The Mike Miske Jr court case, should be thrown out……

Photo of (unaware?) Aiea Mormon Bishop and Honolulu Prosecutor Scott Bell Jr (which should be Mike Miske Jr, too, in an even exchange) who worked in the Hawaii Court all-his-life ……

“Can he drink alcohol, lifelong, on the weekends in Kaneohe? One future day, did he want to, get real, and copy Uncle Scottie Sato Sr and became a construction foreman instead?”

Why. Because deceased senior-citizen uncle Scottie Lindsay-Sato Sr and Uncle Rodney, lifelong best friends, born many years later - lifelong hated, the memory of their oldest step-brother Frank Jr “the creation of Frank Fasi” who died in a fighter jet in World War II at the age of 20/22 years old. “Senior-citizen Uncle Scottie Lindsay-Sato Sr (died in year 2015/2017), a construction foreman, got drunk every weekend at the Sato Estates (a farm, river, horses and stables, ranch, including 3-4 houses) in Kaneohe.”

Uncle Rodney lived in Aiea, and, “they ran-over, stomped the head, switched the body-figures, of Frank Jr’s ideal future wife, for example, all their life” to switch lives, moments for life, identity…..

Senior-citizen Uncle Rodney, looks, like “Putin” (still after the life, lives, of his unaware oldest-step-brother, who was an only child in year s1940 of the firstmarriage named Frank Jr)…….

(Long ago, “a Mrs and Mr Church, were the Head Pastor’s and owned, their very own Southern Baptist Churches, where the Klu Klux Klan and Head Wizards would attend”.) (Mormons were Black “and (the Kapolei Rock Quarry) Sonny Ching or Scott Bell is/was not Princess Abigail’s Husband”, in, what, all, should further turn into “Black venues and Black events under a new and improved (hawaii-african Shakazulu) moral Black Wizard (while Utah [a Utah Prison or Utah Correctional Facility for example], to hold, those reading the Holy Bible in overpacked [filled to capacity]
Gaza/Israel/Jerusalem], Utah intakes (filled to untamed capacity) Israel”.)

Princess Abigail was Pearl City, Hawaii, “ancient 100%-White Head-Pastor Pearl Honeychurch, forest owner and prescription drug company owner”. People “inheat (for a particular female or male)” or “crazy people”, for example, wont “change their ways, for a better” after meeting a (deceaseds2023) Hawaii Princess Abigail…….

A (a lot of) bad news is, “the creation of McKenna Maduli” is their 3rd-best-friend senior-citizen maui-male Victor Locke. Hoochi-mama-s1997 Lanamalie Villegas was, to unpolished at the Local Airport, year s2007 within a bundle of jealous/revengeful unpolished females, and so “Honolulu Airport was ranked, one of the ugliest airports in the whole world 2008-2015”, until hoochie-mama Lanamalie Villegas (McKenna Maduli) was naturally polished with a real and natural self-respect……..

The “bundles of jealous females” fired others, within the Honolulu Airport “for no apparent reasons” (is Let’s Talk Story, in an expired and rotten year, about noapparent-reasons?)……

“Brother IZ” was a raped cherry……

“Kala’i Miller” was a raped cherry…….

AlaMoana-Fisherman deceased-s2008 Mr Al Grace “who’s self and blue fishing boat (blue suede shoes), was in the Elvis Presley Fisherman movie” was-not a raped cherry……

The Mike Miske's court case, needs to be thrown out because……

"They are-not Joe Moore's love-affairs before he worked for TV News" but they ALL are SHAME, who still can-not advertise "they are fooling around" for other reasons…….

She was originally (found murdered-1998 in kalihi valley stream, male-6ft-transvestite prostitute Gerome Siamani, today age s40, the samoan chiefs dark-brown grandson, "Gina's youngest brother") (because they did-not seek after his killer, murderer, and made a burial-peace instead) kamehameha schools band-sector-captain Mrs Gillette Kahiapo, wife of Gerome Kahiapo 1998s. Gillette began a loveaffair with lana'i dark-brown philipino Andrew Gombio 1999s to 2008. Gillette divorced Gerome Kahiapo in 2008 and married Andrew Gombio on the island of Lana'i. Gillete Kahiapo has 2 daughters from others……

"kamehameha schools psychologist Shayna Ashley, the original" can-not advertise "another man" or "another son, from any love affair, named Johnathan Fraser"……..

Your donation will help us to defeat Donald Trump this November

Sponsored · Kamala Harris

Together, I know we can win this election and save democracy.

Because their (those 2) "dream guy" is "another guy". They were ?fooling around? and met their, soon, to, be, publicly appropriate Husband "to calm their heat, craziness"……

While another Mrs Kelly Napuelua (and she, looks, like, Kamala Harris and Kelly Kitashima) -- Mrs Kelly Napuelua was addicted to illegal drugs s1998, and was door-to-door prostituting herself in the new1998 Waianae Hawaiian Homestead, when I first met her. She needed to see a doctor for a head tumor and died 3 months later, in 1998, after I first met her at a Waianae Housewarming Party Weekend…….

Photo of mom Shelly Miguel and son Johnathan Frasier

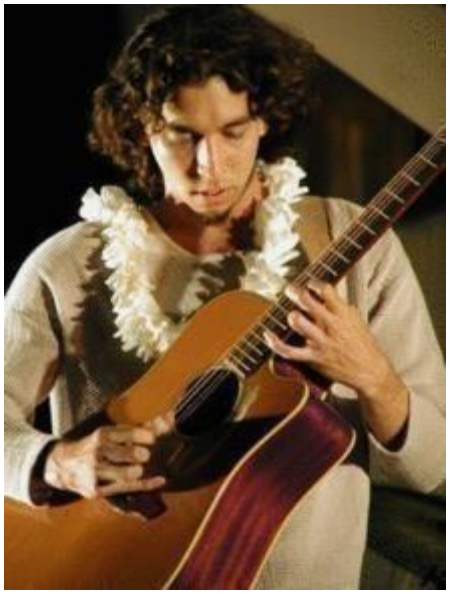
Pafuti Vaana "the younger sister of Esther (famous person Michael Jackson's mom)" (the hawaiianlanguage-church Pastor's 2nd-Ex-Wife Esther) looks, like, "photo Shelly Miguel (with her son Johnathan Fraser)"…….

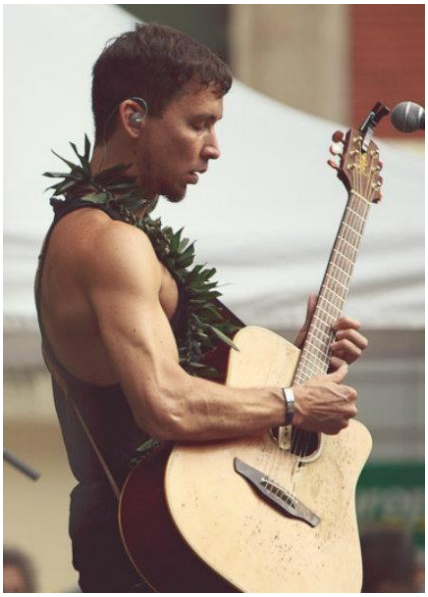
Pafuti Vaana (hawaiiian/samoan), had 3 abortions with 100%-japanese Kevin Kikuyama 1993-1995, and 3 sons (who became high school football captains) with Kevin Kikuyama 1995-1998…….

Johnathan Frasier is-not (2 photo's) distinguished hawaii, slack key guitarist Matt Swalinkavich……..

Matt Swalinkavich loved (the creation of McKenna Maduli) (senior-citizen "Tiny-TV's" Wife) his school classmate Lanamalie Villegas "McKenna Maduli", age 43/44 years old, all his life…….

Pafuti Vaana's (Shelly Miguel's) high school dearest friend was Matt Swalinkavich. Pafuti and Matt, sung songs together, performed together in high school assemblies…..





Pafuti Vaana (Shelly Miguel) went on dope 1998-2009 “fooled around 1998”,and her boyfriend Kevin met 1998-2024s and married Nadia ……

She “possessed” “bothered” others, served her 3 high-school abortions “made scrambled eggs for those around her”, to survive 2009s-2024s while watching her sons footballs games “not-on illegaldrugs no-more 2009s-2024s, erasing her past” as football captains at Pearl City High School…….

But Pafuti Vaana (Shelly Miguel) “is still lieing to everybody”…….

Because Pafuti’s first Nanakuli boyfriend, who died in 8th grade, 1992, is still a “stuck-up, high-nose, and snooty School Principal in Waimanalo” “a real gayish Kumu-Hula James and brother Michael Dela Cruz” amongst poor hawaiian people……..

In the next attachment (video) - Kelly Ann Kahakai’s world “is a lie”. For example, “where one leaves, is where one arrived appropriately”……

Kelly Ann is Hawaii SWAT-Team police-officer deceased-1995 Tate Kahakai’s daughter (or stepsister Anastasia in disney movie Cinderella)……

In the next attachment (video) - The female in the video, looks, like (Nikki Minaj) Kelly Ann Kahakai. "You are lieing, if Kelly Ann wouldn't-do-that (in the video), if that was legal, and not-illegal."…..

The video is Kelly Ann's "power-levels" "where she demands, to feel inferior, amongst others", or how stew-pid (beef or curry?) she pre-get-s, pre-got……

The video "possessed" others, and is an example of "what's really happening in Hawaii"…….

Because they crow (the don't chirp) the Aiea Forest, "where their 9-lives, with another guy, exists in Hawaiian Airlines"……

Grandmother Kay Honeychurch, 94 years old, 100%-Japanese, still eats Hot Soups, Miso Soup, and drinks Coffee, Caffeine. I cant change every "Customer" to-not eat Hot Soups, is why, I just dont sit at the meal table with Grandma. Mormons are forbidden to drinks Hot Soups and Coffee. I just don't, talk about it, with Grandma, with "Customers",…….

From, Miss Tutz Honeychurch.
The Mike Miske (Artemis – Diana – Princess of Wales) Current-Court-Case versus (vs) "Mother Theresa's (Stepmother the), Witch Of All San Francisco". I had some time and "its alive !AND NOT GAY!" read/viewed on the TV
News yesterday .....

#Notes at first glance, to explain in upcoming Posters…..

The guy, Mike Miske, survived, being bothered by, "female hawaiian-hawaii wild beastly women" (became the Hawaii Husband/Wife Persona, was back to "a Mr. Tongi, American Idol" with "Mrs Adam's-Family")…….

#The "poor Hawaiian-Royalty (a large amount) raised in Kalihi" (Mike Minske was raised in Hawaii. !!He owned a night club in restaurant row near kalihi !!) already went on dope s1997, trying to survive, their oldest (possessed) "brother" (who is currently Greg Siamani 6ft){unawanted advances of senior-citizen female Louis (Jazz), Rodney, Melody, Ella "Drizella in disney move cinderella"}. "The Aulani Hula Dancer" was their next Hell, in their (without High School Diplomas s1997) life, that, they didn't survive yet. "!! It's a self-defense, a stand in public, to get a GED, or a job !!"…..

#Majority of those with Hawaiian-Royalty-Blood is poor hawaiians, born with dope, illegal drugs in their system. The Airport, government facilities with security-gated entrances, don't allow those, with previous illegal drugs in their system, employment (a job) to work on their premises…….

#really big fat tall ugly hawaiian-royalty, older female siblings, the poor ones, raised poor, force-themselves on others, flirting, on-tap 24-hours in a day, over talking, talking back, wanting the first and last say (are things others, like (NOT GUILTY VERDICT) Mike Miske, can deal with). When they "are unable to bear children" (where they are caught being unbearable) is, where, I don't want-to betheir and don't care about what is ?going-on? overtheir……

#What was/is really dangerously going on, makes Mike Miske (self defense) NOT GUILTY……

#?The unaware-guy Fraser died "wanting to (or sharing his) bang (with)" his wideawake-dangerous-Stepmother?.....

#But newsman/journalist Joe Moore "banged his (for example, Minske's) forexample-Dad's, high-school ex-girlfriend addicted to dope Dawn Burgess, who married a military man and left Hawaii", before newsman/journalist Joe Moore worked for
KHON2News……

#"Other" notes, facts, LOCATED IN ATTACHMENTS BELOW that I reedited and emailed last year to "1/2 of the USA (emailed and read mainly-throughout 2008 to 2015) noted on my Tiktok page……

#Not Louis Kealoha, "Salavation Army Drug-Detox (The Godfather) strict voice, squeeky clean senior-citizen decesed-2013/2014 Eddie Marshall" was designed to marry Princess Abby (and not the (Kapolei Rock Quarry) Sonny Ching)……

#A Hawaii Government Employee Email Directory is/was needed 20082023s, “so, the, clever Witch Of San Francisco (an Aulani Hula Dancer)”, stops banging the guy, her-step-son or step-grand-son (where he, should have said, “N.O.”) who died……

#Please release Diana (Princess Abby) soon, while “she’s-not a lesbian”. Aloha Airlines “was not enough security for Me or Abby”. While, the new 9/11 Airport Federal Security System “or Air Traffic Controller facilities” “was” enough security for a 9am to 5pm……

#The cops (not employed on Airport premises). were bad cops 2007-2015 "because they (100%-japanese Trudy's psycho-stalkers) forgot their love for 100%japanese buddhist hawaii-local-singer Trudy Torricer, for example". While unware people, bought good cops as dogs s2007……..“

#Im sorry, I apologize, "Im hawaiian-royalty the oldest (named after, someone who died in the 1940s), older than Abby in a very dangerous amazoniahawaiianlanguage-church world" and Thankyou.

#I am Mormon, Muslim (I pray 5 times a day and Friday is Sunday), Catholic (I watch the Canadian loretto abbey DailyTVMass daily), went to Hongwanji in elementary (I watch the daily Buddhist Church Service by Yuki Sugahara on YouTube), and (I watch the First Baptist Dallas Sunday church service weekly) amongst scarce resources……

#Because he SURVIVED, IS ALIVE, AND “didn’t look like, It The Clown (under control?), on TV this week”, the one(s) crowing the Aiea Forest to loud 5/7am to 5/7pm daily…….

#Carissa (Aulani Hula Dancer) says "Allah (another God that legally rapes/knives women's crotches, outside of their homes)(another God's mass interrupts in and stirs) all day during high school s1997.....

#kam4housing senior-citizen female Louis with 7/9 children from her 1rst (of 4th) husband, talks back 1998s, “has no respect here”, over talks 1998s, currently crowing (not chirping) the Aiea Kea’iwa Forest (482 acres boardering Kaneohe) with others. She (pound-her-out) chose, not-to be so loud, beyond irritating, beyond annoying…….

07/31/2024 Notes, hopefully a last note

Mike Miske’s court case, needs to be thrown out. Because “rejected Angela, psycho-stalked everybody 2006-2024s”. Because deceased-SWAT-HPD Tate’s daughter Kelly Ann “was to short, 5ft 2inches tall” to be an official Aloha Airlines flight attendant, “and, only clever-drama (Ashley) 5ft 6inches tall, became a new “hoochie-mama” Aloha Airlines flight attendant, in her clever-drama (where lieing tuna’s, are back to being, fooling-around-tuna’s and girlfriends)”……

Senior-citizen Mae Takahashi, 100%-Japanese, the aloha airlines, flight attendant Director of 30/40 years -- “born-againMae#1997 fooled around, as my new UH Manoa college roommate - (of 3 other original, very important roommates) - with numerous, while on (illegal drugs) weed, as a new student at UH Manoa in late 1997s”…….

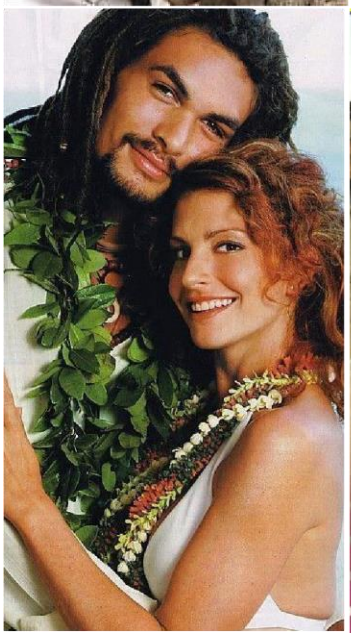
Ellie Mae Shimmershine, was my handicap (an unfit, crazy person), special education, school classmate, K12th grade, “with loud, Aiea Forest outbursts”. (Ellie Mae does-not crow, (chirp !!) the Aiea forest

allday. Ellie Mae (an unfulfilled tuna), got married in 1999s, has “loud outbursts” , stealing “hot, inheat” moments for life all-day, lifelong.)

Senior-citizen Mae Takahashi. 100%-Japanese, shared all the time at Aloha Airlines, that - she hate’d, her long-ago, Greek pan am, flight attendant co-workers, who were mean and cruel, to her……..

Mae hates “Simone, Kalahiki” the country Greece (were feelings, others needed, to be hired-fast as an Aloha Airlines flight attendant)……

Joseph Pacada (photo Taizo Braden)(the same job duties as Taizo Braden within Aloha Airlines) worked under Mae Takahashi……



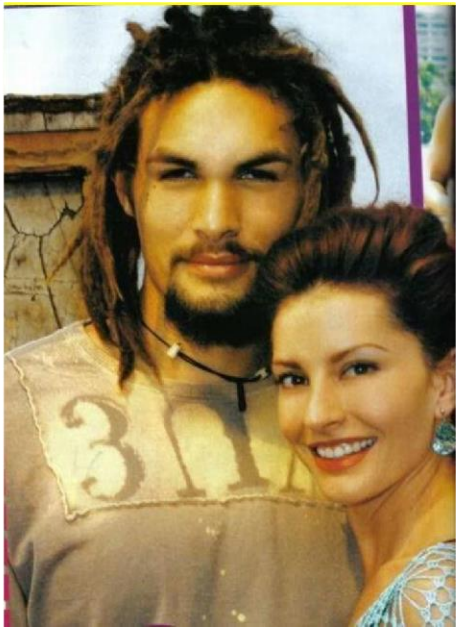


Photo. Jason Momoa met his coworker, “(hawaii’s) R. Kelly’s school-girlfriend)” australia Simone (his temporary Greek Girlfriend from Mae Takahashi), on Baywatch Hawaii 1998…….

Simone “Kalahiki” was with “other guys (during Baywatch Hawaii, loud and proud), and pilot Sean Gonsalves”, at Aloha Airlines…….

?Jason Momoa’s, girlfriend, back home in Iowa, “was with my Brother”, during the beginning of, Baywatch Hawaii 1998s?…….

Jason Momoa, signed up to be a Background Extra in Baywatch Hawaii 1998, and “was hired as their new Main Star Actor instead”, his big break……..

Joseph Pacada’s (Taizo Braden’s) presence and existence, “gave Jason Momoa a big acting break”…….

But, the samoan chief’s grandson, deceased-s2015 from lifelong drug addiction, “(hawaii’s) R.Kelly” George Siamani Jr, was KELLY’S “the creation of Kelly Preston’s (John Travolta’s wife’s)” school boyfriend s1985s……..

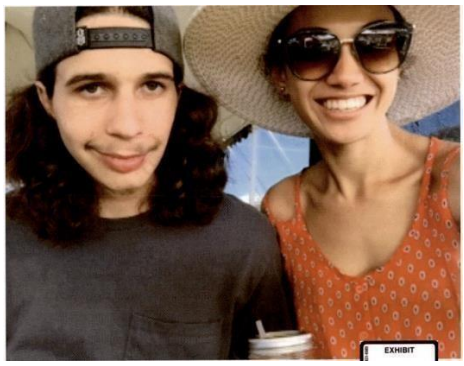
KELLY went to Maryknoll Schools for Girls, Hawaii……

KELLY made “restraining orders (the creation of Kelly Preston)(the creation of Kekoa Dole), against “(hawaii’s) R.Kelly” George Siamani Jr, because they fought all-the-time……

KELLY worked at Indigo’s Restaurant in Chinatown, until Indigo’s Restaurant closed-shop in 2013……

Ashley Wong (Carissa Coleman)

Johnathan Fraser



Johnathan Fraser and his "step-Mother-Grandmother aulaniemployed Carissa Coleman" girlfriend Ashley Wong……

aulani hula dancer Carissa Coleman thrives as an "Adultery 2nd/or3rd/4th Wife" to the son of "the Dad, who raped his own Daughter (where the Daughter, was-not removed, and still remained in the same House)"……

Mike Miske is Innocent "in the murder of Johnathan Fraser", because =her-friend= (Black Cat in movie Batman) (adultery-met-2015s and ?adultery married? an African-Guy named Tate#African). =HPD-SWAT-

Team deceased 1995 hawaiian Tate Kahakai, born and raised in Kam4Housing, KPT……

Because a Father would "would kick, his own son's ass, for bringing home, untamed-wild-beasts wildamazonian-female ……

SIMON FRASER UNIVERSITY is located in CANADA……

CANADA (wont mix-up-races of 100%-Canadian's) "disowned" hawaiian/canadian Keanu Reeves at birth and his Mom "by moving their 100%-Canadian Son (Keanu's father) back home to Canada, away from keanu's hawaiian Mom",…….

GG (Ashley Wong) "is viewed as the 11th-born-child", where people had 11/20/30 children "who (all) survive, working in Government Jobs, Welfare Services for example"…….

fully-gay “Pono Kahale’s dream-wife” Dawn

Similar photo of “female Mike Miske” Thuy Nguyen ’s (Egyptian Pharaoh Thutmoses’s), dyedblonde female-younger-sister (senior-citizen Dawn Burgess) Dawn Nguyen, age 41 years old……

“female Mike Miske” was fairest (a great attitude), and far prettier than, K-12th grade handicap/special education “Ellie Mae” (flight attendant director Mae Takahashi). Ashley was “dark-brown male-transvestite-prostitute 6ft-Gerome, age 38s/41s, found murdered in Kalihi Valley Stream in 1998”. Ashley’s mom, didn’t make a Case and left his killing Unsolved……

Dawn Burgess (the new and improved Dawn Nguyen, age 41 years old) on crack (illegal drugs), fooled around with Joe Moore, before Joe Moore worked for Hawaii TV News…….

Senior-citizen 100%-White Dawn#1998 sat in First-Class on Aloha Airlines, Monday to Friday, 7am and 5pm, to Maui and back. Dawn#1998 was a Maui Hotel Executive……..

GG “Ashley Wong” an Aloha Airlines flight attendant, “was jealous of prettier girls, Thuy#2”.

Thuy#2 got fired, in her first 4 months, as a new flight attendant in 2002. A “ dark-brown Kala’i Miller#2” and other airplane bag loaders, kept on crowding “Thuy#2” at work, at Aloha Airlines…….

Keanu “created by Kelly Ann and Kaeo’s (untamed-amazonian-behavior)” likes, was lifelong psycho for, the love of, Kamehameha-schools volleyball-captain Pono Kahale (who gaymarried a male named Ben Hurvitz). Things change, its time to run home, when “untamed wild females” are in-heat……

Things change, “things run different”, when, things , wild, untamed, and ugly, “are in-heat”. Mae
Takahashi (handicap/ special education Ellie Mae, continues her loud-outbursts, K-12th grade to 2024s, which is wild, untamed) was moved-away, from the airplane Jets, to airplane PropellerPlanes to chat and chat with (not on Crack, Illegal Drugs) Dawn#1998 weekly……..

Photo Interpretation (Titanic 1997 Movie)(limited-trusted-resources forewarning) “of SeniorCitizen Mae Takashashi (&? 45/46 yrs old Pono Kahale)”…….

Pono Kahale also, looks, like, “Nazi Security Guard”. Aida (Aiea, Hawaii), “Aida Hitler” was Adolph Hitler’s infant-death niece, who died as an infant……..

The above wanted, quality time and attention, like, “deemed as to ugly” “DISCONTINUE” “rejected” 2006s-2024s angry-crazy psycho-stalker Angela Aloha +Freddie Krueger+ (with a psycholove-crush for her school classmate, kamehamehaschools european-soccer-player Brian Ching) “and was 1997, 12thgrade, aired to stop over-talking, her, their,

cheap-plansforothers (non-First-Class-Seating) in the 1997 Titanic Movie (with expensive First-Class-Seating)……..

Where Prince Charles “married a dark-brown Bernice Pauahi Bishop”. Can Prince Charles of England marry a “dark-brown” African “who is s1997s beyond misbehaving”?.....

Because “female Mike Miske” is “gay-married Pono Kahale’s” eggs-n-things, reimbursement. “Pono married a male, named Ben”, from being lifelong crowded by “unwanted female advances”, of, such as by --- procelain-in-color Tate Kahakai’s (chocolate in color daughter) named Kelly Ann Kahakai, and numerous other females……

HPD-SWAT-Team deceased-1995 Tate Kahakai, had 2 daughters. His (porcelain-in-color) 2nd daughter Christina…….

Canadian, music producer Scott Storch lost 100 million dollars 2006- 2015. He was with “5 girls a night” (140 girlfriends, is where a Black Cat
“hula dancer Carissa Coleman” would arrive) sometimes. Canada, let, “senior-citizen deceased kaneohe drunk-hawaiian Uncle Scottie” run free (for all, to see) in the USA…….

Is why, to let, Mike Miske Jr run free “way before Neverland, Michael Jackson”. Where he behaved, is where to brunch……..

HPD SWAT Team (1993/1995) Tate Kahakai

HPD Police Officer Tate Kahakai

Photos, I just found, freely available on the Internet…..

His first child, was a girl, and chocolate-in-color Kelly Ann, age 45/47, “who took him out (for receiving different-lifelong blessings)”, and is full steaming ahead (as Little Kim)()()(as Nikki Minaj)……

Angela Aloha “Aloha Airlines” and chocolate-in-color Kelly Annd, “went on, to give birth to Princess Abigail’s baby”, “further-replace Abbigail 2006s”, (like senior-citizen Lady Gaga, who is Black Cat’s mom, to be against it’s evil in the Hand that Rocks the Cradle)……

My co-worker on airport Federal Property, new airport Homeland Security (Santa’s real Hawaii Elf Land) was “Abby(#2001-2007)”, but

crazy “Angela Aloha” got deadly jealous, crazy in s2006s “and was not Beginning Federal Security Officer abby 100%-japanese” without permissions, to be explaining (to in-heat crazy Angela) information (Abby already understands) to….. …….

I think, people believed in hawaii Police Officer Hunter Ah Loo’s wife, Angela Ah Loo, because her first-baby with Hunter, was-not “chocolate in color” ?born “after” year 2006s?…….

I didn’t know Princess Abigail, had problems, was a real Lesbian, until her
Funeral. I only knew “Government Property and its 100%-Japanese Abby’s” and where, I am assigned to “within Government Property, Athletic Events - Gyms”……

Local Hawaii Notes

Photo of “senior-citizen Louis” famous person named Nicole, created in Expired and Rotten year 2009s (after Aloha Airlines ended). “(Unaware) She (was jealous because she was uglier, and got stupid and) aint the show, sight to see……..

“Mrs Adam’s-Family”….

The Hawaii Family-Lineup, changed back to, “Mrs-Adam’s-Family” and & “Mr-Tongi-American-Idol”……

I don’t like, 4-times-married Senior Citizen female kam4housing Louis……

Senior-citizen Louis “is wearing my White Jacket”, and I had to decide to turn-off 2006s, and look as, ugly as Louis….

Louis and Angela were to ugly, jealous of things prettier, and totally disrespectful (taluntaluningeverywhere s1998, s2006s, and told-off in 1998, by getting ass-raped in 1998), therefore, “Wonder
Women” Jasmine “appears as, (s to ugly) Louis, age 65s, and (to ugly) Angela, age 46/47, at the Honolulu-Airport (1998s) s2006s”……

Angela#2’s husband is police officer Hunter Ahloo (while jealous “because she was far uglier” Angela was visiting me, after Airport work hours, without my consent “because she was jealous”, where I didn’t didn’t have Airport Security near me 2006-2024s “while she, now-days, a really crazy and scary person, shares freely,”her unchanged ugliness” and jealousy ……..

Again, Brother IZ was a raped cherry, ?and?, ?senior citizen 4-times-married s1998 Louis? is beyond irritating lifelong……

But all of the above, “was jealous” “is still surreal jealous”, of prettier females (and re-existed as homeless-squatters, at random moments, stranded in the Honolulu-Airport)…..

The “other lady” was far prettier…….

Jasmine “Wonder Women” (the new and improve male Brother IZ)(the raped cherries) was making “ugly females feel secure, to flirt and force themselves upon, and fool around with Handsome Guys” is what happened at the Airport 20012005…….

I didn’t arrive. to the those Sectors of the Honolulu-Airport until 2006, “until ugly females, felt Secure and Confident like (now old and gray) Police Officer Hunter Ahloo”…….

Some Hawaii Police Officers will always be (2001-2005) lifelong Insecure AND unable to (2001-2005) provide (in Expired and Rotten year 2006s-2015s-……

While “senior-citizen Airport-Police-Officer William (an old

Mike Miske)" was a good cop 2001-2006 partially-stationed at "purple and white (school colors of Pearl City) Hawaiian Airlines", and not over-excited amongst tons of local flightattendants flying
out…..

Next. He "senior-citizen Thomas" (Miracle On 34th Street) was fired in 2006. He "senior-citizen Thomas" couldn't explain 2001-2005, in 2006. In 2006, a new federal-airport Eye Test was suddenly created, and "senior-citizen Thomas" did-not past his federal-airport Eye Test……

To explain why, ugly or poor (like, senior-citizen, female Louis) females "are-not at home, and are atwork" is simple……

To explain, why "the prettiest is-not at home, safe and sound (s1997)(the ending of Aloha Airlines s2008s)" and amongst (Police Officer Hunter Ahloo's 2006-2024s), is morally crazy again……..

The honolulu-airport's "ugly females", bought "fired" senior-citizen Thomas, as "neighborhood stray dogs" 2006s, 2015s……..

New York City is filled with religious Muslims…..

“Neighborhood stray dogs” 2006s, 2015s, “are unable to sit in Court, in Expired and Rotten year 2024” to witness the drama/damage by “Hawaii ugly females”……

He’s (perfect year 2001-2005)(not fat, like an unbelieving Brother IZ) to-old in rotten and expired year 2024s……

A “new prettiest female, in Hawaii” (which is not, male Brother IZ “Wonder Women”) with huge breasts, needs to exist “in Rotten and Expired year (s2015s) 2024s”……

Or an African female needs to post up (like movie Coming To America) in “for example, Hawaiian Airlines” …….
