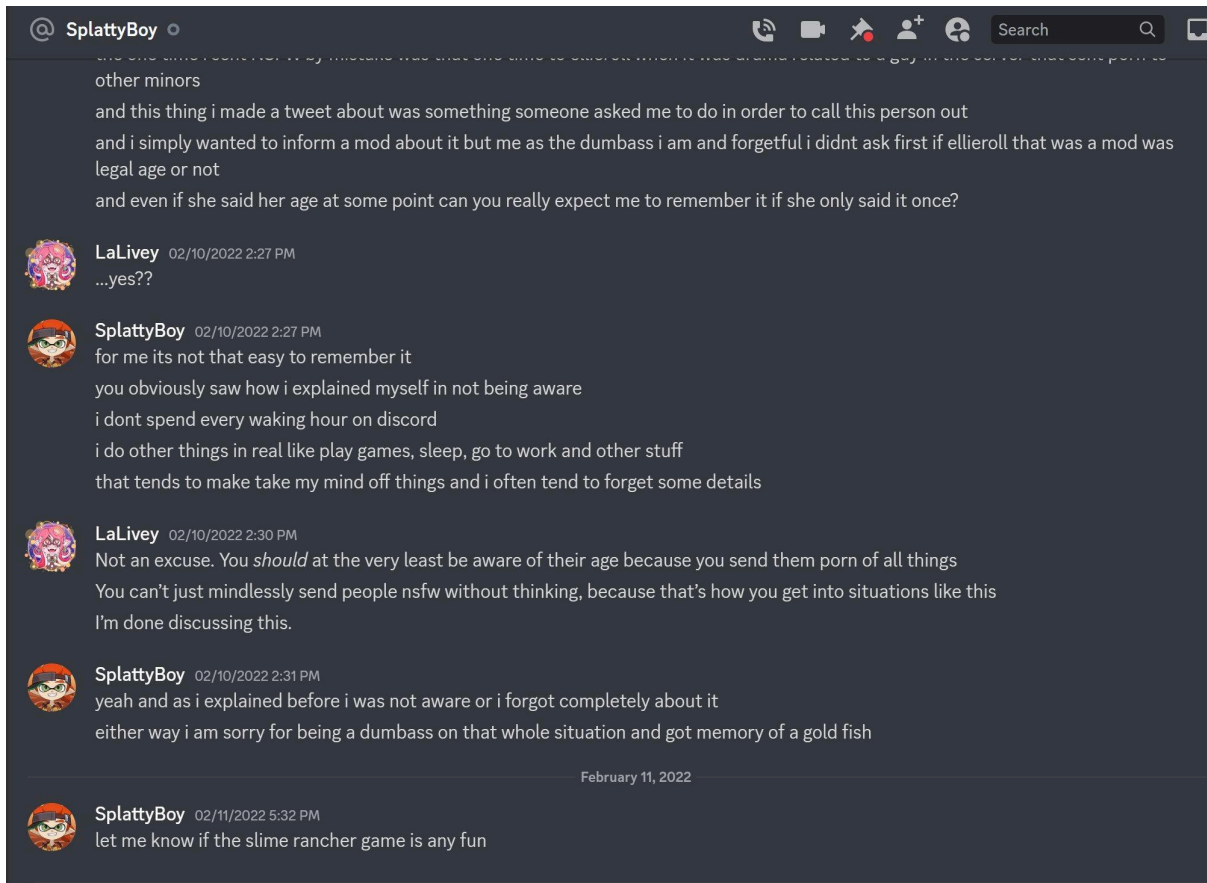

LaLivey 02/10/2022 2:27 PM
...yes??

SplattyBoy 02/10/2022 2:27 PM
for me its not that easy to remember it
you obviously saw how i explained myself in not being aware
i dont spend every waking hour on discord
i do other things in real like play games, sleep, go to work and other stuff
that tends to make take my mind off things and i often tend to forget some details

LaLivey 02/10/2022 2:30 PM
Not an excuse. You *should* at the very least be aware of their age because you send them porn of all things
You can't just mindlessly send people nsfw without thinking, because that's how you get into situations like this
I'm done discussing this.

And in case you think I'm joking about Livey herself saying it, here are the links to her Twitter posts explaining this herself. The whole thing is basically just one big thread but had to link each of her posts to show you every bit

Not to mention the fact that you tried to bullshit yourself to Keiro because of you being banned from the server!

Keiro Starr Today at 9:33 AM
So I heard that you got banned from Shads server

SplattyBoy Today at 9:34 AM
yeah
just livey and tracy being overly sensitive how they consider pedophiles to be the worst when underaged kids interacting with NSFW is equally guilty by making themselves into targets for groomers

Keiro Starr Today at 9:40 AM
See, that's where you're wrong. When kids are interacting with NSFW, they still don't know what sex is or anything like that. They're there out of curiosity. So when some pedo reaches out to them, they can prey on their naiveté and lure them in. I get what you were trying to convey, but unfortunately even in that situation, the kids are STILL not the guilty party

SplattyBoy Today at 9:41 AM
then how they scream how they make claims that underaged kids dont know about their own actions when i would strongly disagree on that since alot of underaged kids on twitter and social medias in general since they make the massive effort to lie about their ages to sexually interact with NSFW accounts and NSFW roleplayers dont really matter if they know or dont know anything about sex they still interact with NSFW accounts and people that are into it hell there was even one person that was a 13 year old child that wanted to be treated like a sex slave and be ordered around by a random stranger and she was dumb enough to send nudes of herself to that person cause he ordered it

Keiro Starr Today at 9:46 AM
And that's where that naiveté kicks in, like I mentioned before. You think that kid had any idea what they were getting into by doing that?

Keiro Starr And that's where that naiveté kicks in, like I mentioned before. You think that kid had any idea what

SplattyBoy Today at 9:46 AM
yes they did and even admitted to it

SplattyBoy Today at 9:47 AM
she knew exactly what she was going into and knew what it would involve but she only pulled out from it cause her friends told her to stop

Keiro Starr Today at 9:47 AM
Which was the right call

SplattyBoy Today at 9:48 AM
still dont change the fact she was fully aware of what she was getting herself involved with so even if people claim "they were not aware of their actions cause they dont know better" is highly debateable cause with what i just said it clearly shows there are kids that knows what they get involved with

**SplattyBoy****Keiro Starr** Today at 10:04 AM

Because they ARE young and stupid. That's not a victim card, it goes back to what I said. A vast majority of them have no idea what they're getting into. For them, it's uncharted territory. They don't know what they're in for. That's what leads them into interacting with others, trying to understand it, and that's when they get preyed on.

**SplattyBoy** Today at 10:04 AM

no not always
alot of them just do it cause again they get found out and tries to pin the blame on someone else for their own stupidity and their lying

**Keiro Starr** Today at 10:07 AM

Well, yeah. Of course they would. If your parents found out you were looking at porn and interacting with creepy people, what do you think they would do to you?

**SplattyBoy** Today at 10:07 AM

they would lecture me and take away my internet access obviously
EXCEPT
i never made any social media accounts until i turned legal age
and i mean twitter, newgrounds, discord and any other site that requires 18+ requirement

**Keiro Starr** Today at 10:08 AM

It was a hypothetical. You didn't need to defend yourself there

**SplattyBoy** Today at 10:09 AM

i know i just state the fact i looked at porn when i was a young teenager
i just didnt bring those things to social medias or people online like in online chats
which brings up a point that i can be ok with when it involves kids looking at porn
like if they look at porn at their own time on sites that hardly have ANY SAFETY OR CENSORING THINGS attached i literally wont care
BUT
the moment they bring that shit to social medias like twitter or discord where they have to lie about their ages thats when i will have a issue with them

SplattyBoy Today at 10:12 AM

cause the moment these kids bring NSFW to twitter or discord thats when i can atleast report their ass and get them banned

Keiro Starr Today at 10:13 AM

Harsh. But fair.

SplattyBoy Today at 10:13 AM

harsh?

lol no thats not harsh

that is blame yourself factors

if kids are dumb enough that they have to lie about their ages to see NSFW on twitter and discord then they deserve to get banned and then be forced to wait until they actually turn 18 before they actually start interacting with NSFW

Keiro Starr Today at 10:15 AM

Oh no no, what I meant by that was going in hard, just outright banning them is the right thing to do. To THEM it would be harsh, but they shouldn't have been there in the first place

SplattyBoy Today at 10:16 AM

yeah exactly

Keiro Starr Today at 10:19 AM

Actually, about 2 years ago, a 16 year old joined my adult server. When I was informed, I immediately banned him. When I was informed, I immediately banned him. He DMed me to argue and I told him "come back when you're 18"

SplattyBoy Today at 10:19 AM

i actually almost got baited into roleplaying with a kid that lied about their age basicly came into my twitter DM`s and posted pics of their OC asking me if the OC was fuckable was obviously scummy when i asked their age and didnt feel comfortable in telling it then later on they got called out for being underage and then the kid kept lying and making NSFW roleplay accounts every time they got called out

 **SplattyBoy** they would lecture me and take away my internet access obviously

Keiro Starr Today at 10:26 AM

I wanna come back to this point, because here's the thing. While that might be true for some kids, there are kids who have parents that believe in physical punishment. If MY parents knew I was looking at porn at a young age, the belt whipping that would've followed would've been hell

Keiro Starr Today at 10:30 AM

So of course they're gonna lie about it, but the reality is that the parents that do anything are the ones that care. Because they know what's out there and they know there are people out there preying on naive kids and are trying to keep them safe

SplattyBoy Today at 10:31 AM

there are also parents that literally dont care what their kids do online
which seems to be a thing that often happen

Keiro Starr Today at 10:31 AM

Those are the bad ones
I obviously can't speak for those, but that kind of ignorance is what lands these kids in danger

SplattyBoy Today at 10:32 AM

same goes for parents that "deals punishment" but they dont put in any special effort into it
typical shit is like removing their internet access or parental filter

same goes for their phones how people nowadays can look at porn just from their phones by having phone data or access to wifi

Keiro Starr Today at 10:35 AM

And see, that's the thing, I don't think anyone educates kids on the dangers of the internet anymore

SplattyBoy Today at 10:36 AM

why would they? they would just lose money from parents that pays for their kids internet and phone data

Keiro Starr Today at 10:37 AM

I know when I have a kid, the first time I catch them looking at porn, I'd sit them down and have a long talk about it

SplattyBoy Today at 10:37 AM

and teachers would ask for more money to educate kids about the dangers online

 **Keiro Starr** I know when I have a kid, the first time I catch them looking at porn, I'd sit them down and have a

SplattyBoy Today at 10:38 AM

no you insert a parental filter the moment your woman spawn a kid

Keiro Starr Today at 10:39 AM

... my kid isn't gonna be using the internet right out the womb, man

SplattyBoy Today at 10:39 AM

then you make a separate account login that is public for anyone but have parental filter right on it

 **Keiro Starr** ... my kid isn't gonna be using the internet right out the womb, man

SplattyBoy Today at 10:40 AM

im joking dude

Keiro Starr Today at 10:40 AM

I know. I was playing into it

SplattyBoy Today at 10:40 AM

but yeah parental filter for any site that got porn that requires no login
e621 is one example of not needing a login to see porn
lol think you only need a account for e621 to access the beastiality or child porn content

Keiro Starr Today at 10:42 AM

E621 needs filters even for adults, man.

SplattyBoy Today at 10:42 AM

yeah but back in the day there was like NO FILTERING

Keiro Starr Today at 10:42 AM

I swear that place is unregulated

SplattyBoy Today at 10:42 AM

you could search on anything and you could find porn that is child porn kind
you could literally randomly find a underage character get fucked by something
BUT NOW IN RECENT YEARS
they finally removed it from people not having a account
so now people must have a account to see certain content that is no longer visible in offline mode

Keiro Starr Today at 10:49 AM

Anyway, I feel like it's better to explain to kids what the dangers of the internet are before you put in any filters, because if you just put the filter in, they're just gonna wonder what's behind it and that spikes their curiosity which would lead them to find other avenues. You straight up tell them "yeah, this is here because we don't want you going to weird places, looking at sketchy stuff or interacting with shady people.", I think it would make them less likely to try to circumvent it

SplattyBoy Today at 10:50 AM

no telling them would just lead to them wanting to find out more

Keiro Starr Today at 10:51 AM

How do you know?

SplattyBoy Today at 10:52 AM

cause kids are curious when you tell them about things that you tell them to avoid

Keiro Starr Today at 10:52 AM

Touche
Getting back to the whole point of this, the way you phrased what you said in Shads server made you look dodgy as fuck, man
You should've tried to explain yourself better
Now everyone in that server thinks you're a pedophile supporter and a hypocrite

SplattyBoy Today at 11:05 AM

yes i know and i literally said before i got banned how the thing i said just made me look more stupid so at most they can see me more as a dumbass that dont know how to word things right in certain opinion topics

Keiro Starr Today at 11:08 AM

I feel you, man. I'm the same way

Keiro Starr Today at 11:23 AM

I've gotten banned from a few servers for not being able to articulate well what I was trying to say

Message @SplattyBoy

Speaking of harassment, one of my friends known as SpikeHedgelion8 was trying to enjoy a stream by MikotoNui. Of course, Splatty couldn't live with that so he had to jump right in and attack Spike.

This actually caused Spike to get banned from Mikoto's streams, purely because Splatty just could not mind his own business and leave it alone! Splatty even admitted to a friend of Spike's, called Mina, that he went after Spike PURELY just to get him banned! That was the sole reason why he did this!

For those of you unaware, Spike was a former friend of Shadow's before the entire group kicked him out due to his association with individuals from a certain piece of Splatsource drama, the Lewd House drama. Spike has specifically stated on many occasions that he was NOT defending their actions, he was merely giving them a chance. He has told me himself that if they were to do this again, he would not hesitate to kick them out. You can find more about this on this video of his too

[▶ Thoughts on 2020 and Updates for 2021](#)

On the subject of his harassment towards me, strap in. Because this is going to get VERY intense.

Splatty has made it his fucking MISSION to slander me at every possible turn! Trying to "expose" my actions by stalking my profile, trying to get people to cut me off, and even trying to accuse me of having a fetish for characters being RAPED! I am NOT joking!

Also @1nfinity I'm pretty sure that Tai and Sora in the first picture you are drooling over with your carry victim fetish are both 11 years old so way to make yourself into a child fiddler there dude getting turned on by two kids doing something you get sexually turned on from.

SplattyBoy @BoySplatty · 26 Jul 22

Hey @1nfinity i feel that people should be highly concerned that you have a fetish like this which basicly hint on how you enjoy possible victims getting carried away, struggling to get out of the grip, fail...

Post your reply

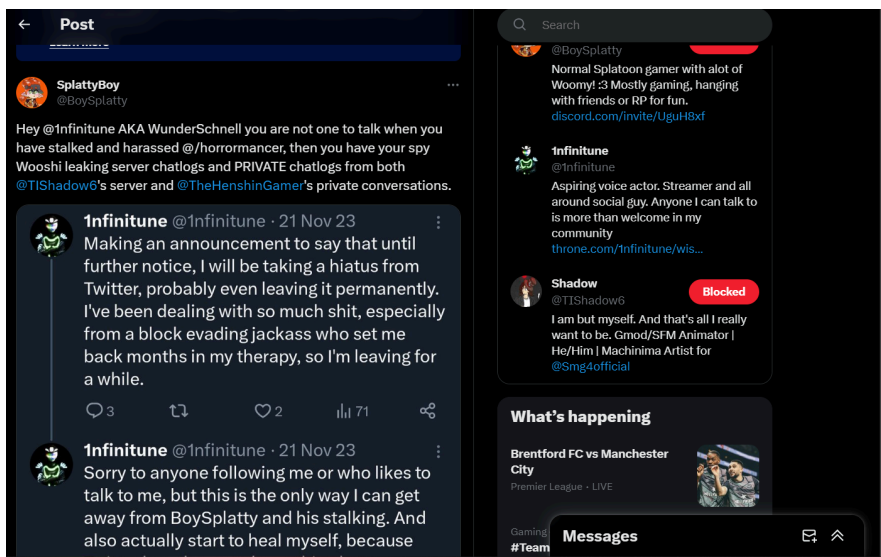

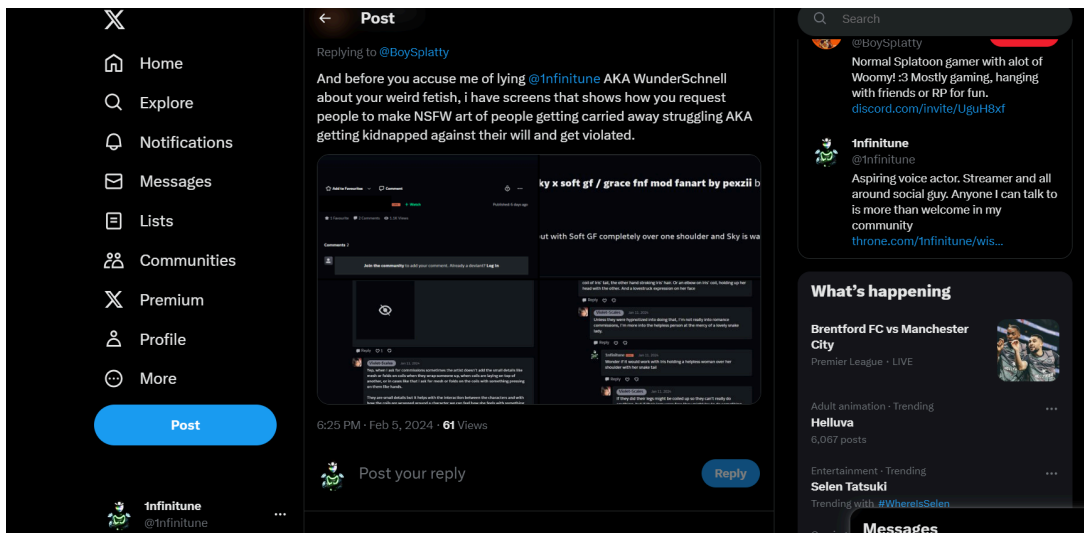

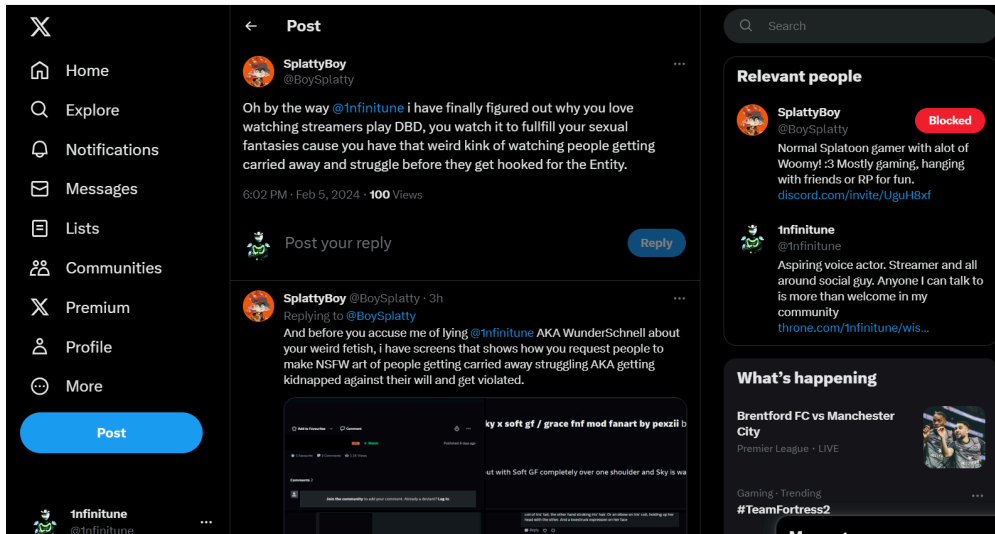

For context, the video was this and the timestamp is about 6:54 to 7:33

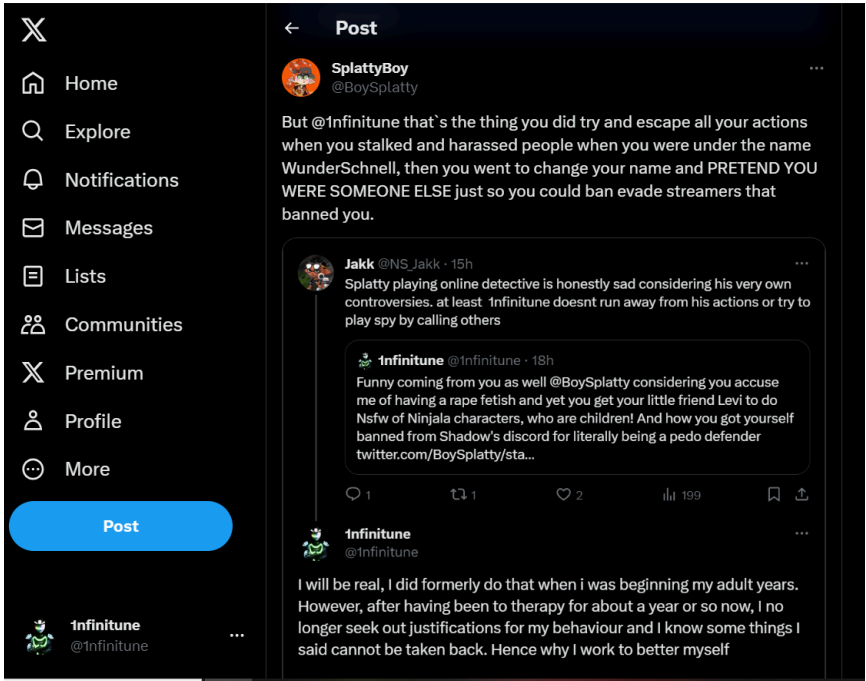

[Giving out solid mental health advice..](#)

He literally had to go snooping around and find a video from years ago which had a scene in which the streamer was reading out a donation message from me where I talked about visiting my deceased mother's grave and having a sickness at the time that the livestream actually happened. And suddenly decided to try and make that about my imaginary rape fetish. Yeah, he tried to use me talking about my mother, **WHO HAS BEEN DEAD SINCE 2019**, as ammunition in whatever he's trying to prove. Not to mention all these here. You can

see in the right hand side I blocked him and he still found ways around it. He was literally block evading me with alts to try and dig up dirt on me

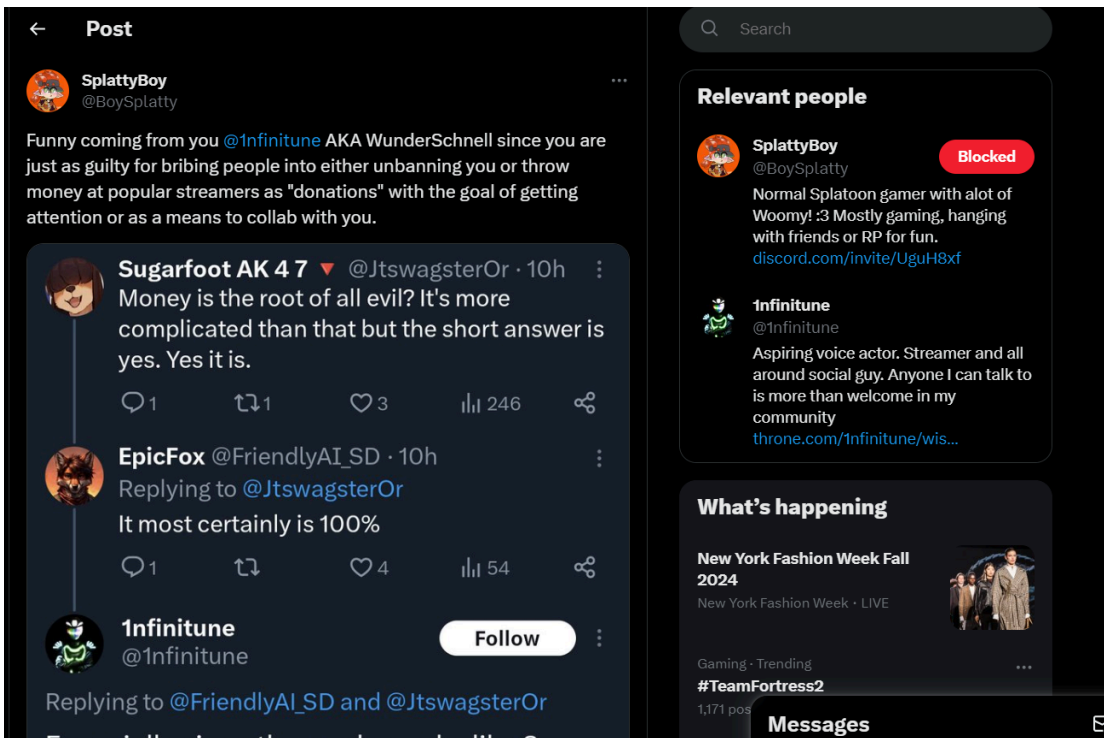

This one here I captured as I was first typing this Doc up on 9/2/2024

Let me just be clear, I did **not** change my name to ban evade! I changed my name to symbolise a new beginning because of my therapy situation!

I'd also like to draw attention to this screencap here. He talks about how I supposedly stalked and harassed, yet what are you doing right now? You are literally doing the exact same thing you are trying to "expose" me for! You are so hypocritical in every single little thing you say! And even when it doesn't even INVOLVE YOU, you decide to make it yours!

And let's not forget when you tried to get your friend Levi to do Ninjala NSFW!

For those of you who do not know what Ninjala is, it is basically a bunch of people who were once adults, but regressed back into childhood after eating a special gum, and they're competing in an action packed tournament using gum-based weapons. The characters range in age from 12 to 13 in this game, but some of them have had their adult ages confirmed as being in their late twenties. Now, while this may seem okay to do NSFW if they are portrayed as their adult forms prior to eating this gum, Levi has made other NSFW of

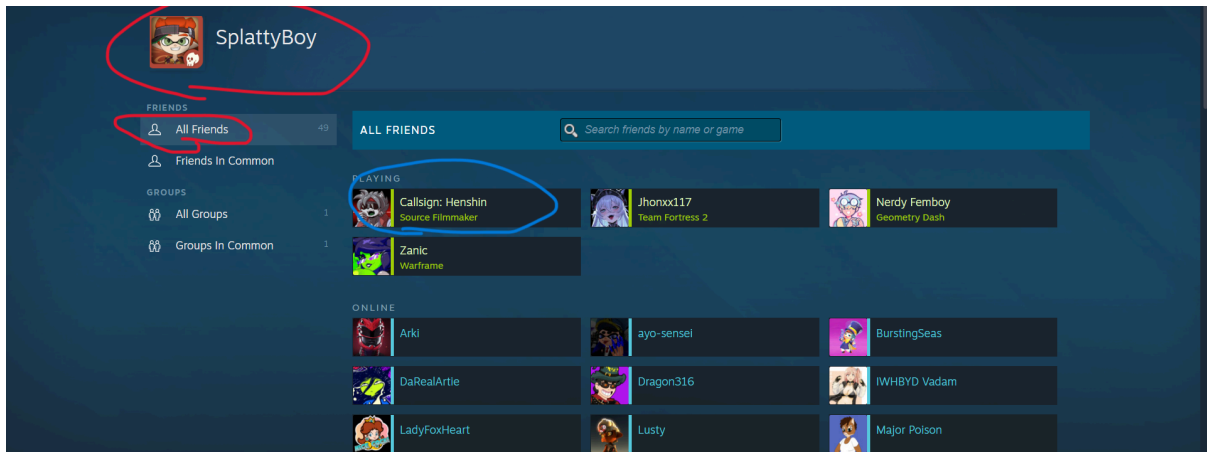

I take no pleasure in showing you guys this but this has to be shown to prove the type of people Splatty talks to! The fact Levi made no effort to actually change anything about Cream OR Tails shows how much of a sick degenerate he really is!

I'd also like to draw attention to one of Keiro's old posts here.

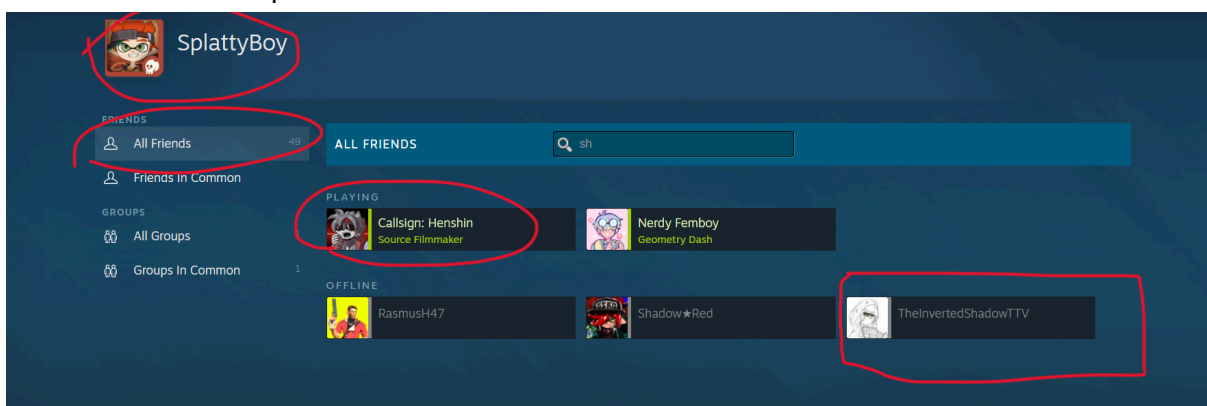

In this screencap, he makes it clear that he does not tolerate pedos or pedo defenders in his community.

But as you can clearly see in this screencap here, he has proven himself a hypocrite!

As the popular saying goes: He who lives in a glass house shouldn't throw stones!

Also doesn't help when you block me for literally exposing your friend Splatty for his actions as well Keiro. You know what that makes you? A pedo defender! Same with Shadow! You both claim to not ally with pedos and yet you both ally yourself with a stalker, hypocrite, pedo defender and a manipulator!

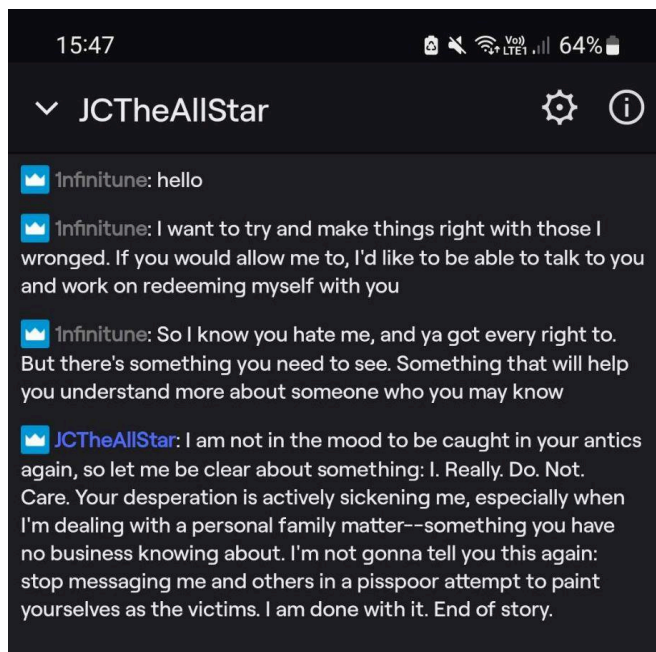

Also, speaking of Shadow, there was a time where one of his former friends appeared in his stream and he told them to "fuck off and die". Which, in my home, translates as "go kill yourself". He even tried to justify this by showing the people who his former friend associates with. He was literally trying to justify him telling someone to essentially kill themselves by basing it off their friends list.

<https://twitter.com/TIShadow6/status/1459323377651531777>

I mean, we can do the same for you considering you have Splatty on YOUR friends list. Based on the evidence a lot of people have amassed on Splatty, and his own admission to sending porn to a minor, people would most likely accuse YOU of defending his actions. Especially since you blocked me on every platform when I wanted to send you proof of Splatty's actions. It shows how much of a coward you really are. You're totally fine with casting other people out but you refuse to see evidence when it is staring you in the face.

From a certain point of view, I am happy I got kicked from your group Shadow. Because it opened my eyes to the type of person you truly are. You are a coward, you are a hypocrite, you are blind, you refuse to see the evidence, and you cling to the past. I hope one day, you and I can sort things out, I genuinely do. But until you prove that you can cast off BoySplatty and LOOK AT THE EVIDENCE ABOUT HIM, then i want nothing more to do with you.

I also tried sending my evidence to other people, such as those Shadow is close with, same result. They blocked me and ignored it all. Like what Shadow's friend JC did!

And even Rachidile had to get involved

https://twitter.com/DA_BLU_Scout/status/1705816791144952187

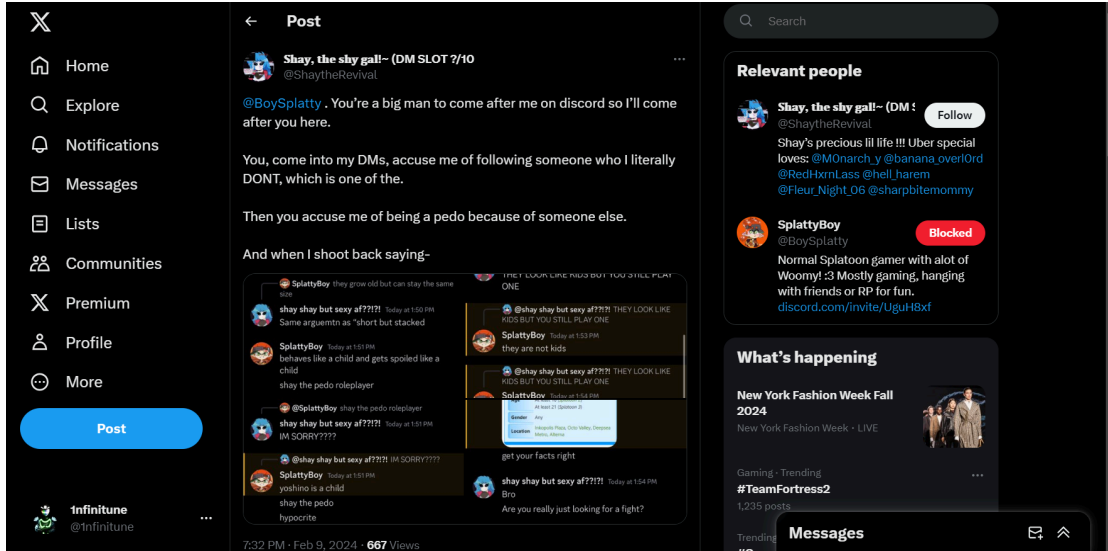

This is classic "brainless sheep" mode right here. I can see why people call you scum now, because you throw out people who have been supportive of your channel, yet you allow literal predators to remain in your community. You people are hypocritical and manipulative, you twist the narrative to make yourselves the victim and you hide behind your friends, because you're too much of a chicken shit to accept responsibility for what you've done. I know I used to be a real piece of shit and I am not proud of it at all, but at least I'm doing something about it.

Let me give you the cold hard reality Chris, you are NOT a good person. You are a hypocrite, a coward, a manipulator, and dare I say it, a PEDO DEFENDER! You claim I'm the bad person in all this, yet you knowingly and willingly associate yourself with Splatty, who has stalked and harassed MULTIPLE CHILDREN! And he's OVER THIRTY YEARS OLD!

You need to get off the internet, get help, and get your fucking reality in check. Because when it's over, people will see you as an associate of Splatty's work since you keep him around with full knowledge of what he's done. And don't try to deny it, because you can't deny it at all. How do I know? Because I SENT YOU THE DETAILS! I even sent it to your

friends too. And you blocked me like the cowards you are. You people are scum of the earth, lower than dirt and I hope you all get a fucking reality check!

Oh and as if it wasn't getting any more intense with this guy, as of now, I've even discovered MORE of his bullshit!

Nah they still grow old but they stay the same size, same thing with the idols that are waaaay beyond legal age when Callie and Marie were 17 in the 1st game. Diffrence is how Nintendo themselves announced that Splatoon characters grow older but don't grow in size.

Besides Shay i rather not hear you accuse people with Splatoon OC's to be into underage characters since you literally have or maybe at this point should say HAD a friend that have an Octoling OC that is from Splatoon so saying my inkling is underage means you accuse her of it.

1st point is how you laugh at others for almost getting banned when you have gotten banned 5 times already.
2nd point cause you interact with a roleplayer using a child character when you call those type of people out.
3rd point is you lying about interacting with Hownd.

She clearly is when she goes and follow people that are into taboo and how Shay have pretty much made it her job to look deep into peoples profiles just to call them out for any taboo roleplayers they follow.

1

♥ **Lovemare** ♥ @ImpishAvidity · 1h

They aren't fucking thirteen, dumbass. By your logic, EVERYONE that plays characters on here like Chara, or ANY Anime character (Going by Canon age) is young, which makes everyone else look bad. So why is it that YOU of all people care?

1

44

SplattyBoy @BoySplatty · 1h

Aged up characters are a thing and Yoshino is literally not aged up in the slightest so it makes Shay a hypocrite that calls out people for taboo but she is totally fine with roleplaying a 13 year old child looking muse.

This also doesn't change the fact that you tried to pull this same bullshit on Shay for following Hownd, when you could of fucking TOLD THEM about it. Yet, your so quick to point fingers at someone, with little to no evidence on whether your right or not. Go kick rocks.

18

SplattyBoy @BoySplatty · 1h

Ah yes Shay the person that calls out people for being into taboo and child content when she herself follow those type of accounts with Hownd literally being the most taboo and racist type and the Yoshino one being a literal 13 year old looking child character.

1

16

SplattyBoy @BoySplatty · 1h

Yeah a muse that is a 13 year old child character and try to justify it with their usual immortal anime girl logic that don't fly around here, Shay is still into a child character and it literally don't matter if you all claim she is 40 when she looks like a 13 year old.

2

42

SplattyBoy @BoySplatty · 1h

Also i rather not take a person that gotten banned like 5 times serious since they just prove they can't even keep their account intact when they send threats to people and other banable reasons.

Update 13/02/2024

So as if it wasn't bad enough with his whole stalking thing, he's NOW gotten involved regarding DMs between me and another user, from 2021. And he's still trying to "expose" me

1finitune 06/07/2021 10:30 PM

see you around. Can i give you a quick hug? I like hugs (edited)

06/07/2021 10:30 PM

hugs

1finitune 06/07/2021 10:31 PM

Hugs back i hope one day we can roleplay an adventure. What do you think of something involving the jungle where _____ comes across a an explorer who is injured and takes her back to wherever she lives and tends to her wounds?

1finitune 06/07/2021 10:33 PM

is it ok if I set it up right now, for when you're back? Also how do you feel about the explorer named Malu? one who lives in the jungle herself and enjoys swinging from the vines

Yesterday, 8:10 PM

1finitune 06/07/2021 10:34 PM

Alright then

Real quick, what are your thoughts on a romance/really good friends thing developing between them? Like my character admits to she feels better with her around and maybe kisses her on the cheek? or is it just best with them being good friends, like sharing jokes and all that

 @1finitune Real quick, what are your thoughts on a romance/really good friend

06/07/2021 10:39 PM

It depends really. Because I'm mostly aromantic.

1finitune 06/07/2021 10:39 PM

Ah ok then. I think I'll set it up and we'll see how it goes from there

1finitune 06/08/2021 6:54 PM

Well if we can do a little bit of roleplay, then i'm fine

_____ was wandering around her home when she heard a sound. Running over, she noticed a young woman more or less her age, groaning in pain and sat near a tree. _____ noticed she had a few cuts and bruises and her ankle had twisted

The woman groaned

"I was swinging on a vine, like I usually do, and then it just snapped and i fell to the ground...damn this stings..."

06/08/2021 7:00 PM

She looks up above them for a moment, then back down at the woman, as if contemplating what kind of lunacy would lead someone to swing from vines.

"I guess that must make you Jane," she says with a soft chuckle at her own joke and bends down, resting on her knees to take a look at the ankle. "Looks like a pretty nasty sprain you've got here."

1nfinitytune 06/08/2021 7:01 PM

The woman groaned and tried to sit up

"My name is Malu, by the way. Please help me.." *She begged* , *the pain in her ankle flaring up hard*

06/08/2021 7:02 PM

looks around for a moment and thinks.

"We're pretty far out from any doctors here....do you live nearby?" *She does not offer her name.*

1nfinitytune 06/08/2021 7:03 PM

The woman nodded Y-yeah...but don't you live here too? She asked curiously

06/08/2021 7:05 PM

"Hm? Oh...no...well not really. Its complicated." *she replies, standing up and dusting off the dirt from around her knees.* "I can help you get back home if its not too far, just point me in the right direction." *She looks around again, eyes scanning the forest floor.* "Can you walk on it do you think, if I help you up?"

Infinitune 06/08/2021 7:22 PM

Malu pointed to _____ left as she held the boots close to her. She held onto _____ as she began carrying her

06/08/2021 7:23 PM

Starts off to the left, walking slowly to avoid jostling Malu too much and risk upsetting her ankle "What possessed you to swing from the trees like that in the first place?" she wondered aloud.

Infinitune 06/08/2021 7:24 PM

"Well...I've lived here for years. I decided to become a jungle woman, because it gives me a lot more freedom." Malu replied as she rested her head against _____ shoulder

06/08/2021 7:26 PM

_____ snorted a little at the comment. "Aye, quite a lot of freedom by the looks of it," she said, gesturing with her chin to Malu, as if to say 'the freedom to not be able to walk anymore.'

Infinitune 06/08/2021 7:27 PM

(I have a small question. Is it possible for _____ to shift Malu over her shoulder, since it could be easier to carry her that way?)

Malu just sighed as _____ carried her through the forest. She looked at the red headed woman and looked around as she was carried

06/08/2021 7:32 PM

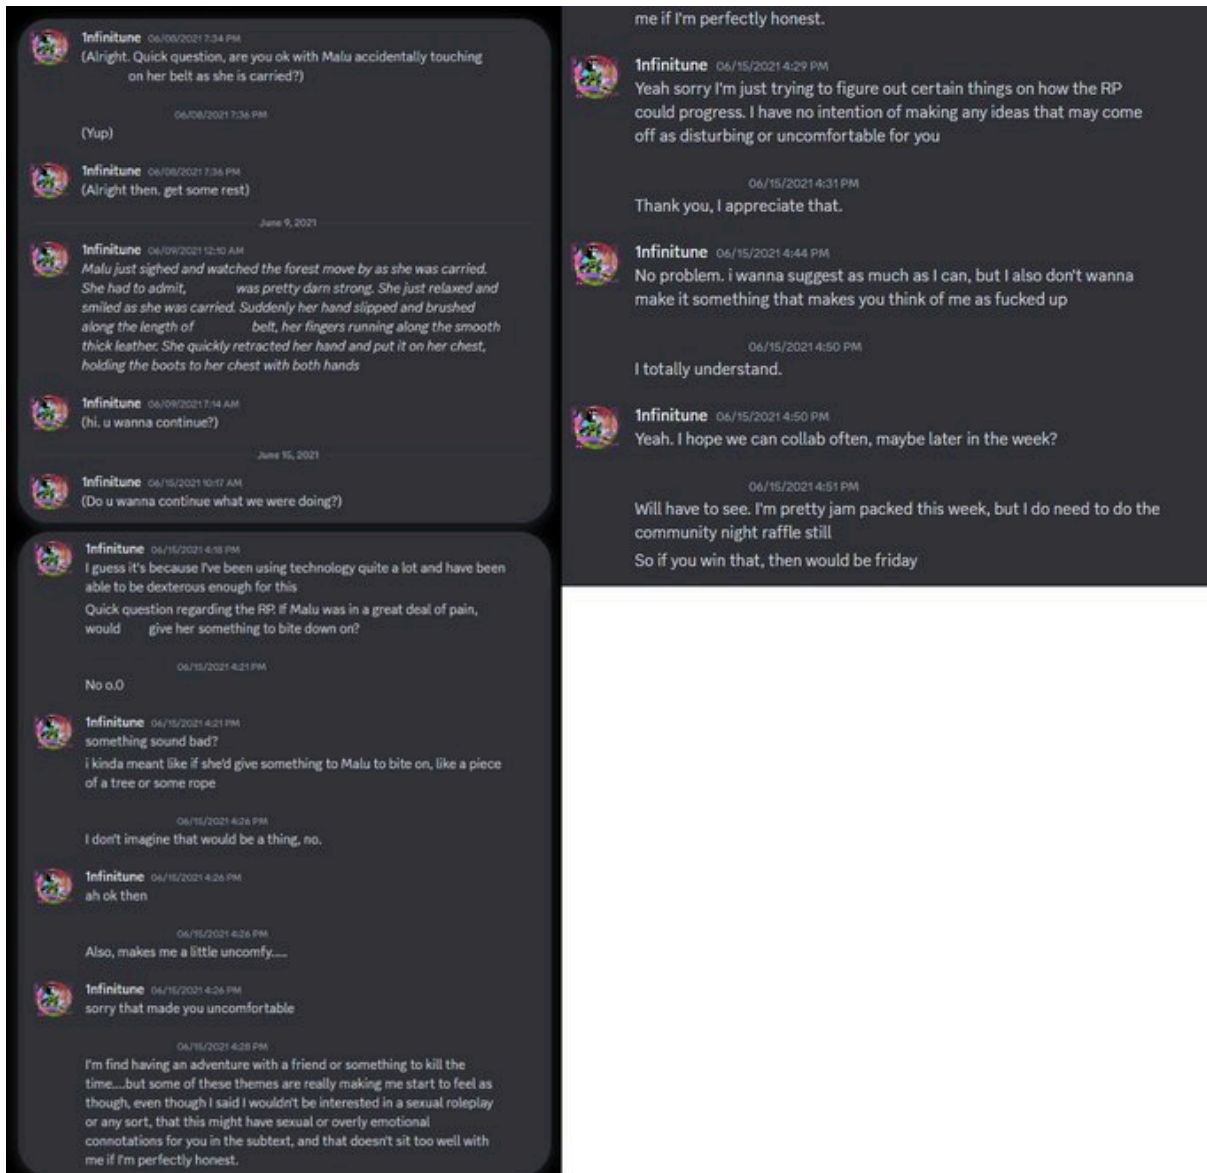

(Realistically, it wouldn't be easier to carry her that way)

"I'm _____, by the way," she said at last, realizing she hadn't done so before. (Also...I'm passing out, so we'll have to pick this up again later. Sorry >.< I'm so tired)

Infinitune 06/08/2021 7:34 PM

(Alright. Quick question, are you ok with Malu accidentally touching _____ on her belt as she is carried?)

And I know whose DMs these are as well. They are between me and Horrormancer, AKA PaeganPixie, a close friend of TheInvertedShadow and a clear lost cause considering she has sent these DMs to a pedophile defending stalker who clearly cannot understand the meaning of the words "leave me alone!" and decides to block evade me with MANY alts! I'd also like to point out to anyone who can use their eyes and see this load of bullshit, you clearly see me asking if she is OKAY WITH IT! Meaning I am seeking out her consent for stuff used in the roleplay! I am not putting it in without informing her. I also gotta give thanks to this particular user for putting Splatty in his place.

I think the reason he's banning people from his server is because he doesn't want people like you harrassing him. And now that I think about it, what you said suggests that you've been sending people his discord server to do just that.

Because you're spreading information on him that's old. You're also being extremely petty by not letting this go. Maybe what he did was horrible, but you're the one making things worse by keeping it going for this long.

Seriously though, the fact he has to bring up a private conversation and try to claim innocence is bullshit. We all know you're the one responsible for some of my friends being banned. You even admitted it yourself!!! Hell, Shadow wouldn't even have KNOWN ABOUT IT if you'd just kindly minded your own business! Here you are not only saying you're going to inform Shadow yourself about Spike being in a stream, but also admitting yourself that the only reason you went off on him was PURELY to get him banned. No other reason! You just wanted him gone! So yeah, please feel free to say why my stream bans were entirely my fault and not yours in any way! I know you had something to do with me being banned from Mikoto's stream, because you were there when I joined you ignorant cunt!

BoySplatty: just gonna inform shads to let him talk to mikoto to ban your ass from mikotos streams

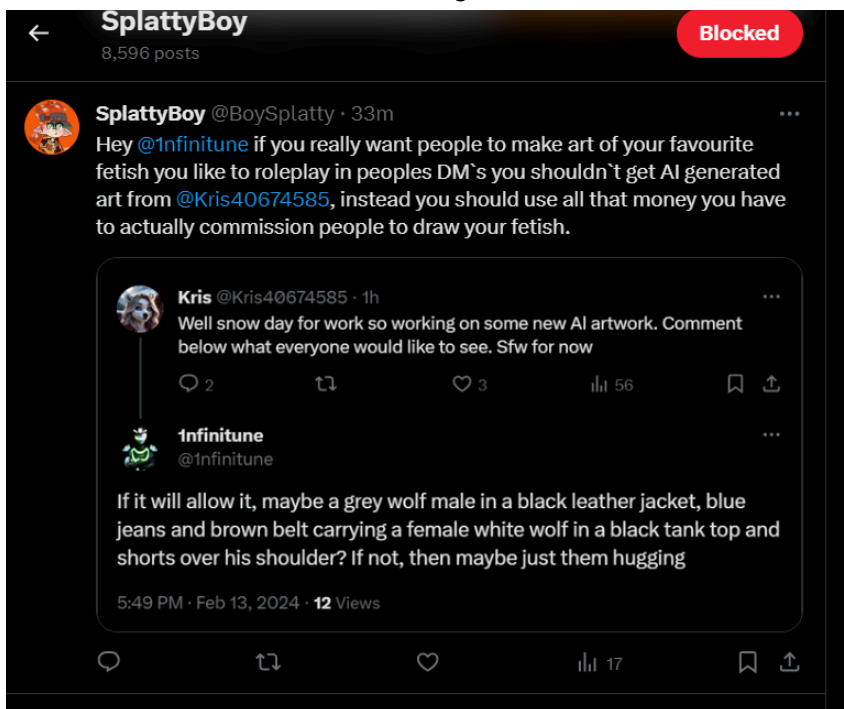

BoySplatty: damn stalker harassing him and his friends

SpikeHedgelion8: I'm not stalking. I'm just watching the streams. I don't even watch Shads stuff anymore.

BoySplatty: lol yeah you dont watch his stuff cause you got called out for stalking and harassing him with your raid party and then harassed rach

 SplattyBoy · 09:57
i already explained why i went off on spike and it was to get his ass banned from my friends friend stream spike is a stalker that stalks people through others and if either lizzie or spike tries to claim i got him banned from that mikotonui stream then they can go suck an egg the person that got his ass banned was theinvertedshadow cause he informed mikoto about spike and she made the judgement call to ban him based on what theinvertedshadow told her and again trusting lizzie is the dumbest thing to ever do can hardly call her trustworthy after the fucking lewd house discord server shitstorm she was a part of

Not to mention that he's still stalking me on business that doesn't even INVOLVE HIM

I also just wanna point out that I love how he tags basically everyone involved, like that'll do anything for him. If anything it's only going to add more people to my side. Because, you know, I have him blocked on all accounts and he decides to make alts to block evade. Really pathetic if you ask me.

Oh, and finally I actually managed to snag a sweet little screengrab of him literally admitting to sending porn to a minor

So BoySplatty, if your “evidence” against me, if you can even call it that, makes me a child fiddler, what does this say about YOU? Where you admitted yourself that you sent NSFW images to KIDS! If your statements about me being a child fiddler carry any water, then this little thing carries so much more. If anything, this flat out makes you a PEDO! I’m gonna be honest here, him constantly stalking me and everything is just adding more and more ammo to this doc and it’s fucking great! Keep trying to expose me Splatty, cause you’re only making it worse for yourself!

But in all seriousness, I think this speaks volumes to the type of people TheInvertedShadow, Horrormancer and Keiro Starr really are. They see all this shit with one guy and they IGNORE IT! They literally associate themselves with a stalker who clearly cannot understand the concept of boundaries and will go out of his way to block evade!

To Shadow, Horrormancer and Keiro

Get your heads on straight! Analyse this entire thing and see BoySplatty for what he truly is! He is far worse than you people realise and if you cannot see this for yourself, then you are truly lost. Hell, I’m willing to bet some people might even call you guys pedo defenders because of this. You see all this evidence, including a massive conversation in Shadow’s OWN DISCORD SERVER where Splatty literally gets banned for being a pedo defender, and you **STILL** keep him around in your community! **WHY?!**

I just wanna inform you guys about the type of company you keep, I mean nothing malicious by what I have said and shown you guys but you need to understand the type of person you’re keeping in your community

With that said, I’m done here and I hope I don’t have to deal with SplattyBoy’s ignorance anymore. This guy is nothing but a poor excuse of a human being who wants nothing more than destruction and he doesn’t deserve to be supported, but exposed as a horrible human being. Hopefully someday karma and justice will get him eventually.

If you'd like to share your opinions in the replies you're more than welcome to. Also, do NOT harass anyone mentioned in this post. Regardless how you feel towards them, harassment is not only a terrible thing to put anyone through, but it serves to get nothing accomplished but more aggression.

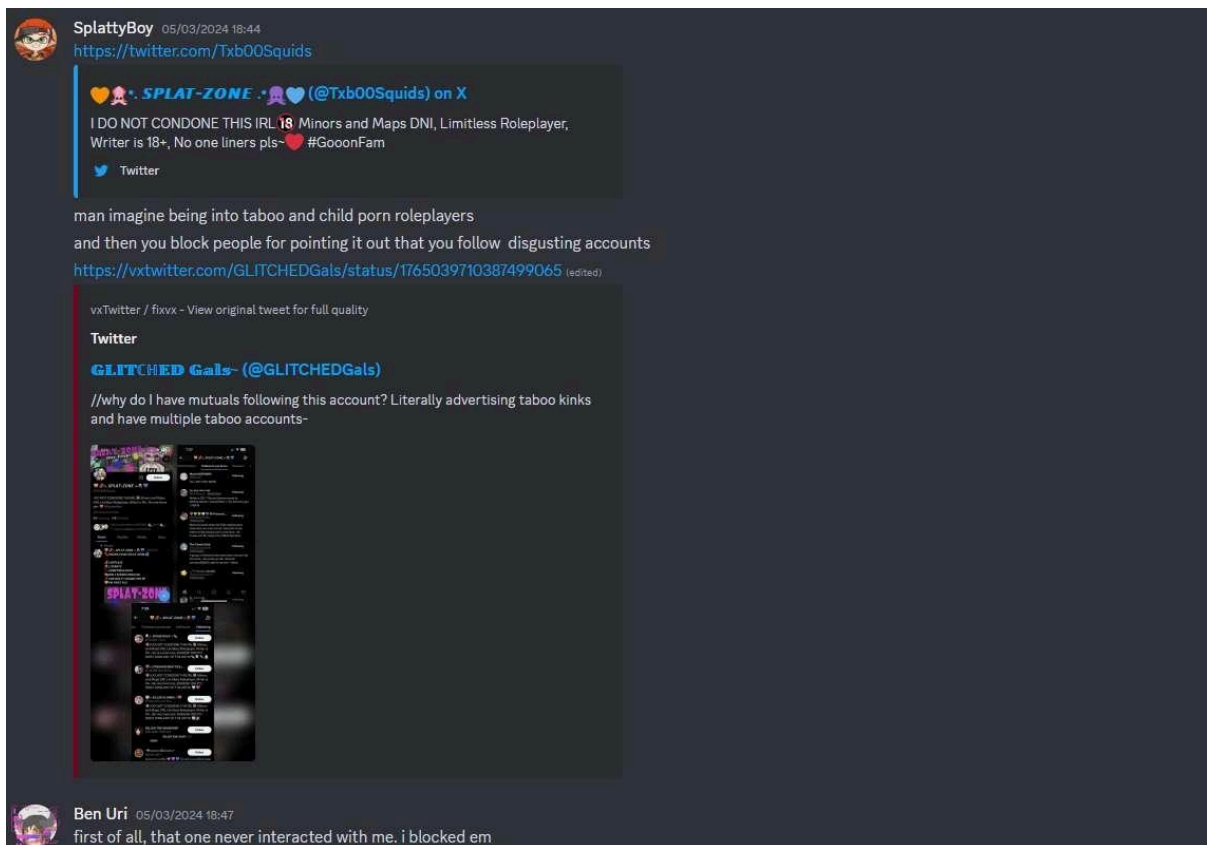

Thank you for reading and I'll keep updating as things happen.

and again, i NEVER rped with them
i followed them, yes. not knowing
but i never even rped with them

I've said it before and I'll say it again. It's so ironic Splatty tries to say this sort of stuff to this user, yet there's literal evidence of him wanting a friend of his to do Ninjala NSFW, and there's even porn of Cream the Rabbit in his likes. Geezus dude, are you even AWARE of yourself at this point? You got yourself banned from TheInvertedShadow's discord for literal

pedo defender type behaviour, you try and accuse ME of having a rape fetish as well as falsely accuse me of jerking it to minors, you literally suggest to your friend to do Ninjala porn and you even happily follow that guy even when he's literally done porn of underage characters! I'm starting to think you do all this because you yourself have skeletons in your closet. Are you going through all this because you yourself are actually a pedo? Because it is definitely starting to look this way mate!

Seriously though, this guy has no shred of self awareness, no respect for boundaries and no care who he hurts. If he can satisfy whatever sick drama whoring thing he's got going on, it doesn't matter to him who he hurts. It's a wonder TheInvertedShadow keeps him around, despite apparently being super against having people like this around, as he and his friend Turk have said in a video Shadow made

The fact Shadow and Turk can say this shit, and then associate themselves with a man who literally is stalking and harassing people and causing so much drama in so many communities, it's just disgusting at this point.

And it also shows a complete lack of self awareness on their parts...

I try not to talk about this but this is bullshit right here. The fact Shadow keeps around one of the very people he swears to never associate with, he's proven himself a hypocrite YET AGAIN!

Hopefully this will be the last thing I have to report on Splatty because this is just getting fucking mad right now...

With that said, I just got one more thing to say.

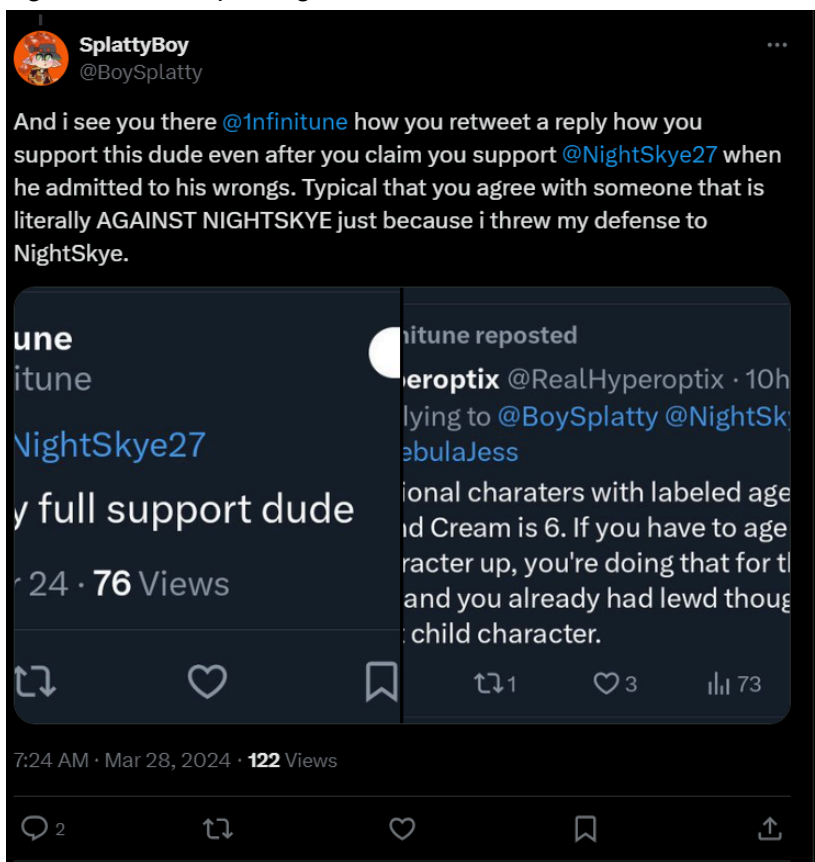

Splatty, you are probably one of the most disgusting people I have ever met. I'm younger than you and even I'm more mature in this shit! You're OVER THIRTY YEARS OLD! **ACT YOUR FUCKING AGE!!!**

With that said, I hope this will be the last time I have to update this Doc. But yeah, this is actually just vile at this point. He's throwing around accusations with no evidence and he's getting away with it every single time!

Update- 28/03/2024

Holy fuck...so he still cannot grasp the concept of "LEAVE ME ALONE!" and is trying to have a go at me for reposting someone's tweet.

Let me just be real here, and I am serious about this from every fibre of my being. I have support for Night, because I know him well. He made a mistake and he is trying to rectify himself for it. He had NSFW Sonic characters on his likes and people went after him for it. Now, people say it's okay because the characters were aged up. To me, that doesn't help, considering the Sonic characters like Cream and Tails have their actual canonical ages CONFIRMED! To me, ageing them up for the sake of NSFW work is never okay! Because it just seems like an excuse to make porn of them, which is just inexcusable. If someone did something like, I dunno, aged up Cream the Rabbit in battle armor and piloting a mech against Eggman's forces, I genuinely would not give a shit. But this sort of ageing up, like giving her huge tits and making her have sex with another underage character like Tails, that's just unacceptable! He then tried to bring my friend SpikeHedgelion8 into the whole thing by bringing up the age of Fiona Fox.

For the record, this was taken from the Archie Sonic wiki, AKA Mobius Encyclopedia.

https://archiesonic.fandom.com/wiki/Fiona_the_Fox

This is the ACTUAL Sonic wiki on Fiona

https://sonic.fandom.com/wiki/Fiona_Fox

Apparently he fails to realise that the Fiona Fox that Spike uses is an AU, an ALTERNATE UNIVERSE! A part of his OC's canon lore! And besides, most of all the Archie characters have been removed since Archie discontinued the Sonic comics. The way Spike portrays Fiona is not canon and anyway, what questionable pics of Fiona? Half the stuff he's posted has literally just got his character and Fiona Fox hanging out. Most of them are just kissing pics, hang outs and other art. She's not naked in any of them. On that note, let's bring up this little biography of yours on your pinned post, shall we?

The image is a screenshot of a social media profile page. At the top, the profile name is "LEVI 18 SFM OFFICIAL (COMMS OPENED)" with a back arrow on the left and "4,822 posts" below it. The profile picture is a circular image of a man with glasses and a yellow shirt. To the right of the profile picture are icons for a menu, messages, and a "Follow" button. Below the profile picture, the name "LEVI 18 SFM OFFICIAL (COMMS OPENED)" and the handle "@LEVIANTAN581RE" are displayed. A small Mexican flag icon is followed by a list of rules: "- TRASH ARTIST", "- NO MINORS !!! 18 !!!", "- ALL CHARACTERS ARE OVER 18 OR OLDER", and "- SFM ANIMATOR". Below the rules is a Discord server link: "D SERVER: discord.gg/2dNVJMX29N". Further down, it shows the location "Mexico", a website link "levi581re.newgrounds.com", and "Joined October 2020". At the bottom of the profile section, it says "779 Following" and "72.4K Followers". Below that, it says "Followed by" followed by three user avatars and names: "PinkieSplatGurl" and "Oct/Dec Heartless". At the very bottom, there are four tabs: "Posts", "Replies", "Media", and "Likes", with "Posts" being the active tab.

The man who has made countless bits of Sonic porn? Even one of Amy Rose, who has been confirmed to be TWELVE YEARS OLD?!

Concept and creation

Amy Rose was created in response to a request from the character division of Sega's licensing business, who wanted a character that could be the "Minnie" to Sonic's "Mickey".^[6] However, it was felt at the time that it would 'go against Sonic's personality' for him to be locked into a standard cartoon relationship like Mickey and Minnie. Instead, it was decided that a one-way relationship, where Amy's affection for Sonic is unrequited, would be more interesting.^[7]

Naoto Ohshima created the original character design,^[8] which was then finalized by Kazuyuki Hoshino.^[9] According to Hoshino, there were many voices involved in the creation of the character, including staff members from various departments^[9] and editors of the then-upcoming *Sonic the Hedgehog* manga series.^[7] Amy's hairband and trainers reflect Naoto Ohshima's taste, while her mannerisms reflect the kind of traits Kazuyuki Hoshino looked for in women at the time.^[9]

So, if my friend Spike making artwork of his OC and Fiona doing simple kissing and hanging out art is bad, why is it so suddenly okay for your little friend Levi to make actual porn of canonically underage characters? And don't say "because they were aged up". You've said that so much that it, like your very credibility as a drama reporter, has lost all meaning. Also, this is what Levi HIMSELF posted a while back

Yup, you're seeing this correctly, he is asking people if he should make more Cream the Rabbit content. Cream the Rabbit is nowhere near the age for NSFW. **SHE'S 6 YEARS OLD!!!**

Concept and creation

Like **Sonic** and **Silver**, Cream had several early concepts as different kinds of animals. They appear to include a squirrel, cat, and red panda. It is likely that some aspects of these designs were reused for later characters like **Marine the Raccoon** and **Slicks the Badger**. Cream's name is a pun of the foods "vanilla cream" and "cream cheese" which underlines her relationships with **Cheese** and **Vanilla the Rabbit**.^[6]

Sonic Team created Cream specifically for *Sonic Heroes* in order to fill out the role as the **Fly Type** character for **Team Rose**. However, the team decided to introduce Cream prior in *Sonic Advance 2* to make her more familiar with players and make *Sonic Advance 2* feel fresher in comparison to *Sonic Advance*.^[6]

According to **Sega**, Cream was designed as a playable character for beginner players.^[7] As her offensive maneuver, Cream was given the **Chao Attack** since it would damage her image as a sweet girl if she would attack enemies herself.^[8]

So, Splatty. PLEASE explain why this sort of stuff is good, but Fiona the Fox, who is apparently over DOUBLE the age of Tails AND Cream, is suddenly bad? If the stuff Spike does on his DA with his **ALTERNATE UNIVERSE** Fiona makes him a fiddler, then this makes your little friend Levi a **SERIAL PEDO!!!**

How are you so fucking stupid and incompetent that you gladly turn a blind eye to one of your friends literally creating porn of CANONICAL CHILDREN and yet you try to “expose” one of my good friends for creating stuff with Fiona, who is DOUBLE their age at least!

Soo WunderSchnell you say you support NightSkye and you know him well huh? Is that why you gave his literal harasser a follow when the guy is literally spamming every single tweet Night makes with replies how he accuse Night of being a groomer? Riiiiiiiiight whatever you say. 🙄

3:55 PM · Mar 29, 2024 · 142 Views

First of all, that is not my name anymore you fucking archaeologist prick! Second of all, what business of yours is any of this? And who the HELL do you think you are talking about harassment? I have literally blocked you and muted you on Twitter and you STILL decide to try and stalk me. Your arrogance is unmatched, you know that.

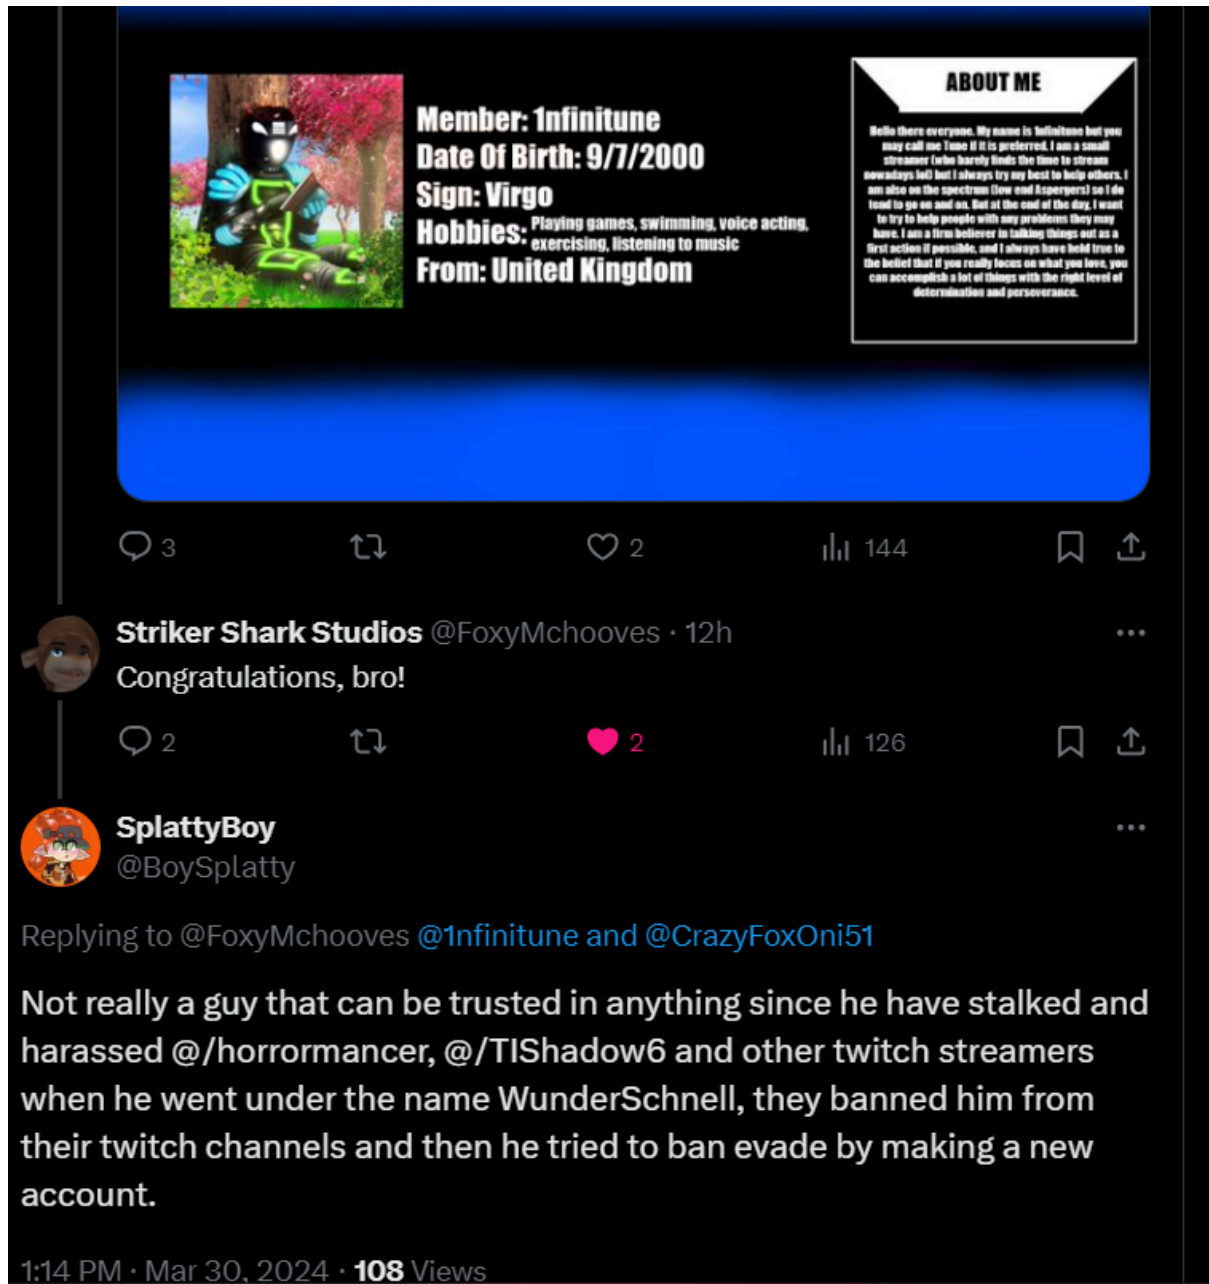

Oh but it gets even worse. When I quoted him, he decided to come onto my profile using an alt, and then screencap my quote tweet and then try and pull some shit.

Literally, the fact you JUST PROVED MY FUCKING POINT on harassment and you don't even realise it. You're not only block evading me, you're literally tagging people who DON'T WANT TO GET INVOLVED!! You are purposefully dragging this out longer than it needs to be.

Oh but it doesn't stop there. Oh no! Earlier TODAY, he literally came onto MY REPLY SECTION and tried to shit talk my name to one of my friends! For context, I was posting that I was officially joining a group of content creators known as the Buddies. My good friend Striker Shark Studios, a guy who has been VERY supportive and encouraging, came onto my reply

section to congratulate me. And through his reply, Splatty decided to make his input on me. Again, bringing up the fucking past, slandering my name and showing a total lack of self awareness

Motherfucker, you are LITERALLY doing the same thing you're trying to "expose" me for. For the record, I did **not** make a new account to ban evade. I simply renamed my current twitch. If you'd use what little sense you clearly have, you'd know this! Hell, there are clips from years ago when my steam username was literally TTV/WunderSchnell. One of my top clips literally has my damn username IN THE GAME! That alone should have shown you that it was a rename, not a new account! But let's talk about how I am "stalking and harassing them". How I have been blocked and banned by Shadow and Horromancer. Do I let this affect me? No I do not! Because Splatty, unlike you, I know how to **MOVE ON WITH MY LIFE!**

I found new friends, a new community and I learned how to focus on myself. You, on the other hand, are a thirty something year old guy going after a 23 year old guy because you can't seem to just move on with your life and are so far in the past, you're earlier than the first fucking caveman. At least THEY had some degree of intelligence to them! I bet you get off to bullying those younger than you. And considering the fact you're constantly coming after those younger than you, I dunno man...I think this may make you seem a little pedo-y. I mean, sure I'm over the age of consent, but what about the porn you sent to a kid? The fact you got banned from TheInvertedShadow's discord server for LITERAL pedo/pedo defender type behaviour? The guy you follow who literally makes porn of underage Sonic characters?

I'm telling you this right now Splatty. Leave me alone and move on with your life, or I **WILL** be contacting my local authorities! Sure we may live in other countries, but I'm sure they'll take your 3 years of bullying, stalking and harassment VERY SERIOUSLY! If you don't cut this shit out, and leave me alone and focus on your own damn life, it will be done! Keep in mind that we in the UK have a little thing called the Protection from Harassment Act of 1997. I can definitely invoke this, if I have to contact the police. And trust me, pal. You push me too far, and I will be going to them. This is your one and only warning. Move on, focus on your own sad life, leave me alone and stop tagging everyone under the fucking sun to try and get them on your side. Because at the end of the day, I'm the one with the Google Doc, you're just the one with the reputation as a stalker. You're constantly stalking and going after me, to quote a great film, "you have become the very thing you swore to destroy". You go on and on about me stalking and harassing people, yet you're literally doing it yourself. Are Shadow and Horrormancer coming after me? Trying to slander my name? No they are not. Why? Because they are **MATURE ADULTS** who have their own irl things to focus on. You should do the same. I am giving you one final warning. Turn back, leave this slander campaign, or I will be going to my local police and then it's in the hands of the law. I blocked you, you used alts to evade me, I blocked THEM, you made MORE! So if anything man, you're the obsessed guy with the stalking and harassment. And I know you can see this Doc, so have fun explaining it to those that I know. Because at the end of it all, you're only adding fuel to this Doc, and the more evidence I gather on you, the more of a felony you're committing. And yeah, stalking and online harassment is literally illegal here in the UK. I can actually submit an official police report for cyberstalking. For those of you out of the loop on cyberstalking, here is its official definition

Considering how many times Splatty has harassed me using alts to screencap me and block evade me, and use my replies out of context, I can actually pursue legal action for cyberstalking. And yes, it is a criminal offence

So, Splatty. If you do not wish for the possibility of being arrested for literally being a criminal, which you might as well be at this point, I suggest you take your smear campaign, stop going after me and my friends, and get the **FUCK OUT OF MY LIFE!!!**

Sorry guys, but this is getting to this point. Please do share this Doc with anyone you can and hopefully we can put an end to this. Also, I know he's a massive cunt, but please do not go witch hunting or harassing this guy. It will only make things worse and I want to put an end to this as soon as possible.

So it seems as though Splatty has an alternate account, by the name of FinalPrankLewds

How do I know? Who else would go around spamming TheInvertedShadow's Doc in every single reply they can find?

And it's not even that. I know this is Splatty's alt because he's talking about Shay, who had problems with him as you can see in previous pages of this Doc. This is actually sad and pathetic.

Oh so you now admit you were going incognito mode to STALK people? You really are a desperate sack of shit, SplattyBoy. Also, seeing as you like to dig up my past actions from years back, why don't we look back on YOURS?

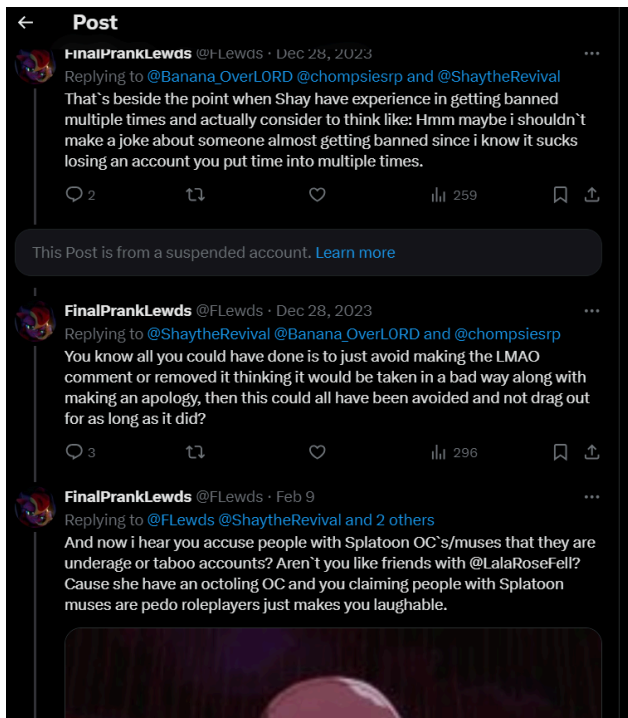

Oh and it would seem you're upset over being banned. Wouldn't be the first time, would it?

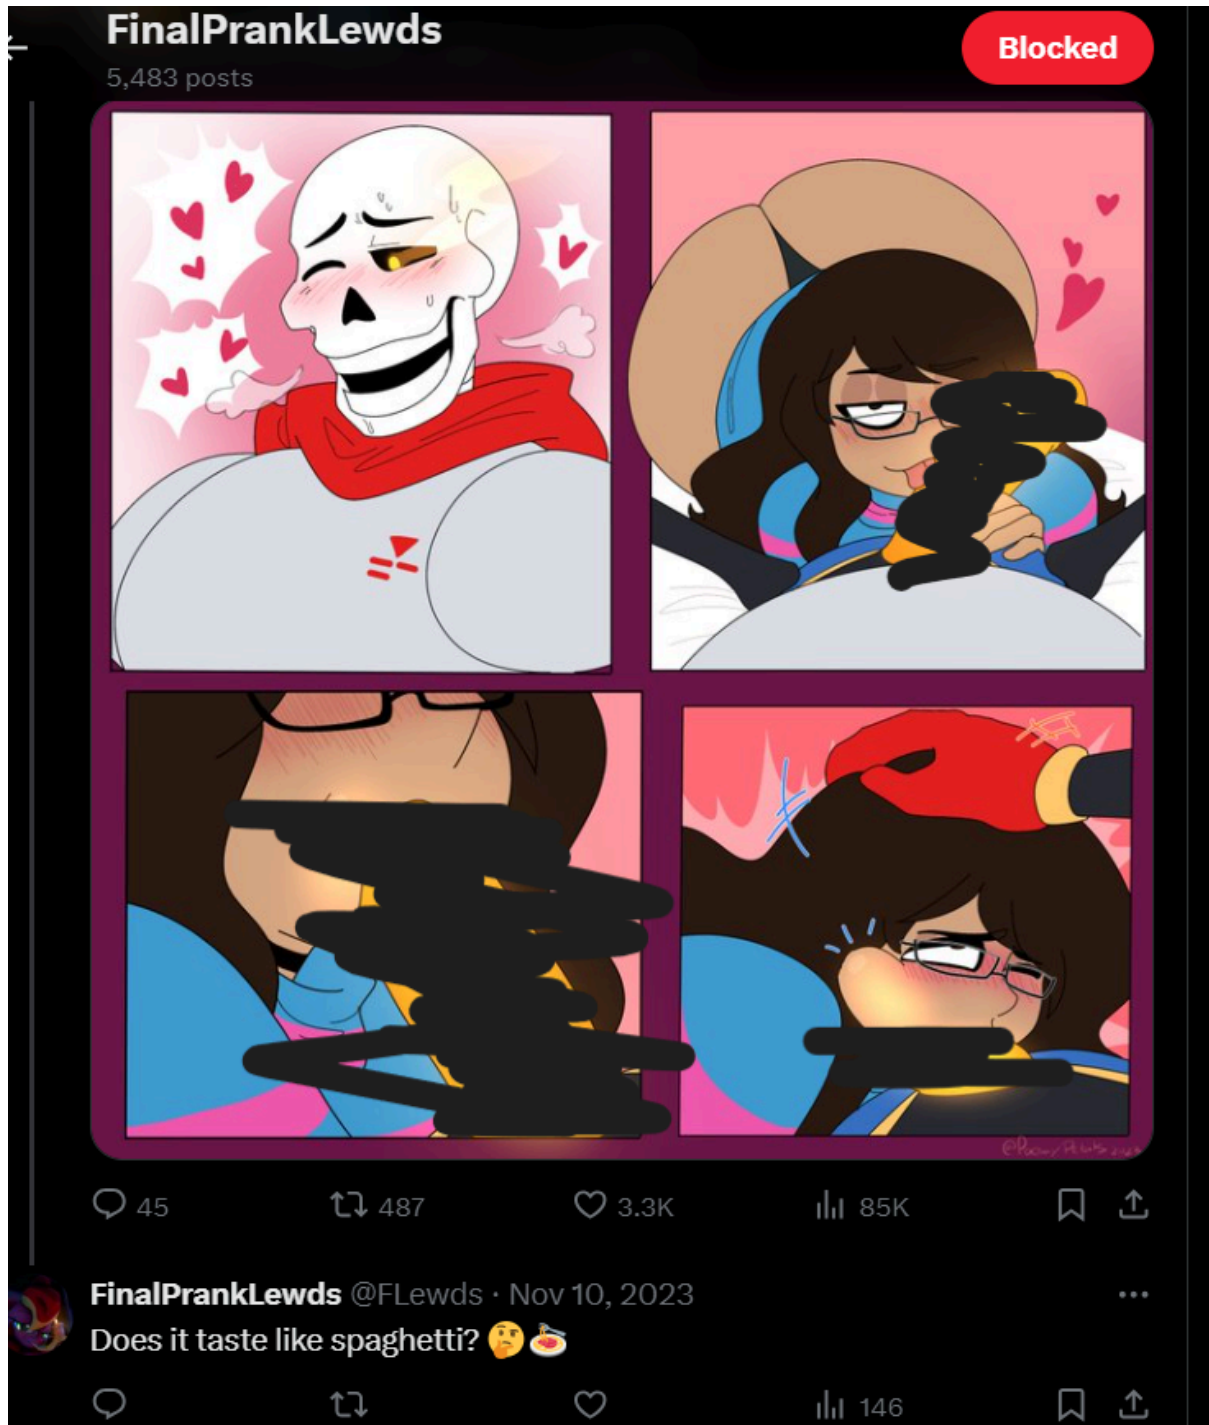

I just wanna bring attention to this one here from Clair in this screencap. See how it says “getting involved in a friendly joke that had nothing to do with your ass”. Now I know for sure you’re SplattyBoy. Because you’ve pulled this shit with me on MANY OCCASIONS! You need to mind your own fucking business and stp acting like you have the key to the fucking universe

And it gets even more hilarious when he’s still trying to continue the fight HE’S ALREADY LOST! This is even more proof Splatty relies on alts to block evade and spread shit.

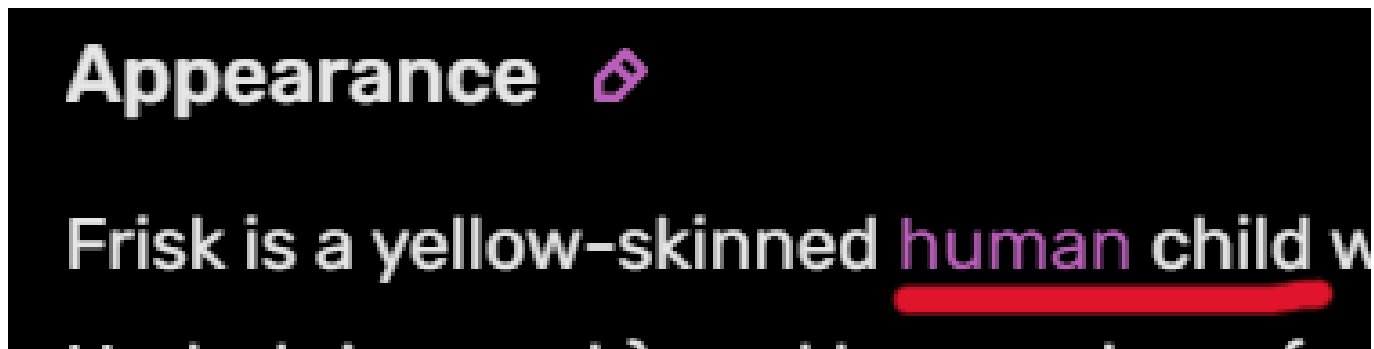

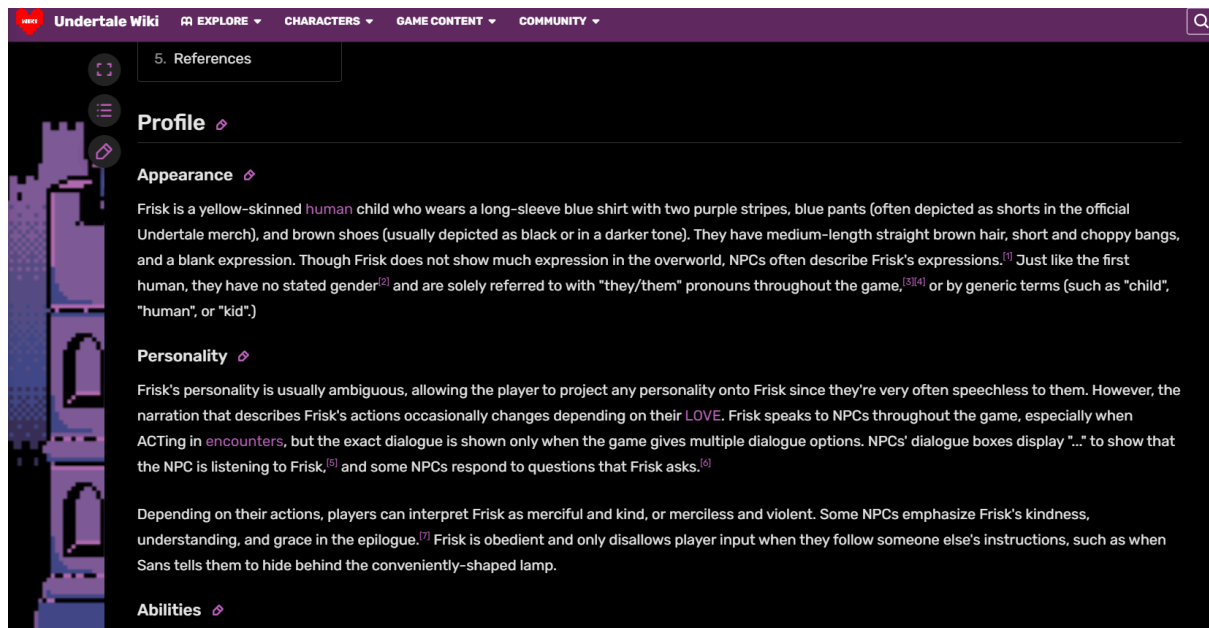

A warning to all, if you come across FinalPrankLewds, it is an alternate account of Splatty and whatever he says is NOT to be trusted. He will spread drama and hate wherever he can if it means he can satisfy whatever pathetic need for it he's got going on.

Also I just wanna bring attention to this that I have found. Censored for safety of course.

I had to censor it because it's Frisk from Undertale fellating Papyrus. I also wanna bring THIS up too. How old is Frisk? Well, according to the official Undertale wiki, they are....drum roll please....a child!

So...SplattyBoy, do you wanna explain why you have NSFW of a fucking CHILD on an alt account of yours? I dunno man, this makes you seem like a pedo, considering you seem to enjoy this sort of stuff. Actually, no. It doesn't make you look like a pedo...IT FUCKING PROVES YOU **ARE ONE!!!**

So, please feel free to say how I'm apparently a nonce when you literally have **THIS SHIT** on your alternate account!

With that being said, it is clear that SplattyBoy is NOT to be trusted! He's proven himself a hypocrite, a coward, a manipulator, a stalker, a harasser, and now a full on **PAEDOPHILE!** So...to all who associate with him and call him a friend, please read this and see what stuff he gets up to!

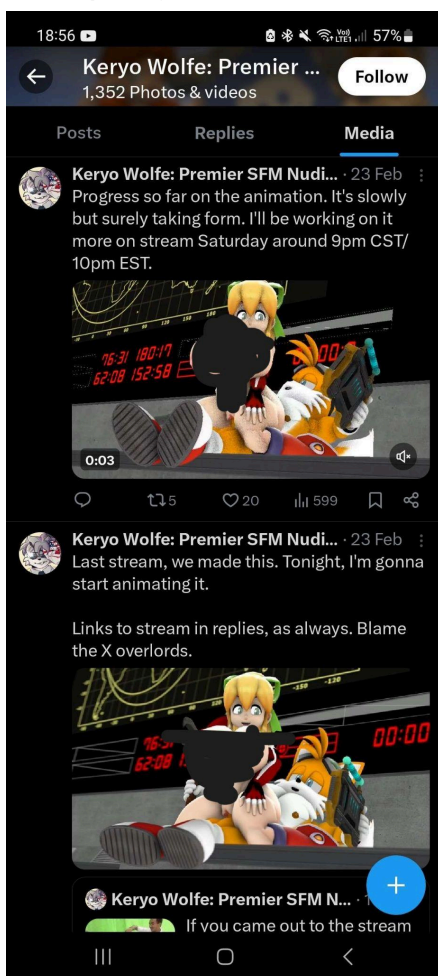

With all that out of the way, here's to hoping this Doc can be sent to all, and expose SplattyBoy for who he truly is! And hopefully he can face the consequences of his actions! I know he's gonna try and twist this around on me, but at the end of it all, it'll only add fuel to this Doc and expose him even more. And keep in mind I can and will report him to my authorities if he dares to try and pull this with me again! So...SplattyBoy, do the right thing. Admit to what you did, and leave me and my friends alone!

Ok with this done, hopefully this will be the last thing I type on Splatty. If not, then prepare for more. Do not harass or witch hunt him, he is not worth the effort and he'll only drag you down to his level. But anyway, thanks for reading this.

Update 19/07/2024

Ok so I found something else. In regards to Keiro and his actions about me and Splatty, I found this on his NSFW account

An animation of Tails the Fox, who is EIGHT might I add, having sex with someone who doesn't look much older than him. Honestly got no clue who he's getting it on with. But the point still stands. And in case you think I'm lying here, this is Tails' CANON age!

A screenshot of a Google search for "tails the fox canon age". The search bar contains the text "tails the fox canon age" with a close button (X) and icons for voice search, image search, and a magnifying glass. Below the search bar are tabs for "All", "Images", "Videos", "Products", "News", "Books", "Web", "More", and "Tools". The search results show a snippet from Sonic Wiki Zone: "Tails was also always intended to be a boy despite wild rumors of him being mistaken as a girl at the time. Tails was originally not going to have sclera, only completely black, round eyes. Yamaguchi also created Tails with the image of him being five years old, despite his official age ending up being eight." Below this is a link to "Miles 'Tails' Prower | Sonic Wiki Zone - Fandom". At the bottom of the snippet are links for "About featured snippets" and "Feedback".

For those of you wondering who Yamaguchi is, here is some info on him.

A screenshot of a Google search for "yamaguchi tails creator". The search bar contains the text "yamaguchi tails creator" with a close button (X) and icons for voice search, image search, and a magnifying glass. Below the search bar are tabs for "All", "Images", "Videos", "Products", "News", "Maps", "Web", "More", and "Tools". The search results show a snippet from Wikipedia: "Yasushi Yamaguchi (山口 恭史, Yamaguchi Yasushi) is a Japanese game designer and artist. He designed the character Miles 'Tails' Prower in an internal contest hosted by Sonic Team. He originally named the character 'Miles Prower', however SEGA wanted to call the character 'Tails'." Below this is a link to "Yasushi Yamaguchi - Wikipedia". At the bottom of the snippet are links for "About featured snippets" and "Feedback". Below the Wikipedia snippet is another snippet from Sonic Wiki Zone: "Yasushi Yamaguchi | Sonic Wiki Zone - Fandom" with a description: "Yasushi Yamaguchi (山口 恭史, Yamaguchi Yasushi), often credited as Judy Totoya, is a game designer and artist. He designed the character Miles 'Tails' ...".

Yup, you read that right. This is Tails' ACTUAL designer and creator!

Like I have said before, I do not mind aged up characters if they are actually not doing NSFW stuff, but actually doing this stuff is just fucked up. I am aware this is an NSFW account, so he's gonna make porn of characters, but JEEZUS dude! Check the age of the character! If it was an OC of yours, I

wouldn't care. But this is a canonical child! I don't care about the argument of him being aged up, it does not change the fact that Tails is confirmed to be 8 years old by SEGA themselves!

I'm starting to see why you blocked me Keiro, considering you got these fucking skeletons in your closet! You have a go at me for being associated with people who have drama to their names, and then you go and actually animate THIS shit! And you sever all ties with me because I rightfully called your friend Splatty out on his harassment. You are a true coward, you know that! Also, if you don't see anything wrong with Splatty in this entire Doc, ESPECIALLY after he used the death of my own mother against me, then you are sick and twisted! I mourn my mother's passing every day, and it's been 5 years since she died! The fact Splatty actually chose to use a really hard hitting bit of my own personal grief against me shows how disgusting he is! If you call him a friend after this, then you're honestly completely fucked up and you're just as bad as him! Actually, no. You're even worse! While Splatty just replies to porn of underage characters, **YOU'RE FUCKING ANIMATING IT!**

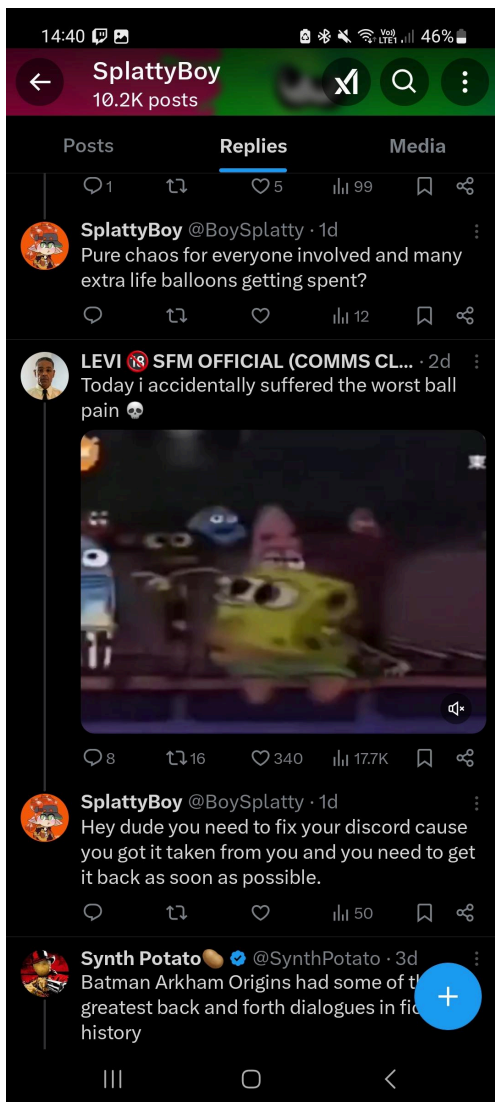

But anyway that's all I really wanted to say on this part. But seriously, Keiro. Don't bullshit your way out of this! The evidence is there, clear as day! You're even worse than Splatty is at this rate. Take a good long look at yourself, and realise that blocking me when I call your friend out on his actions, and then making animations of underage characters, I think it'll only prove us right that you are a coward and a hypocrite!

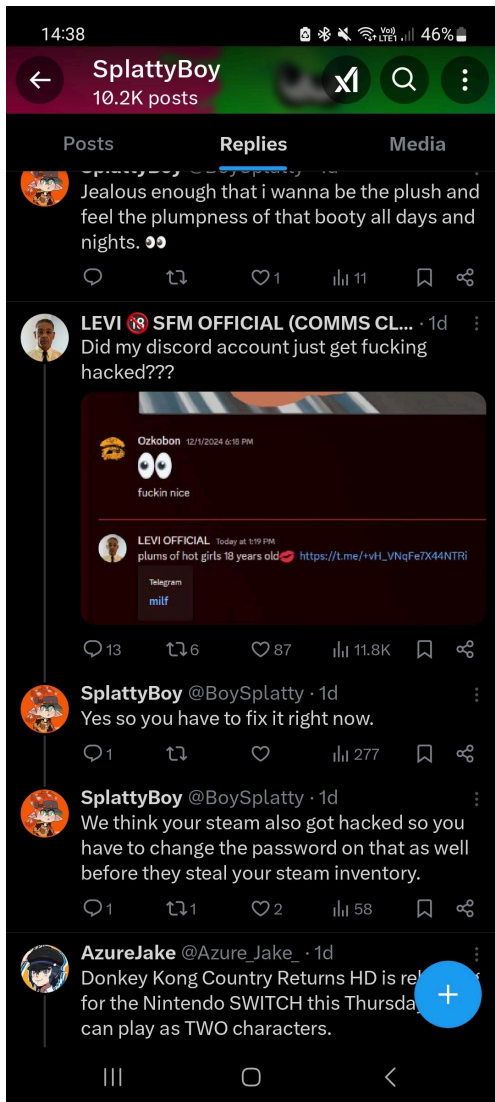

With that being said, hopefully this is the final update I'll have to make on this! I'm sick of this bullshit and I want it to end! Keiro, Splatty, Shadow, Pae and so many more. They need to learn that there are always two sides to every story. And with the evidence I've amassed on Splatty, AND how Shadow and all his friends seem to take his side instead of trying to listen to other people's sides, I think this is looking very messed up for them. Hopefully I don't have to update this Doc further but if I have to, I will.

Update: 15/01/2025

Fucking hell...so Splatty is STILL interacting with Levi. You know, the guy who's made underage Sonic porn of characters like Cream, Amy, Tails and so much more?

It doesn't matter that he was telling the guy about his Discord being hacked, he's still interacting with a guy who has literally made what is essentially child porn. Considering their ages (Cream is 6, Amy is about 12, and Tails is 8), there's reason to assume this is basically child porn that Levi has been making. Splatty, the fact you CONTINUE to associate with someone as perverted as this, yet you ADAMANTLY try to paint me as some form of sexual deviant...your hypocrisy knows no bounds.

Considering you said this on one of TheInvertedShadow's posts about ToxicHolyGrenade, who i also despise because he kept spamming his damn archive link about Shadow in basically all my DA works, this is super damn hypocritical of you btw. And let's not forget what you asked Levi to do in 2022. **YOU** wanted him to make Ninjala porn!

Do THESE look like people you could make NSFW of? Considering they're confirmed to be CHILDREN?! Especially considering that one of YOUR closest friends, TheInvertedShadow, actually stated this on one of his more recent videos. Even though this was directed at ToxicHolyGrenade, who I will NEVER stand by and I actually despise with every inch of my being, the logic behind this STILL APPLIES!!!

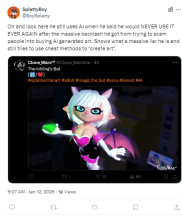

**They're still canonically

And also, Splatty, you CANNOT use the "aged up" reason, or the whole "cartoon character" excuse. They're LITERALLY CONFIRMED TO BE KIDS! End of! The sooner you get off this hypocritical high horse, the sooner you can actually see the type of person you are. It actually got to the point that you were BLOCKED by someone you were trying to commission and they outright labelled you a pedo! And that person was none other than STARLETHEAVEN! This is SplattyBoy very crazy man

AI have begun to have a great impact on my work. They seem to absorb my inspiration... Poor views and insufficient likes on my work have severely undermined my motivation. Because of this, I faced a serious emotional burnout that lasted for a long time 😞

I said that I promise not to use AI art in the future, but this faggot decided that it was necessary to use this information against me and wants to instruct even more people against me

To name.. my work.. low-quality shit but did not EXPLAIN THE REASON why they feces?! And he called my latest work a scam, my ports a scam. Fuck it all, scam!

scam scam scam scam, fucking scam fucking scam!

(Sorry if the images are small, they were sent to me via DMs from a mutual friend)

On the subject of underage, Splatty, why are YOU trying to act like some sort of horny police?

Hey @KimmyInkling weren't you that underaged kid that lied about their age, made a NSFW server, then left the internet when people called out your real age and then gave the server away to @Firefly0032 or @viradotjelly as he goes by now with him knowing you were underage?

OK I have no clue what's happened with this Kimmy Inking person but the fact Splatty actually had to make a callout post about this...seriously? Are DMs too much for you these days? Are you really this desperate that you'll tag anyone and everyone who even looks at you wrong? You did this with me, you did this with my friends, you did this with random people! I'd like for you to know this Splatty. Last year, I actually contacted my law enforcement and gave them the screenshots of your harassment campaign. ESPECIALLY the one with you trying to twist my dead mother into ammo to use against me. And you know what they said?

"This isn't just harassment, this is the criminal offence of stalking."

And they actually told me they'd get in contact with the overseas police about this. So, at least as far as I'm aware, you're currently being investigated by LAW ENFORCEMENT!!! I've heard nothing back from them so far but suffice to say this, Splatty. You should have backed off when you had the chance!

Update 24/01/2025

Oh my fucking god! So he somehow knows about what happened with me IRL! I don't know HOW THE FUCK he found out about it, but this is clearly proof he's fucking stalking me

<https://x.com/XehexTheHound/status/1871219869506781349?t=1LNQyZc3S6WYZ2Hm2giZUA&s=19>

OK yeah I posted about it on the day it happened, but let me clear this up!

For the record, yes I lied. No, it wasn't to get a free day off work. I don't know where you pull this out of your ass, but I told a lie to attend a job interview. And it was a pretty intense lie, I won't deny it. I have regretted that lie ever since i was fired.

But I was fired because I'd literally owned up to my lie. I told the management it was a lie, and so they launched an investigation, which went to disciplinary and then dismissal. When I tried to appeal, it was upheld because it had made the management distrustful of me. But the fact you SOMEHOW KNOW ABOUT MY PERSONAL LIFE proves you're stalking me

more than ever! EVEN WHEN I HAVE YOU BLOCKED! WILL YOU JUST PISS OFF YOU PEDO PIECE OF SHIT!!

And yeah, I called you a pedo. Wanna know why? Because you literally sent porn to a minor, as stated much above in the Doc. And here's who you sent it to

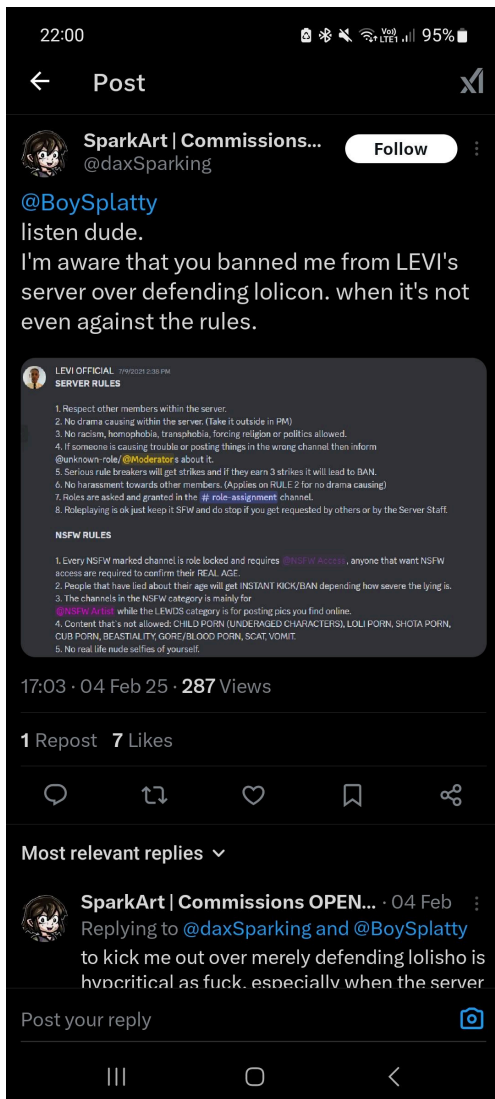

So please, do explain how people should take the word of you, a relentless drama hungry pedo defending stalker who has been found out to be somewhat of a pedo themselves by sending porn to minors and asking NSFW artists to make porn of CANON CHILDREN, over my word. Yes I've made mistakes, yeah I told lies. But I've learned about them and I don't lie half as much as you do. And I **CERTAINLY** do not use people's dead relatives as ammo like you did against me. Keep in mind, I do have an official police report in progress regarding you and I did just recently send this newest piece of info to them. So, SplattyBoy, do yourself and everyone a favour and leave me alone! Before I send this Doc to basically anyone I can! You have been warned. Considering this is almost 100 pages of your harassment, stalking, pedo defending, smear campaign against MANY individuals, I don't think it'll put a good look on you. This is your final warning. Back off! Or this will be released everywhere I can find a spot to send it.

UPDATE 20/02/2025

OK so remember when I said he had no self awareness? Yeah it turns out it's even worse. Regarding what I said about Levi, it turns out that not only does BoySplatty closely associate with that creep, he MODERATES THE DISCORD SERVER LEVI OWNS!!! I was directed to this post a while back from a friend where someone called out Splatty for banning them from the discord server

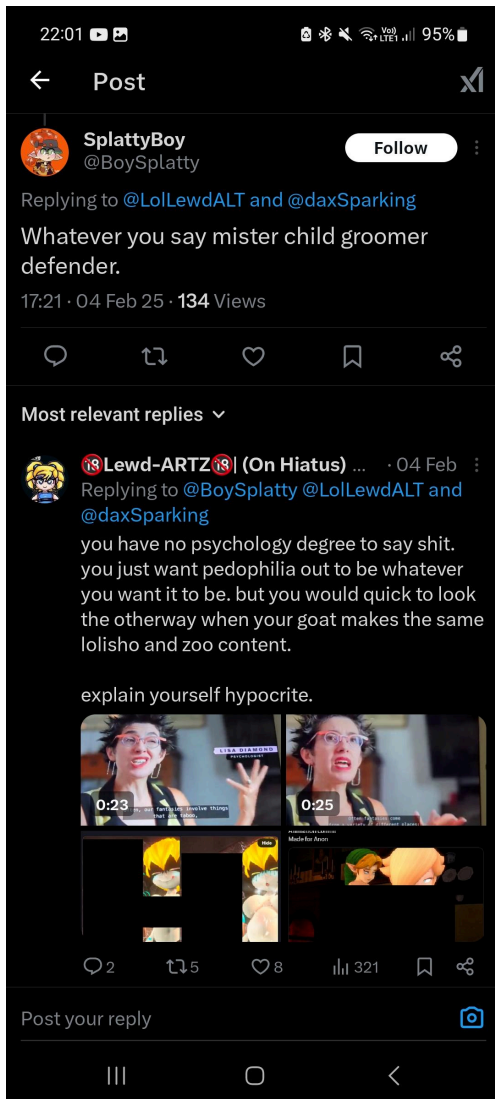

So, I'm gonna say this, I absolutely DESPISE all forms of NSFW involving canonically underage characters, fictional or not. And I don't get this whole lolicon thing. From what I understand, loli is fictional underage characters that have been aged up. I could be wrong, but I don't know, nor care, enough to look into that because it's just wrong.

It's also ironic Levi has the rule of no posting CP or loli porn, when the fucker himself LITERALLY ANIMATES IT!

So Splatty then goes and talks about why he banned them

It's ironic, he calls someone a groomer and yet we literally have evidence of him sending porn to a minor. Not to mention how he's been throwing the whole "groomer" accusation around at anyone who disagrees with him. He even used it on me once with no evidence. And then he calls this other account LewdAlt a pedo defender, only for a literal NSFW account to call him out on it

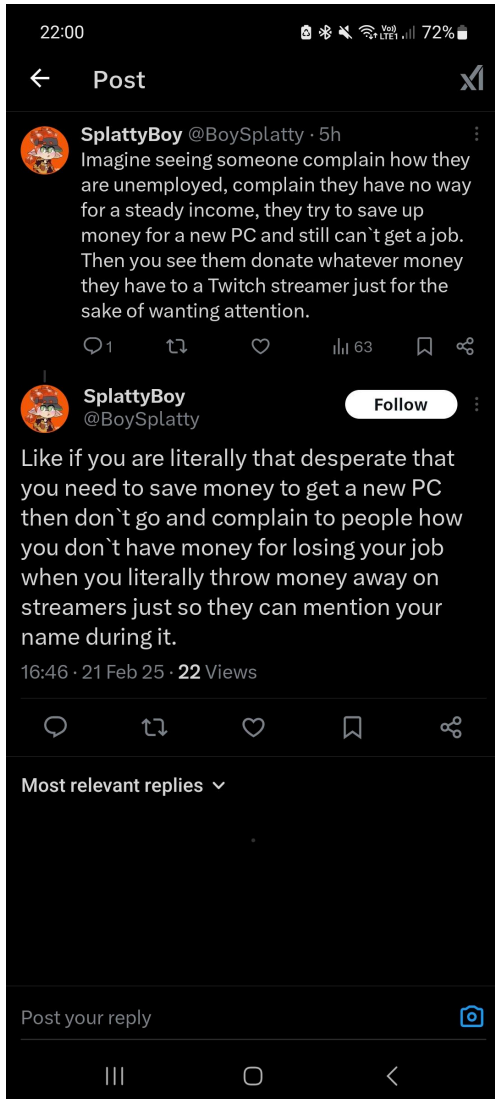

Yeah, I'm gonna be real here. Splatty, with you literally defending a guy who has made COUNTLESS porn animations of Sonic characters, with ZERO attempt to age them up to fit whatever perverted needs you have, and being a MODERATOR of his Discord server, your point about this whole situation is null and void. I don't give a shit if they were "aged up", they're still CANONICAL CHILDREN! Something that your own friend TheInvertedShadow even talks about. I would LOVE to see you defend yourself with whatever bullshit you try to pull out of your ass when it comes to people literally finding out you associate with individuals such as Levi, you hypocritical degenerate!

I also received an update from my law enforcement about the police reports I'd filed on you, and you should consider yourself fortunate they can't do anything due to us living in different countries. But the point stands, that it got to the point I literally had to contact my law enforcement to help deal with you.

Also, Splatty, you have no leg to stand on when it comes to NSFW characters. Especially when you yourself asked Levi to make Ninjala porn. Yeah, YOU wanted him to make porn of canonical children. And we've got the evidence of that. So don't you DARE try and pull some holier than thou bullshit when it comes to NSFW, you hypocritical piece of filth. How Shadow

keeps you around, despite you being banned from his server for LITERAL PEDO DEFENDER BEHAVIOUR astounds me...

=====
Update 21/02/2025

Holy shit, man...

Let me make this clear. My life is none of your business. You can pretend that I'm this bad person and try to claim all this bullshit, but at the end of the day, you're literally doing the same thing you claim I'm doing....

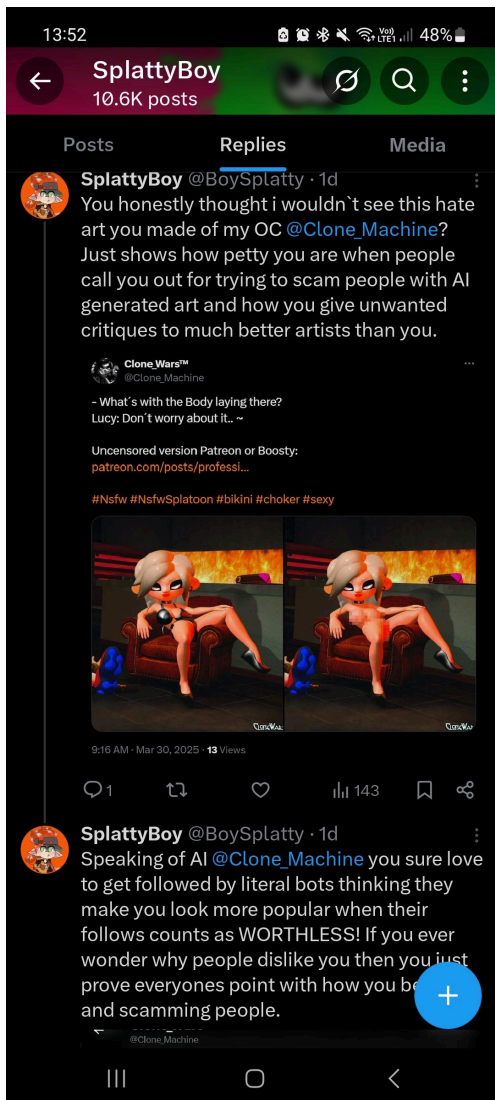

Do I have to spell it out for you Splatty? My life is NONE OF YOUR BUSINESS!!!

And for the record, you stalking hypocritical pedophile degenerate, I've recently found new employment. So shut up, fuck off, and let me live my damn life!

=====

Update 31/03/2024

Wow, Splatty. Just...wow.

Do you ever get tired of being this drama whoring piece of shit? And before you try to attack me and call me an AI art defender, like you always do because you're desperate, I don't care about what Clone does. I use AI art myself, but that's PURELY for concepts for future commissions. Makes it easier for artists if they have something to work on regarding an image instead of just a description. Especially if it's a highly detailed image that I'm asking about.

I'm not trying to make money off AI art, it's merely just to provide a reference for the commission.

Oh, and let's not forget what someone showed me earlier

You wanna explain this? Why someone's just slapped huge tits on Amy Rose? Who, might I repeat, is TWELVE?!

Don't think about using the "aged up" or "fictional character" bullshit. She's CANONICALLY UNDERAGE you filthy degenerate piece of shit.

Now, Vanilla I can understand. She's an actual adult, she has a daughter. But considering how you like to slap the "fiddler" label on anyone you don't like, maybe look in the mirror you literal DEGENERATE! It's bad enough you moderate a discord server run BY someone who makes this shit, but it's even worse when you literally suggest they make more of these, as well as wanting to slap breasts on underage characters. You're fucking disgusting. You're honestly one of the most hypocritical people I've ever met. Soon as you see something you don't like

"Oh that bad. Artist is pedo"

Soon as it's THE SAME THING made by someone else, especially someone YOU KNOW

“Oh I like. Make more”

You're honestly delusional. You're in your damn thirties and you're jerking it to canonical children who've been given huge tits. I'm pretty sure that makes you a PEDO!

And clearly you have no idea who that artist really is. I happen to actually KNOW them! This “AI art” you refer to? That's a program called CharaStudio. AND the characters you see there? They are characters created by that artist and his friends. They're OCs.

Maybe do a little research before you blindly try to accuse me of having AI art generated. Fucking dumbass....

Also, it's pretty fucking rich of you to accuse ME of liking this sort of stuff, when you literally MODERATE A DISCORD SERVER run BY a guy who makes porn of Sonic characters. Including Cream the Rabbit, who is SIX YEARS OLD! And Tails the Fox, who is EIGHT! And even Amy Rose, who is TWELVE! You know what that makes your friend? A goddamn PEDO!!

But please, do go on and on about how I'm suddenly the worst one for apparently liking AI art and following an artist who actually uses a genuine site to model characters into carrying poses.

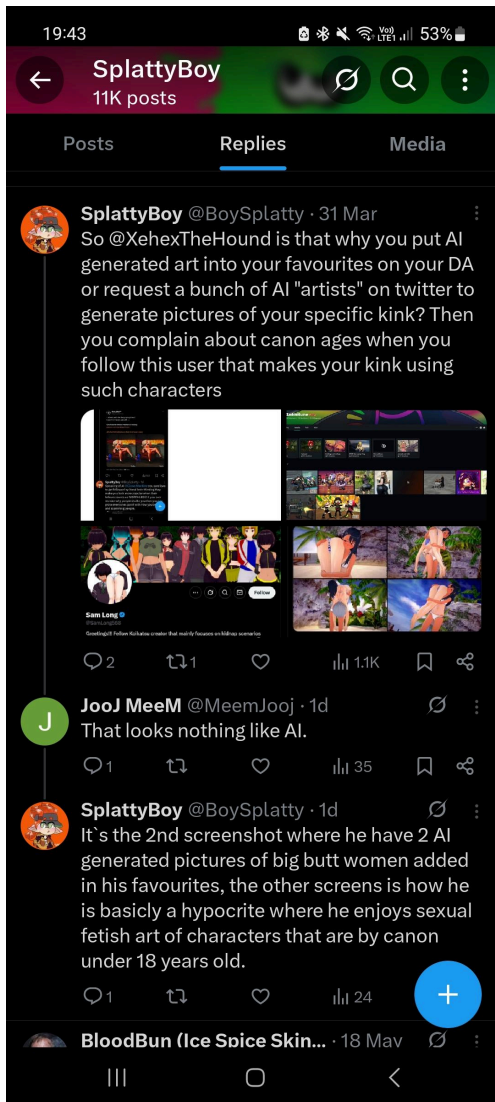

Here's an idea. Do your research, look in the mirror, and realise that your friend Levi is animating what is essentially child porn. Don't use the whole aged up or fictional character excuses, because you don't get to use that. You literally moderate for a guy who is essentially a PEDOPHILE! And you even suggest for him to make Ninjala porn, despite Ninjala characters being confirmed to be CHILDREN!

You know what that makes you? A pedophile as well! If you have lewd thoughts about Ninjala characters, or anything like that, then you've clearly got something wrong with you. It doesn't matter if they are fictional or not, they're STILL KIDS!

=====

Update 5/6/2025

So he's still at this...

Don't you literally moderate a Discord server run by your friend Levi? A guy who has actually made Sonic porn of underage characters like Cream the Rabbit, Tails the Fox, Amy Rose, etc?

Also, maybe if you did ANY research on the individual in your "evidence" against me, you'd know those are characters HE created!

With the fact you literally got banned from TheInvertedShadow's discord for being a pedo defender, and StarliteHeaven even flat out CALLED YOU a pedo, and the fact you MODERATE FOR A PEDO yourself, you get zero right to judge anyone. Any input you may have on me is null and void, because if I am a "hypocrite" what does that make you, Mr "I sent porn to a 16 year old by accident"? Yeah, don't think we've forgotten THAT!!

You've literally had people calling you out on stream for this pedo shit of yours too, so what right do you have to judge me?

Also, do you wanna explain this?

Considering how that's literally a Mawile from Pokemon you're jerking it to, I don't think you really have any leg to stand on. I'm pretty sure this is bestiality. You know, fucking an animal!!

Sorry, buddy boy. But it looks like your own logic applies to you. Maybe try a new line of work. Like maybe getting your own fucking life in order?! You're in your thirties, and you literally do this shit? Grow up and act your age. I'm 24 and I'm able to find a job and actually spend time in real life with people I know. Maybe take a leaf out of my book, considering how much you're stalking me.

=====
Update 9/6/2025

So I was alerted to this exchange between Splatty and someone who also hates Tyler Wilson. They were discussing the shit Tyler has done and how he's still able to watch certain streams on this website called Pomf, or whatever. Needless to say, SplattyBoy has literally no sense of self awareness when he says this

Mate, you LITERALLY moderate for a guy who has been making Sonic porn for AGES! You have no right to judge anyone when you literally work alongside a guy who is essentially making child porn himself.

You know, that stuff of Cream the Rabbit. Who is 6! Tails the Fox, who is 8! Amy Rose, who is 12! And Rouge the Bat! I don't know her confirmed age but most sources say she's about 16! The point still stands. These are NOT adults! They're not of legal age. I'd like to quote TheInvertedShadow on this

"They're still canonically children. You have no excuse"

So why is it you suddenly get a right to judge others when you also do this exact same thing. Also doesn't help I still recall you saying Levi should make Ninjala NSFW in 2022. And Ninjala characters ARE CHILDREN TOO! You know what this makes you?! A **PEDOPHILE!!!!**

YOU suggested that Levi make what is essentially child porn. You asked him to consider it. So don't you DARE think you have any right or authority on any matter regarding NSFW!

You're in your thirties! **GROW THE FUCK UP!!!**

And yeah, since I know you're reading this, just want to let you know that my Google Doc has been getting some good traction in some communities thanks to some friends of mine sharing it around. Your days are numbered Splatty!

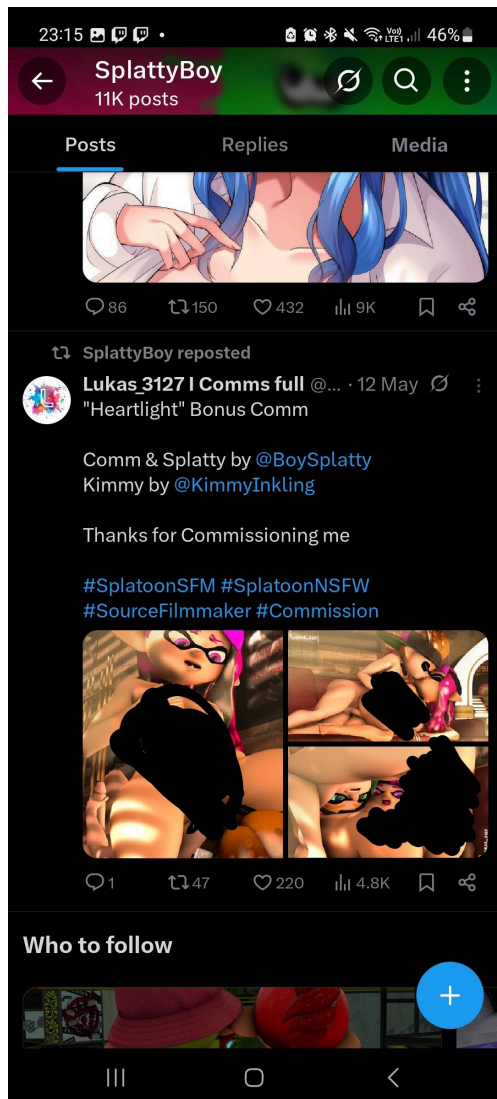

I also just wanna say this. My friend, who I will not be naming because I know how quickly you'll target him since you're an insufferable manchild, has been really helping with the Doc sharing. He's even shared it with multiple friends of his and asked them to share it too.

I was also alerted to this from a few days ago

Like I said, literally no self awareness considering, as I've said before, the images in that post were OCs created by my friend! They were confirmed to be old enough! Seriously, do you not know how to read or even have the basic analytical skills?

Also, it's pretty fucking rich of you to say that I'm a hypocrite for apparently liking fetish art of underage characters, yet YOU **LITERALLY PAID FOR THIS PIECE OF FILTH!!!**

Aren't Splatoon characters, by your own logic, "canon under 18"? I dunno, let's check...

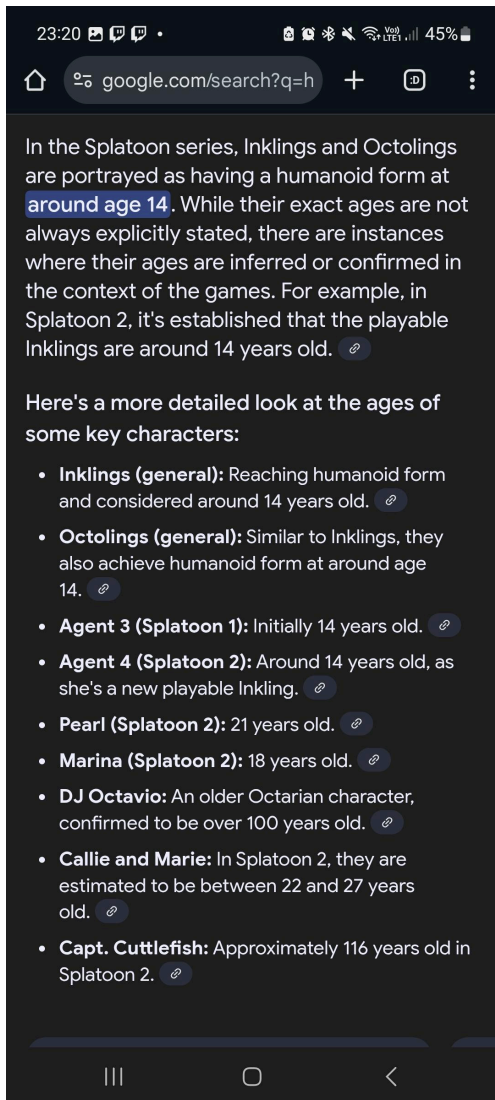

OH WOULD YOU LOOK AT THAT!!!

Inklings usually begin life resembling squid [paralarvae](#), but grow into an increasingly human-like form as they age. By at most the age of 14, Inklings gain complete control over both these forms and can change between humanoid and squid at will. In *Splatoon 3*, Inkling models have undergone small design changes, becoming slightly taller, and having more rounded and less squat faces with a visible chin. According to [Hisashi Nogami](#), playable Inklings, thus at age 14, are around 4'11"/150 cm tall; several non-playable Inklings are shown to be taller or shorter, independently from their age, as in the case of [Pearl](#), who is 4'10"/145 cm at age 21.

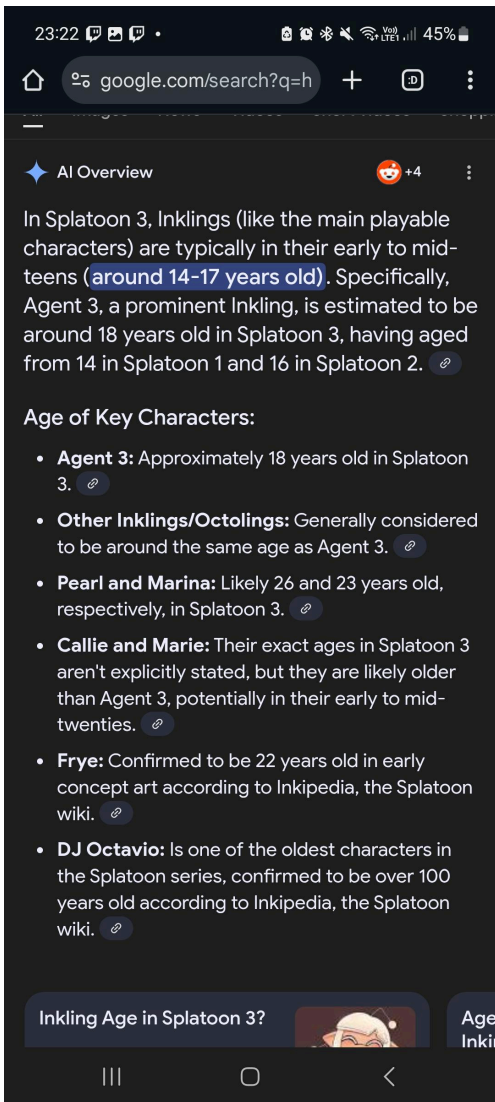

The humanoid form, sometimes referred to as "kid" form, especially in promotional material, is similar to that of youthful-looking humans with cartoonish proportions, but with notable differences. Instead of hair, Inklings have tentacles coming from their heads; they are colored on the outside, and white on the inside. The outside changes to match an Inkling's [ink](#) color, and usually features a spotted pattern above a gradient to a secondary color at the tip, most notable on the longest tentacles; in *Splatoon* and *Splatoon 2*, the gradient is towards a darker shade of the ink's hue, while *Splatoon 3* has it be a contrasting color. Older Inklings can also have facial hair, as seen in characters like [Cuttlefish](#), [Quinn](#), and [Mizo](#).

Inklings' eyes are surrounded by a black "eye mask" connecting above their nose (with the exception of [Nami](#)

Granted AI overview isn't ENTIRELY reliable but it still gave me a lot of info...

Before you start going on about “they got older in Splatoon 3”

Notice how it says Agent 3 is ESTIMATED to be 18! No proof! For all we know, they could still be 17 but are just over halfway to 18!

Still too young but this part is honestly a little debatable.

Also, isn't this the SAME person you called out a few months back? What the hell happened to make you so forgiving? Is it because they're ALSO a Splatoon character?

You may be in your 30s but you clearly have the mindset of a pervert and honestly, you're proving yourself as more of a hypocrite, a pedo, and a pedo defender as time goes on.

Maybe consider yourself before you judge others. Then you wouldn't be exposing yourself as a hypocritical pervert!

My OC Bio.

Name: Splatty

Age: 30

Species: Inkling

That's nice. Maybe now that you're closer to being in your forties, maybe you can **START ACTING LIKE A FUCKING ADULT!!!**

I know that you like to read this Doc, so I'm putting this here. You are almost FORTY years old. Get a life, get a job, get out of my personal business, and maybe get laid once in a while so you can stop stalking the younger ones.

Anyway, on this note, this is likely the last I'll talk about this hypocritical pedophile degenerate. Maybe he can learn to fuck off before this gets even worse. Keep in mind, I do have a video of this Doc on my YouTube channel

<https://youtu.be/W1Ru4XIYh7Y?si=UOCO4FrMOPHXz4t6>

It's a little dated, considering I recorded that before several instances of drama between me and others. The pinned comment at the top will tell you more.

But hopefully Splatty can actually learn to leave me the fuck alone. Hate to say it man, but you're literally turning into another version of Tyler Wilson.

Yeah, I fucking said it!

You're basically doing the same thing he's doing:

- Relentless stalking
- Harassment
- False information spreading
- Pedophile behaviour
- Getting banned for said pedo behaviour
- Falsely claiming I'm a pedo with barely any evidence
- Dragging people into the drama that they didn't need to get involved in anyway

Minus the OC theft, doxxing threats, and wishing harm, you're slowly turning into another version of him.

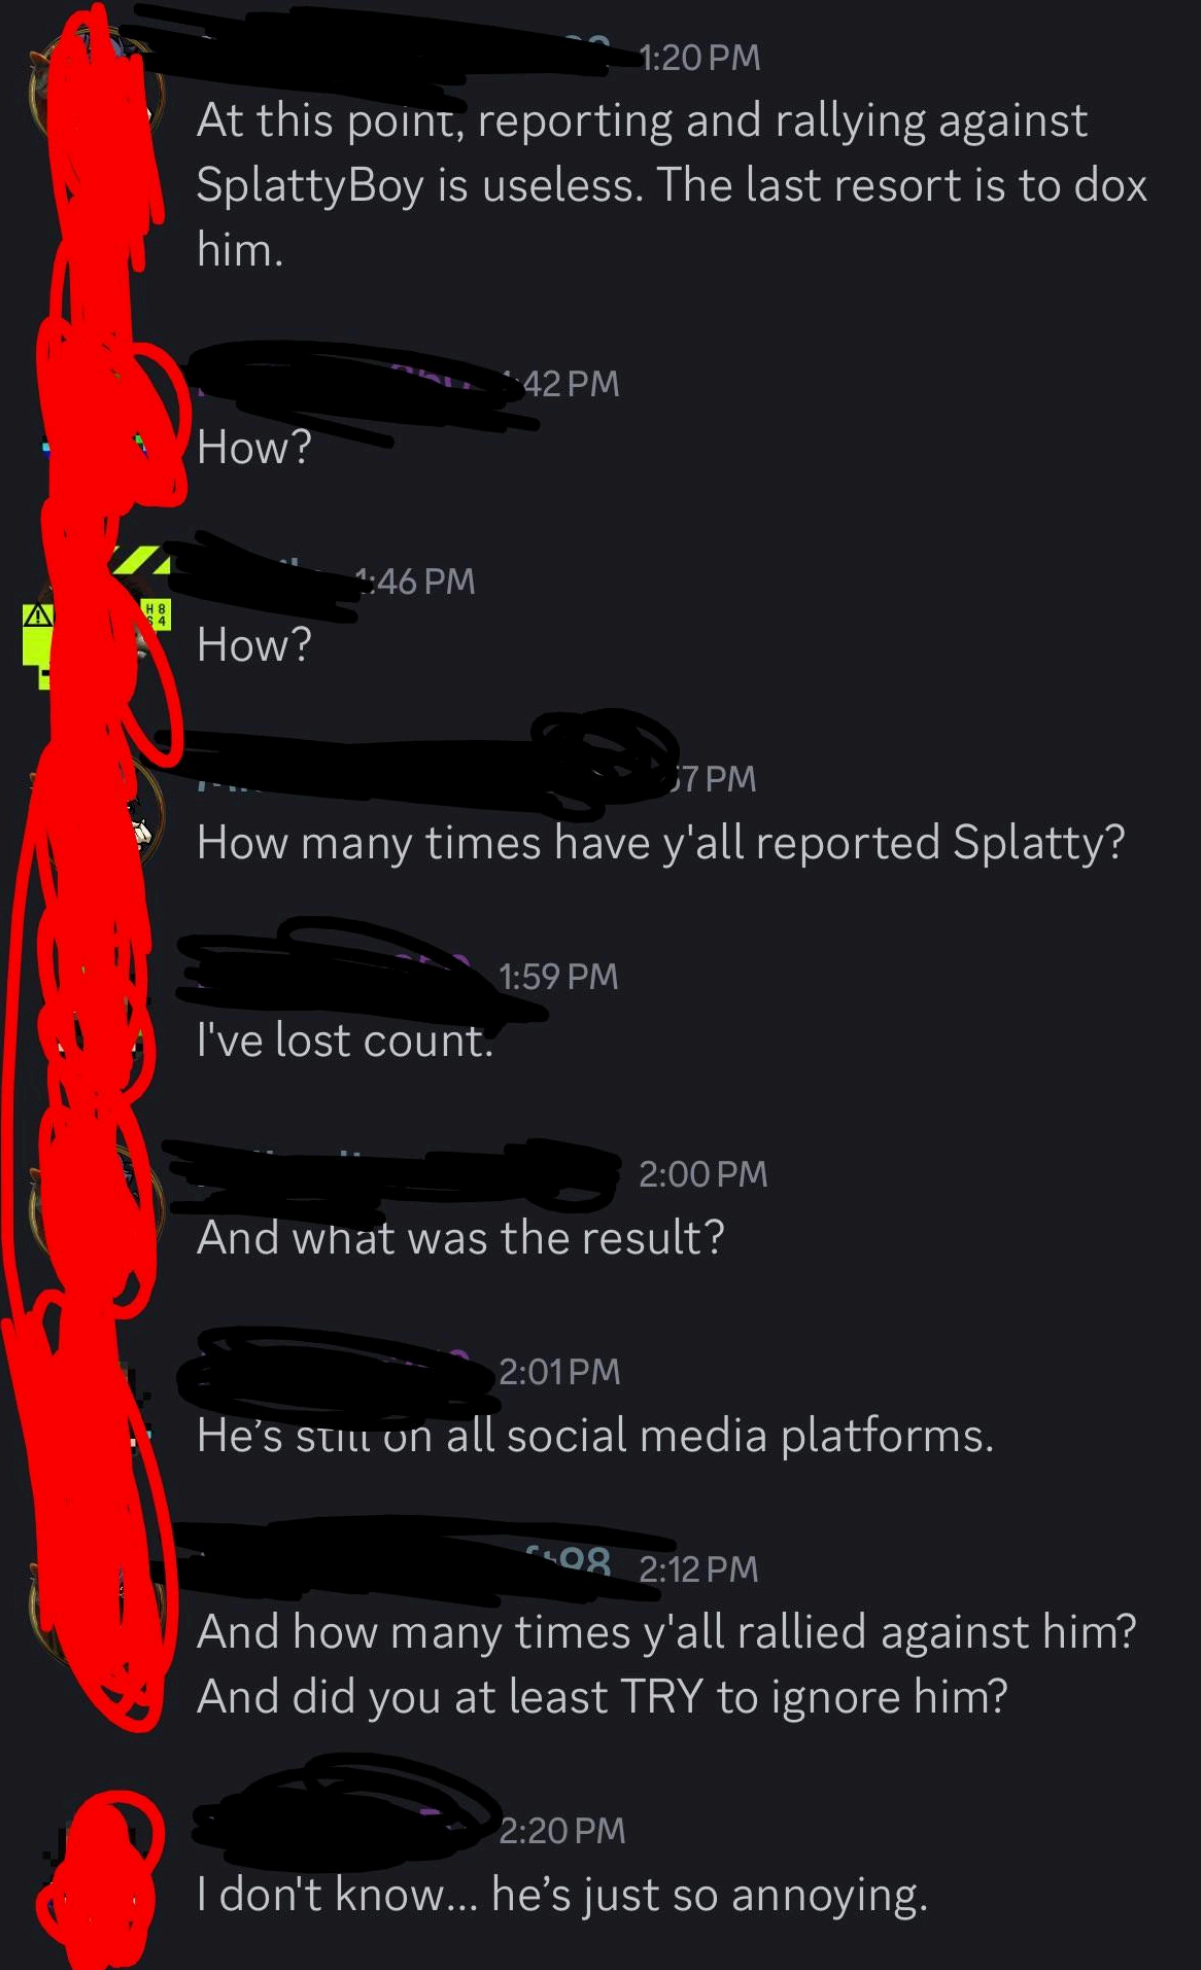

I'm not proud of this comparison, but it's true to an extent.

Seriously Splatty, fuck off!

And before you try to make another post on me trying to claim false bullshit, I have actual screencaps of you being a pedo defender, and admitting to sending porn to a minor, as well as moderating a discord server RUN by a pedo! This isn't a threat, it's a warning. Stop this smear campaign, or I'll happily send those images to those I know.

I also want to make this very clear. A friend of mine who's also had problems with you has spoken to his own friends and they've literally stated that if you don't stop, they would look into doxxing you as a very last resort. I'm saying this since I know you like to read this Doc and claim "oh no context, not true"

Names and PFPs are censored cause I **KNOW** your ass will witch hunt them!!

[Redacted] 1:20 PM
At this point, reporting and rallying against SplattyBoy is useless. The last resort is to dox him.

[Redacted] 1:42 PM
How?

[Redacted] 1:46 PM
How?

[Redacted] 1:57 PM
How many times have y'all reported Splatty?

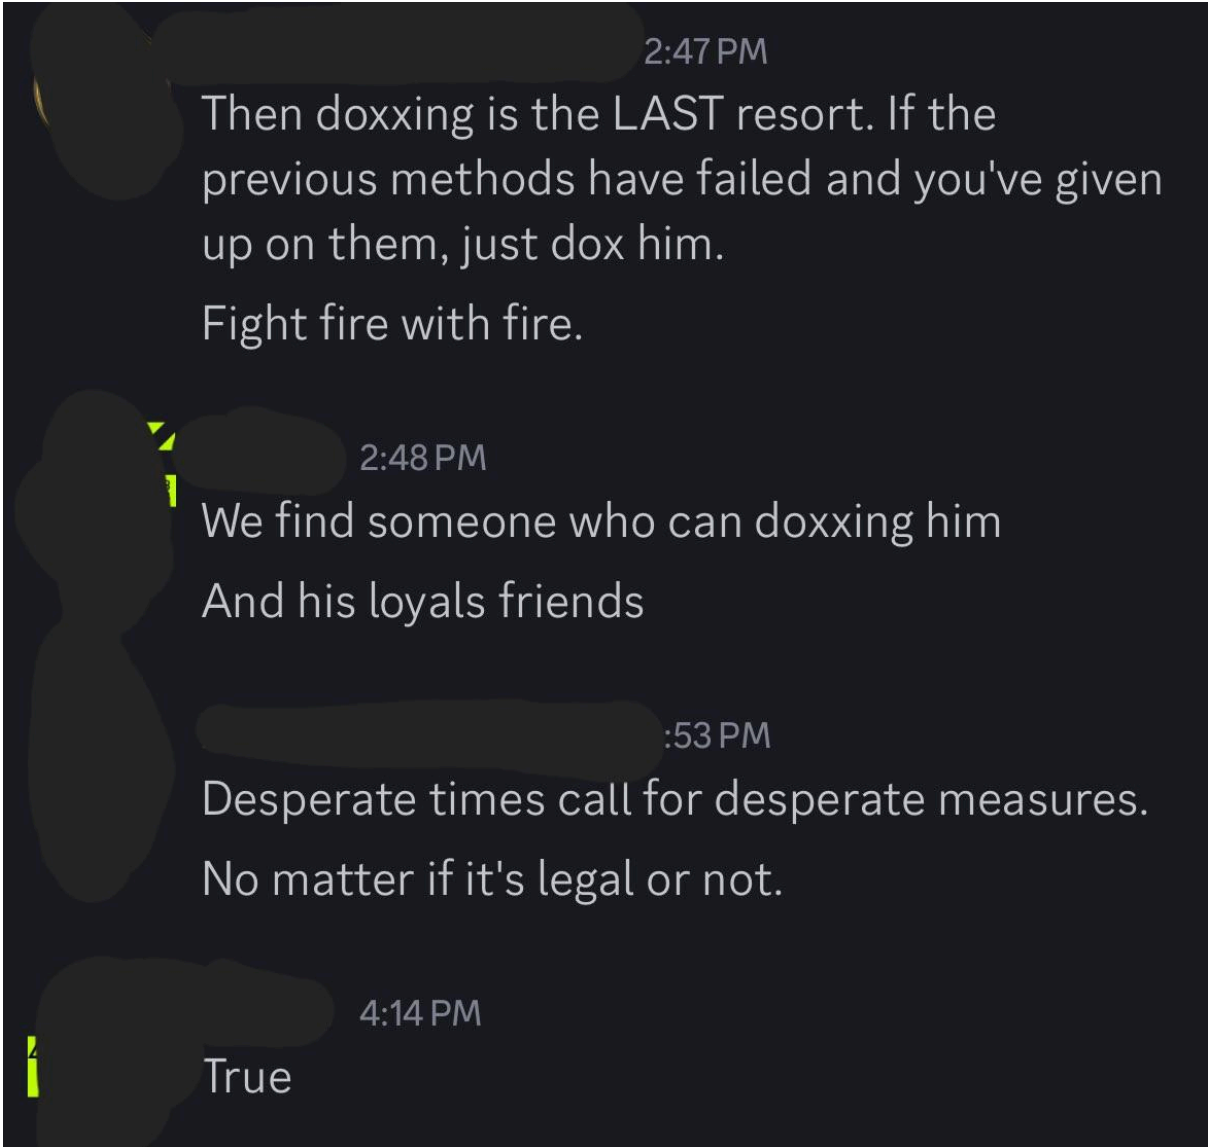

[Redacted] 1:59 PM
I've lost count.

[Redacted] 2:00 PM
And what was the result?

[Redacted] 2:01 PM
He's still on all social media platforms.

[Redacted] 2:08 2:12 PM
And how many times y'all rallied against him?
And did you at least TRY to ignore him?

[Redacted] 2:20 PM
I don't know... he's just so annoying.

I'm just saying this now, as much as I despise your existence, I won't stand by that action. I hate you and I genuinely don't care about you at all, but even I won't go as far as to destroy someone's online safety. I have my limits and this stuff won't ever be something I'll stand by.

It's merely a warning. Stop what you're doing or you may end up pissing off the wrong people, and I won't be able to stop them.

Here, lemme reiterate what was said, in big bold letters, so you can read it properly

Ah yes @XehexTheHound you say you "don't support doxxing" when you are totally fine in protecting the identity of the people with one of them being @BreakerDogFan which is basically the same as you supporting them doxxing people cause you protect them by censoring their names.

you are prepared to realise making such threats won't escape unnoticed. 🙄

Actually, this BreakkerDogFan was NOT involved in it. In fact, I literally don't talk to them. Before you pull the "you know them because they follow you" crap, I don't know every single person I associate with. Also, that account is following over 3000 other accounts. Which is still tiny compared to you following over 7.5k accounts.

As a matter of fact, it was between a friend of mine and some others who you have harassed constantly. I censored their names because I knew you'd witch hunt them like you're doing to me. It's ironic you said I wasn't trustworthy because I supposedly stalk and harass others. Pot calling kettle black here.

For the record, it ISN'T the same as me supporting them doxxing people. Need I remind you that you used the passing of my MOTHER against me a few years ago. By your own logic, it seems you stand in support of using the passing of family members against your target.

And don't think I've forgotten your little friend Levi who makes Sonic porn. You're guilty by association because you moderate for that creep. By your own logic, since you're supporting Levi, you support Sonic porn being made. Porn of UNDERAGE characters. So by association, that makes you a pedo. And you cannot say "they're aged up", or "they're fictional characters". They still are canonically children. You have no excuse, you degenerate.

Look, I know you're about 40. I get it, you're old. So maybe buy a pair of glasses because evidently your eyesight is failing you. And seeing as you apparently have a job, maybe focus on that instead of going after a 24 year old. You seem oddly fixated on attacking the younger people. Hmm....I wonder why.

In a nutshell, BoySplatty.

You are an ignorant, out of touch, overrated, pedo defending, cherry picking, victim card playing CHILD PREDATOR! Get your near 40 year old ass back in the real world and maybe focus on your actual job. Which is a miracle you even have one, considering how much you're going after me. Don't forget, you yourself ADMITTED to sending porn to a minor. So don't think yourself innocent. Maybe if you'd just minded your own business and maybe LEFT ME ALONE WHEN I BLOCKED YOU, none of this would be happening. You're a grown adult going after those younger than you, block evading them, trying to spread false allegations, and even getting involved in stuff that has **NOTHING TO DO WITH YOU!!!**

You know who else does this stuff, and has been doing it for a long time? **TYLER WILSON!!!**

You are essentially becoming another version of him. Had you just understood the meaning of the words "Leave me alone" and actually gotten on what miserable existence of a life you have, none of this would be happening. But you CHOSE to fuel the fire. You CHOSE to stalk me. You CHOSE to continue this attack. And you're reaping what you sow. You've made a

LOT of enemies, some of which hate me too. Let me reiterate what I've said before, Splatty. And get your reading glasses so you can actually understand this

Though I despise you with every inch of my being and I would not shed tears if you got terminated online, doxxing people is an action I would never consider taking. I have my own limits. And they stop at the legal action section. I've already contacted MY law enforcement and they couldn't do anything since you're in Sweden. You are lucky because of that. I am warning you of this. If you continue down this path, you will inevitably make enemies of the type of people who DO NOT have my restraint. They WILL actually destroy your personal life. All because your arrogance and self-righteousness blinded you to the hypocrisy and irony of your own actions. I am not saying this as an implication. I am saying it as a warning. One day, you WILL cross the wrong type of person. And you WILL be held responsible for it. May not be me, maybe it'll be someone less restrained. But the more enemies you make, the more likely you are to suffer from this.

So, just to make sure you understand. Stay away from me, stay away from my friends, get on with your own life, and maybe focus on your job instead of spending time hunting down the younger ones on certain sites.

Replying to @LeexyLee_ and @BoySplatty

Does this person know they just did porn for a creep, stalker, and a pedophile? Honestly, you have a go at me for my own interests, yet you literally pay out of your own pocket for porn of yourself banging someone in the shower....

How hypocritical can you BE?! Not to mention that the Splatoon/Splatsource community is rife with sex offenders and perverts. And you're proving yourself to be one of them. You have this go at me for apparently jerking it to children, the claims of which have been disproved time and again, and then you pay for porn of yourself in a community where the characters are at most just beginning their adult years. Surely you got other OCs you can pay for instead of this filth?

But yeah, the fact he has a go at me and several others for apparently being child fiddlers, despite obvious proof that the characters involved are not children, and then pays for him dogging someone in the shower...not to mention him being a mod for Levi, a guy who has actually made porn of CANONICALLY UNDERAGE CHARACTERS, it shows his lack of self awareness. Seriously Splatty...if you wanna call people out, probably best not to surround yourself with creeps like Levi. Keep in mind, we still have those images of you literally being banned for being a pedo defender, AND StarliteHeaven calling you out on it too.
